Editor's Note

Greetings!

We had a mini heat wave last week. I always joke that it's because I decided to bring out some of my warmer clothes, putting away the summer stuff — and that is exactly what happened.

Those days were nice. I told my husband that it felt like fall evenings in Florida. Perfect temperature - not hot and not cold. Goldielocks weather — just right!

Reminder: When sending in your new address after you move, please include the old address too so we can remove it.

Have a nice week!

OHIO VALLEY
Biochar
there is a better way

Keep your animals healthy this winter with **OVB Feed Additive**

- ♦ Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses
- ♦ Biochar can be applied to the feed or directly to the bedding,it helps capture the ammonia and the barn will have less odor.
- ♦ Chicken growers ,adding Biochar to the feed ,are growing birds 1.5lbs heavier in the same growing cycle.
- ♦ Biochar helps to reduce or eliminate toxins in your animals which lowers the stress level and gives a better metabolism.
- ♦ Hog growers adding Biochar to bedding or feed helps clear up scours.
- ♦ Chicken layer barns adding Biochar to the scratch area once a week are increasing their egg production by 5%.
- ♦ Biochar helps to keep mold from growing on walls,closets,barns, and grain bins.
- ♦ When adding Biochar to the feed and manure ,the bedding will become the best compost made because it will start capturing the excess ammonia immediately

Animal Feed Additive

It's time to THINK SPRING

If you want better nutrition.... you need to start with better soil

OVB
OHIO VALLEY BIOCHAR
There is a Better Way

Now is the time to apply Ohio Valley BioChar to your fields and gardens!

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Biochar blends available for various farming needs, call for more information.

Build Your Calf Barn From the Foundation Up

Smartbacteria™ is a foundation you can build on.
STARTUP GEL | CALF GOLD | GOLD SPIKE

Most calf programs focus on inputs. Milk, starter, protocols. But long before any of that matters, the foundation is already being set. A calf's microbiome develops early and when it's off, you don't just see it today, you pay for it later.
Inconsistent growth. Health challenges. Poor efficiency.
Not because the ration was wrong.
Because the foundation was.

STARTUP™ GEL

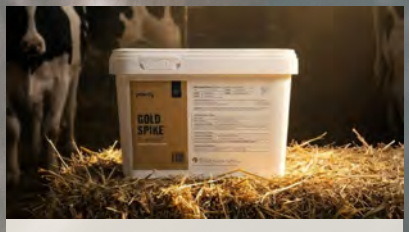
Get the gut started

A concentrated gel, providing Smart*bacteria* to start up gut function at birth

CALF GOLD™ 3E

Builds The Rumen at Birth

Proprietary Smart*bacteria* strains that work to lay the health foundation in the rumen. Helping establish a highly functioning rumen for a smooth transition at weaning.



GOLD SPIKE®

Backs The Immune System

Smart*bacteria* that help support a healthy GI tract and immune system.

Your antibiotoic alternative.

A SMART*BACTERIA*™ ALTERNATIVE FOR BARNS LOOKING TO RELY LESS ON ANTIBIOTICS

Antibiotics don't pick sides. Heavy use can cost a calf the same gut bacteria that drive digestion and immunity. Gold Spike® takes the opposite approach: it works with the calf's biology to help support a healthy GI tract and immune response, so your barn can work toward reaching for antibiotics less often.

PUT YOUR CALF BARN ON THE FOUNDATION

Why Minerals?

Why do we need to feed our animals mineral supplements?

Science has proven that fruits and vegetables have become less nutritious because of depleted soil. Studies show that in 1953, a single bowl of spinach had as many nutrients as 43 bowls of what we'd consume today. In another example, you would need to eat 8 oranges to recieve the same nutrients as you would eating a single orange in 1980. We till this same soil year after year to provide food for our animals. Yes, there are soil amendments and fertilizers that can help, but we're talking decades of deterioration. *This is Why* your animals need additional minerals and supplements. Even on the best diet, animals can be deficient and out of balance leaving them in poor condition, underperforming and susceptable to illness. Want to know more? Give us a call, we'd love to talk minerals with you.

It was early November, and the woods were just starting to come alive with rut activity. I'd been scouting a funnel between bedding and feeding areas, and the sign was fresh. With the wind in my favor, I decided to try something I'd heard other hunters talking about – Buck Whiff.

I kept it simple. A few drops on a drag rag, and I walked a slow zigzag toward my stand. Passing an existing scrape I put a few squirts of Buck Whiff in it about 20 yards out, right where I expected movement. The scent was fresh—noticeably different from some of the bottled stuff I've tried in the past.

An hour or so after settling in, I caught movement. A decent buck stepped out, nose down, locked in on the trail I'd made. He paused at the scrape, visibly aggravated, and gave me the broadside shot I'd been waiting for.

What struck me was how naturally he reacted—paused, hair bristled, stiff legged walk – you know what I mean. He was ready for a going around with this new buck that had just intruded his territory.

I've learned that when you use a lure like Buck Whiff correctly—fresh, sparingly, and always with the wind in mind—it can tip the odds in your favor. It's not magic. But in the right moment, it's the edge that matters.

ZEROFIT

ONE OF THE WARMEST BASELAYER™

WHAT MAKES IT SO GOOD?

HEATRUB MOVE

MOISTURE WICKING AND COLD SWEAT

One of the biggest problems that athletes suffer from is moisture between the skin and garment, this is fine when one is working out but when you stop activity and are in the cold this moisture (sweat) becomes very unpleasant and cold - the dreaded 'cold sweat' is a major issue for outdoor activity. Due to the unique mix of polyurethane and polypropylene on the underside of the MOVE moisture is removed from the skin and quickly sent to the outside of the garment using a kind of capillary action - its like osmosis for clothing!

OUTER SHELL

The outer shell of the garment is made with hollow polyester so as soon as the moisture is drawn from your skin it quickly evaporates from the shell rather than soaking into the outside of the garment In summary the MOVE baselayer is twice as warm as the market leader as proven by BOKEN Institute, it has a Clo rating of 0.28 (this is the heat retention ratio) as opposed to the leading brand which is 0.14. The MOVE comes into its own as soon as your body temperature heats up as it keeps you cool and removes sweat from against your skin using the unique mix of fibres.

HEATRUB ULTIMATE

DO YOU SWEAT IN IT?

The ULTIMATE has a complete focus on warmth however the polyurethane in the garment does give it some wicking properties but this garment is designed for the really cold days where sweat is the least of your concerns. This heat is created and maintained by the unique knitting process and mix of fibres. Because compression is not the main element in keeping you warm - you get more freedom of movement than with a normal baselayer.

Heat Retention & Generating Properties (Thermal)

Four Way Stretch Fabric

HEATRUB ULTIMATE SOCKS

HeatRub Ultimate Socks are made with the same material and work the same as the Ultimate base layers.

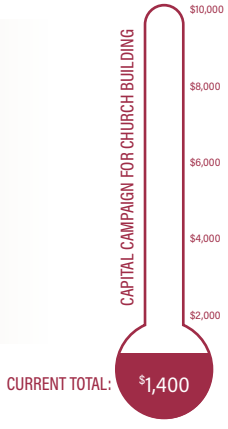
MINISTERING TO CHRISTIANS IN PAKISTAN

At **Yeshua Is The Way** Ministries, we have partnered with local Christians in Pakistan - where there is a great need for spiritual and financial support from the global church body. In a country where Christians face discrimination, poverty and persecution, there is still a hunger for God. Men, women and children are responding to the Gospel! People are being healed from pain and disease! Families are being freed from bonded debt that traps generations in manual labor.

We welcome your financial support for our current and upcoming projects. Our heart is to continue blessing and ministering to these believers - and their neighbors - by hosting Prayer Festivals, providing Food Kits, financing medical care, and more!

Current Fundraising Needs Include:

- Family Food Kits - *rice, lentils, flour, oil, etc*
- Medical Care Support - *medications, doctor visits, surgeries & transportation*
- School Scholarships for Primary and Secondary Students
- Capital Campaign to purchase a Church Building
- Salary for Pastoral Staff in Pakistan
- General Ministry Expenses - *travel, administration, website*



Yeshua is the Way is a 501c3 non-profit organization based in Central Pennsylvania.

Our mission is to support persecuted Christians throughout the nations as a partner with local believers, and to share the Gospel with people worldwide.

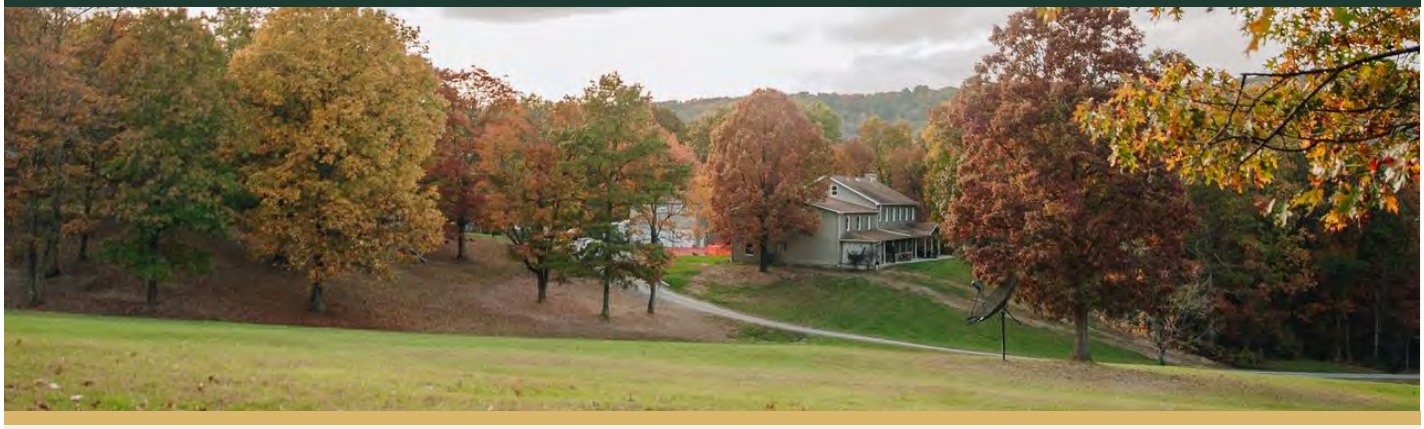
A place to worship, rest, and reconnect



Planning a getaway for a large crowd?

Let us provide the space for you.

Our 9-bedroom group lodge is nestled in the rolling hills of scenic Hampshire County, West Virginia. Set on acres of woods and open countryside, our retreat was created for the gatherings that nourish the soul: church retreats, youth group weekends, ministry team getaways, and women's and men's conferences. Here, the loudest sound you'll hear is laughter echoing across the porch, worship drifting from the gathering room, or a crackling fire under a sky full of stars. Just a couple of hours from the Washington DC metro and an easy drive from Maryland, Virginia, and Pennsylvania, Haven of Hope is a convenient retreat destination for churches across the Mid-Atlantic.

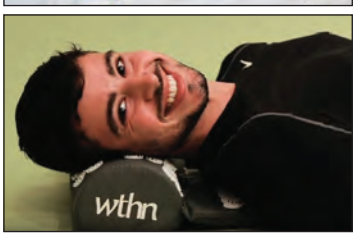
Pressure Point Mat Set

Lay back, breathe deep, and let the tension melt away.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015

$138 for the mat.
Add **$12** for shipping.



Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – ***WTHN Client***

Could it be Measles ("The Rash")?

Symptoms usually begin 7 to 14 days after infection:

Fever (at least 100.4 or higher)

Cough

Runny nose

Red or watery eyes

A rash with flat or raised, red spots may appear.
The rash usually starts on the face and moves down the body.

Who needs extra care?

Measles can be serious for anyone, but it can be especially dangerous for babies, pregnant women, and people with weak immune systems.

What to do if you or a family member has symptoms

Contact your healthcare provider, midwife, local hospital, or local health department.

Important: Call ahead and let the hospital know someone with possible measles is on the way.

The best way to protect yourself and others against measles is to get the vaccine.

Protect your community.

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." **— D. Hershberger, Nashville, MI**

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Best nap ever.

81% sleep through the night when using a weighted blanket

60% feel less anxious after using a weighted blanket

Frequently asked Question

How do Bearaby blankets get their weight?

The **Cotton Napper** is weighted entirely through hand-knit organic cotton — not beads, not pellets, not hidden fillers. Just pure, breathable cotton loops layered to create natural, even weight. It is precisely engineered with a heavy cotton yarn, and compacted to the perfect density to give you your best nap ever.

The **Tencel Cooling Tree Napper** combines the above process with a blend of Eucalyptis fibers to give you the same effect as the cool side of your pillow, all night long.

HELP FOR THE ELDERLY

"This is a surprise from God"

A channel enabling the church to minister to physical and spiritual needs around the world

Christian Aid MINISTRIES

What would it be like to live in a house with a dirt floor—one that floods whenever it rains? This is reality for Maria, an elderly widow in Nicaragua.

Maria's husband died 30 years ago. Her daughter died five years ago, and her grandson died two months later. She also lost a son in an accident. "I have suffered a lot," Maria said, "but we keep going."

Each month, Maria depends on a friend to pick up her **Help for the Elderly** food parcel. One month when her friend was sick and unable to go, Maria found herself with few options for her monthly food provisions. Not long afterward, a CAM staff member visited Maria and delivered a food parcel. Delighted, she said, "I thank you so much, in the name of the Lord. I wasn't expecting this visit. This is a surprise from God!"

Clara is another widow in Nicaragua who has experienced a life of hardship. Her husband struggled with alcoholism, and 22 years ago a vehicle struck and killed him. When she received a food parcel, she told CAM staff members, "I give thanks to God because without Him we are nothing."

Miguel and his wife also live in Nicaragua. For most of their married life, they worked for a farmer who allowed them to build a small home on his land. Together, they planted, cultivated, and harvested crops, but yielded just enough food and income to survive.

Then the owner sold the farm, leaving Miguel and his wife with no place to call home. As Christians, they chose not to fight the situation. Their daughter was able to provide a simple house for them to live in.

Miguel praised God when he received a food parcel. "All of God's blessings to me are good!" he told a CAM staff member. Amidst poverty, God's love works through His people, bringing hope to desolate hearts in the form of a food parcel. Thank you, supporters, for helping to minister to elderly people in great need.

Maria is overjoyed with the food parcel she received on a surprise visit from a CAM staff member.

Mexico Mennonite Benefit Auction

(Christian aid for the Mexico Mennonite Schools. Auction proceeds go towards USA teachers' pay, transportation to and from the border. Mexico Mennonites are responsible for transportation inside Mexico.)

Saturday, December 12, 2026 • 9:00 AM

Location: 2781 Route 364 Penn Yan, NY 14527
(2 mi. west of Penn Yan on Rte. 364)

A yearly auction at Skyline Auction Center, giving support to Old Colony Mennonites in Mexico.

Thank you for your generosity and support of the Mexico Mennonite Benefit Auction. It is because of God's faithfulness as well as your continued support that we were able to disperse $65,000 in 2025 to help provide education to the Old Colony Mennonites. This enables their children to learn to read, write, solve math problems and ultimately to be able to read the Bible themselves, in order to know right from wrong.

We will again take donations for this auction. Another ad will be coming out later this month, so if you have anything to advertise, **please call before Oct 30.** Only donated items will be accepted, except for horses, which will be sold on commission or by donation. For any questions, or to advertise farm equipment, hay, straw, new and used tools, any large items for outdoors, etc. call Marvin F. Martin, 315-536-3640. For furniture, household, or any other small items for indoors, call David Martin, 315-536-9467. For quilts, call Martin Fox 315-536-0769. For horses, call Lavern Horst 315-536-5914. We are still looking for more horses. A vet will be at the auction to do Coggins.

Reminder: *Lakeview Holsteins will accept cows, heifers, etc. donated for benefit. They accept cattle year round at any of their auctions. Call Raymond Zimmerman at 315-531-8521 for a free donated cattle pickup for the Mexico Mennonite Auction. (Donors will be kept anonymous.)*
