Editor's Note

To Our Valued Advertisers: Due to the current economic instability of the print industry, it has become necessary to increase our ad pricing, effective November 1st, 2026. Please see pages 7 and 8 for pricing details.

Greetings to all!

This week, the boys set their small animal traps again for another winter of trapping small game. They got themselves some new traps in hopes of catching raccoons and foxes this year. It takes some dedication, but we enjoy going out in the crisp morning air to check the traps to see if we caught anything. Flip through the horse section and find the pony giveaway page. Fill out the form and check the box of your favorite horse. Send it to the address shown at the bottom of the page and expect to win! The lucky winner will receive the entire outfit: the pony, the harness, and the cart. The drawing will be done at the Mid-Ohio Yearling Sale Expo on November 27th. You do not need to be present to win. Good luck! Want to run an ad promoting your Christmas gifts? We'll be offering 10% discount for display ads running in our annual Christmas Edition, which is the November 20th edition. The deadline for that edition is Wednesday, November 11th.

All Keys are listed from Lowest to Highest.

ROUNDHOUSE
Bushman's most comfortable harmonica. An unbeatable price/quality combination. Great for beginners due to comfort, great for pros due to price, durability, and responsiveness.

Keys: Low D, Low E Low F, G, A, Bb, C, D E, and F | **$40**

KNITTLINGER
Accordion-like sound of the old Auto Valve only better feeling and much easier to play. Loud and lively, quick and nimble! Good players were able to play faster than all previous double reed harmonicas could respond, but you can't outpace a Knittlinger – it goes as fast as any player can play it!

Keys: Low A, Low Bb Low C, Low D, Low E Low F, and G | **$100**

TRINITY HARP
3 harmonicas in one! Its pushbutton slide gives you 3 major chords across all 3 octaves, delivering notes and chords that once required juggling multiple harmonicas. It also supplies the missing Blow 3 note within a rich chord. Move instantly between chord choices and play fuller rhythm, accompaniment, and melody without changing instruments. No need to learn a new note layout - plays like your other diatonic harmonicas!

Keys: Low F, G, A, Bb, C, and D | **$95**

THE DELTA FROST COLLECTION
The Delta Frost comes in 3 different comb choices – Original (plastic), Steelie (aluminum), or the Woody (wood). Delta Frosts are the preferred gig harmonica for many professional musicians. Traditional, old school design.

ORIGINAL
Keys: Low D, Low E Low F, G, A, Bb, C D, E, and F
$35

STEELIE and WOODY
Keys: Low F, G, A Bb, C, D, E, and F
$45

HARMONICA INSTRUCTION KIT

Learn to play popular songs in minutes even if you don't know how to read music! 34 page book comes with our best-selling Roundhouse harmonica.

Keys: Bb or C

$45

MIDDLEFIELD
An easy playing, 10-hole, double reed, octave harmonica that sounds like an accordion. 40 responsive reeds deliver a rich, full tone. It's laser tuned to be in perfect pitch, and it has silent windsavers that eliminate the buzzing and flapping noise that have plagued double reed harmonicas for generations.

Keys: Low A, Low Bb Low C, Low D, Low E Low F, and G | **$125**

We want to thank Briarwood Draft Ponies for trusting in our products to help with their successful 2026 season!

I had 3 hoof problem horses on Atlas Hoof Builder since March and didn't have 1 issue this year. Usually by the end of the season hoofs are chipped and gotta use smaller shoes. Not this year which is awesome!

We were sale prepping a 2 year old gelding and he just wasn't putting on any muscle and didn't have any stamina.

Started him on Lions 6-Way and within a week he was bubbling with energy and started putting on muscle like never before.

Before Lions 6-Way we were doing 2 to 3 miles trips, after Lions 6-Way we had to drive 6 to 7 miles just to wear him down!!!

Fantastic product!!! Would recommend to anyone, especially trainers and sale preppers.

Joseph Graber, Die Kurier.

Soil Test... Your Road Map To Success...

Alfalfa, Corn, Beans, Produce, Pastures, Gardens, etc.

Fall is the best time of the year to pull soil test and get a fertility plan in place for the following crop year. Our team will start out by pulling the soil test for you, then making a custom recommendation based off of your operation, and spending some time reviewing the results with you so you understand what you are applying and why you are applying it. Our goal is to build the best program we can to help you achieve the results you want while still keeping your farm budget in mind.

After the fertility plan is approved, we will then figure out what the best plan is to apply the fertilizer. Mixes can either be applied truck spread via Nolts Spreading, 717-733-8528, or we can also deliver in a small spreader cart.

It's time to THINK SPRING

If you want better nutrition.... you need to start with better soil

OVB
OHIO VALLEY BIOCHAR
There is a Better Way

THERE IS A DIFFERENCE!
Activiated charcoal needs to be heated over 1250° to get rid of the impurities. Charcoal produced under 1250° is not the same. Also, the activation process should be done with water, not acid!

Now is the time to apply Ohio Valley BioChar to your fields and gardens!

WHAT IS BIOCHAR?
Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Biochar blends available for various farming needs, call for more information.

4. Cover every quarter with Super Cow Udder Mint twice a day for 7 days.

CB SOLAR LLC

VERANCE
Energy Independence. Delivered

From CB Solar to
Verance Energy

Rebranding to Verance Energy captures the heart and passion of our team, and more accurately represents services beyond just solar. The name is rooted in truth (Veritas – Latin), relentless persistence (Perseverance), and true liberation from the grid (Deliverance).

Why the name is changing.

If you hear "CB Solar," you might think of solar panels on a roof. But that was never the end of the story. Often, our crew is doing full scale electrical work, getting permits, installing a heating and cooling unit in a cabin, or wiring a generator so it kicks in when needed. It's still the same team, but the work is more than just solar. Our dedicated team of 14 is excited to continue serving you under the name Verance Energy at our new location on Belmont rd!

Our services

- Off-grid solar & battery power systems
- Grid-tied solar systems
- Full electrical contracting & wiring (commercial and residential)
- Agricultural & chicken barn automation
- Automated backup generator (genset) integration
- Mini-split HVAC system installation

It was early November, and the woods were just starting to come alive with rut activity. I'd been scouting a funnel between bedding and feeding areas, and the sign was fresh. With the wind in my favor, I decided to try something I'd heard other hunters talking about – Buck Whiff.

I kept it simple. A few drops on a drag rag, and I walked a slow zigzag toward my stand. Passing an existing scrape I put a few squirts of Buck Whiff in it about 20 yards out, right where I expected movement. The scent was fresh—noticeably different from some of the bottled stuff I've tried in the past.

An hour or so after settling in, I caught movement. A decent buck stepped out, nose down, locked in on the trail I'd made. He paused at the scrape, visibly aggravated, and gave me the broadside shot I'd been waiting for.

What struck me was how naturally he reacted—paused, hair bristled, stiff legged walk – you know what I mean. He was ready for a going around with this new buck that had just intruded his territory.

I've learned that when you use a lure like Buck Whiff correctly—fresh, sparingly, and always with the wind in mind—it can tip the odds in your favor. It's not magic. But in the right moment, it's the edge that matters.

Cold Hands and Feet, Tired, Fatigued or Weak, No Motivation, Hair Loss, Weight Gain, Anxiety, Sleep Problems, Constipation, Sore Joints and Muscles, Digestion Problems, Hormone Problems, Infertility, Low Libido, Depression, Bloating, Cramps

it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
– Dan Stoltzfus, Pennsylvania

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
– Leah Miller, Ohio

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
– Kathyrn Yoder, Missouri

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
– Sue Albrecht, Michigan

I was put on Armour for an underactive thyroid and was taking it for a year. I was still not feeling well. Come to find out I didn't need to be on any medication to begin with. My hormones are now balanced and I feel better with no medication. It's nice to see and feel the results.
– S. King, Pennsylvania

"Lions Mane Talk"

A Better Morning Begins with the Mushroom Maiden!

Good morning, neighbor! I'm the Mushroom Maiden, and I'd like to share a simple way to add Lion's Mane mushrooms to your daily routine without making life any more complicated.

I start with a good cup of coffee! **Mushroom Maiden Farm's Lion's Mane Coffee** combines rich, dark-roast Arabica coffee with more than **1,700 mg of 100% Lion's Mane fruiting bodies per serving.** That's the mushroom itself, not mycelium grown on grain, and no fillers or mystery mushroom blends. Our generous serving delivers many times more Lion's Mane than some leading brands. Just brew it in your regular coffee maker, French press, or pour-over. You get a satisfying, full-bodied cup with no mushroom taste.

Then, make it a perfect pair with our **Lion's Mane Capsules.** They're an easy, convenient way to add Lion's Mane to your morning routine, whether you're at home, heading to work, or busy with the day's chores.

Why Lion's Mane? This remarkable mushroom supports focus, mental clarity, and overall cognitive wellness. Everyone's different, but I believe in making thoughtful choices about what we put into our bodies.

At Mushroom Maiden Farm, I believe you deserve to know what you're buying. That's why we're transparent about our ingredients, use 100% fruiting bodies in all our products, and test them for safety and quality. No hidden blends. No unnecessary fillers. Just honest mushroom products from our farm.

Ready to make Lion's Mane part of your morning? Try them today and discover the difference for yourself!

Try our rich Lion's Mane Coffee. Add our convenient Capsules. Or enjoy the two together as an easy morning routine.

From my farm to your family, I invite you to give Mushroom Maiden Farm a try. Your morning cup may never be quite the same!

Pressure Point Mat Set

Lay back, breathe deep, and let the tension melt away.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – *WTHN Client*

INTOLERANCE TEST

Food Sensitivity Test
Just mail in a hair sample, contact information, date of birth and $100 payment to:
Many Words Herbs, 1176 US RT 302, East Barre, VT 05649
You'll receive your test results with in 15-30 business days.

Food intolerances can also lead to chronic diseases by creating inflammation within the body. It's a well-known fact that all disease starts with Inflammation. It's like putting watered-down gas in your Honda engine. We all know what happens when you do that!

Imagine what years of infl ammatory foods can do to your body over time? We'll do a simple DNA test that recognizes what **600+ different foods/non-food** products are causing your body the most harm.

We'll also test you for the **80+ essential minerals, vitamins and nutrients.** This portion of the test is a good balance to creating a healthy lifestyle and can boost the immune system and reduce your intolerance levels simply by adding recommended foods to your diet.

KATIE'S STORY

"My name is **Katie**, and I had been dealing with **back and hip pain** for a couple of years. The pain made it difficult for me to sit comfortably, especially for **longer** periods of time. I also found that I **couldn't enjoy spending quality time with my family** or doing the things I love, **like baking**, because the pain would always get in the way.

My health concerns are what brought me to TriPoint Health Group. I had heard about the good results my aunt experienced here, so I decided to give TriPoint a try.

Once the team developed a care plan for me, treatment started right away. Within just a month of starting therapy, I began seeing very good results. I now have better flexibility in my legs and hips, I can sit more comfortably and for **longer** periods of time, I'm able to enjoy family time again, and I'm back to baking — something I truly missed while I was in pain. I have a lot less pain than I did before coming to TriPoint.

For anyone who is considering becoming a patient at TriPoint Health Group, I highly recommend it. I'm very happy with the progress I've made and the results I've experienced."

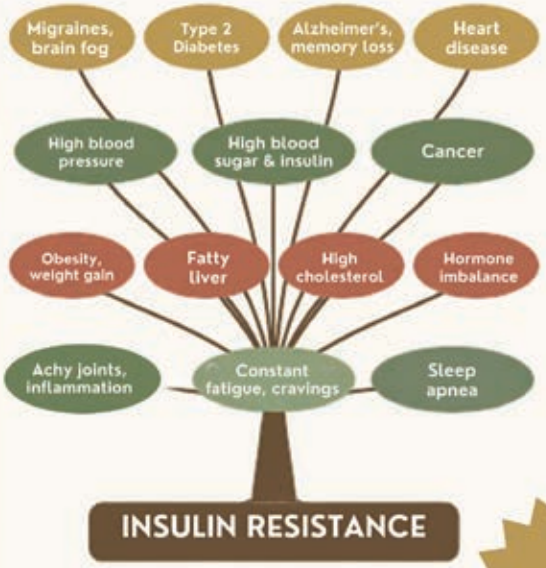
try the FEEL GREAT SYSTEM

Simple. Natural. Guaranteed.

Working with the body God designed – naturally.

No restrictive diets. No complicated rules.



What is it?
Studies show as many as 9 in 10 American adults are metabolically unhealthy — and insulin resistance is the hidden root behind much of today's diabetes, weight gain, and constant fatigue. Medications trim the branches. This addresses the root. The Feel Great System is simple: two natural drink mixes and time-based eating that work with the meals you already cook — no counting calories, no special foods, no guesswork. Backed by over 50 clinical studies, listed in the PDR — the reference guide physicians have trusted for decades — and a 100% money-back guarantee.

We're Jim & Diane Stelter from Hudsonville, Michigan. A few years ago we were low on energy, gaining weight, and adding medications every year. We found a simple daily system and use it every day. Jim, 76, has lost 50 pounds and is off blood pressure medicine; Diane, 69, has lost 30 pounds, lowered her cholesterol, and her joint pain is gone. Ask questions and decide for yourself — we answer every letter and call personally.

Nature's Rite

Replace your restless nights with Sleep Breathing Support™

You can **stop** sleep breathing disruptions and restless legs **tonight.**

Sleep related breathing disruptions ruin the sleep of an estimated 25 million Americans on a regular basis. Since sleep disruptions can disturb sleep without completely awakening the subject, there are likely millions more undiagnosed sufferers. The condition prevents the sleeper from entering rapid eye movement (REM) and delta sleep— causing them to become anxious, cantankerous and tired during the day. Additionally, due to the nature of the condition, it causes blood oxygen levels to be lower than normal for very prolonged periods of time. This is damaging to the brain and heart in particular.

Treatment options can include weight loss, nasal decongestants, surgery, and oral appliances. Devices, such as a continuous positive airway pressure (CPAP) machine, are commonly used for moderate and severe sleep breathing disruptions. A CPAP device is a forced air mask, worn during sleep that ensures proper inhalation.

Hi, I'm Steve Frank.

I have sleep-breathing disruptions at night. I spent years researching the condition and understanding the true cause. After many years, and with my knowledge of herbs, I found an amazing combination that supports deep, steady breathing all night long.
This patented blend works great for nighttime sleep-breathing disruptions commonly associated with aging. I haven't worn any mask or tubes in years, and I sleep great. I hope you can too.

As it turns out, I also dealt with occasional restless legs. So I created a blend of herbs traditionally used to help relax nerves, ease tension, and support circulation. It worked well; I later found it could also support those experiencing restless legs.

I personally use Sleep Breathing Support before bed each night, and I keep Leg Relaxer™ on my nightstand.

Sweet Dreams.

These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent disease.

Experience has shown that 60 percent of patients are not able to tolerate the equipment and ultimately discontinue using it. Others develop respiratory infections from the mask. Sleep Breathing Support™ was designed to do what the above solutions can't address the real cause of the condition.

THE CAUSE

When we enter stage two sleep in preparation for REM sleep, where dreaming occurs, muscular activity is inhibited. It is called "reduction of muscle tonus." This is a function that occurs primarily to keep the dreamer from physically acting out the movements of his or her dreams.

It is accomplished by suppressing the flow of signals from the brain along the spinal cord. Unfortunately, in those who struggle with sleep breathing disruptions, the reduction in muscle tonus allows the soft palate to sag and the signal from the brain to the diaphragm that keeps you breathing gets inadvertently reduced in strength.

The result of this is that upon entering stage two sleep, the breathing becomes shallower, the blood oxygen level drops and the carbon dioxide level rises until the brain intervenes and causes the body to make a large and immediate inhalation. This causes a large pressure differential in the pharynx and literally sucks the sagging soft palate into the airway. This obstructs the flow and causes a loud snort, partially or fully awakening the subject.

THE SOLUTION

So you see, the problem is not the sagging soft palate. The problem is not the rapid inhalation that sucks your soft palate into the airway. The problem is the reduced ability of the signal from your brain to produce sufficient breathing amplitude from your diaphragm. The appropriate intervention is to enhance the ability of the brain to communicate with the diaphragm so that you breathe deeply and steadily throughout the night. **That is exactly what the combination of herbs in Sleep Breathing Support™ is intended to do.**

Crafted with a bouquet of natural herbs.

Lobelia, used in small doses, can increase the level of respiration. Because the lobelia causes you to breathe more deeply and steadily, it keeps the whole disruptive cycle from even beginning.

Thyme improves the ability of the lungs to exchange carbon dioxide for oxygen and makes an excellent contribution to maintaining sufficient respiratory amplitude.

Chamomile aids the subject in relaxing.

Cramp Bark helps the upper trapezius muscles to loosen.

When was the last time you truly slept well?

Calm overactive nerves, restless legs, and nighttime leg cramps with Leg Relaxer™.

No mess. **No** menthol scent. **No** harsh chemicals.

Enjoy more comfortable nights and deeper, more restful sleep, night after night.

TOO BUSY IN YOUR BUSINESS TO WORK ON IT?

Between the orders, the deliveries, and keeping the ledgers up by hand, there's rarely a quiet moment left to step back and ask the bigger questions: Which jobs are actually making money? Where is the cash really going? What should next season look like?

That's the part we help with.

HOW IT WORKS

- We do your bookkeeping and accounting — start to finish.
- Full CFO services: cash flow, budgeting, and planning for growth.
- Onsite visits — we come to you.
- We'll take your paper sheets and build spreadsheets for bonus and commission structures, and any other custom spreadsheets you need.
- No computer, email, or software needed on your end.
- You get straight numbers to make better decisions for the business.

GET YOUR YEAR-END NUMBERS IN ORDER

The year is almost over — let's close it out right.

- Clean year-end books: profit & loss, balance sheet, and cash summary
- Everything organized and ready to hand to your tax preparer
- See how this year stacked up against last year
- A clear starting point for planning next season
- Bring us your books early — the sooner we start, the smoother tax time goes

You work IN the business. We help you see it.

Norman Wood Bridge Study

Open House Public Meeting

Tuesday, November 10, 2026

Robert Fulton Fire Company
2271 Robert Fulton Hwy
Peach Bottom, PA

Public Meeting:
5:30 PM – 6:30 PM

Open House:
6:30 PM – 7:30PM

PennDOT is studying transportation needs in the area and evaluating different options to improve travel and safety. Alternatives have been evaluated to develop feasible options to address the current and anticipated deficiencies of the bridge and its approaches. Alternatives under consideration include rehabilitation, superstructure replacement, full replacement on or near the current alignment, and a full replacement off alignment of the Norman Wood Bridge, which is a vital connection between the communities in York and Lancaster Counties.

PennDOT District 8-0 invites you to a Public Meeting from 5:30 PM to 6:30 PM and an Open House, from 6:30 PM to 7:30 PM on November 10, 2026, at the Robert Fulton Fire Company, 2271 Robert Fulton Hwy, Peach Bottom, PA.

At this meeting, PennDOT will present an overview of the study, including transportation needs, environmental resources, alternatives, and possible next steps followed by an open house in which study team members will be available to assist with responding to your questions, comments, and concerns.

Additional information will be available on the project website beginning Monday, November 9, 2026: https://www.pa.gov/agencies/penndot/projects-near-you/district-8-projects/norman-wood-bridge.

HELP FOR THE ELDERLY

Article space donated to CAM

"This is a surprise from God"

A channel enabling the church to minister to physical and spiritual needs around the world

Christian Aid MINISTRIES

What would it be like to live in a house with a dirt floor—one that floods whenever it rains? This is reality for Maria, an elderly widow in Nicaragua.

Maria's husband died 30 years ago. Her daughter died five years ago, and her grandson died two months later. She also lost a son in an accident. "I have suffered a lot," Maria said, "but we keep going."

Each month, Maria depends on a friend to pick up her **Help for the Elderly** food parcel. One month when her friend was sick and unable to go, Maria found herself with few options for her monthly food provisions. Not long afterward, a CAM staff member visited Maria and delivered a food parcel. Delighted, she said, "I thank you so much, in the name of the Lord. I wasn't expecting this visit. This is a surprise from God!"

Clara is another widow in Nicaragua who has experienced a life of hardship. Her husband struggled with alcoholism, and 22 years ago a vehicle struck and killed him. When she received a food parcel, she told CAM staff members, "I give thanks to God because without Him we are nothing."

Miguel and his wife also live in Nicaragua. For most of their married life, they worked for a farmer who allowed them to build a small home on his land. Together, they planted, cultivated, and harvested crops, but yielded just enough food and income to survive.

Then the owner sold the farm, leaving Miguel and his wife with no place to call home. As Christians, they chose not to fight the situation. Their daughter was able to provide a simple house for them to live in.

Miguel praised God when he received a food parcel. "All of God's blessings to me are good!" he told a CAM staff member. Amidst poverty, God's love works through His people, bringing hope to desolate hearts in the form of a food parcel. Thank you, supporters, for helping to minister to elderly people in great need.

Maria is overjoyed with the food parcel she received on a surprise visit from a CAM staff member.

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.

As it is written: "They have freely scattered their gifts to the poor; their righteousness endures forever." Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness.

You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God.

WHY SINGLE-FAMILY BEATS MULTI-FAMILY

- ✓ Tenants handle their own lawn care and snow removal.
- ✓ Single-family homes generally see stronger appreciation.
- ✓ They attract long-term tenants — fewer vacancies and less tenant conflict.
- ✓ Three houses, three roofs, one simple entity to own them all.
- ✓ Single family homes are often more desirable and easier to sell.

ARTWORK AUCTION

Featuring Aaron & Abner Zook 3D Artwork

Friday, November 13, 2026, at 6:00pm

Location: 1141 Wea Wit Street | East Earl, PA 17519

Featuring cherished works by Abner and Aaron Zook—the famed Amish-born identical twins from Womelsdorf, PA whose deeply sculptural, diorama-style paintings have become beloved treasures of Pennsylvania folk art. Their work is known for carved figures, layered landscapes, architectural detail, and vivid storytelling that captures the daily rhythms of Amish and rural Pennsylvania life. Their artistic legacy continues through family members and fellow regional folk artists, forming one of the most recognizable bodies of American folk art today.

This event celebrates craftsmanship, heritage, and meaningful handmade work—pieces that offer not just visual appeal but the stories and traditions embedded within them. We welcome consignors who appreciate this spirit, whether you're offering a Zook diorama, a local landscape, or another fine artwork ready to be shared with new admirers.

Notable Works:

Abner Zook Winter Covered Bridge with Blacklight (1986). Country Farm Market (1990). Roman Chariot Race (1976). **Aaron Zook** Train Ride (1996). Winter Sleigh Ride (1988). Mill Stream (1989). Dairy Farm (1994). Woodland Child and Dog (1999). Covered Bridge Winter Landscape. **Dan Esh** Rural Landscape Relief Painting (2008). **Todd Bryan** Horse Herd Panel. Harley-Davidson Panel. Cozy Cabin Panel. Last Supper Panel.
John B. Stumpf Conestoga Wagon Model
