Greetings to all!

As the golden leaves dance in the breeze and the air is crispy, I can't help but be reminded of the special magic that only fall can bring. Just like the mountains behind us, there's something deeply beautiful about watching the trees change from green to gold, then the rich reds and oranges - a reminder that even endings can be full of light and joy. This season teaches us to slow down, to savor the moment, and to appreciate the beauty of change. Sometimes, just like the leaves, we can let go of what no longer serves us and make space for new beginnings. Fall teaches us that letting go is not an end, but a transformation. As leaves drift gracefully from their branches, they make way for new growth to come. In this way, the season inspires us to embrace change with courage, cherish the present, and find beauty in every stage of life's journey. May this fall fill our hearts with warmth, our days with gratitude, and our souls with the quiet joy that only this enchanting season can bring. Thank you for your interest in the Busy Beaver!

-John Zook

No matter the season we're in, may you always find reasons to smile, stay grateful, and keep believing in better days ahead.

The BEST time!
If your horse did not have his teeth floated within 1 yr. **NOW** is the best time to schedule his next float. Check the reminder card in your harness cabinet.
Did you know?
Horses will wear their teeth at an angle, creating sharp edges. Regular dental care will allow your horse to comfortably wear his bit and will maximize feed efficiency.

MINISTERING TO CHRISTIANS IN PAKISTAN

At **Yeshua Is The Way** Ministries, we have partnered with local Christians in Pakistan - where there is a great need for spiritual and financial support from the global church body. In a country where Christians face discrimination, poverty and persecution, there is still a hunger for God. Men, women and children are responding to the Gospel! People are being healed from pain and disease! Families are being freed from bonded debt that traps generations in manual labor.

We welcome your financial support for our current and upcoming projects. Our heart is to continue blessing and ministering to these believers - and their neighbors - by hosting Prayer Festivals, providing Food Kits, financing medical care, and more!

Current Fundraising Needs Include:

- Family Food Kits - *rice, lentils, flour, oil, etc*
- Medical Care Support - *medications, doctor visits, surgeries & transportation*
- School Scholarships for Primary and Secondary Students
- Capital Campaign to purchase a Church Building
- Salary for Pastoral Staff in Pakistan
- General Ministry Expenses - *travel, administration, website*

Yeshua is the Way is a 501c3 non-profit organization based in Central Pennsylvania.

Our mission is to support persecuted Christians throughout the nations as a partner with local believers, and to share the Gospel with people worldwide.

Froman Hill
BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We recieve so much more here then what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunites and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

Build Your Calf Barn From the Foundation Up

Smartbacteria™ is a foundation you can build on.
STARTUP GEL | CALF GOLD | GOLD SPIKE

Most calf programs focus on inputs. Milk, starter, protocols. But long before any of that matters, the foundation is already being set. A calf's microbiome develops early and when it's off, you don't just see it today, you pay for it later.
Inconsistent growth. Health challenges. Poor efficiency.
Not because the ration was wrong.
Because the foundation was.

STARTUP™ GEL

Get the gut started

A concentrated gel, providing Smart*bacteria* to start up gut function at birth

CALF GOLD™ 3E

Builds The Rumen at Birth

Proprietary Smart*bacteria* strains that work to lay the health foundation in the rumen. Helping establish a highly functioning rumen for a smooth transition at weaning.

GOLD SPIKE®

Backs The Immune System

Smart*bacteria* that help support a healthy GI tract and immune system.

Your antibiotoic alternative.

A SMART*BACTERIA*™ ALTERNATIVE FOR BARNS LOOKING TO RELY LESS ON ANTIBIOTICS

Antibiotics don't pick sides. Heavy use can cost a calf the same gut bacteria that drive digestion and immunity. Gold Spike® takes the opposite approach: it works with the calf's biology to help support a healthy GI tract and immune response, so your barn can work toward reaching for antibiotics less often.

PUT YOUR CALF BARN ON THE FOUNDATION

Nathaniel Steiner | (814.547.4129

Ask your Priority IAC Distributor how Smart*bacteria* can help power your farm.

It's time to THINK SPRING

If you want better nutrition.... you need to start with better soil

OVB
OHIO VALLEY BIOCHAR
There is a Better Way

Now is the time to apply Ohio Valley BioChar to your fields and gardens!

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Biochar blends available for various farming needs, call for more information.

BEAUTIFUL LAWN

Healthy enough to put in your salad.

While you probably won't put it in your salad your children will certainly play on it.
Rest easy knowing that your beautiful lawn is also beautifully healthy!

Why It Works Without Chemicals

- Organic formula
- Breaks compaction
- Unlocks minerals
- Activates microbials
- Creates beautiful lawns!

The Snowball Effect of Good Soil Health.
Biochar gives microbes a home, and they create organic matter that builds even more habitat. More habitat holds more water, so microbes stay healthy and keep feeding you lawn even thru dry spells.

YARDS & GARDEN

Our products add microbes back into the soil and help them thrive. When microbes thrive, so does your lawn, garden, and pasture!

I was impressed with Derek's attention to detail, willingness to ask questions to get things done right, and his integrity. It was early November, and the woods were just starting to come alive with rut activity. I'd been scouting a funnel between bedding and feeding areas, and the sign was fresh. With the wind in my favor, I decided to try something I'd heard other hunters talking about – Buck Whiff.

I kept it simple. A few drops on a drag rag, and I walked a slow zigzag toward my stand. Passing an existing scrape I put a few squirts of Buck Whiff in it about 20 yards out, right where I expected movement. The scent was fresh—noticeably different from some of the bottled stuff I've tried in the past.

An hour or so after settling in, I caught movement. A decent buck stepped out, nose down, locked in on the trail I'd made. He paused at the scrape, visibly aggravated, and gave me the broadside shot I'd been waiting for.

What struck me was how naturally he reacted—paused, hair bristled, stiff legged walk – you know what I mean. He was ready for a going around with this new buck that had just intruded his territory.

I've learned that when you use a lure like Buck Whiff correctly—fresh, sparingly, and always with the wind in mind—it can tip the odds in your favor. It's not magic. But in the right moment, it's the edge that matters.

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

KATIE'S STORY

"My name is **Katie**, and I had been dealing with **back and hip pain** for a couple of years. The pain made it difficult for me to sit comfortably, especially for **longer** periods of time. I also found that I **couldn't enjoy spending quality time with my family** or doing the things I love, **like baking**, because the pain would always get in the way.

My health concerns are what brought me to TriPoint Health Group. I had heard about the good results my aunt experienced here, so I decided to give TriPoint a try.

Once the team developed a care plan for me, treatment started right away. Within just a month of starting therapy, I began seeing very good results. I now have better flexibility in my legs and hips, I can sit more comfortably and for **longer** periods of time, I'm able to enjoy family time again, and I'm back to baking — something I truly missed while I was in pain. I have a lot less pain than I did before coming to TriPoint.

For anyone who is considering becoming a patient at TriPoint Health Group, I highly recommend it. I'm very happy with the progress I've made and the results I've experienced."

it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
– Dan Stoltzfus, Pennsylvania

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
– Leah Miller, Ohio

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
– Kathyrn Yoder, Missouri

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
– Sue Albrecht, Michigan

I was put on Armour for an underactive thyroid and was taking it for a year. I was still not feeling well. Come to find out I didn't need to be on any medication to begin with. My hormones are now balanced and I feel better with no medication. It's nice to see and feel the results.
– S. King, Pennsylvania

This memory game can be played with or without teams. When playing with teams, always sit beside an opposing teammate; teammates never sit beside each other. Teammates can all help each other when picking up cards. Each player picks up two cards when his turn comes around, *unless* the player is picking up sets. When picking up sets, player can go on until he has the whole set, *or until* he picks a card that is not in that set. The team or player that has the most points when the cards have all been picked *has won the game.*

Twin Ponds Market focuses on selling quality grocery, delicious sandwiches, deli items, baked goods, along with seasonal produce and plants. A well-run business, loved by the community, that would be easy for another family to step into and make their own. Additionally, the sale includes an adjacent 15.4-acre parcel quipped with a large barn and multiple outbuildings offers additional options for expansion or revenue. This listing is for real estate and the trucks and equipment used to operate the store. Inventory for the store will be negotiated separately. OGMs are reserved on the 15-acre parcel.

WHY SINGLE-FAMILY BEATS MULTI-FAMILY

- ✓ Tenants handle their own lawn care and snow removal.
- ✓ Single-family homes generally see stronger appreciation.
- ✓ They attract long-term tenants — fewer vacancies and less tenant conflict.
- ✓ Three houses, three roofs, one simple entity to own them all.

Historic 45.5-Acre Farm Property

Asking price of $949,000

This 45.5-acre historic farm in Dillsburg, PA offers a rare opportunity to own a property with deep agricultural roots and significant potential. Originally established in 1815, the farm once supported more than 1,000 chickens and 200 pigs.

The property features a historic stone farmhouse, large barns, and multiple outbuildings, providing opportunities for farming, livestock, equipment storage, or other agricultural uses. With approximately 947 feet of road frontage and rolling countryside, the land offers both functionality and scenic beauty.

Approximately 7-8 acres are located across Route 15. A neighboring farmer has expressed interest in a potential land trade involving approximately 7 acres of this property in exchange for approximately 4 acres on Capitol Hill Road, creating an opportunity to consolidate or reconfigure farmland.

Zoned Open Space, this property offers a unique combination of acreage, existing farm infrastructure, history, and future potential–an excellent opportunity for a farmer or buyer looking to preserve and continue the agricultural legacy of this historic Pennsylvania farm

HELP FOR THE ELDERLY

Article space donated to CAM

"This is a surprise from God"

A channel enabling the church to minister to physical and spiritual needs around the world

Christian Aid MINISTRIES

What would it be like to live in a house with a dirt floor—one that floods whenever it rains? This is reality for Maria, an elderly widow in Nicaragua.

Maria's husband died 30 years ago. Her daughter died five years ago, and her grandson died two months later. She also lost a son in an accident. "I have suffered a lot," Maria said, "but we keep going."

Each month, Maria depends on a friend to pick up her **Help for the Elderly** food parcel. One month when her friend was sick and unable to go, Maria found herself with few options for her monthly food provisions. Not long afterward, a CAM staff member visited Maria and delivered a food parcel. Delighted, she said, "I thank you so much, in the name of the Lord. I wasn't expecting this visit. This is a surprise from God!"

Clara is another widow in Nicaragua who has experienced a life of hardship. Her husband struggled with alcoholism, and 22 years ago a vehicle struck and killed him. When she received a food parcel, she told CAM staff members, "I give thanks to God because without Him we are nothing."

Miguel and his wife also live in Nicaragua. For most of their married life, they worked for a farmer who allowed them to build a small home on his land. Together, they planted, cultivated, and harvested crops, but yielded just enough food and income to survive.

Then the owner sold the farm, leaving Miguel and his wife with no place to call home. As Christians, they chose not to fight the situation. Their daughter was able to provide a simple house for them to live in.

Miguel praised God when he received a food parcel. "All of God's blessings to me are good!" he told a CAM staff member. Amidst poverty, God's love works through His people, bringing hope to desolate hearts in the form of a food parcel. Thank you, supporters, for helping to minister to elderly people in great need.

Maria is overjoyed with the food parcel she received on a surprise visit from a CAM staff member.
