Editor's Note

Greetings!

The other day I saw a couple of birds at my window bird feeder! It was such a pleasant sight! I hope they keep coming back. My husband asked me if I would like a platform at the window to maybe attract more birds. Of course I would! I hope it works out.

My son turns 18 today and graduates high school next week. We are all excited for the next chapter of his life.

Enjoy your week!

Renee Lama - Editor 😊

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

BEFORE YOU AGREE TO BACK SURGERY, READ THIS

Many severe disc pain sufferers don't realize they may have other options first

FREE REPORT:

THE QUESTIONS MANY PEOPLE WISH THEY
ASKED BEFORE BACK SURGERY

Eddie had been suffering with severe back pain for months.

"I had 5 bulged discs, 4 herniated discs, and 3 tears in my back."

It got so bad he **couldn't walk**.

"I had to crawl most of the time... I was off work for 3 months."

But when Eddie came to Midwest Disc Clinic, they put him on a natural care plan — no surgery, no drugs.

Things started to change within weeks.

After completing his care plan, here's how Eddie feels now:

"I can walk again. The pain is finally manageable."

For Eddie, that means back to work. Back to his family. Back to life.

Eddie is now one of our patients who once felt unsure — and now wants to help others decide.

What Happens to Your Spine During

Whiplash?

⚡ C1/C2 vertebrae can shift out of place

⚡ Muscles tighten to protect the injury

⚡ Nerve signals get disrupted, causing chronic symptoms, Headaches, neck pain, Brain fog, dizziness, sinus pressure

A whiplash injury doesn't end when the soreness fades. Many people live with long-term symptoms because the top of their spine—the actual control center—was never realigned.

WHY DOES DISC PAIN KEEP COMING BACK?

Free Recorded Message For People Whose Back Pain,
Sciatica, Or Disc Problems Keep Coming Back

Many people feel better for a little while.

Then weeks or months later, the pain comes back. Some are told pills, injections, or surgery may be their next step.

But what many people are never told is why the injured disc may not have had the opportunity to repair.

In this free recorded message, Dr. Jeff explains what may be causing the pain to keep returning — and what many disc sufferers should know before taking the next step.

- ✓ Why back pain and sciatica often come back after short-term relief
- ✓ What may keep an injured disc from having the opportunity to repair
- ✓ Why pills, shots, or adjustments may not address the real disc problem
- ✓ Why some people are told surgery is their only option
- ✓ What to know before agreeing to injections or surgery

You CAN nurse your baby!!! DON'T give up!!

I would like to order 4 more bottles of "Mothers Milk". It really works!! I tried so many other products to no avail. All I can say is when all else fails try "Mothers Milk"! :) Thank you for your great product. I don't want to be without it. What a joy to be able to put the "bottle" away since using this. - A happy Mom.

A mother from New York writes:

Hi, I'm ordering more Mothers Milk. I'm on my last bottle and I don't want to be without it - never could nurse our babies so good. He is gaining so well and don't have to give him a bottle at all. Thank you!

A mother from Indiana writes:

Please send me 3 more bottles of "Mothers Milk". This is my 8th child and I was never able to have enough milk for fully breast feeding. Now my baby is a little over 3 month and still doesn't need the bottle! It seems I had tried everything but this stuff really works! Thanks for a good product!

Another mother from Indiana writes:

I am amazed that it actually works for me since I have never had any luck with herbs/tinctures.... So am very thankful you created this wonderful product!

We have hundreds of testimonials like these!

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Bearaby

Bearaby weighted blankets are rated at
4.8 out of 5 Stars
from dozens of verified "Busy Beaver" Bearaby users.

Did you know, a Bearaby Weighted Blanket gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

BREAKING NEWS: Reports are in that people who have already been sleeping better with a Cotton Napper, are taking it up a notch more with the revolutionary Tencel Cooling Tree Napper. The eucalyptus fibers contained in this fiber blend have moisture wicking properties giving you the effect of the cool side of your pillow... all night long. Yes, even on these hot summer nights. We will keep you updated as this story develops.

In other news, the Cotton Nappers are available in 3 new colors, as reported below.

Natural deep sleep

Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind

The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling

Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

WORLD HUNGER FUND

Food encourages people in war-torn Ukraine

As the violent and deadly war between Ukraine and Russia continues, many people are left displaced, without jobs, and in despair. Some have lost family members and have witnessed the horrors of war.

We are grateful for an avenue to provide food to people in Ukraine, even to some who are caught in the middle of the conflict in Russian-controlled areas. The gift of food blesses and encourages those who have felt the tensions of war for over four years.

A family who received food from CAM contacts wrote, "We . . . thank you with all our hearts for the food items you have gifted to our family. . . . [Our children] were delighted and truly surprised to discover that, in these times, there are still people who care deeply for others who recognize their needs and who are willing to make sacrifices of their own. May the Lord bless you!"

Froman Hill

BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.
