Editor's Note

Greetings!

Well, it would not be close to the end of winter without one final snowstorm. Someone asked me recently, "Is this the last one?" I said, "I certainly hope so!" Thankfully, I live in Western New York so we did not get the amount of snow the coastal states did. I read that Providence, RI got over 3 feet of snow, while parts of New York City and Long Island got very close to that amount.

Winter feels extremely long this year for me as we normally do not get snow before Christmas and it started to snow before Thanksgiving this year.

But—spring is coming! It's just a question of when winter is leaving!

ONLY 13 DAYS TILL SPRING!

Why do cows love Mayo Mats?

Mayo Mats cradle all the bony parts of the cow perfectly and help eliminate bed sores. Mayo Mats are so effective at this that even a raw egg dropped from 7 feet will not break on a Mayo Mat. Yet they are tough enough to last 10 years (guaranteed), gentle enough to cause no abrasion, firm enough to promote calm and confidence while standing, and are absolutely non slip. Mayo Mats are also guaranteed to be non-absorbent and to not belly out under a cow or cause places for liquids to pool.

It's time to start applying OVB to your fields and gardens.

Actual results after 2 applications of BioChar.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

There is a Better Way

Biochar blends available for various farming needs, call for more information.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Imagine what years of inflammatory foods can do to your body over time? We'll do a simple DNA test that recognizes what 600+ different foods/non-food products are causing your body the most harm.

We'll also test you for the 80+ essential minerals, vitamins and nutrients. This portion of the test is a good balance to creating a healthy lifestyle and can boost the immune system and reduce your intolerance levels simply by adding recommended foods to your diet.

Testimonies

Traumatic brain injury has affected my memory. I notice when I drink Sisel coffee and take my brain vitality, it's a lot easier to remember things.

After seeing our son struggling in school with his lessons, and having temper tantrums at home, I decided to put him on Brain Vitality. We could see a big difference in his grades and he was much happier. M.R.M.

I noticed a huge difference in my memory and also with better concentration!

I can definitely remember things easier and I don't have as much speech dyslexia. (Words jumbled up)

With Brain Vitality I find that I'm as sharp now at 61 as I was at 18 but with way better judgment.

“Lions Mane Talk”

Starting your day naturally with Mushroom Maiden Farm’s Lion’s Mane Coffee is a simple way to support your health without adding extra time to your routine.

At Mushroom Maiden Farm, we believe in keeping life simple, natural, and wholesome. It is how life should be lived. That’s why our Lion’s Mane Coffee is made with care, using 100% fruiting body mushrooms grown right here high in the Appalachian mountains. Each batch contains a full 10% Lion’s Mane and is carefully tested by a third-party, independent lab. It isn’t cheap, leftover mycelium, it’s the real thing, 100% fruiting body harvested at peak health.

Lion’s Mane is known for its ability to support mental clarity, focus, and alertness, without the jittery feeling that comes from too much caffeine. Like me, many people enjoy it every morning as part of their simple daily ritual. It wakes me up gently, supports my mind, and helps me feel ready for the whole day, all without adding extra time to my routine.

Our coffee blends the comfort of traditional brewing with the benefits of modern wellness. It’s natural, simple, and grounded in the goodness of the earth, no unnecessary additives, just pure mushroom and coffee. Drinking it daily can help support cognitive health, memory, and overall brain function, making it a small but meaningful step toward long-term well-being.

If you’re looking for a way to care for your mind and body while keeping your mornings easy, Mushroom Maiden Farm’s Lion’s Mane Coffee is the perfect choice. Make it part of your morning routine, and enjoy the quiet energy, focus, and natural clarity that comes from a coffee truly rooted in the earth.

Order today and experience the simple, wholesome difference of Lion’s Mane coffee!

BEFORE YOU LET ANYONE TREAT YOUR BACK OR NECK PAIN... READ THIS.

The wrong treatment can make a disc injury worse —
and surgery is not always the first answer.

If your pain is:

- Affecting your ability to work
- Limiting your ability to care for your home
- Causing leg pain, numbness, or weakness
- Waking you at night

Then your situation may be more serious than you were told.

And you should speak with someone who understands spinal discs specifically — not general back pain.

Every month, we speak with families who were told:

- “You just need injections.”
- “You’ll have to live with it.”
- “Surgery may be your only option.”

But no one clearly explained:

Was the disc properly evaluated first?

Muscle pain and disc injuries are not the same thing.

The wrong treatment may not fix the problem.

At Midwest Disc Clinic, we focus only on spinal discs.

Not knees.

Not shoulders.

Not general aches and pains.

Spinal discs only.

We evaluate before we treat.

We will tell you honestly if your case is not a fit for our program.

Some cases qualify for our non-surgical disc repair program.

Some do not.

But everyone deserves to know exactly what they are dealing with before making a permanent decision.

CALL NOW TO REQUEST YOUR FREE DISC REPORT

“6 Questions To Ask Before Letting Anyone Treat Your Spinal Disc”

 **260-535-0993**

When you call for your free report, you may also request a brief phone consultation with our spinal disc specialist to discuss whether your case sounds serious.

Froman Hill BOYS RANCH

Restoring Hope through Discipleship
Froman Hill Boys Ranch is a residence for minor boys from the home and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work.
Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troysers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

CLOTHING BUNDLE PROJECT

Relief after years of difficulty

Adnan* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

**Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.
