Editor's Note

Greetings!

Before I met my husband, I was not too adventurous with food. I was raised on a simple menu, (I remember eating a lot of pasta and chicken growing up). In college, my go-to meal was rice & chicken. My husband has traveled the world and eaten just about everything. His motto is, "You cannot say you don't like it, if you haven't tried it." And with that, I have tried lots of new foods I would have never tried before. My newest food of choice lately has been Asian-style foods. I tried Kimchi - which is my husband's favorite side dish but is much too hot for me! I really like Miso soup and seaweed salad as well as many other dishes. And they are really healthy too!

Have a great week and remember to try something new!

HOOVER MAPLE SUPPLIES

A TIME OUT OF TIME

There is a time between the seasons. It comes in late February, early March when winter seems tired and spring is only a hoped-for thing. We call it Sugarin' time; When the sap begins to flow in the Maple grove.

After freezing cold night you wake to a warmth in the air and a brightly shining sun. The temperature rises above freezing. We don the boots, gather the buckets, spouts, drill and bit; with excitement filling the air we head for the sugar bush.

At the first tree we drill a hole 1½" - 2" deep with the tree tapper bit and drill. Gently we tap the spout into the tree and hang the bucket. Listen to the musical drip-drip-drip!

It's time to start applying OVB to your fields and gardens.

Actual results after 2 applications of BioChar.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

There is a Better Way

Biochar blends available for various farming needs, call for more information.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

A-M GUTTER GUARD™

The Difference is in the DESIGN

EASY TO INSTALL IN NEW OR EXISTING GUTTERS

- Designed specifically for hidden hangers but works with all hangers
- Heavy gauge .018 - 100% aluminum will never rust
- Invisible from the ground
- Handles downpours
- Pest and weather (snow/ice) resistant
- Easy to install on new or existing gutters
- Does not make contact with shingles (will not void shingle warranty)
- Eliminates gutter clogging

How Do A-M GUTTER GUARDS Work?

Our unique bubbled filtration system allows rainwater to pass through our patent pending design while leaving debris to dry and blow away. Our maintenance-free design not only keeps debris from sticking; it promotes airflow from top and bottom allowing debris to dry and blow away in winds as low as 5 mph.

Installers get .40 a foot off with FREE SHIPPING if you order a skid!

The Nourishing Harvest is a cookbook full of from-scratch recipes using real, whole food ingredients. Many are our family favorites, and others are inspired by life on our homestead, where we raise animals and grow vegetables, fruits and herbs.

Inside, you'll find recipes for ice cream, pies, homemade electrolyte drinks, fermented root beer, kefir, kombucha, nourishing comfort foods, and homemade treats like pop tarts, marshmallows, gummies, Cheez-Its, graham crackers, potato chips, and lollipops. Learn how to make your own seasonings, garlic and onion powder, vanilla extract, and cream of mushroom soup.

Plus tips for growing and foraging your favorite herbs and flowers.

The cookbook also includes an apothecary section with natural remedies to help keep your family healthy.

This book isn't just about the recipes. It's also about slowing down, cooking from scratch, and enjoying the simple blessings of life.

We hope it inspires you to try new things in the kitchen, connect with your food, and savor every bite.

Above all, it's a reminder to be intentional and grateful for the gifts God has provided through the land we care for.

Red and green and lemony too,
They stick to fingers—oops!—achoo!

Starting your day naturally with Mushroom Maiden Farm’s Lion’s Mane Coffee is a simple way to support your health without adding extra time to your routine.

At Mushroom Maiden Farm, we believe in keeping life simple, natural, and wholesome. It is how life should be lived. That’s why our Lion’s Mane Coffee is made with care, using 100% fruiting body mushrooms grown right here high in the Appalachian mountains. Each batch contains a full 10% Lion’s Mane and is carefully tested by a third-party, independent lab. It isn’t cheap, leftover mycelium, it’s the real thing, 100% fruiting body harvested at peak health.

Lion’s Mane is known for its ability to support mental clarity, focus, and alertness, without the jittery feeling that comes from too much caffeine. Like me, many people enjoy it every morning as part of their simple daily ritual. It wakes me up gently, supports my mind, and helps me feel ready for the whole day, all without adding extra time to my routine.

Our coffee blends the comfort of traditional brewing with the benefits of modern wellness. It’s natural, simple, and grounded in the goodness of the earth, no unnecessary additives, just pure mushroom and coffee. Drinking it daily can help support cognitive health, memory, and overall brain function, making it a small but meaningful step toward long-term well-being.

If you’re looking for a way to care for your mind and body while keeping your mornings easy, Mushroom Maiden Farm’s Lion’s Mane Coffee is the perfect choice. Make it part of your morning routine, and enjoy the quiet energy, focus, and natural clarity that comes from a coffee truly rooted in the earth.

“How I Healed The Herniated Disc In My Back, Re-Gained ALL My Strength... and More!”

Find Out What A Natural Doctor Did To Fix His OWN Disc Problem

From the Desk of Dr. Russ Schroder, DC, DACNB, FACFN, Board Certified Chiropractic Neurologist.

Three years ago I injured my lower back when I herniated a disc lifting heavy weights.

It was a terrifying experience that I had never been through before.

In an instant, my back gave out with almost 200 lbs. on my shoulders, and I heard a very loud SNAP.

The shock was immediate- like being stabbed by a knife!

I was able to get an MRI the next day and found out I had injured the lowest disc (cushion) in my back.

The CTX Method

Fortunately, the MRI showed the exact type of problems we have helped with our CTX Methotechnologies since 2006. The torn disc had herniated/ protruded out of its normal shape, bulging out into the nerve space.

I could barely stand upright the first week, but I pushed through our Avoid Back Surgery Program for a month. I got out of pain and then continued healing by taking it easy during exercise for just a few extra weeks.

So, after getting the disc healed and taking those weeks to *slowly* start working out again, I gradually built up my strength again and have gone on to lift MORE than I used to 20 years ago!

Many Still Suffer Unnecessarily

Many of you reading this are living with that severe pain in your lower back (and maybe in the nerves down your legs). Others have disc problems in the neck that can affect the nerves in your arms.

For some, it is so bad you aren't sure what the next step is.

It can be very scary... especially when it's a pain that isn't going away.

Maybe you tried chiropractic or massage. Maybe you've popped some pain pills or herbs.

For many, this low back pain (especially *disc pain*) can mean a lifetime of bouncing from chiropractor to doctor to physical therapist to surgeon after surgeon. It can mean a lifetime of shots, pain pills and more suffering.

Maybe you've tried an inversion table, traction or "decompression" (the kind where you *sit* on the table and then *lay down* to get stretched).

But the thousands who have come to us for our CTX Method (from all-across America and Canada) have *already tried* some of these and failed to get relief.

We've even helped other *doctors* with our CTX therapies including chiropractors, medical surgeons, osteopaths, psychologists and podiatrists who have avoided surgery and referred in numerous others.

This Month's Offer

It's winter, and our Avoid Back (and Neck) Surgery Program starts to fill up fast at our 4 offices. But if you call this month, we are offering a FREE exam (A \$250 Value) *and* a FREE Trial of our CTX Method for those who have disc injuries like bulged, herniated or protruding discs OR spinal degeneration/ spinal arthritis.

So please call one of our offices to see if you qualify for a consultation before spaces run out and you get put on a waiting list and pay full price.

Or to receive our AVOID Back & Neck Surgery Report, call an office and our staff will mail you out a free copy. (A \$29 value) Supplies are limited.

HOME & HEALTH

PLEASE CALL US
 as soon as possible to get scheduled, and we will mail out our
 Avoiding Back Surgery Report before your 1st visit.
 Happy New Year! We look forward to helping you in the coming months!

To be used topically on your entire body. Designed using only high quality, non-toxic ingredients beginning with the purest Aloe Vera. Now available in a convenient squeeze bottle.

Excellent for: Burns, cuts, poison ivy, refreshing after shave and even as a non-toxic shaving cream.

I use Pharm aloe as an all over light moisturizer and gentle healing agent. Also, I add a little olive oil to boost the moisture content. Also, found it to be helpful in lubricating nasal passages to help with dry air, etc. And is great rubbed onto bruises to help them heal quicker. Great all round product, very suitable for sensitive skin issues.

Froman Hill BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the home and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work.
Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them - we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troysers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

This property located in the town of Canisteo offers miles of trails and roads throughout the property great for recreational pursuits. Two streams flow through the property offering aesthetic stands of Hemlock. The forest is comprised of Red Oak, White Oak, Chestnut Oak, White Pine, and Hickory, making a great timber investment with the last timber harvest being conducted in 2010. Hunting is top level, with quality deer management being conducted on the property since the 1970s and many of the neighboring property owners subscribing to the same philosophy. Turkey and bear are common on the property as well. The property can be accessed off of CR 119 and Hanyon Rd in the summer, during the winter the upper access off of Puffer Rd is better. There is a great location with scenic views for building a cabin or lodge in the fields off of Puffer Rd, with electric running along the road. Many old food plots are available that haven't been maintained in recent years, scattered throughout the property totaling over 10 acres. Thousands of acres of state land are also available in the area for additional hunting opportunities. Hornell is 20 minutes away offering any amenities needed. Article space donated to CAM

A channel enabling the church to minister to physical and spiritual needs around the world

Civil war has left many Yemeni families struggling to survive. With tears, one recipient shared, "I thank [CAM contacts] for helping people in need like us."

FOOD FOR WAR-TORN YEMEN

Parcels of love

In our country where war is a distant thought, it is difficult to imagine the suffering of people in Yemen or other countries where the horror of war is reality, pain is felt, poverty abounds, and hunger claims lives.

Kamal* is a Yemeni father who had to leave his home and job because of heavy shelling.

Huda is a mother of five whose husband died, leaving her with the full responsibility of raising her children alone.

Rania and her family of seven live in a house with a collapsing roof, allowing water to pour in every time it rains.

Your kindness enables CAM to show Jesus' love and care through the gift of food parcels to suffering people in Yemen. Thank you!
