Editor's Note

Greetings to all!

Our school picnic was yesterday, and today is the last day of school for this term. The children all passed their grades, and each moved on to the next grade. This year we had 3 graduates, and this fall we'll expect 3 new scholars for 1st grade, keeping the student count the same as the last two years. This past school term we had 2 boys in first grade, which were siblings to the graduates from a year ago. It was touching to read through the end-of-year booklet. We had a lot of fun with the children throughout the year, making memories to last a lifetime. The teachers and students all did a great job in making it a successful school term.

After a lively day of activities at the picnic, it seems like I have a few muscles that I forgot were there. Today, I'm walking like I was a little older than what I really am.

Come visit our booth at the Juniata Valley Pony Auction on May 23rd in Mifflintown, PA.

Thank you for advertising in the Busy Beaver! We appreciate your business!

- John Zook

We've all been there: it's 2:00 PM, the "brain fog" is rolling in, and the siren song of a third espresso or a sugary snack becomes impossible to ignore. For decades, caffeine and refined sugar have been the go-to fuel for the modern worker. But while they offer a quick spark, they usually leave us with a jittery heart and an inevitable "crash" that leaves us more depleted than before. If you're looking for a sustainable way to sharpen your focus without the roller coaster, Midday Focus Greens might just be the upgrade your brain has been waiting for. True mental clarity isn't about forcing your brain to work harder through stimulants; it's about giving it the raw materials it needs to perform at its best. By trading the temporary "buzz" of sugar for the deep, nutritional support of greens, you're not just clearing the fog--you're building a more resilient mind. Midday Focus Greens $51.87. (Includes tax and shipping.) Buy 2 or more for a 10% discount. Call or write NuLife today to place your order. NuLife Communities 1390 Co Rd 600 Baltic, OH 43804, 330-845-4004

DAVID STOLTZFUS FUND

On Sunday morning, April 19, David Stoltzfus lost his wife and six children (the whole family). David had just arrived at church a ½ mile from his home (wife Sarah stayed home because one of the boys was sick) when suddenly the beautiful Sunday morning was shattered by a loud explosion. Within seconds the whole house was engulfed in flames; the house and everything in it was lost.

ARCHERY EQUINE CENTER LLC

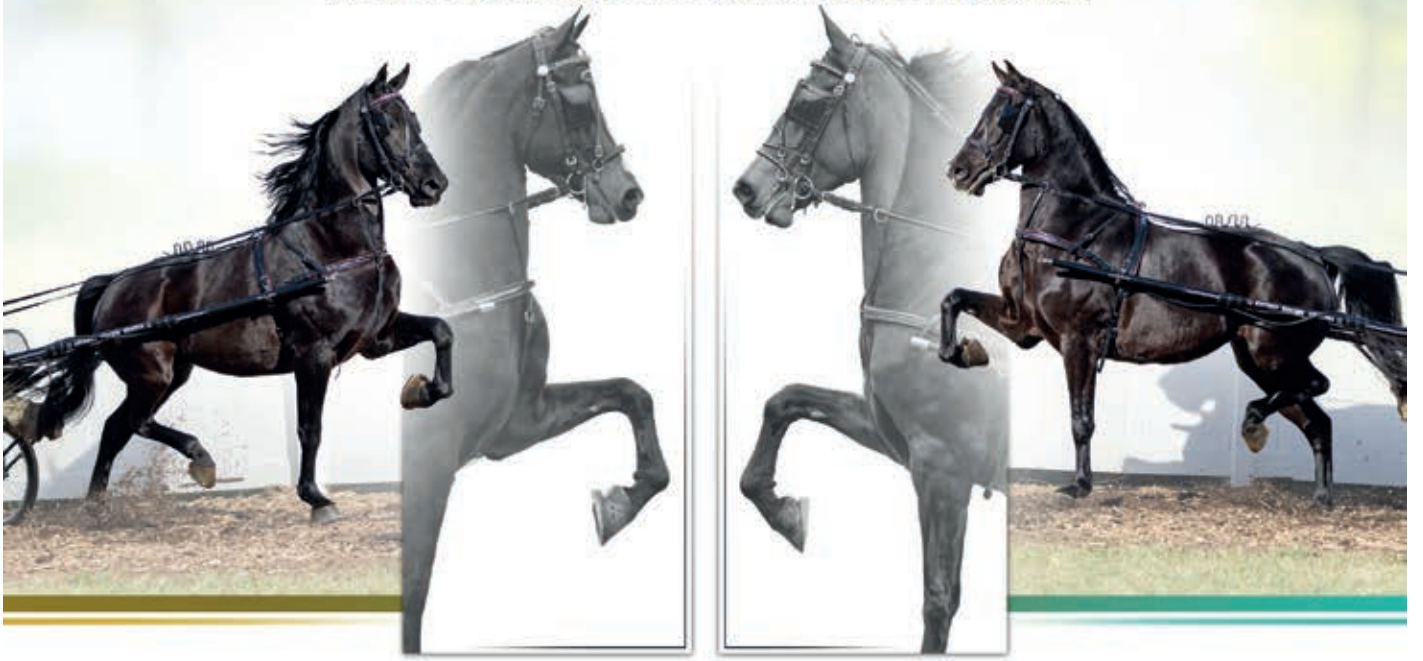
HIDDEN HILLSIDE STABLES

Announcing Our Transistion

to better serve the customer

As of August 1st 2026, Jonas Glick will take the training division home to his farm. He will be doing training full time. Here at Archery Equine Center we will continue with our reproduction and sale fitting. Our comitment to serving our clients will stay the same, from colt starting to sale prepping, we will stay committed to providing the same quality service as before.

here are a few graduates from our TRAINING TO SALE PREP PROGRAM



A note from John at Archery Equine Center:

We want to thank Jonas for his 3.5 years here at Archery Equine Center. Our continued growth and Jonas's desire to work at home prompted us to take this step. We look foward to providing you, the customer, with the same level of service. We expect this transistion will be beneficial to our customers, as each business will be able to more fully focus on there respective divisions. Also this will allow more room for horses here at Archery Equine Center without expanding our stalling.

We are expanding our sale-fitting services by offering yearling sale prep for the standardbred yearling sales. Call now with your needs.

We have a few openings to select stallions for the 2027 breeding season. Accepting applications for all breeds.

A note from Jonas at Hidden Hillside Stables:

I want to extend a heartfelt thank-you to John for having patience with me over the course of the last few years, and now with supporting me in taking this big step. We at Hidden Hillside Stables look foward to serving you, the customer, with full-time training. We are also excited to work closely alongside Archery Equine Center to keep the same level of customer service. Get your name in as we already have a few stalls booked!

Idaho Whole-Apple Cider Vinegar

GREAT APPLE CIDER VINGAR HAS A "ONE-TWO" PUNCH…

1) Looking for less disease and fewer internal/external parasites this year? THIS ACV has an alkaline forming response in any mammal's body, which is your shield against those issues.

2) The ENERGY and ENZYMES from the Whole-Apples contained in this vinegar are ALL still intact to help boost your livestock's digestion of any feed. The minerals in your feed are 90% bio-available .

The drier your feed, the better this ACV works!

How would you like a summer where your calves gain more and have less pink-eye?

Looking for your milk bonus?

A farmer wrote to us saying how he lowered his cows SCC and his milk inspector is really pleased. This is what he did:

1. CMT every cow in the barn.
2. Mark all high quarters with a crayon.
3. Use Hornet Udder Tonic on those quarters once a day for 3 days.
4. Cover every quarter with Super Cow Udder Mint twice a day for 7 days.

The money he spent on his cows, he received back from the bonus!

1 bottle is enough for 4 quarters

OHIO VALLEY BIOCHAR
There is a Better Way

Prevent your fruit trees from **FREEZING** in temperatures as low as 16° Use FXI (Fire Extinguisher), Biome Food & Harmonizer

Biochar blends available for various farming needs, call for more information.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Mow Your Grass *with a CL Gang Mower*

CL Pushdown "Antibounce" System
The main cutting reels are each mounted on a flexible spring-loaded joint with a 4-way floating motion, efficiently pushing the mower similar to a hand push mower. This unique spring design puts 30 lbs of downward pressure while still allowing the reels to flex. This results in more traction and better cutting through thick grass, without causing excessive wear on the mowers.
This is a new feature since 2022, if you have an older model, call us for info on an "antibounce" upgrade kit.

Unique Hitching Feature
The CL hitching system makes hitching and unhitching "safe and easy". The stabilizer has two notches, the back notch holds the shafts up while you lead your horse under the shafts. When ready, simply push the shafts up (which will flip the lever into the long slot), allowing the shafts to come down. After hitching your horse, pull lever to the left, then pull the pin on foot stand, and pull up till pin pops in hole, and you are ready to go. The small caster on foot stand is not used when mowing ...it is part of the convenient hitching design.

Reg. size $4240
Pony size $3980

FEATURES:
- Wheels behind mowers prevent driving over unmown grass
- 54-58" cutting width
- Convenient foot pedal steering with reel linkage prevents skips in corners and around trees
- Adjustable for large or small horses
- Featuring the CLIPPER USA reels

Available with steel wheels, air tires, or hard rubber.

ARE YOU DEFICIENT IN FATS?

If you have four or more of the listed questions answered with a yes, you are very likely deficient in essential fats.

Kräftig Fischöl
(POWERFUL FISHOIL)
Norwegian Salmon Oil
Recommended by John Keim
120 caps.....$38.00
16 oz unflavored liquid
.....$58.00

- Do you have difficulty learning or concentrating?
- Do you have a poor memory?
- Do you have brittle, easily frayed, or soft nails?
- Do you have excessive thirst and or frequent urination?
- Do you suffer from PMS or breast tenderness?
- Do you suffer from dry, watery, or itchy eyes?
- Do you have inflammatory health problems such as arthritis?
- Do you have high blood pressure?
- Do you have slow/poor wound healing?
- Do you have obsessive or compulsive behavior?
- Do you have extreme fear or night terrors?
- Do you suffer from anxiety or depression?
- Do you suffer from travel or motion sickness?
- Do you experience fits or convulsions?

There are blood tests available to check your fat status. The bottom line is fats are a necessary part of a healthy body. As well as improving your mental health, the essential fats reduce the risk of cancer, heart disease, allergies, arthritis, eczema, and infections. The brain and nervous system are totally dependent on a family of fats. In the past we have had good success with fish oils for dry skin, dandruff, skin rashes, joint pains, memory loss, depression, etc. In the latter 10 years, our results have gradually decreased. I was already aware it did not pay to buy the cheaper brands. By seriously researching the last couple years, we discovered the processing methods used by the well known, expensive brands. We decided the refining process of fish oils is worse than the refining of white, wheat flour. In the beginning the large trawlers spend weeks at sea harvesting the fish. The catch should ideally be quickly transported to a rendering plant. In less ideal situations, the harvest is stored aboard the ship for long periods, degrading in quality. The collection is now heated or cold pressed to extract the oil. The imagineering thought this product is raw and cold pressed, or gently processed, is a marketing ploy. The refinement process involves four major stages: degumming, neutralizing, bleaching, and deodorization. There are up to six processes using heat. In the deodorization, the oil is heated up to 374°F or higher as live steam passes through it at low pressure. The temperature for molecular distillation can reach 395°F. These heating processes cause a significant loss of vitamins A and D and creates harmful trans fats due to high heat. Since almost all of the natural vitamin A and D are removed most producers add synthetic ingredients to be able to show a higher ratio of A&D, EPA, and DHA on the ingredient list on the label. Once the soil is cooled and antioxidants are added to protect the oil from oxidation. Natural antioxidants like ascorbic acid, isolated vitamin E tocopherols from soy, citric acid from GMO corn and common synthetic antioxidants including BHA, BHT, TBHQ and proplgallate are added. They use up to 18 processes before the oil is bottled. Some producers use synthetic citrus and fruit flavorings derived from proprietary chemicals. Some companies also add alcohol (which causes inflammations) to prolong shelf life, defeating the ant-inflammatory effect of the omega 3 naturally occurring in the oil. What we have discovered in our research was a company established in 2019 promoting an unrefined salmon oil with no artificial ingredients added. The oil is capsuled and liquid bottled within one hour after the fish is killed. The heat is never raised above 180°F in the process. It has all the natural ingredients in the oil the fish had orginally including 28 omegas which have been destroyed in many other brands of fish oil through the refining and processing procedures. It is probably the only salmon oil with the natural golden color after bottling, available. While we were experimenting with these oils two ladies that had been bothered with the cracked finger tips at the corners healed within one weeks time. Both ladies had been using a very popular, expensive brand of fish oil for 3 months prior to our trial. The name of this oil is Kraftig Fischol (powerful fish oil). It does not supply only EPA and DHA like most other fish oils on the market, but has DPA included. DPA is absorbed into the blood stream and red blood cell lipids 22% better than EPA and DHA. DPA helps to rebalance the ratio of omega-3's to omega-6's which lowers inflammation in the body. This fatty oil can aid in long term memory retention, which in turn boosts brain function. Numerous studies have reported that DPA has a high anti-cancer potential, particularly when it comes to reducing tumor growth in breast, colon, and prostate cancer. Due to its highly anti-inflammatory effects taking DPA may reduce pain caused by rheumatoid arthritis. It can improve mental health issues like depression, anxiety, and schizophrenia. DPA can decrease the risk of heart disease, prevent arterial blockage, and strokes by as much as 40%. India has one of the largest vegetarian populations and also one of the highest rates of blindness which is associated with deficiency in omega-3's. Both eye and brain are built out of DHA. According to research studies, fish oil excels in increasing the omega oils in blood compared to plant sources. Research shows that adding EPA and DHA to the diet of pregnant women positively effects the baby's visual and cognitive (brain) development. Omega-3's also benefit pregnancy by preventing pre-term labor, lowering the risk of preeclampsia. Omega-3 deficiency increases the mother's risk of depression, which may worsen postpartum mood disorders with each subsequent pregnancy.

These statements have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure, or prevent any disease.

Spring arrives in whispered light,
Soft petals waking from winter's night,
The air hums sweet with budding trees,
And earth exhales in gentle breeze.

In garden rows, new life takes hold,
Green tendrils push through patient soil,
Hands in dirt, a quiet art,
Each seed a promise from the heart.

Colors bloom in bright array,
Bees drift slowly on their way,
And in change of sun and rain,
The world feels young and whole again.

DO YOU SUFFER FROM:

Cold Hands and Feet, Tired, Fatigued or Weak, No Motivation, Hair Loss, Weight Gain, Anxiety, Sleep Problems, Constipation, Sore Joints and Muscles, Digestion Problems, Hormone Problems, Infertility, Low Libido, Depression, Bloating, Cramps

it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
– Dan Stoltzfus, Pennsylvania

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
– Leah Miller, Ohio

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
– Kathyrn Yoder, Missouri

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
– Sue Albrecht, Michigan

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing. I've already told many people to call you.
– S Hertzler, Maryland

Have you been patched?

HOW TO USE THE X39 PATCH:

In the morning, apply one LifeWave X39 patch on the back of your neck or two finger widths below your navel.

Use for up to 12 hours, then remove and discard to allow your body to rejuvenate for 12 hours before applying a new X39 patch the next day.

Wear daily for 6-12 months for best results. Continued use can give greater benefits.

WHAT IS A LIFEWAVE PATCH?

When sunlight hits your skin, your body is signaled to create vitamin D. With Lifewave patches, your body's own infrared light is being reflected back to signal the production of various amino acids and peptides depending on the patch you are using.

The X39 patch has a specific and precise crystalline pattern that signals your body to make endogenous GHK-Cu.

POTENTIAL BENEFITS OF X39®

Wearing X39 daily may produce the following benefits. Everyone is different and results will vary. Real life results from our customers!

- NO more midday naps
- Brain fog gone
- NO more tired feet after long days at market
- More mobility in shoulders after old injuries
- More motivation + energy
- Migraines dissappearing

Pressure Point Mat Set

Lay back, breathe deep, and let the tension melt away.

Great Gift! *for Father's Day*

$138 for the mat.
Add **$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – ***WTHN Client***

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Worried about a tick bite? Knees hurt and you don't know why?

We help naturally-minded people get past difficult health challenges without drugs.

We've watched exciting things happen...like seeing a discouraged young Amish man go from moving slowly and painfully on crutches to get back to working as he wanted...and playing volleyball as he loved!

If you're committed to using natural approaches for your health, but feel lost about what to try...or discouraged by your current results, we can help!

Get a plan to guide your healing process that's *specific* and *focused*:

- **Computerized testing** to gain valuable information about your health, and learn how you can promote wellness in your situation
- **Focused natural support** with herbal tinctures and supplements that will boost your body's natural defenses
- **Personal coaching** so you don't have to figure all this out on your own!

Call or text us today for a free, zero-risk consultation. We'd love to hear your story. We can decide together if this might be a good next step for you.

COMPASS HEALING
(717) 345-9867

Due to constraints, we are only accepting 20 new clients per month. Please get your spot reserved as soon as possible so you don't end up on a waiting list! We're looking forward to serving you as soon as we can.

Disclaimers: While we are always impressed by ability of our bodies to heal themselves, please understand that individual results may vary. Finally, as natural health advocates…(you know the drill) we do not diagnose, treat, cure, or prevent any disease, and these statements have not been evaluated by the FDA. If you need medical care, please see your medical doctor. BB02

Bearaby

★★★★★

Bearaby weighted blankets are rated at
4.8 out of 5 Stars
from dozens of verified "Busy Beaver" Bearaby users.

Did you know, a Bearaby gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

Natural deep sleep
Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind
The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling
Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

Our handmade **Cotton Napper** is a breathable, knitted weighted blanket to help you fall asleep faster and feel calmer, naturally. Designed for individual use, your Napper should be about 10% of your body weight. Not designed to add warmth. **Made of 100% organic cotton.**

SUMMER SAFETY AWARENESS MEETINGS NOTICE

The goal is to have Awareness Meetings in several different regions for the benefit of the Plain Community by sharing concerns, information and experiences, also about Safety Issues and Government Regulations. Everyone is welcome {women and children are encouraged to attend }, and is not limited to people from one region. The meeting will be conducted in Pa. Deutsch. Accidents and Happenings not only bring pain and suffering, but are expensive and invite public debate and / or investigations by Government Agencies. And this creates a responsibility for the community. We ask for your direction and support. Topics will include Farm & Home, Buggy & Highway, Fire and Workplace Safety, and also an opportunity to hear Steering Committee Issues and Concerns. Also questions or comments for the Question and Answer Session. The Committee is only the voice of the Community, and is no stronger than the Concerns of the Church supporting it.

The Pa. Amish Safety Committee.

With the increase in traffic and dangers on the road, youth are encouraged to attend!

ZeLand: A Safe Home Starts Here

Short-term, toxin-conscious housing for people living with MCAS.

Mast Cell Activation Syndrome (MCAS) causes extreme sensitivity to everyday exposures—like mold, pollen, smoke, cleaning products, detergents, and even a loved one's perfume.

For many, standard homes can trigger serious reactions due to hidden chemicals in building materials and finishes.

ZeLand is raising funds to design and build safe, thoughtfully constructed tiny homes—created specifically to minimize these triggers and provide a place to heal.

Our goal is to offer short to medium-term housing—giving individuals a safe place to recover while they rebuild their own home or secure other suitable living arrangements.

Help provide a safe place to heal and transition.

Phase 3 - Building Construction

Project Progress

Giving all Honor and Glory to God

We are pleased to announce that the project for the White Horse Relief Center has officially begun. Our plans for future updates in this publication is to have aerial photos taken to post in this section of the advertising. Our hope is to be able to allow everyone to follow after with the building progress.

Also, thanks so much to everyone that has supported this project so far. We would not have been able to get here without your generosity.

White Horse Relief Center DBA: Gifts-for-Relief *a 501(c)(3) non-profit organization*

And do not forget to do good and to share with others, for with such sacrifices God is pleased. **Hebrews 13:16**

Prayerfully consider a monthly, quarterly or annual pledge, or a one-time gift.

Gifts for Relief provides Relief Kits, as funds are available, to be distributed through CAM, MCC and Samaritan's Purse to families that are stricken by poverty, disease, natural disasters and other crisis situations.

To ORDER KIT SUPPLIES: *call GFR, 717-442-5262*

Get involved! Assemble with youth groups, school children, church members, your family or co-workers.

Relief Kit supplies are purchased by the trailer load and are available by a set donation. The assembled kits are then sent all over the world! Currently, we offer 12 kits.

To schedule a day at the Sewing Center: *call Sol, 610-857-1026*

Special Needs Benefit Auction

Our auction depends on the community to bring or donate items to sell at the auction.

We also have a soliciting committee that can collect items. We appreciate your willingness to provide a tax-deductible donation. We are a non-profit organization, and your monetary donations will help cover the operating expenses for the auction and throughout the year. More importantly, funds raised go directly towards the special needs workshops. We hope that with the help of the community, we can start the day of the auction with all the expenses paid.

VISION BEYOND BORDERS

Over Six Million Bibles Delivered Across the World

Join us in sharing the Gospel far and near.

For years, Vision Beyond Borders has worked to place God's Word into the hands of those who are waiting for it.

- Hundreds of thousands sent to Venezuela and Cuba.
- Actively working to get Bibles into the hands of Iranians who are seeking truth.

In many places, access to Scripture is limited, restricted, or financially out of reach. Yet the hunger for God's Word continues to grow.

We are printing and distributing Bibles to:

- Churches and believers who cannot afford one
- Prisons and drug rehabilitation centers
- Rural villages and underserved communities
- Nations where Scripture is difficult to obtain

Will you help send Bibles today?

$4 prints one Bible
$100 provides 25 Bibles
$1000 provides 250 Bibles

Any amount blesses the thirsty hearts.

FARM ANIMALS

Hope in the form of chicks

Tsira and her three grandchildren are excited to receive chicks from CAM.

Tsira was only 30 years old when her husband passed away unexpectedly. She lives in the country of Georgia which is located in southeastern Europe. Life was difficult for Tsira and her two young children. "We were left without means of support. I raised my children in great poverty," Tsira reminisced.

Time went on and Tsira's children got married and started their own families. Life was a little easier for Tsira, now that she had only herself to support. But recently, Tsira suffered yet another loss when her son passed away suddenly. "The loss of my son was a double blow for me. Now I live with my daughter-in-law and we are raising three fatherless children. We live in great need," Tsira told our contacts.

"Many nights I woke up thinking about what I would feed the children in the morning," she shared. "With tears I prayed to God for help because it was painful to see my hungry grandchildren. We were going through very difficult times."

Once again Tsira's life changed, this time by the gift of chicks. "God's people brought us chicks," she rejoiced. "What surprised us even more was that along with the chicks they also brought good quality feed!" How glad Tsira and her family were for these chicks!

"Words cannot describe the joy of seeing my grandchildren smile again," Tsira told our contacts. "Your help showed us there are still kind and caring people in the world. Now we look to the future with hope and believe that together many things can change."

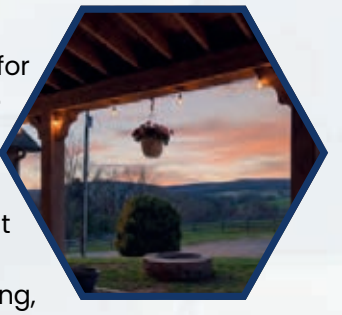
Previously used as a Bed and Breakfast, this house is in the process of being transitioned to a 3 bed, 3 bath home, with plenty of newer upgrades such as floor heat, electrical, and plumbing, while keeping the rustic charm of a stone fireplace and original interior log walls.



The 40x80 bank barn offers plenty of room for your outdoor desires but is in need of some repairs.

This incredible farmette has it all: pasture, tillable fields, and woods providing excellent hunting and incredible views. It borders Powells Creek, known for its great trout fishing, and is within walking distance to state forest and the popular Appalachian Trail.

A rare gem in the making!

Keystone Steel Structures is a small company that specializes in erecting and finishing steel buildings. The owner started the company in October 2001. The first few years Keystone was only involved in the erection of the steel structure itself. However, due to customer demand, we have chosen to expand the company's services to include supplying a complete pre-engineered metal building package as well as providing general contracting services for an entire project. While we would be happy to erect a structure from any supplier, we are proud to supply our buildings through Whirlwind and Metallic Building Systems. Over the years, we've collected many awards and honors for the work we do with them.

We strive to build our reputation with excellent communication and unrelenting persistence at keeping our promises to supply quality construction. We are committed to delivering great value and service to our customers.
