# NEED A BETTER BLACK BOX OR PHONE KIT? TRY THE STARLIGHT HOME PHONE DEVICE!

We have tested these in numerous states across the US and have found they have better service than most other home phones.

We use the Top service providers available... Verizon, T-Mobile and AT&T. Therefore we can ensure you get great service, no matter which area you are in. Also the black box design is much better than Verizon's black box or white box, resulting in less dropped calls while traveling and voice mails coming through much more consistently.

Corded and cordless phone kits available!

## Editor's Note

### Greetings!

When my son was younger, he used to ask us to tell him "childish stories." He meant he wanted to hear stories from our childhood. He also liked to hear stories of when he was a baby. I enjoy telling him as it is nice to recall memories and keeps your brain healthy! He still likes to hear them to this day.

Most of my memories of him as a toddler involve him running, and he was *fast!* I learned not to look away for too long because he would be off and running. We always joked that he walked for a moment and then started to run, and never stopped.

As he's grown up, he has slowed down a bit, and I am glad as my husband and I were exhausted keeping up with him. Now he just talks fast. 😊

## MAXIMUM PERFORMANCE HORSE SUPPLEMENT

**Give your horse the minerals that are no longer in the your feed!**

**50 lb Bag Granular \$150, last 5 horses/ 1 month. 50 lb bag pellets \$135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.**

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. If you want to reduce ulcers, acid reflux and build muscle as well.
2. If you want to increase stamina and reduce recovery time, see a difference in 5 days..
3. If you want to calm your mares down, reduce tying up, anxiety and aggression.
4. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

### Maximum Performance for Breeders

1. If you want to reduce OCD's ( soft bone chips in ankles and hocks).
2. If you want to have mares at peak condition checked in foal.
3. If you want to improve development of your foals.
4. Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.
5. Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality. **contact 502-817-1947**

## If you want better nutrition.... you need to start with better soil

### WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

# HOOVER MAPLE SUPPLIES

## A TIME OUT OF TIME

There is a time between the seasons. It comes in late February, early March when winter seems tired and spring is only a hoped-for thing. We call it Sugarin' time; When the sap begins to flow in the Maple grove.

After freezing cold night you wake to a warmth in the air and a brightly shining sun. The temperature rises above freezing. We don the boots, gather the buckets, spouts, drill and bit; with excitement filling the air we head for the sugar bush.

At the first tree we drill a hole 1½" - 2" deep with the tree tapper bit and drill. Gently we tap the spout into the tree and hang the bucket. Listen to the musical drip-drip-drip!

### March Is Here!

March is here with windy days,  
 Blowing hats and kites away.  
 Clouds race fast across the sky,  
 While birds return and sing "Hi-hi!"  
 Raindrops tap on windowpanes,  
 Splash in puddles, down the lanes.  
 Green buds peek from sleepy trees,  
 Dancing lightly in the breeze.  
 Winter coats are put away,  
 Flowers bloom in bright array.  
 Hello spring, we laugh and play—  
 Happy, blustery month of March!

## “Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

**We are in need of Big Brothers and Houseparents!**  
*If interested call 330-343-8055.*

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!  
-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.  
-Former Big Brother, Jake

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!  
-Big Brother, Michael

**We are in need of work.** Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!  
-The Troyers

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.  
-Former Big Brother, Jared Hershberger

CLOTHING BUNDLE PROJECT

# Relief after years of difficulty

Adnan\* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

*\*Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.
