Editor's Note

Greetings!

What is that phrase? Life is what happens when you are busy making plans...? I had an early deadline a few weeks ago as I was supposed to travel for a meeting. Unfortunately, I hurt my knee right before and it became hard to walk. I did not want to be too far from home in case it got worse, so I did not go. I was sad as I was looking forward to it.

We are finally getting some tomatoes! Peppers are barely growing and the eggplant not at all. Of course, we always have zucchini!

My family and I will be traveling to Florida to see my in-laws in September. However, I will not have any early deadlines.

Enjoy your week!

Renee Lama - Editor

Our next Busy Beaver Booth will be Aug 7-8 at the Western New York Driving Horse Sale, Clymer, NY

Frequently asked Question

What is the best way to wash my Napper?

Wash separately in cold water, using mild detergent. If in a washer, select a delicate or permanent press cycle. Avoid fabric softeners and bleach. If using a dryer, tumble dry on low heat. It may take several cycles.

Do not hang on a clothesline to dry, it is very heavy when wet, and prone to stretching. It works well to drape it over a Lifetime table in the sun, and should be dry in roughly the same time period as a comforter. However, for the easiest washing process, take it with you next time you go to the laundromat.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Violent earthquakes

IN VENEZUELA

A channel enabling the church
to minister to physical and
spiritual needs around the world

It was a typical evening in Venezuela on June 24. Motorbikes buzzed along the dusty streets of Caracas, past restaurants, noisy street vendors, and families enjoying supper in their homes. Fourteen miles underground, intense pressure was building between two tectonic plates. At 6:04 p.m., the plates slipped past each other releasing a magnitude 7.2 shockwave near Caracas, Venezuela's capital city. Only 39 seconds later, an even larger magnitude 7.5 quake struck!

Motorbikes swerved to the side of the road. Street vendors stood dumbfounded as their wares spilled from the tables. High-rise apartment buildings swayed, then thundered to the ground, belching dust into the chaotic streets. A CAM contact shared, "We didn't know what was happening—the power went out, there was no signal, and the shaking began. Everyone rushed to leave the apartment building to find a safe spot. The elevators jammed, so we had to use the stairs; people were running and falling, and many elderly individuals couldn't get out in time. Others remain trapped under the rubble."

When the shaking stopped, wailing could be heard from beneath the mountains of rubble. Recovery teams raced against time to rescue people from the twisted mess before they would die of injuries or thirst.

Our response

We and our contacts wish to use this time to present the Good News to the suffering people of Venezuela as we assist them with much-needed aid. In recent months, we have been gearing up for a large-scale literature distribution in Venezuela. Large quantities of Bibles, Bible story books, and other literature are stockpiled near the affected area in Venezuela, ready for distribution. Along with other aid, these will be distributed to earthquake victims as well. We praise God for His hand in arranging this when we had no idea a deadly crisis was on the horizon!

Donations to this project will also be used to support a team of conservative Anabaptists assisting with disaster cleanup. Their church group has a vision to plant a church in Venezuela, so they hope to use this opportunity to plant the seeds of a future conservative Anabaptist church.

We are budgeting \$1.5 million to respond to the needs in Venezuela. If you would like to help, your donation will provide food, Christian literature, portable water treatment systems, hygiene supplies, temporary shelters, and other assistance to the people of Venezuela in their time of need.
