Editor's Note

Greetings!

As I write this in the early morning, there is a yellow overall look outside. I thought it odd at first, but then I remembered the fires that Canada is currently dealing with. Please remember them in your prayers.

I have decided to try my hand at canning this year. I have done basic stuff like pickles in the past, but wanted to add more vegetables like tomatoes, carrots, beans, etc. I am a bit worried that I am not doing it right, even though I am following instructions. I keep pestering my canning friends with questions, "Does this look right?" "Is it okay if this is like that?" It's a good thing I have kind friends. 😊

Enjoy your week!

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

The Original WATER REVITALIZER

STAINLESS
STEEL

Water passes over, around and through the helix formations inside the NU-FORCE Water Revitalizer. This action churns the water similar to that of water rolling and tumbling over rocks and crevices in a mountain stream. Now you can enjoy all the benefits of revitalized water for cooking, drinking, showers or baths, laundry, gardening, pets and so much more.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

WHY DOES DISC PAIN KEEP COMING BACK?

Special Health Report

*What Thousands of Patients With Disc Problems Have Taught Us
About Why Some People Improve Temporarily While Others*

Continue to Struggle

By Midwest Disc Clinic

FREE RECORDED HEALTH REPORT

Available 24 Hours a Day by Phone

- ✓ No Appointment Required
- ✓ No Internet Required
- ✓ Listen from Home
- ✓ Available Anytime
- ✓ Private and Confidential

Many People Are Told Their Only Options Are More Treatment, More Injections, or Surgery

If you are one of the millions of people suffering with back, neck, or sciatica pain, you are not alone. Disc problems are one of the leading causes of long-term pain and disability in our country. And if you have been dealing with this pain for any length of time, you may already know how frustrating and discouraging it can be.

Many men and women tell us the same story. They started with mild discomfort. Over time, it got worse. They saw a doctor, had tests, and tried physical therapy, chiropractic care, medications, or injections. Sometimes these treatments helped for a while. But the pain came back.

Eventually, they were told their only choices were more treatment, more injections, or even surgery.

This leaves many people feeling hopeless and unsure of what to do next. That is why we created this recorded health report.

After helping thousands of patients with disc problems, we have seen a common pattern. Some people improve temporarily, while others continue to struggle. The difference is not always what you might think.

The good news is that understanding why disc pain keeps coming back can help you ask better questions and make more informed decisions about your care.

IN THIS RECORDED REPORT YOU'LL DISCOVER:

- ✓ Why disc pain keeps coming back
- ✓ What may block disc repair
- ✓ Why relief often doesn't last
- ✓ What many patients are never told
- ✓ What may be behind sciatica symptoms
- ✓ Questions to ask before injections or surgery

REAL PATIENT STORIES

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." — **D. Hershberger, Nashville, MI**

"I was having lower back pain and right leg pain when I came to MDC. I was on crutches for two days and in bed for a week, not able to work.

After my DOSAE treatments, I am back to work and feel 85% to 90% better. Thank you to the doctors and staff at MDC. Everybody is very friendly and helpful!" — **D. Troyer, Randolph, NY**

Frequently asked Question

What is the best way to wash my Napper?

Wash separately in cold water, using mild detergent. If in a washer, select a delicate or permanent press cycle. Avoid fabric softeners and bleach. If using a dryer, tumble dry on low heat. It may take several cycles.

Do not hang on a clothesline to dry, it is very heavy when wet, and prone to stretching. It works well to drape it over a Lifetime table in the sun, and should be dry in roughly the same time period as a comforter. However, for the easiest washing process, take it with you next time you go to the laundromat.

Violent earthquakes

IN VENEZUELA

Article space donated to CAM

A channel enabling the church
to minister to physical and
spiritual needs around the world

It was a typical evening in Venezuela on June 24. Motorbikes buzzed along the dusty streets of Caracas, past restaurants, noisy street vendors, and families enjoying supper in their homes. Fourteen miles underground, intense pressure was building between two tectonic plates. At 6:04 p.m., the plates slipped past each other releasing a magnitude 7.2 shockwave near Caracas, Venezuela's capital city. Only 39 seconds later, an even larger magnitude 7.5 quake struck!

Motorbikes swerved to the side of the road. Street vendors stood dumbfounded as their wares spilled from the tables. High-rise apartment buildings swayed, then thundered to the ground, belching dust into the chaotic streets. A CAM contact shared, "We didn't know what was happening—the power went out, there was no signal, and the shaking began. Everyone rushed to leave the apartment building to find a safe spot. The elevators jammed, so we had to use the stairs; people were running and falling, and many elderly individuals couldn't get out in time. Others remain trapped under the rubble."

When the shaking stopped, wailing could be heard from beneath the mountains of rubble. Recovery teams raced against time to rescue people from the twisted mess before they would die of injuries or thirst.

Our response

We and our contacts wish to use this time to present the Good News to the suffering people of Venezuela as we assist them with much-needed aid. In recent months, we have been gearing up for a large-scale literature distribution in Venezuela. Large quantities of Bibles, Bible story books, and other literature are stockpiled near the affected area in Venezuela, ready for distribution. Along with other aid, these will be distributed to earthquake victims as well. We praise God for His hand in arranging this when we had no idea a deadly crisis was on the horizon!

Donations to this project will also be used to support a team of conservative Anabaptists assisting with disaster cleanup. Their church group has a vision to plant a church in Venezuela, so they hope to use this opportunity to plant the seeds of a future conservative Anabaptist church.

We are budgeting \$1.5 million to respond to the needs in Venezuela. If you would like to help, your donation will provide food, Christian literature, portable water treatment systems, hygiene supplies, temporary shelters, and other assistance to the people of Venezuela in their time of need.

Froman Hill BOYS RANCH

Restoring Hope through Discipleship
Froman Hill Boys Ranch is a residence for minor boys from the home and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work.
Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troysers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.
