Editor's Note

Greetings to all!

This time of the year is a beautiful time to go for a stroll through the woods and meadows. The lush green grass and trees fully loaded with leaves will soon change as the weather keeps getting cooler. Insects of all kinds seem to be everywhere; cobwebs close the gaps between trees and bushes. Locusts play their music during the day and once nighttime comes, the crickets start their chant.

Our Daniel is down south for the week doing relief work with some of his friends. Obviously, there is still some storm clean up to do yet.

Mary was gone all day yesterday. She and her sisters had their heads together, planning for our niece's wedding this fall. Apparently, wedding bells are starting to ring while I'm still enjoying this late summer weather. Lord willing, we'll have baptismal services on Sunday.

Thank you for advertising in the Busy Beaver! We appreciate your business!

-John Zook

*A good experience with Lions 6-way was
when we decided to put a couple of draft
colts on a diet of 2-3 LB. of Lions 6-way
per day with about 3 1/2 LB. of oats per day.*

*Never before did we have 2 yr. olds or even
3 yr. olds filled out like these were.*

*The hay was 2nd or 3rd cutting
alfalfa-grass mix, free choice.*

It wasn't always the best quality hay.

A very satisfied customer. (Illinois)

BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

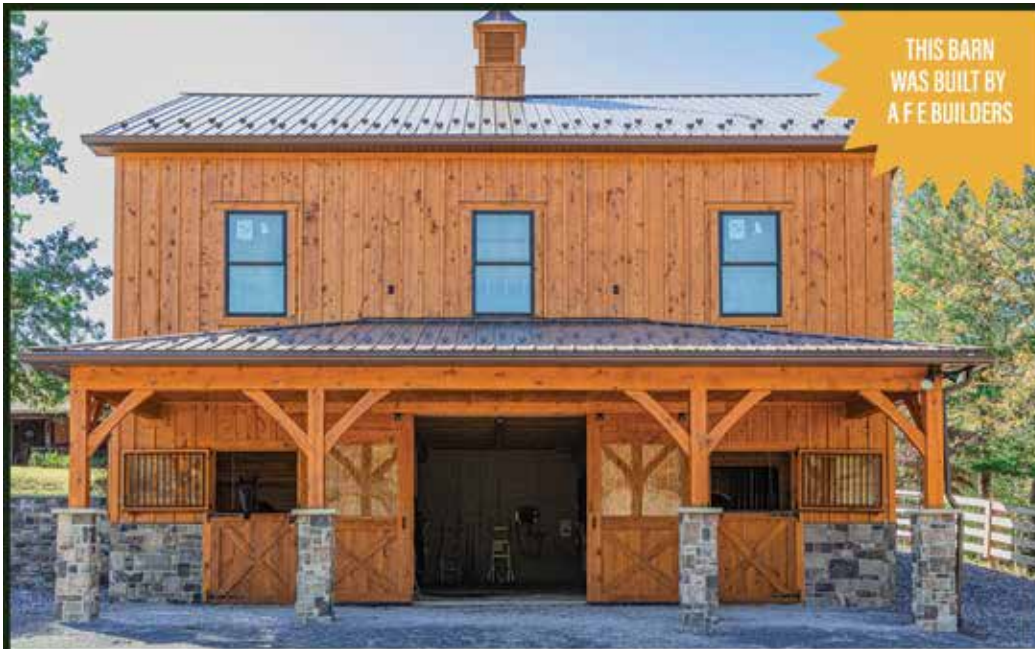

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troys

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

Products built for the EPM BATTLE

ReBalance Bb targets the immune and inflammatory side. It is a 32 oz liquid built on a proprietary extract blend of Pau d'Arco, maitake, echinacea purpurea root, and goldenseal root, plus aloe vera concentrate along with prebiotics from yeast extract and dried chicory root to support a hindgut that illness, stress, and long medication courses tend to disrupt. If immune competence is what separates the horses who clear the parasite from those who don't, immune support isn't peripheral during recovery. **Rebound CNS** targets nerve, muscle, and connective tissue. Alongside its herbal blend, the

top-dress delivers vitamin E and selenium yeast, plus acetyl L-carnitine for neural and mitochondrial support, choline and inositol as building blocks of nerve cell membranes and myelin, flaxseed for omega-3s, and vitamin C for antioxidant support and collagen formation. It is labeled to pair with **ReBalance Bb** for EPM horses, may help restore nerve weakness or damage, and may improve healing time on muscle, ligament, and tendon damage. That last point matters: a horse that has been compensating asymmetrically for weeks has usually accumulated soft-tissue strain well beyond the neurological deficit itself. These two products have been in our top sellers in our line for many years.

I got this colt that was very lame with two swollen front ankles. The vet thought he might have sprains. I used Limber Max very heavy, once a day for 2 weeks. Lameness and swelling went away. The colt is now sound without using Limber Max
- customer in PA

Limber Max is my pick of any liniment I have used. I used it 4 times and had great results. The horse wasn't as sore anymore and drove a lot better. I used under the harness it didn't blister. It is a great product.
- customer in PA

I use Limber Max on my horse both hind legs were swollen. Within 4 days they were normal size. Great stuff!

POWERFUL, SAFE, EFFECTIVE!

If you want better nutrition....
you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

HOMESTEADER Milk Pail System

Featuring a Milk Pail, Butter Churn, and
hassle-free Cream Separator.

See us at Eastool

- Use the same **Stainless Steel Pail** for all three functions. Available in 3 or 5-gallon size. Includes a stainless steel filter.
- The **Butter Churn** features a clear lid, so you can see when your butter is done. Churns 1-3 gallons of cream in less than 5 minutes.
- The **Cream Separator** attachment allows you to separate the cream from the skim milk by natural separation. Fill the pail with milk, attach the separator, flip it, and set it in the cooler for 6-12 hours. Then take it to the edge of a table or sink and drain off the skim. It is simple to use, and easy to clean.

Stainless Steel Pails

- Includes fine-micron stainless steel filter that sits in neck of pail.
- Square design takes less space in cooler and works great for butter making.

This is not a mechanical separator; it separates by gravity. Natural separation is not a new idea ... The Homesteader is just a new simple way to do it correctly and undisturbed. It works so well that we get no cream when running the skim milk from a Homesteader through a mechanical separator.

Stainless-Steel Spoon

Forged from a single blank of 13-gauge 304 stainless steel, this 9-3/4" long commercial-grade spoon features a heavy-duty handle and a sleek, work-hardened 16-gauge bowl. Sculpted and compressed through mechanical shaping, the thinned bowl packs immense structural strength into a lightweight profile that refuses to bend or warp.

Lawn Rake

Designed for everyday yard care, this 23-inch lawn rake features 21 flexible tines to easily clear leaves, grass clippings, and light debris without tearing up your lawn. Its lightweight, manageable design offers a perfect balance of wide surface coverage and easy maneuverability around delicate garden beds.

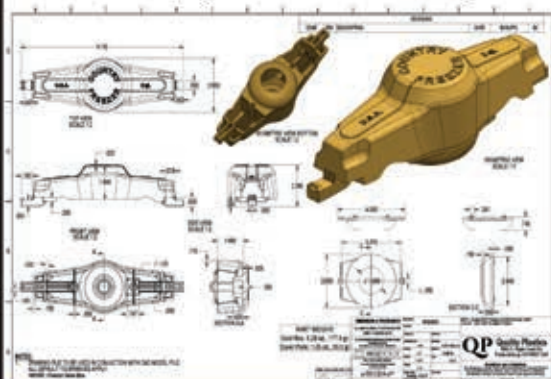

Kitchen Queen

This food-safe storage container features a 14" x 9" x 2.75" clarified plastic base for clear visibility and a vibrant, colored lid with a 2" raised dome. The high-clearance lid expands the total interior height to 4.5 inches, providing ample room for stacked baked goods or bulk meal prep without crushing them.

To the right of the logo is a photograph of a robotic arm assembly line. The arm is white and black, mounted on a red table, and is positioned over a green component. The background is a plain white wall.

The image shows the Nesto logo, which consists of the word "nesto" in a blue, lowercase, sans-serif font, preceded by a stylized orange and yellow sun-like icon. Below the logo is a photograph of a Nesto 3D printer. The printer is a white, desktop-sized machine with a transparent protective enclosure. Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.

– **Dan Stoltzfus, Pennsylvania**

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.

– **Leah Miller, Ohio**

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!

– **Kathryn Yoder, Missouri**

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.

– **Sue Albrecht, Michigan**

I was put on Armour for an underactive thyroid and was taking it for a year. I was still not feeling well. Come to find out I didn't need to be on any medication to begin with. My hormones are now balanced and I feel better with no medication. It's nice to see and feel the results.

– **S. King, Pennsylvania**

Have Cancer Concerns?

Amygdalin (Laetrile) Vitamin B17 is a powerful organic natural substance that works to help control cancer and viruses which can be consumed through seeds or supplements. In the late 1960's, a pioneering physician, Dr. John A. Richardson, MD, dared to treat his cancer patients with a revolutionary treatment that included the use of Laetrile, along with a strict protocol of diet, exercise, and vitamins. It worked remarkably better than orthodox treatments. Apricot seeds contain the highest concentration of B17 found in nature. These seeds also contain high levels of Thiamine/B1 and Omega-3 fatty acids. From cellular health to inflammation to respiratory conditions, this super seed is also great for animals!

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

PATIENT SUCCESS STORY

"After getting kicked in the head by a horse, I was left dealing with a traumatic brain injury that changed everything. I struggled with memory issues, brain fog, constant headaches, dizziness, low energy, and even trouble reading. I tried cranial sacral therapy and many other approaches, but nothing gave me the relief I needed.

Now, I truly feel like I have my life back. My mind feels clearer, my energy is returning, the headaches and dizziness have improved, and I'm finally starting to feel like my normal self again. I'm incredibly grateful to have found something that made such a meaningful difference when I had begun to wonder if I would ever feel better."

WHY DOES DISC PAIN KEEP COMING BACK?

Special Health Report

*What Thousands of Patients With Disc Problems Have Taught Us
About Why Some People Improve Temporarily While Others
Continue to Struggle*

By Midwest Disc Clinic

FREE RECORDED HEALTH REPORT

- ✓ Private and Confidential

Many People Are Told Their Only Options Are More Treatment, More Injections, or Surgery

If you are one of the millions of people suffering with back, neck, or sciatica pain, you are not alone. Disc problems are one of the leading causes of long-term pain and disability in our country. And if you have been dealing with this pain for any length of time, you may already know how frustrating and discouraging it can be.

Many men and women tell us the same story. They started with mild discomfort. Over time, it got worse. They saw a doctor, had tests, and tried physical therapy, chiropractic care, medications, or injections. Sometimes these treatments helped for a while. But the pain came back.

Eventually, they were told their only choices were more treatment, more injections, or even surgery.

This leaves many people feeling hopeless and unsure of what to do next. That is why we created this recorded health report.

After helping thousands of patients with disc problems, we have seen a common pattern. Some people improve temporarily, while others continue to struggle. The difference is not always what you might think.

The good news is that understanding why disc pain keeps coming back can help you ask better questions and make more informed decisions about your care.

IN THIS RECORDED REPORT YOU'LL DISCOVER:

- ✓ Why disc pain keeps coming back
- ✓ What may block disc repair
- ✓ Why relief often doesn't last
- ✓ What many patients are never told
- ✓ What may be behind sciatica symptoms
- ✓ Questions to ask before injections or surgery

REAL PATIENT STORIES

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." — D. Hershberger,
Nashville, MI

"I was having lower back pain and right leg pain when I came to MDC. I was on crutches for two days and in bed for a week, not able to work.

After my DOSAE treatments, I am back to work and feel 85% to 90% better. Thank you to the doctors and staff at MDC. Everybody is very friendly and helpful!"
— D. Troyer, Randolph, NY

RELIEVISION®

Relief you can feel. Life you can enjoy

Vitalife's Relievision is formulated with carefully selected ingredients designed to help support the body's natural response to discomfort and promote overall wellness. When used as part of a comprehensive health plan, Relievision may help individuals maintain comfort, mobility, and a better quality of life, allowing them to focus on the activities they enjoy most.

Why These Ingredients Work Together

Relievision combines five scientifically researched ingredients that address pain and inflammation from multiple angles. Curcumin C3 Complex® and Bospure® help support a healthy inflammatory response. Collavant® n2 focuses on joint structure and cartilage support. AstaReal® helps combat oxidative stress that can contribute to discomfort and tissue damage. ParActin® provides additional inflammatory and immune support. Together, these ingredients create a comprehensive wellness formula designed to support comfort, flexibility, mobility, recovery, and overall quality of life. Rather than relying on a single mechanism, Relievision provides broad-spectrum support for individuals seeking a natural approach to managing everyday pain and inflammation while maintaining an active lifestyle.

Curcumin C3 Complex® and Bospure® are well-known botanical ingredients that may help promote a healthy inflammatory response. Curcumin, derived from turmeric, has been widely valued for helping soothe occasional joint and muscle discomfort, while Boswellia may support flexibility and ease stiffness. Together, they may be especially helpful for people who want daily support for knees, back, shoulders, and other areas affected by inflammation.

Andrographis, known as andrographolides, have been extensively studied for their ability to help support the body's normal inflammatory response and promote overall resilience.

ParActin® may be particularly beneficial for individuals experiencing joint discomfort, stiffness, or physical stress associated with daily activities. Clinical studies have demonstrated its ability to support joint comfort, mobility, and physical function while helping maintain healthy inflammatory pathways. In addition to its role in pain and inflammation support, Andrographis has been recognized for supporting immune system function and overall wellness. Its inclusion in Relievision helps create a more comprehensive formula that addresses multiple factors contributing to discomfort and reduced mobility.

TESTIMONIALS:

I was suffering daily with headaches and neck pain associated with OS, after taking the Relievision Max for 60 days, I'm completely off pain medication and Ibuprofen. Thanks! – Joe

I have a torn meniscus. After taking Relievision for just 2 days my pain was gone! Amazing relief very fast. – Norman

THE HEALTH CORE BUNDLE

The only **WHOLE FOOD**, plant-based complete nutrition system on the market for total, lasting gut repair. Tranont products are made with real ingredients from nature, derived from real living plants, and do not contain artificial or synthetically manufactured ingredients like other brands. Because when it comes to healing and restoring the gut lining (and maintaining it) we have absolutely no room for anything fake or hard to utilize. It will only work against us. A poorly functioning gut cannot process synthetics and it only causes further stress on the already overloaded liver. Try the powerful Health Core....

IT HAS CHANGED THE LIVES OF THOUSANDS!

The purpose of the Health Core :

ENRICH: powerful enzymes, probiotics and prebiotics for optimal digestion and to maintain a healthy gut. All you need to ease digestion of all five major food groups and help you get the most nutrients from what you eat. Say good-bye to bloating, gas, & stomach discomfort.

BALANCE: A unique blend of over 40 plant based vitamins, chelated minerals, and antioxidants to help fill in the gaps where your diet may be lacking. Super hormone, liver and adrenal support. Truly a one-of-a-kind multi you won't find elsewhere! Great for ALL AGES....

FOCUS: Brain food. Fermented B vitamins and minerals for natural, healthy energy, along with Tranont's special mental/clarity blend to support better brain function, focus, memory and concentration. A #1 seller for struggling students! Every busy on-the-go person will love the benefits of FOCUS.

OPTIMIZE: Cleans unwanted bacteria and bad protein cells from the bloodstream. Promotes deep, restful sleep while it helps your body to heal, repair and recover. A must-have after any type of surgery. This is your inflammation buster! Digestive issues are often linked to lots of intestinal inflammation. Optimize is a huge immune booster if taken regularly.

Frequently asked Question

How do Bearaby blankets get their weight?

The **Cotton Napper** is weighted entirely through hand-knit organic cotton — not beads, not pellets, not hidden fillers. Just pure, breathable cotton loops layered to create natural, even weight. It is precisely engineered with a heavy cotton yarn, and compacted to the perfect density to give you your best nap ever.

The **Tencel Cooling Tree Napper** combines the above process with a blend of Eucalyptis fibers to give you the same effect as the cool side of your pillow, all night long.

Shepherd's Pathway

Fund Drive Notice

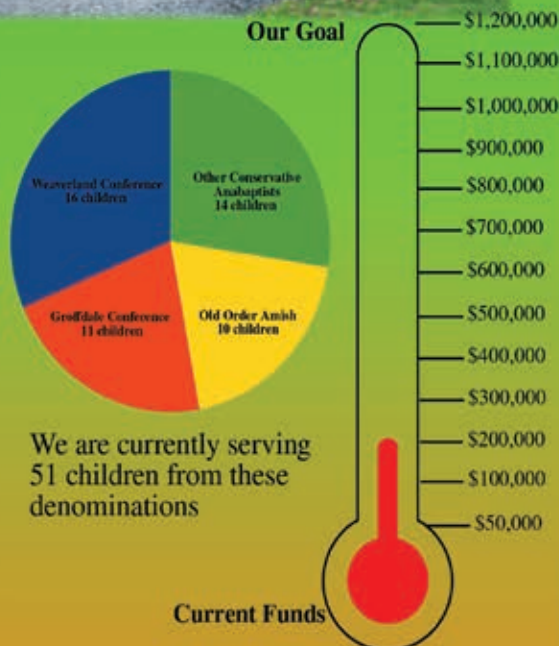

Shepherd's Pathway offers support for Anabaptist families of children with challenging emotional and behavioral needs

1203 Pieffer Hill Road, Stevens, PA 17578

Significant financial support is needed to repay the \$950,000 loan used to purchase the property and construct the new facility at the Stevens Location. Funding is also needed to cover monthly operating costs and those who dedicate themselves to this work. While we charge affordable fees to the families we serve, they only cover a portion of the expenses. We depend on contributions of 75% of our operating funds.

If God has blessed you with the means, please consider sharing those blessings to help us continue making a difference in the lives of these precious children. We are grateful to all our donors for your support in the past few years.

Shepherds Pathway is a non profit organization with IRS (c)(3) status. Tax exempt donations may be sent to Shepherds Pathway Inc. 11599 Koons Rd. Waynesboro, PA 17268 Tax exempt donations may also be made anonymously through Anabaptist Foundation.

Stoltzfus Family Fund:

Funds Needed,

Crist Stoltzfus (30) Fell 30 feet from a roof on July 2nd 2025 which caused a bunch of broken bones and Serious Head Injuries. Crist has a wife and three children, ages 2 year to 5 years old. As serious and life threatening as his injuries were, Crist and family have been very blessed with the recovery he has made so far. There is a need to ask for more funds as they are in Ohio for Doctoring etc.. At this time and or since the accident a year ago they had very little income coming in to support themselves, or to pay the Doctor bills etc.

If you feel led to help don't hesitate..

All Contributions are greatly appreciated to help the family in time of need. Thank You, and God Bless!...

DEVASTATING earthquake IN COLOMBIA

Article space donated to CAM

A channel enabling the church to minister to physical and spiritual needs around the world

On the morning of August 10, people across western Colombia went about their normal routine. Families ate breakfast, workers headed to their jobs, and people sipped their morning coffee, unaware that within moments, their lives would dramatically change. Then the earth suddenly began to tremble. Realizing something was terribly wrong, people rushed into the streets as buildings shook and debris fell around them, trapping some of them beneath the rubble.

The force of a 7.4 magnitude earthquake flattened buildings and trapped some people under tons of rubble. Hundreds are killed. Thousands more are injured and displaced. Rescue workers and civilians spent many frantic hours trying to rescue people from layers of wreckage.

Luis, a Christian father told our contact, "Before the earthquake, as I was leaving, God put it on my heart to pray. I

prayed and asked Him to protect my family, my children, my grandchildren, and me. Only five minutes after I had finished praying, the earthquake struck. When I returned to my home, I found my children safe, my wife safe, and my grandchildren safe. Everyone was well." Luis' house had collapsed, and all that was left was a heap of rubble. But Luis told our contact, "God protected my family and protected me."

Luis continued, "What we are going through is very hard. It is extremely difficult to see your home destroyed and to have to sleep outside on the street. It is very hard. But God knows what he is doing."

At least 50 hospitals across the region have suffered severe damage. For many families, even homes that remain standing cannot be considered safe. People are sleeping outside for fear of the roof collapsing over their heads.

How can we help?

In the midst of the rubble, fear, and uncertainty, is an opportunity to share the love of Jesus. CAM staff members are connecting with contacts and researching needs. We anticipate providing mattresses, blankets, Bibles, and other aid. Our prayer is that physical aid will reveal the greater gift of God's love to the people of Colombia.

**BANK OF
Bird-in-Hand**

a full service community bank

Protect Yourself Against Mail Fraud

Recently, Bank of Bird-in-Hand has noticed an increase in mail theft. Customers have reported checks being stolen from their mailboxes. Fraudsters then alter the stolen checks or create fraudulent checks they attempt to cash against our customers' accounts.

Here's what you can do to protect your mail:

- Use the letter slots inside your Post Office, or hand mail to a letter carrier. Do not leave mail with a check enclosed inside your mailbox for pick up.
- Retrieve your mail promptly after delivery. Don't leave it in your mailbox overnight. If you're expecting checks, credit cards, or other valuable items, ask a trusted friend or neighbor to pick up your mail.
- If you don't receive a check, credit card or other valuable mail you've been expecting, contact the sender immediately and inquire about it.
- If you change your address, immediately notify your Post Office and anyone with whom you do business via the mail.
- Be careful about what you send - don't send cash in the mail.
- Report all suspected mail theft to a Postal Inspector.
- If you are generally not home on Saturdays, or your business is closed on weekends, consider having the post office hold your mail until Monday.
- Work together with your neighbors. By exchanging work and vacation schedules with trusted friends and neighbors, you can monitor each other's mailboxes (as well as homes).
- Use banking tools that are not reliant on physical checks.

Bank of Bird-in-Hand offers telephone banking, online banking, and mobile banking services that are fast, convenient, and secure. Our Business Solutions help businesses scan and transmit checks directly from your business to the bank and move money between banks electronically. We also offer Positive Pay – a powerful protection tool to help detect fraud before it happens.

If you see a mail thief at work, or if you believe your mail was stolen, call the police immediately, then call the Postal Inspectors at 877-876-2455 (press 3).

Outside, relax on the decks or the screened-in porch overlooking your own ground. The outbuildings are a standout. Add in a large garden, and an outdoor living area with stamped concrete made for summer evenings and family gatherings, and you have a complete homestead- not just a house.
