Editor's Corner

Hello everyone,

What a beautiful time of the year. The weather is perfect; it is not too cold and not too warm. We had a bunch of rain the last couple of weeks, but it is April. April showers bring May flowers, isn't that true?

Just a couple more days and school will be out. All the children are ready for summer. Time flies, and the years go by fast. Let's enjoy every moment of it.

Hope you all have a blessed week.

Julie Miller

Even on the hardest days, take a deep breath & remember you are upheld by a power greater than yourself. Let faith guide your mind toward peace. Isaiah 41:10

Mary Magdalene - Freedom isn't just from physical confinement, it's spiritual redemption...

The story of Mary Magdalene is a powerful reminder that no one is too broken to be restored.

Once bound by deep spiritual oppression and a painful past, she encountered Jesus Christ—and everything changed. In a moment of compassion and power, He freed her, restored her dignity, and gave her a new life filled with purpose and hope. She became a beloved follower of Jesus Christ, and was one of the first to see the resurrected Savior.

The same transforming grace that lifted Mary Magdalene is still changing lives today, even behind prison walls.

Through prison ministry, men and women who feel forgotten, ashamed, and trapped are encountering that same life-changing message. **Your support helps bring the hope of Christ to those who need it most—offering freedom—not just from physical confinement, but from guilt, addiction, and despair.** When you give, you help write stories of redemption just like Mary's—stories of lives restored, hearts renewed, and futures forever changed.

TESTIMONIAL

By the time February came, I was tired of fighting my body and tired of being told something was 'wrong' with me. At this point, I got on my knees - fully surrendered - because when your body stops responding, your soul starts speaking. That's when I was introduced to a simple tincture. Not overnight. Not magically. But steadily - inflammation softened, clarity returned, energy came back online. My body finally felt safe enough to heal. I could feel myself again. This is my year, and I'm bringing those with me who are ready for real change. The sky isn't the limit - it's the starting point.

SPEICHER'S Worm & Parasite Formula

This is a Miracle!
"Finally I feel human again. This formula transformed my life. My vigor, vitality & clarity returned."

Reader stories are not scientific evidence. What works for one person, may not work for the next.

"What a difference! in just 13 days, I feel less bloated & have more energy."

Aids in Removing Worms & Parasites.

No medical proof.

Dear Friend,

If you have a health problem -- and can't get well, there could be a very good reason. Worms and parasites!

It sounds hard to believe. I agree. But if you're alive and breathing -- you're at risk. You may not see these tiny creatures. But believe me -- they're there! While you sleep, they eat. *Your food! Your nutrients!*

Pet owners often have red worms. →

Many eat the best natural foods and take the best supplements -- and never get well. Why is that? One reason is the worms and parasites take the best nutrients. YOU get the scraps -- the leftovers!

It's TIME to Clean House! Get rid of unwanted guests!

It's time to kick these suckers OUT -- once and for all. Out out. OUT! No more Free Lunch!

One Woman's Secret. She is 101.

A woman in New Mexico is 101 years old. Her mind is razor sharp. Her memory is great. She works eight hours a day. Her secret? She keeps her body free of parasites & worms.

Four ways you can get Worms & Parasites.

1. Unwashed fruits and vegetables.
2. Unwashed watercress from streams.
3. Raw-undercooked fish.
4. Pork. Try to cook all pork products at the highest possible temperature.

The Colon & Parasites.

A lot of worms & parasites flourish in the colon. That's why, keeping the colon clean is critical. Ask for Speicher's Colon Pills.

After Everything FAILS[®] Health Report

Natural Remedies that work -- after Everything Fails.

100% Folklore. Zero Science. No Guarantees.

Many health researchers claim.....

"70-80% of Americans have Worms & Parasites."

Could THIS be the reason you can't get well?

"Everyone, rich, poor, the whole population has parasites." - Dr. William Kelley

"Everyone has parasites - everyone! I mean 100% out of 100 people." - Colon Therapist.

"Parasites can remain in your body for 10, 20 and even 30 years." - Medical Research.

"The People who are the Sickest -- they have the most parasites." - Healer.

100% Folklore. Zero Science.

If you live - or work near Pets & Farm Animals, chances are... YOU have Parasites! Or Worms. Or *both*!

Pet Birds are often the worst because they flap their wings. This can spread parasites all over the house.

Which worm or parasite do You have?

- | | | |
|-----------------------|---|-----------|
| Roundworm in Skin. | → | Eczema |
| Ascaris Worm in Lung. | → | Asthma |
| Fluke in Pancreas | → | Diabetes |
| Thread Worm. | → | Migraines |

Worms are often invisible to the Human Eye.

Severe Bloat, gone!

A man had severe bloat & constipation. He was always hungry, no matter how much he ate.

His stool sample tested positive for parasites. The Speicher Worm Pills ended most of the problems.

Itchy back-end.

"My back end was itchy. After only 4 days, that vanished."

Skin now Rosy.

Nature's Rite

"Jonathan, my husband — we've been married for 28 years — is 50 years old. He has always had irregular breathing. He used to talk during the night, wake up several times, and snore. He never seemed to reach deep sleep. He didn't want to use a CPAP machine, so I saw this article in a farming magazine.

He had a cold the first night he took the pills, and not only did the cold go away that same night, but by the second night he wasn't snoring anymore. He was sleeping so deeply that I had to check if he was okay — it was the first time he had ever slept that deeply.

He's no longer falling asleep in a chair during the day. He feels better and is working better. I'm really surprised at how quickly these pills worked on his sleep problems — starting from the very first night. By the second night, he wasn't even snoring anymore."

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Replace your restless nights with Sleep Breathing Support™

You can **stop** sleep breathing disruptions and restless legs tonight.

Sleep related breathing disruptions ruin the sleep of an estimated 25 million Americans on a regular basis. Since sleep disruptions can disturb sleep without completely awakening the subject, there are likely millions more undiagnosed sufferers. The condition prevents the sleeper from entering rapid eye movement (REM) and delta sleep—causing them to become anxious, cantankerous and tired during the day. Additionally, due to the nature of the condition, it causes blood oxygen levels to be lower than normal for very prolonged periods of time. This is damaging to the brain and heart in particular.

Treatment options can include weight loss, nasal decongestants, surgery, and oral appliances. Devices, such as a continuous positive airway pressure (CPAP) machine, are commonly used for moderate and severe sleep breathing disruptions. A CPAP device is a forced air mask, worn during sleep that ensures proper inhalation.

Hi, I'm Steve Frank.

I have sleep-breathing disruptions at night. I spent years researching the condition and understanding the true cause. After many years, and with my knowledge of herbs, I found an amazing combination that supports deep, steady breathing all night long. This patented blend works great for nighttime sleep-breathing disruptions commonly associated with aging. I haven't worn any mask or tubes in years, and I sleep great. I hope you can too.

As it turns out, I also dealt with occasional restless legs. So I created a blend of herbs traditionally used to help relax nerves, ease tension, and support circulation. It worked well for her—and I later found it could also support those experiencing restless legs.

I personally use Sleep Breathing Support before bed each night, and I keep Leg Relaxer™ on my nightstand.

Sweet Dreams.

"I am well pleased with the Sleep Breathing Support. The nice part is I no longer have to use a CPAP machine. I am refreshed, rested and ready to go when I wake up." Elva Chupp

30 Capsules ~~\$45.99~~ \$36.79

Experience has shown that 60 percent of patients are not able to tolerate the equipment and ultimately discontinue using it. Others develop respiratory infections from the mask.

Sleep Breathing Support™ was designed to do what the above solutions can't address the real cause of the condition.

THE CAUSE

When we enter stage two sleep in preparation for REM sleep, where dreaming occurs, muscular activity is inhibited. It is called "reduction of muscle tonus." This is a function that occurs primarily to keep the dreamer from physically acting out the movements of his or her dreams.

It is accomplished by suppressing the flow of signals from the brain along the spinal cord. Unfortunately, in those who struggle with sleep breathing disruptions, the reduction in muscle tonus allows the soft palate to sag and the signal from the brain to the diaphragm that keeps you breathing gets inadvertently reduced in strength.

The result of this is that upon entering stage two sleep, the breathing becomes shallower, the blood oxygen level drops and the carbon dioxide level rises until the brain intervenes and causes the body to make a large and immediate inhalation. This causes a large pressure differential in the pharynx and literally sucks the sagging soft palate into the airway. This obstructs the flow and causes a loud snort, partially or fully awakening the subject.

THE SOLUTION

So you see, the problem is not the sagging soft palate. The problem is not the rapid inhalation that sucks your soft palate into the airway. The problem is the reduced ability of the signal from your brain to produce sufficient breathing amplitude from your diaphragm. The appropriate intervention is to enhance the ability of the brain to communicate with the diaphragm so that you breathe deeply and steadily throughout the night. **That is exactly what the combination of herbs in Sleep Breathing Support™ is intended to do.**

Crafted with a bouquet of natural herbs.

Lobelia, used in small doses, can increase the level of respiration. Because the lobelia causes you to breathe more deeply and steadily, it keeps the whole disruptive cycle from even beginning.

Thyme improves the ability of the lungs to exchange carbon dioxide for oxygen and makes an excellent contribution to maintaining sufficient respiratory amplitude.

Chamomile aids the subject in relaxing.

Cramp Bark helps the upper trapezius muscles to loosen.

When was the last time you truly slept well?

Calm overactive nerves, **restless legs**, and nighttime **leg cramps** with Leg Relaxer™.

No mess. No menthol scent. No harsh chemicals.

Enjoy more comfortable nights and deeper, more restful sleep, night after night.

Spring slips softly through open air,
 Petals wake from winter's hold;
 Lavender drifts on sunlit breeze,
 A calming scent, both new and old.
 Green shoots rise with citrus light,
 Lemon brightens morning skies;
 Peppermint hums in waking leaves,
 As birds and blossoms both arise.
 In warm earth's breath and floral tone,
 Each oil hums nature's song;
 Spring restores with scented grace,
 Where growth and balance both belong.

I absolutely love my Bearaby blanket! I feel like I experience a deeper sleep & less awakening. The first night I had to get used to the weight. After 3 nights I wouldn't want to do without it!! I also love the way it looks on my bed...

**ROUNDHOUSE**

Bushman's most comfortable harmonica. An unbeatable price/quality combination. Great for beginners due to comfort, great for pros due to price, durability, and responsiveness! The Roundhouse whips harmonicas from other brands that cost more than twice as much!!! Comes packed in a black, padded, leather-like, zipper case.

Keys: Low F, G, A, Bb, C, D, and E

\$32.99

**KNITTLINGER**

Accordion-like sound of the old Auto Valve only better feeling and much easier to play. Loud and lively, quick and nimble! Features a slick, go-fast mouthpiece. Good players were able to play faster than all previous double reed harmonicas could respond, but you can't outpace a Knittlinger – it goes as fast as any player can play it!

Keys: Low A, Low Bb, Low C, and Low D

\$99.95

**BLUES SHIFTER**

This is a diatonic harmonica - not a chromatic - that can play the missing note on Blow 3. Try playing "Amazing Grace" or "What a Friend We Have in Jesus" on a regular harmonica in the lower register - you can't, because there's a missing note on Blow 3. Many songs require that missing note, so they can't be played on a normal harmonica. With the Blues Shifter, when you need that note, just push in the slide button and you have it!

Keys: Low F, G, A, Bb, C, and D

\$89.99

**THE DELTA FROST COLLECTION**

The workhorses of the Bushman brand. The Delta Frost comes in 3 different comb choices - Original (plastic), Steelie (aluminum), or the Woody (wood). Delta Frosts are the preferred gig harmonica for many professional musicians.

Traditional, old school design.

**DINKY**

Our all new Bushman Dinky has a greater note range and ability to play more songs than any true, 1-1/2" mini harmonica ever made!!! The Dinky plays much better than the typical mini, and it's more comfortable.

Sleep better. Every season of the year.

Bearaby

Bearaby weighted blankets are rated at
4.8 out of 5 Stars
from dozens of verified "Busy Beaver" Bearaby users.

Did you know, a Bearaby gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

HEALTH/HOME

Natural deep sleep

Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind

The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling

Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

Our handmade **Cotton Napper** is a breathable, knitted weighted blanket to help you fall asleep faster and feel calmer, naturally. Designed for individual use, your Napper should be about 10% of your body weight. Not designed to add warmth. **Made of 100% organic cotton.**

COME BE A PART OF
Something Special

Children will have the special chance to showcase their ponies in the arena the evening before the Mid Ohio Memorial Trotting Sale. Each child will be accompanied by an item that will be up for sale during the event. This allows children to enjoy the experience while still being able to bring their ponies back home, and gives attendees the chance to bid on items and contribute to a worthy cause.

A channel enabling the church to minister to physical and spiritual needs around the world

Article space donated to CAM

A front-line opportunity FOR GOD'S WORD

When Kareema* first received a Bible as a young lady, she memorized 500 verses. Now, in her old age her eyesight is failing, and she became unable to read her Bible. When CAM contacts gifted Kareema a large-print Bible, she was overjoyed! Now she again has access to the Word of God she loves so much.

Noor, another Christian, is not able to read the small-print Bible because of an eye surgery she had years ago. Someone gave her a large-print Bible, but after reading it every day for 20 years, it was old and tattered. She took it to the church leader to be fixed, but because of a lack of resources, he was unable to fix it.

The church leader arranged for Noor to meet several CAM contacts. She explained to them, "My Bible became like my soul. Not just a piece of me, but my whole life. If I go out or come in, I want the Bible before me. I want to open it at any time." Noor said sadly, "I have begged the [church leader] for the Bible many times. I insisted and bothered him until he couldn't take it anymore; I tell him, 'The Bible . . . the Bible, please!'"

Our contacts gave Noor a new, large-print Bible. How happy she was! "The joy I feel for this Bible, no one can feel it except me, within myself. There's no way to explain it," she said gratefully.

To show these suffering Christians that other followers of Jesus care about them, CAM is working with contacts and local churches across the Middle East and North Africa** to provide large-print Bibles for the elderly and other individuals unable to see well. These large-print Bibles are in high demand!

The average cost per large-print Bible is \$9. In a land where Bibles and Christian literature are mostly unavailable, it is a precious gift for a person to receive their very own Bible.

Own Your Insurance Company. Keep More Money. Protect Your Legacy.

**Most businesses buy insurance.
Some businesses own it.**

With captive insurance, your company insures its own risks and keeps the profit instead of sending it to big insurance companies.

That means:

- More protection for your business
- More control
- A new profit center
- Insurance company tax treatment

And a way to help keep your business strong for generations.

CIC Services has helped hundreds of small and mid-size businesses accomplish this since 2005.

MOTHER EARTH NEWS

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. **The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant.** Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

Time To Feed Your Trees!

Spring is one of the best times to feed your trees (this is when they pull in nutrition for the spring and summer months)

Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Before

After

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

APPLICATION INSTRUCTIONS

The amount needed for best results depends on the diameter width of the tree trunk 4' up from the base of the tree.

- Use 1 cup per caliper inch of tree trunk (trunk diameter)
- Mix with water and evenly apply from the base of the tree to the drip line.
- Water into the root zone.

To SAVE a dying or stressed tree, apply in spring and fall.

To MAINTAIN good tree health, use one time per year in spring or fall.

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

rolling and tumbling over rocks and crevices in a
mountain stream. Now you can enjoy all the benefits
of revitalized water for cooking, drinking, showers or
baths, laundry, gardening, pets and so much more.

NUTRA-GLO™

NUTRITIONAL FEED SUPPLEMENT FOR ALL POULTRY

- Improved Mortality Rates
- Improved Growth Rates
- Improved Feed Conversion
- Improved Feather Quality
- Improved Egg Production
- Improved Hatches
- Heartier Flocks
- Higher Yielding Flocks

~TESTIMONIAL~

"When we started feeding Nutra-Glo for Poultry Dry to our flock of 6,000 layers we were at approx 21 dozen small eggs, 10 days later we were at 6½ dozen small eggs, and very soon after that we quit sorting them out completely. Soon we noticed our feed was lasting longer, 9 ton lasted approx 9 days (ton a day). After feeding Nutra-Glo for 60 days, 9 ton of feed now lasts 11½ days. After doing some figures we figured out [after] the cost of Nutra-Glo we save approx \$6.25 a day just on feed conversion. We also noticed we didn't add any extra calcium up to this point (56 weeks). We see much better consistency in laying percentage and not as many dips. If we have dips they are not nearly as drastic. We also gain approx \$167.00 a month for every 1% daily increase. We recommend this Product!"

MAXIMUM PERFORMANCE HORSE SUPPLEMENT

Give your horse the minerals that are no longer in the your feed!

50 lb Bag Granular \$150, last 5 horses/ 1 month. 50 lb bag pellets \$135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. If you want to reduce ulcers, acid reflux and build muscle as well.
2. If you want to increase stamina and reduce recovery time, see a difference in 5 days..
3. If you want to calm your mares down, reduce tying up, anxiety and aggression.
4. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

Maximum Performance for Breeders

1. If you want to reduce OCD's (soft bone chips in ankles and hocks).
2. If you want to have mares at peak condition checked in foal.
3. If you want to improve development of your foals.
4. Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.
5. Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality. **contact 502-817-1947**

ANOTHER BRUISER FOR THE WALL!!
Congratulations to another happy customer on landing this nice 11 point 142" Buck after feeding OVER-160!!

Never seen anything attract deer like Over-160. This buck was first seen while in the velvet stage and he never left the farm until he was shot on the first day of archery. We always struggled to hold deer on our farm, so obviously we are pretty impressed. Another happy Over-160 customer...

 **Over 160**

Deer Mineral

7 Reasons To Consider Feeding Over 160 Minerals

- ☞ Powerful Toxin Binder That Works Immediately to Flush Out Toxins & Parasites.

- ☞ Over 160 Daylight Contains a Proprietary Deer Activating Blend of Ingredients Formulated to Keep Bucks More Active During Daylight Hours.
