**Editor's Note:**

The kid's enjoyed the mini vacation. They swam in the pool everyday and did arts and crafts every night. They said they had a good time and didn't want to come home. The weather did not cooperate. It got down into the 20s a couple of nights. But, now that we are home the forecast is looking great, 80s & 90s to round out the week.

We are having a new floor put in the kitchen this weekend. Also, some work on the outside deck and garage area. Once that is done we will be working on converting the basement into a mini apartment. I'm not sure how much it will cost to put a sump pump in the basement to carry the waste water out to the sewer, but it has to be done. Wish me luck on the remodel. I was told that I was in charge of all the changes. So far I've got great ideas. HAHA. We will see what it looks like.

### Hello to everyone in Busy Beaver land!

Have you heard about the newest handbag company called Nina LaVon? Nina LaVon started in November of 2024 and has been a huge success! I've been enjoying being a consultant and want to share with you. Nina LaVon works in the same sense as the "Thirty One" company used to. You can host shows at your house or you can do catalog shows. As a hostess you will earn FREE products, as well as half-priced products and hostess-exclusives just for you! The bigger your show obviously the more you earn. I send out FREE catalogs when requested, if you're interested in checking it out. Maybe you're interested in just 1 or 2 products? Well, guess what?! You're in luck as you can place an individual order at anytime without hosting a party. We always have several sales going on with huge discounts!

Being a consultant has its perks as well. I'd be more than happy to assist you if that's something you would be interested in. I'm looking forward to hearing from you!

Winners will receive a \$50 gift certificate

**CONGRATULATIONS**  
Winners from Perry & Anna Miller

Anita Borntrager - Sebree, KY

The flowers bloom in colors bright,  
And birds sing loudly with delight.  
Spring breezes dance through every tree—  
A happy sign for you and me!

Our classroom fills with sunny cheer,  
As days grow warm and summer nears.  
We open windows, laugh, and play,  
Enjoying each long, golden day.

The final bells will ring so soon,  
But till they do, we hum a tune.  
With friends we learn, we smile, we play—  
Spring makes magic every day!

### STANDARD BRED CROSS OFFSPRING

Nirvana's first crop of yearling Standardbred crosses are showing tremendous promise. They are displaying Nirvana's beauty, athletic talent, with the natural speed of a Standardbred. These young horses also have excellent temperaments and are intelligent individuals. We are very excited to watch them develop and see what the future holds for this group. From what we are seeing so far, they have the potential to make a strong impact in the Roadster show horse world, they appear to have all the qualities needed to become future champions.

Featured: ACRES MARYJANES FARM THE OLD FARMER'S ALMANAC GRIT heirloom MOTHER EARTH NEWS

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant. Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

# Time To Feed Your Trees!

Spring is one of the best times to feed your trees (this is when they pull in nutrition for the spring and summer months)

## Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

## Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Before

After

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

64oz jug  
**\$34.95**

### APPLICATION INSTRUCTIONS

The amount needed for best results depends on the diameter width of the tree trunk 4' up from the base of the tree.

- Use 1 cup per calliper inch of tree trunk (trunk diameter)
- Mix with water and evenly apply from the base of the tree to the drip line.
- Water into the root zone.

To **SAVE** a dying or stressed tree, apply in spring **and** fall.

To **MAINTAIN** good tree health, use one time per year in spring **or** fall.

Happy trees have fewer problems. This stuff works!

**If you want better nutrition... you need to start with better soil**

Biochar blends available for various farming needs, call for more information.

**WHAT IS BIOCHAR?**

- Our Biochar is steam activated carbon that is beneficial for our soils and animals
- Biochar creates a biology in your soil that saves money on fertilizer inputs.
  - Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
  - Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
  - Mix it to your feed for better animal health, and a good manure.

**WHAT IS THE BENEFIT TO YOU?**

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

# BEFORE YOU LET ANYONE TREAT YOUR BACK OR NECK PAIN... READ THIS.

The wrong treatment can make a disc injury worse— and surgery is rarely the first answer.

*My wife suffered with low back pain for several decades. She visited maybe 10 different doctors who helped her for a while but never got to the root of the problem. Her legs hurt, she was restless at night, unable to do garden work, lawn work, or keep up the housework. One year after beginning treatment at MDC she is able to do all those things in a normal way again. We thank God for his Healing, grace and blessing the doctors with wisdom, knowledge, and the willingness to serve.*

~M. Metzger- Manchester, IN

### If your pain is:

- Stopping you from working your land or trade
- Keeping you from lifting or caring for your children
- Making household work difficult or impossible
- Causing leg pain, numbness, or weakness
- Waking you through the night
- Limiting your ability to serve your family and community

*Your situation may be more serious than you have been told. You deserve a real answer before making any permanent decision.*

### Every Month, Families tell us they were told:

- “You just need injections.”
- “You’ll have to live with it.”
- “Surgery may be your only option.”

### But no one explained:

Was the disc properly evaluated before treatment began? Muscle pain and disc injuries are not the same thing. The wrong treatment does not fix the real problem.

### We focus only on spinal discs.

Not knees. Not shoulders. Not general aches.

### Spinal discs only.

### We evaluate before we treat — with a clear 2-day Discovery Process..

Within two days, you will have straight answers to four questions:

- ✓ What is the problem?
- ✓ How long will it take?
- ✓ Can we help you?
- ✓ What will it cost?

### Some cases qualify. Some do not.

We will tell you honestly if your case is not a fit for our program. Everyone deserves to know exactly what they are dealing with before making a permanent decision. We are not here to waste your time or money.

## CALL NOW — REQUEST YOUR FREE DISC REPORT

“6 Questions to ask Before letting Anyone Treat Your Spinal Disc”

When you call for your free report, you may also request a brief phone consultation with our spinal disc specialist to discuss whether your case sounds serious.

## “Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

# Pressure Point Mat Set

Lay back, breathe deep, and let the tension melt away.

Great Gift!

DAY

**\$138** for the mat.  
Add **\$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. *Journal of Sleep Therapy 2015*

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – *WTHN Client*

CLOTHING BUNDLE PROJECT

# Relief after years of difficulty

**A**dnan\* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

*\*Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.
