Editor's Note

Greetings to all!

It's a nice rainy evening which I'm thankful for the rain. The ground was getting dry in this area and I'm sure the crops are glad for a drink.

We spent some time in the hospital today with my parents and some of my siblings. Dad got his one knee replaced. Everything went almost better than expected. He snapped back out of unconsciousness and was on his feet in a short time. He'll get his second knee replaced in four weeks then he'll be good for another 100,000 miles.

We'll spend some time with the school students in the woods tomorrow. We hope to climb the observation tower that they have in the park. The tower is on the Blue Mountain in Mt. Gretna. On a clear day we can see 5 counties from the lookout, Lancaster, Lebanon, Dauphin, York, and Adams.

Stop by at our booth at the Lykens Valley Pony Auction in Gratz, PA on May 15th & 16th.

Health Problems? The human body consist of 70 to 100 trillion cells. When cells are healthy, the body is healthy. When cells are unhealthy, disease or dysfunction can accrue. What's the cause? Reason science has shown that poor cellular communication is the root cause of unhealthy cells. Damaged cells struggle to alert the immune system, allowing the damage to multiply. No matter the problem, we can now Bi-replace cellular communication for the first time in history. For a free information pack for this powerful technology, contact: John Bash, 619-838-0493

DAVID STOLTZFUS FUND

On Sunday morning, April 19, David Stoltzfus lost his wife and six children (the whole family). David had just arrived at church a ½ mile from his home (wife Sarah stayed home because one of the boys was sick) when suddenly the beautiful Sunday morning was shattered by a loud explosion. Within seconds the whole house was engulfed in flames; the house and everything in it was lost.

OHIO VALLEY BIOCHAR
There is a Better Way

Prevent your fruit trees from **FREEZING** in temperatures as low as 16° Use FXI (Fire Extinguisher), Biome Food & Harmonizer

Biochar blends available for various farming needs, call for more information.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

21" EZ Clipper **9103** $519

The EZ Clipper is made with the same great quality materials and workmanship as the CL Clipper, but has 5 blades which makes it easier to push. Mow Your Grass *with a CL Gang Mower*

CL Pushdown "Antibounce" System
The main cutting reels are each mounted on a flexible spring-loaded joint with a 4-way floating motion, efficiently pushing the mower similar to a hand push mower. This unique spring design puts 30 lbs of downward pressure while still allowing the reels to flex. This results in more traction and better cutting through thick grass, without causing excessive wear on the mowers.
This is a new feature since 2022, if you have an older model, call us for info on an "antibounce" upgrade kit.

Unique Hitching Feature
The CL hitching system makes hitching and unhitching "safe and easy". The stabilizer has two notches, the back notch holds the shafts up while you lead your horse under the shafts. When ready, simply push the shafts up (which will flip the lever into the long slot), allowing the shafts to come down. After hitching your horse, pull lever to the left, then pull the pin on foot stand, and pull up till pin pops in hole, and you are ready to go. The small caster on foot stand is not used when mowing ...it is part of the convenient hitching design.

Reg. size $4240
Pony size $3980

FEATURES:
- Wheels behind mowers prevent driving over unmown grass
- 54-58" cutting width
- Convenient foot pedal steering with reel linkage prevents skips in corners and around trees
- Adjustable for large or small horses
- Featuring the CLIPPER USA reels

Available with steel wheels, air tires, or hard rubber.

RESTING PLACE MASSAGE

Susan Groff, LMT

License Number: MSG016509

717-715-4757

"Relax. Refresh. Rejuvenate."
Helping women find healing through the art of massage.

I offer the following services for women only:

- Office Massages or in the comfort of your home
- Celebrating your Birthday *($10.00 off a 60 or 90min. massage)*
- Bachelorette parties
- Women's events
- Gift cards

Types of massage:

Deep Tissue and Relaxation.

Want to get a body overhaul *— try a massage from Susan.*

I used to have many tight areas,… shoulder, leg aches. My feet would hurt and my hands went numb, tiggly and even hurt at night. It greatly disturbed my sleep.

Before I met Susan, for a time I traveled approx. an hour to get massages. The massages were mostly good, but the distance was a problem. I was so grateful to find Susan and she was local.

I went every two weeks at first. After several months I was able to go to 3 or 4 weeks as maintenance. I was so grateful that I got great results.

Susan respects me as a person and respects my privacy. She takes time to explain what she is doing and how it should help me. I don't feel rushed when I am with her. She works on the areas that I mention to her as my problem areas. I leave her place feeling refreshed physically, emotionally and mentally. I feel ready to face the world!

I carry my stress in my shoulders and lower back. Susan has the perfect touch to help ease that tension! She is skilled and knowledgeable and offers additional at home therapies for me to do to maintain the progress we've made!

I'm 83 years old and it has helped my arm to fix my hair better and also with the kink in my neck as well as to sleep better.

I came to Susan because I dealt with alot of tight/sore muscles especially in the neck and shoulder area. She helped me tremendously and the massages is always very relaxing!

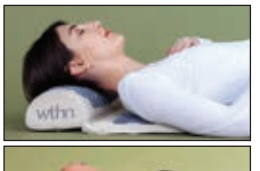
Pressure Point Mat Set

Lay back, breathe deep, and let the tension melt away.

Great Gift! *for Father's Day*

$138 for the mat.
Add **$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015



Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – ***WTHN Client***

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
– Dan Stoltzfus, Pennsylvania

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
– Leah Miller, Ohio

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
– Kathyrn Yoder, Missouri

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
– Sue Albrecht, Michigan

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing. I've already told many people to call you.

Have you been patched?

HOW TO USE THE X39 PATCH:

In the morning, apply one LifeWave X39 patch on the back of your neck or two finger widths below your navel.

Use for up to 12 hours, then remove and discard to allow your body to rejuvenate for 12 hours before applying a new X39 patch the next day.

Wear daily for 6-12 months for best results. Continued use can give greater benefits.

WHAT IS A LIFEWAVE PATCH?

When sunlight hits your skin, your body is signaled to create vitamin D. With Lifewave patches, your body's own infrared light is being reflected back to signal the production of various amino acids and peptides depending on the patch you are using.

The X39 patch has a specific and precise crystalline pattern that signals your body to make endogenous GHK-Cu.

POTENTIAL BENEFITS OF X39®

Wearing X39 daily may produce the following benefits. Everyone is different and results will vary. Real life results from our customers!

- NO more midday naps
- Brain fog gone
- NO more tired feet after long days at market
- More mobility in shoulders after old injuries
- More motivation + energy
- Migraines dissappearing
- Sleeps better
- Pain free after dealing with back pain for years

Considering Disc Replacement Surgery?

🎧 Hear a Real Patient's Story Before You Make a Life-Changing Decision

Esther avoided surgery, metal implants, and a long recovery—and got her life back

If you're facing surgery—or afraid that pain is becoming your "new normal" —Esther's story may be exactly what you need to hear *right* now.

- The moment she realized daily pain didn't have to be her future
- What non-surgical care was really like (no hype, no pressure)
- How faith, family, and the right plan helped her reclaim her life

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

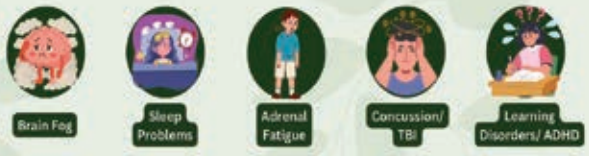
Are You Experiencing:



How It Works

Patient Success Story:

Our daughter was struggling with learning challenges, chronic fatigue, digestive issues, and speech delays, which made school and everyday activities difficult for her. We had tried cranial sacral therapy and several other treatments, but unfortunately we were not seeing the improvements we had hoped for. After visiting Apex Chiropractic & Wellness Center and completing a comprehensive neurological evaluation, a customized care plan was created to support her brain and nervous system.

Over time, we began noticing encouraging improvements. Her energy increased, her digestion improved, and her speech and communication started to progress. She is now finding schoolwork easier and is able to focus much better. We are so grateful to see her gaining confidence and making progress.

Have Cancer Concerns?

Amygdalin (Laetrile) Vitamin B17 is a powerful organic natural substance that works to help control cancer and viruses which can be consumed through seeds or supplements. In the late 1960's, a pioneering physician, Dr. John A. Richardson, MD, dared to treat his cancer patients with a revolutionary treatment that included the use of Laetrile, along with a strict protocol of diet, exercise, and vitamins. It worked remarkably better than orthodox treatments. Apricot seeds contain the highest concentration of B17 found in nature. These seeds also contain high levels of Thiamine/B1 and Omega-3 fatty acids. From cellular health to inflammation to respiratory conditions, this super seed is also great for animals!

I absolutely love my Bearaby blanket! I feel like I experience a deeper sleep & less awakening. The first night I had to get used to the weight. After 3 nights I wouldn't want to do without it!! I also love the way it looks on my bed...

VISION BEYOND BORDERS

Over Six Million Bibles Delivered Across the World

Join us in sharing the Gospel far and near.

For years, Vision Beyond Borders has worked to place God's Word into the hands of those who are waiting for it.

- Hundreds of thousands sent to Venezuela and Cuba.
- Actively working to get Bibles into the hands of Iranians who are seeking truth.

In many places, access to Scripture is limited, restricted, or financially out of reach. Yet the hunger for God's Word continues to grow.

We are printing and distributing Bibles to:

- Churches and believers who cannot afford one
- Prisons and drug rehabilitation centers
- Rural villages and underserved communities
- Nations where Scripture is difficult to obtain

Will you help send Bibles today?

$4 prints one Bible
$100 provides 25 Bibles
$1000 provides 250 Bibles

FARM ANIMALS

Hope in the form of chicks

Tsira was only 30 years old when her husband passed away unexpectedly. She lives in the country of Georgia which is located in southeastern Europe. Life was difficult for Tsira and her two young children. "We were left without means of support. I raised my children in great poverty," Tsira reminisced.

Time went on and Tsira's children got married and started their own families. Life was a little easier for Tsira, now that she had only herself to support. But recently, Tsira suffered yet another loss when her son passed away suddenly. "The loss of my son was a double blow for me. Now I live with my daughter-in-law and we are raising three fatherless children. We live in great need," Tsira told our contacts.

"Many nights I woke up thinking about what I would feed the children in the morning," she shared. "With tears I prayed to God for help because it was painful to see my hungry grandchildren. We were going through very difficult times."

Once again Tsira's life changed, this time by the gift of chicks. "God's people brought us chicks," she rejoiced. "What surprised us even more was that along with the chicks they also brought good quality feed!" How glad Tsira and her family were for these chicks!

Tsira and her three grandchildren are excited to receive chicks from CAM.

"Words cannot describe the joy of seeing my grandchildren smile again," Tsira told our contacts. "Your help showed us there are still kind and caring people in the world. Now we look to the future with hope and believe that together many things can change."

Keystone Steel Structures is a small company that specializes in erecting and finishing steel buildings. The owner started the company in October 2001. The first few years Keystone was only involved in the erection of the steel structure itself. However, due to customer demand, we have chosen to expand the company's services to include supplying a complete pre-engineered metal building package as well as providing general contracting services for an entire project. While we would be happy to erect a structure from any supplier, we are proud to supply our buildings through Whirlwind and Metallic Building Systems. Over the years, we've collected many awards and honors for the work we do with them.

We strive to build our reputation with excellent communication and unrelenting persistence at keeping our promises to supply quality construction. We are committed to delivering great value and service to our customers.

BANK OF
Bird-in-Hand
a full service community bank

Phony Phone Calls and Overpayment Scams

Currently, the Bank's Fraud Department is seeing two types of fraud tactics: unsolicited phone calls impersonating someone of authority, and overpayment scams.

Unsolicited Phone Calls:

These calls will always seem urgent and possibly trick you into giving out personally identifying information over the phone. Those with a landline tend to be a prime target for this type of scam.

Please note that...

- The IRS and any law enforcement officers will never call you on the phone and ask you to send money for an outstanding debt.
- A bank's fraud center will never ask you to withdraw any money from your accounts in order to refund a charge. Be aware of any call that acts like they are transferring you to your bank. Your bank will never ask for account numbers, PIN numbers, one-time passcodes or online banking information over the phone.
- The Social Security Administration won't charge any escrow amounts for changing your social security number.
- If an unsolicited call that states a bank employee is committing fraud on your account, hang up and contact a known bank employee, no matter what the caller states.
- Any unsolicited call that asks you to click a link they are sending you, please hang up and contact your bank.
- Any instructions given on an unsolicited call that require any of your funds to be deposited into a Bitcoin ATM, no matter how convincing they seem, hang up and call a known bank employee.
- There are no reputable banks that will ask for that information over the phone. In the case of Bank of Bird-in-Hand, any employee can speak with the fraud team in order to provide input and guidance. Electronic Banking can verify if a valid fraud alert was sent to the customer.

Overpayment Scams:

One additional scam is the overpayment scam. This scam targets small businesses selling products. The "buyer" sends too much money asking you to send funds back. They will send what looks like a valid check (but it's not). It is recommended to not send merchandise or any money back for at least 5 business days. Your bank's fraud department can also try to verify the item in question for you.
