## Display Ads

**IMPORTANT:** We do not publish ads without a full ad order and print-ready PDF file (both must be received by deadline).

**MULTIPLE TIME DISCOUNT GUIDELINES:** In order to enjoy the multiple time rates listed here (12-25 time or 26-52 time rate), you must schedule specific edition dates and ad size must remain the same for the entire run. You may send new artwork for each time. If nothing new is received by the deadline, we will re-run from the previous edition.

**DESIGN SERVICE?** Sorry, in order to keep placement costs low for everyone, we do not offer design services at this time, so be sure your file is submitted print-ready.

**WORKING WITH A DESIGNER?** If a third party is sending your ad file, be sure he/she includes all required ad order information from the submission form. Or, you may contact us with the required info by calling the NY Busy Beaver editor @ 585-441-0083.

## MAXIMUM PERFORMANCE HORSE SUPPLEMENT

**Give your horse the minerals that are no longer in the your feed!**

**50 lb Bag Granular \$150, last 5 horses/ 1 month. 50 lb bag pellets \$135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.**

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

HORSES

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. If you want to reduce ulcers, acid reflux and build muscle as well.
2. If you want to increase stamina and reduce recovery time, see a difference in 5 days..
3. If you want to calm your mares down, reduce tying up, anxiety and aggression.
4. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

### Maximum Performance for Breeders

1. If you want to reduce OCD's ( soft bone chips in ankles and hocks).
2. If you want to have mares at peak condition checked in foal.
3. If you want to improve development of your foals.
4. Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.
5. Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality.    **contact 502-817-1947**

### WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.

To show the world God's love.  
On the third day he rose again  
With the power of God above.

Spring into Easter

# Pressure Point Mat Set

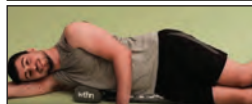

Lay back, breathe deep, and let the tension melt away.

*Great Gift!*  
for *Mother's*  
DAY

**\$138** for the mat.  
Add **\$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – WTHN Client

## “Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

I'm to day 19 now and feel really, really good! My gut feels better than it has in a long time!

After a lot of doctoring and unanswered questions for my stomach pain I was ready to try anything so I started out with the doTERRA Cleanse and Restore. Within the first 30 days, I was able to get up and get back to work, the pain was significantly less, my mood swings so much better, more energy. I was so impressed and have not been without since

We struggled with infertility, and after both my husband and I did the cleanse, our baby girl was on the way!

**The Cleanse was the reset I needed to start weaning myself off antidepressants. Within 2 months of doing the cleanse I was free of my anxiety meds!**

# BEFORE YOU LET ANYONE TREAT YOUR BACK OR NECK PAIN... READ THIS.

The wrong treatment can make a disc injury worse—and surgery is rarely the first answer.

*My wife suffered with low back pain for several decades. She visited maybe 10 different doctors who helped her for a while but never got to the root of the problem. Her legs hurt, she was restless at night, unable to do garden work, lawn work, or keep up the housework. One year after beginning treatment at MDC she is able to do all those things in a normal way again. We thank God for his Healing, grace and blessing the doctors with wisdom, knowledge, and the willingness to serve.*

~M. Metzger- Manchester, IN

## If your pain is:

- Stopping you from working your land or trade
- Keeping you from lifting or caring for your children
- Making household work difficult or impossible
- Causing leg pain, numbness, or weakness
- Waking you through the night
- Limiting your ability to serve your family and community

*Your situation may be more serious than you have been told. You deserve a real answer before making any permanent decision.*

## Every Month, Families tell us they were told:

- “You just need injections.”
- “You’ll have to live with it.”
- “Surgery may be your only option.”

## But no one explained:

Was the disc properly evaluated before treatment began? Muscle pain and disc injuries are not the same thing. The wrong treatment does not fix the real problem.

## We focus only on spinal discs.

Not knees. Not shoulders. Not general aches.

## Spinal discs only.

## We evaluate before we treat — with a clear 2-day Discovery Process..

Within two days, you will have straight answers to four questions:

- |                          |                      |
|--------------------------|----------------------|
| ✓ What is the problem?   | ✓ Can we help you?   |
| ✓ How long will it take? | ✓ What will it cost? |

## Some cases qualify. Some do not.

We will tell you honestly if your case is not a fit for our program. Everyone deserves to know exactly what they are dealing with before making a permanent decision. We are not here to waste your time or money.

A channel enabling the church to minister to physical and spiritual needs around the world

WORLD HUNGER FUND

## Food, hope, and fellowship in Venezuela

Article space donated to CAM

CAM contacts in Venezuela work tirelessly to supply nutritious food for the most vulnerable—children, the elderly, and families facing economic hardship. Their mission is to restore dignity, nourish bodies, and build hope, one meal at a time.

Volunteer coordinators oversee a network of church-run food kitchens that provide food for the hungry. When people come to get their hot meals, they also receive spiritual encouragement and Christian literature. As the church works among its own people, they endeavor to create an environment of care, hope, and fellowship that points to the Father God.

A recipient named Doriannys shares, “In my house there’s nothing to eat, my dad is in prison, the money my mom earns cleaning doesn’t stretch. . . .

Thank God for our Bible class and the teachers, who bring food and the Word of God, no matter what happens.”

Please pray for the people of Venezuela as they face significant uncertainties. Your support provides help and hope amid trying times. Thank you!
