Editor's Note

Greetings!

We have an early deadline next week! **Tuesday, July 21st is the next deadline.** This is for the July 31st issue. Please have all your display ads submitted by 4pm that day, Noon for classifieds.

Normally by now, we usually have so many tomatoes, we don't know what to do with them all! So far this year, our tomato plants are not growing and have not produced anything. Also, eggplant and peppers. But the spinach, kale and lettuce are doing well. The beans are looking promising too. We'll keep an eye on the tomatoes - not sure what is happening there!

Enjoy your week! *Renee Lama - Editor*

Our next Busy Beaver Booth will be Aug 7-8 at the Western New York Driving Horse Sale, Clymer, NY

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

WHY DOES DISC PAIN KEEP COMING BACK?

Special Health Report

*What Thousands of Patients With Disc Problems Have Taught Us
About Why Some People Improve Temporarily While Others*

Continue to Struggle

By Midwest Disc Clinic

FREE RECORDED HEALTH REPORT

Available 24 Hours a Day by Phone

- ✓ No Appointment Required
- ✓ No Internet Required
- ✓ Listen from Home
- ✓ Available Anytime
- ✓ Private and Confidential

Many People Are Told Their Only Options Are More Treatment, More Injections, or Surgery

If you are one of the millions of people suffering with back, neck, or sciatica pain, you are not alone. Disc problems are one of the leading causes of long-term pain and disability in our country. And if you have been dealing with this pain for any length of time, you may already know how frustrating and discouraging it can be.

Many men and women tell us the same story. They started with mild discomfort. Over time, it got worse. They saw a doctor, had tests, and tried physical therapy, chiropractic care, medications, or injections. Sometimes these treatments helped for a while. But the pain came back.

Eventually, they were told their only choices were more treatment, more injections, or even surgery.

This leaves many people feeling hopeless and unsure of what to do next. That is why we created this recorded health report.

After helping thousands of patients with disc problems, we have seen a common pattern. Some people improve temporarily, while others continue to struggle. The difference is not always what you might think.

The good news is that understanding why disc pain keeps coming back can help you ask better questions and make more informed decisions about your care.

IN THIS RECORDED REPORT YOU'LL DISCOVER:

- ✓ Why disc pain keeps coming back
- ✓ What may block disc repair
- ✓ Why relief often doesn't last
- ✓ What many patients are never told
- ✓ What may be behind sciatica symptoms
- ✓ Questions to ask before injections or surgery

REAL PATIENT STORIES

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." — **D. Hershberger, Nashville, MI**

"I was having lower back pain and right leg pain when I came to MDC. I was on crutches for two days and in bed for a week, not able to work.

After my DOSAE treatments, I am back to work and feel 85% to 90% better. Thank you to the doctors and staff at MDC. Everybody is very friendly and helpful!" — **D. Troyer, Randolph, NY**

Frequently asked Question

What is the best way to wash my Napper?

Wash separately in cold water, using mild detergent. If in a washer, select a delicate or permanent press cycle. Avoid fabric softeners and bleach. If using a dryer, tumble dry on low heat. It may take several cycles.

Do not hang on a clothesline to dry, it is very heavy when wet, and prone to stretching. It works well to drape it over a Lifetime table in the sun, and should be dry in roughly the same time period as a comforter. However, for the easiest washing process, take it with you next time you go to the laundromat.

Froman Hill

BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

Fleeing fighting

IN MYANMAR

Heart-wrenching suffering continues for those caught in Myanmar's ongoing civil war. Villages turn into ghost towns as innocent men, women, and children flee into the jungle to escape bombs and air strikes. More than 3.7 million people are displaced inside Myanmar, and thousands more have fled to neighboring countries.

The fight for survival is real, as people search for streams, rivers, or other places for a clean water supply. As streams and springs dry up during the dry season, some people need to move again. Make-shift structures, with only leaves or tarps for roofs, become homes for throngs of refugees. People try to raise chickens and hunt small birds as a source of meat—most are able to have meat only twice a month.

"Will this war ever end?"

A father named Ali* gathered his family and fled to Thailand when fighting erupted in his village in 2021. "Numerous times throughout the past five years my family and I have had to flee . . ." Ali told a CAM staff member. He continued sadly, "We just want to settle down and live

a normal, quiet life, but that seems impossible. Will this war ever end?"

For the past year and a half, Ali worked for a farmer in Thailand. The farmer pays Ali \$5 USD per day and allows Ali and his family to live on a hillside near his fields. "Obviously, this is not enough to sustain us, but I have no other way to provide for my family because we are refugees," Ali concluded. "I have built a small house out of bamboo, using second-hand metal for a roof. The roof leaks, but we are thankful to be alive and together as a family."

How can you help?

CAM is partnering with pastors and local churches to supply food and other aid to people who are suffering from the war. Your support helps provide food and other aid. Tarps for temporary shelters are provided along with blankets. As distributions take place, the Gospel is preached. Bibles and Bible story books are made available for Christians and to those in search of truth.
