NUMBER 63 • JULY 24, 2026

Greetings!

Did you know that some bats can eat up to 1200 mosquitoes an hour? Some bats are pollinators like bees and butterflies. In fact, bananas are mostly pollinated by bats. That makes them seem more attractive, doesn't it? Bats are the only flying mammals, and they fly mostly at night. Bats hang upside down to sleep, which makes it easy for them to fly away from danger. Contrary to popular belief, bats are not blind.

Be sure to check out the ECONOMY PAGES, starting on page 35. They are just one more option to place a display ad. Give us a call or send an email if you need more information. You can use the form on page 7 if you want to mail your order.

It's time to submit your ads for the August 7, 2026, issue; the deadline for that issue is July 21. See page 6 of this issue for information about placing a **CLASSIFIED AD** in Busy Beaver Extreme. Be sure to send your payment along with your ad information. Page 7 has the form and information to place a **DISPLAY AD**. A **DISPLAY AD** will give you a complimentary listing in our BUSINESS DIRECTORY. Thanks for sending your ads on time.

Please allow plenty of time for ads sent in the mail. Sometimes the mail does not move as fast as we wish it would.

Are you reading your friend's Busy Beaver Extreme? Are you moving soon? Use the form on this page and mail it to the address below. If you get more than one copy of this magazine, please let us know. It is helpful to include the mailing label if you want a name removed or have an address change.

Make it a good day!

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. **The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant.** Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

Want Healthy Trees?

Our Carbon Based, Biologically Correct Nutrients Help Your Trees Hold Up Better During The Hot Summer Months

Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

Happy trees have fewer problems. This stuff works!

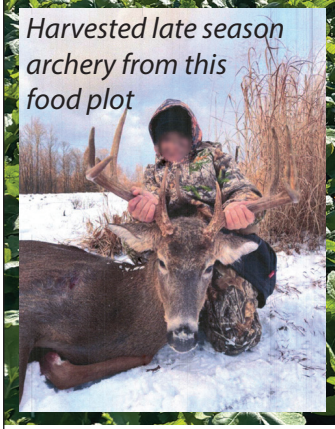
Do you want BIGGER bucks on your food plot?

If you want better nutrition.. You need to start with better soil.

OVB
OHIO VALLEY BIOCHAR
There is a Better Way



Harvested late season archery from this food plot

Now is the time to apply Ohio Valley BioChar to your food plots!

Actual results after application of OVB Food Plot Blend.

What is biochar?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and waterways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

What is the benefit to you?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Froman Hill BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We recieve so much more here then what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunites and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

With God's help and the support of our community, we aim to continue expanding services and adding key staff. However, our current debt load is limiting our growth. Would you prayerfully consider donating to this cause? All donations are tax-deductible. EWSC is a non-profit 501(c)(3) organization. *Owned by the community, for the community.* Please make checks payable to: Eastbrook Well Spring Care and mail to: 150 Eastbrook Rd. Smoketown, PA 17576

Our recent collaboration with Beltone Audiology allows us to offer **Comprehensive Hearing Care**—including free hearing screenings, personalized fittings, and hearing aid servicing—all right here in our clinic. This partnership has already made a meaningful difference for many in our community.

Regenerative Joint Therapy, added to EWSC in August, targets painful joints by using stem-cell transplantation and/or protein rich plasma (PRP). These procedures are completed here in the clinic with minimal recovery time.

We're thrilled to announce our new **Home Care Visits** program, added to EWSC in Nov. If traveling to a medical facility is difficult for you or someone you love, we're here to help. At EWSC, we believe everyone deserves quality health care that's both accessible and affordable.

Every gift—large or small—moves us closer to our goal. Your generosity has already changed lives, and together, we can keep making a difference. Thank you for your continued support!

We've also expanded our wellness offerings in the IV therapy room. A curtain has been added for your privacy while using the Pulse (PEMF) Bed. We offer a wide variety of IV therapies including immune support *(cold and flu season is here!)*, sinus support, replenish and recovery, among others. We will meet with you and discuss which IV is best for your individual needs. In addition, we now offer **Red Light Therapy** and **ION Foot Detox Treatments**. These gentle, restorative therapies are designed to support circulation, reduce inflammation, and promote overall well-being.

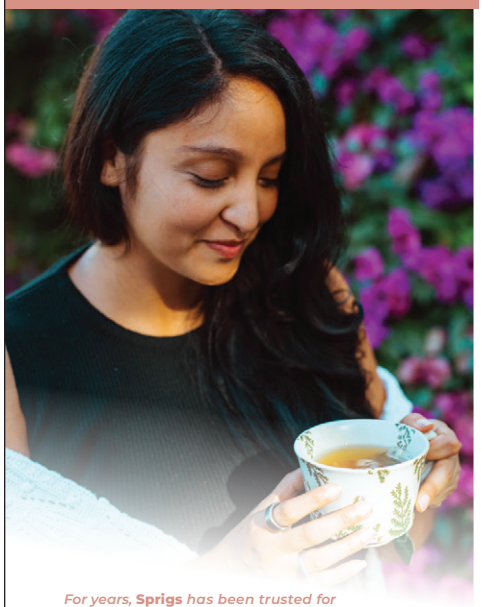
SPRIGS® SPOTLIGHT



*For years, **Sprigs** has been trusted for pregnancy, children, and family wellness. If you're a mama looking to start your family, or maybe you already have children then our Mama Bear Magnesium Complex is for you.*

The Mineral *Most* Moms Are Missing

Why the right magnesium can change how a pregnancy feels

We hear from a lot of mothers who feel the difference magnesium makes, and there is a reason why.

Magnesium is one of the most important minerals in pregnancy — the body uses it in hundreds of processes, from steadying muscles to calming the nervous system to supporting restful sleep. And it is one of the first things the body shares with a growing baby.

The trouble is that more than half of us are low in it, and pregnancy pulls those stores down further. A regular blood test often misses it, because almost none of the body's magnesium is stored in the blood. So the signs many mothers chalk up to "just pregnancy" — leg cramps at night, restless sleep, tension that will not ease — can be the body asking for more.

That is why a mother on bedrest might feel steadier within days of starting it, and why so many keep it on the shelf through pregnancy and into the postpartum season. The key is a form the body can actually use — which is where this formula is different.

Four forms, because one isn't enough.

Most supplements use one cheap form that is hard to absorb. **Mama Bear Magnesium** uses four: citrate for nighttime leg cramps, glycinate for sleep and calm, L-threonate for the brain, and trace minerals to aid absorption — with whole-food nettles and spinach so the body recognizes it like food.

MAMA BEAR MAGNESIUM COMPLEX
120 caps | MSRP: ~~$39.99~~ $29.99

"The magnesium is great! I have taken various brands of magnesium, and prefer this one because of the wide range of benefits the combination offers! It greatly reduces my leg cramps unlike other brands of magnesium." — Rachel S.

"I was on bedrest with an irritable uterus. Once I started your magnesium, I was on my feet more after 3 days. After 2 weeks I was slowly doing more!" — A Sprigs customer

Attention Knee Pain Sufferers: Want to Know What Countless Others Did To Avoid Knee Surgery?

Living with knee pain can feel like a crippling experience.

Let's face it, your knees aren't as young as they used to be, and playing with the kids or grandkids isn't any easier either. Maybe your knee pain keeps you from even just walking short distances, going stairs or riding a bike like you used to.

Nothing's worse than feeling great mentally, but physically feeling held back from life because your knees hurt and the pain just won't go away unless you rest!

My name is Dr. Russ Schroder, and I have been helping knee pain sufferers to avoid knee replacements with our powerful CTX Method program for about 15 years! As one of only 40 Board Certified Chiropractic Neurologists who have also been Board certified in Functional Neurology, I am very well trained in the best understandings of how pain is felt.

Do You Have Any of the Following?

- Knee Arthritis
- Ongoing Knee pain
- Knee cartilage thinned/wearing out
- Cartilage damage
- 'Bone-on-bone' even!
- Meniscus tears
- Pain when walking and standing
- Pain with stairs & 1st standing up

If you're suffering from these conditions, our breakthrough non-surgical CTX technology program may dramatically reduce or completely eliminate your pain and help restore normal function to your knees.

Finally, You Have An Option Other Than Drugs or Surgery

New research on the therapies we use in our CTX program is having a profound effect on those suffering with knee pain. Unlike the medical treatments for knee pain that involve drugs, shots or surgeries, our non-invasive technologies penetrate the surface of the skin and into the knee joint itself *without* with risky side effects or tissue damage. (And NO, they are *not* shots either!)

The CTX therapies have been tested for 40 years, had over 3000 papers published on them, and been shown to aid in damaged tissue regeneration, decrease inflammation, relieve pain and soften up dense scar tissue. This means that there is a good chance our cutting-edge program could be your knee pain solution, allowing you to live a more active lifestyle… and *avoid knee replacement!*

Here's What People From Over 25 States And Canada Are Saying

"My progress was pretty quick, pretty early and has continued to improve. I have pain in my right knee. The pain has gone from a 6 to a 2 in just a couple weeks."
- Dr. Paul Dunn, Parkersburg, WV

"After 1 treatment when I walked out of his office my knee seemed to be relieved already. So after 21 treatments I am VERY impressed with the results and being done after 3 months, I rejoice with much happiness and would recommend Dr. Russ and his team to anyone who wants relief from pain, even if you must drive 7 ½ hours to and from his office(s). Also my wife Brenda did also have a sore knee and she also got treatment and had very good results." - Paul & Brenda Gerber, Ontario, Canada

"My left knee was getting to the point, the doctor at home said "you need to replace it." So many people asked me what I think [being almost done with my program] and I'm just gonna be honest about it. I said "it's better"… at this point, I'd have to say "It's GOOD!" My wife Corlene said "I know you're better because now I have to remind you to slow back down!" - Sam Hostetler, Missouri

Could My Non-Invasive CTX Program Be The Answer To Your Knee Pain?

For this month only, I'm running a very special offer where you can find out if you are a candidate for our CTX Method.

What does this offer include? Everything I normally do in my "Avoid Knee Surgery Visit". Just call by the last day of the month and here's what you'll get…

- An in-depth consultation about your problem where we will sit and talk about how your knee pain is affecting your quality of life
- A thorough examination.
- A review of any previous x-rays or MRI findings so we can start mapping out your plan to being pain free. (Please get the films and reports ahead of time).
- A Trial session with our CTX Method technologies- if you qualify for care
- And a follow-up consultation after your trial CTX session, to talk about your options

Until the end of this month, you can get everything I've listed here absolutely FREE. The normal price for this type of evaluation is $245, so you're saving a considerable amount by taking me up on this offer.

Remember what it was like before you had knee problems? When you were pain free and could enjoy everything life had to offer. It can be that way again. Don't neglect your knee problem any longer – don't wait until it's too late.

Here's what to do now:

Due to the expected demand for this special offer, I urge you to call one of our 4 offices at once.

Call one of our offices today and we can get started with your evaluation as soon as there's an opening in the schedule.

Tell one of my special assistants you'd like to get scheduled for the **Avoid Knee Surgery Visit** before the last day of the month. It's ok if we can't fit you into our schedule *this* month… as long as you CALL this month (to get scheduled.)

Sincerely,
Dr. Russ Schroder, D.C., DACNB, FACFN
Board Certified Chiropractic Neurologist &
Functional Neurologist, Chiropractor,
and Professional Wellness Alliance Provider

Don't wait and let your knee problems get worse, disabling you until replacement is the final option. Take me up on my offer and call today!

Our 4 offices below each have the ability to make an appointment for you to determine if your knee arthritis/pain can be helped naturally.

Or to order a FREE ***Avoid Knee Surgery Report***, call one of the offices below and it will be mailed out to you the next day. (A $29 Value) Supplies are limited.

"I'm ordering more of your Power Out and Power Cleanse. My husband and I are both on it and can see a difference in our health. We really like it. His brothers want to try it so we want to order some for them too. Thanks for the quick service!"
– CUSTOMER IN INDIANA

"Sure like this program so far. I was afraid the Power Cleanse would be horrible to drink, but I love it. Will be interesting to see how it goes as I do the two runs of the program."
– CUSTOMER IN TENNESSEE

"I had constipation for 5 years. No bowel movements up to 3 days! I could work till about lunch time but after that I would crash, no energy. I took the Power Out and Power Cleanse and my bowels are now working. I also don't crash like I did after lunch. I still have energy to work and feel better!"
– CUSTOMER IN PENNSYLVANIA

"I never realized you could feel so good!"
– CUSTOMER IN IOWA

What is Young Living NingXia Red?

As they say, we either pay for our health now or later. We get to choose...so, what do you feel is best for you? A question was asked, on where people were living the longest in the world. Ningxia, China is in a blue zone, meaning where people are living well past 100 years of age, and the common thing they have is the wolfberry in their daily food regimen.

This anti-inflammatory antioxidant drink has become a FAVORITE to many, as they find their immune systems thriving, energy increasing, and cellular health improved, which in turn gives them the key nutrients for OPTIMAL health. FREE booklet included! Average serving size: Adults: 2-4 oz./day; children 12 and under: 1-2 oz./day.

" Young Living's Ningxia Red has become my new go-to for maintaining a lean belly and boosting my immune system. The blend of organic red fruits and vegetables in this vital reds supplement is not only beneficial for my body but also tastes amazing. Plus, knowing that it is infused with whole Ningxia wolfberry puree makes me feel even better about incorporating it into my healthy lifestyle. ~ Emily

" My kids did not know who their doctor was when asked to fill out a form for school. We had not had to go in 10 years for things we used to have to go for! The difference? We started taking Ningxia Red on a daily basis as a family. It's a great feeling. ~ Angie

" I was tired all the time, had aches & pains, and did not feel my usual self. I had so much to get done, but just didn't even feel like I could do it. Everything felt like a chore, even things I once enjoyed. I was told to try Ningxia Red. I did the Ningxia Red Reset that came with 51 packets and was a 14 day protocol. I thought it was worth a try, and I'm sure glad I did. I not only feel better, but I lost 10 lbs in 6 weeks. It's been a game changer for me. ~ Lance

Healthy Home & CHEMICAL-FREE LIVING

Health/Naturals

Petrochemical Weight Loss

There are two parts to this protocol. You have to use the Citrus Fresh/Ledum mixture to break up the fat. Then you need to take Grapefruit by the capsule to digest what the Citrus Fresh /Ledum broke up.

Weight Loss Bundle - 2 Month Supply

Includes 2 Grapefruit, 2 Citrus Fresh, 1 Ledium, Cel-lite Massage Oil & Capsules. (2-month supply, see order form for other ordering options). Instructions & Recipe Booklet included.

$179

Testimony (Sarah S.) – I listened to Gary Young in Dallas in 2003 and received the recipe for Petrochemical weight loss. After doing this: My skin firmed up nice and tight. My jaw line firmed up where I put the Citrus Fresh. The Grapefruit balanced out my hormones, and I began to have a regular menstrual cycle without pain or discomfort. I kept my complexion clean with Lemon oil. I only use Young Living brand essential oils because of their unadulterated purity. He said that saturation was the key to weight loss. He described how the body stores environmental toxins in our fat cells to save them from being deposited in our organs and wreaking havoc. This continues a vicious cycle where we grow larger fat cells which can store more toxins. Essential oils work with your body in activating enzymes that help the body break down fat. ***The Citrus Fresh with Ledum breaks up the fat, and the Grapefruit by capsule digests the fat. Grapefruit essential oil is an excellent diuretic and lymphatic stimulant. Please keep in mind that cellulite is literally toxins being stored in the fat cells.***

How do weighted blankets work?

Science shows that sleeping under weight improves sleep quality, lowers stress, and eases anxiety – and when those things are better, everything's better!

Here's a breakdown of the science that lies underneath our cozy and calming Nappers:

- **Activates the effects of Deep Touch Pressure (DTP)**
  - Increases serotonin (Feel Good Chemical) to make you feel happier and more content
  - Increases melatonin (Sleep Hormone) to lull you into blissful slumber
  - Decreases cortisol (Stress Hormone) to help reduce anxiety and stress
- **Mimics the effects of 'grounding' or 'earthing'**
- **Mimics the sensation of a warm hug**

Christian Aid MINISTRIES

A channel enabling the church to minister to physical and spiritual needs around the world

Fleeing fighting IN MYANMAR

Heart-wrenching suffering continues for those caught in Myanmar's ongoing civil war. Villages turn into ghost towns as innocent men, women, and children flee into the jungle to escape bombs and air strikes. More than 3.7 million people are displaced inside Myanmar, and thousands more have fled to neighboring countries.

The fight for survival is real, as people search for streams, rivers, or other places for a clean water supply. As streams and springs dry up during the dry season, some people need to move again. Make-shift structures, with only leaves or tarps for roofs, become homes for throngs of refugees. People try to raise chickens and hunt small birds as a source of meat—most are able to have meat only twice a month.

"Will this war ever end?"

A father named Ali* gathered his family and fled to Thailand when fighting erupted in his village in 2021. "Numerous times throughout the past five years my family and I have had to flee . . ." Ali told a CAM staff member. He continued sadly, "We just want to settle down and live a normal, quiet life, but that seems impossible. Will this war ever end?"

For the past year and a half, Ali worked for a farmer in Thailand. The farmer pays Ali $5 USD per day and allows Ali and his family to live on a hillside near his fields. "Obviously, this is not enough to sustain us, but I have no other way to provide for my family because we are refugees," Ali concluded. "I have built a small house out of bamboo, using second-hand metal for a roof. The roof leaks, but we are thankful to be alive and together as a family."

How can you help?

CAM is partnering with pastors and local churches to supply food and other aid to people who are suffering from the war. Your support helps provide food and other aid. Tarps for temporary shelters are provided along with blankets. As distributions take place, the Gospel is preached. Bibles and Bible story books are made available for Christians and to those in search of truth.

ITEM #MSMPP117

MSM is organic sulfur -the kind your body can absorb and use. Sulfur is the fourth most plentiful mineral in the body, and it is found in every cell of every animal and plant. One of the most significant applications of organic sulfur is its ability to alleviate pain associated with systemic inflammatory disorders, such as arthritis. People with arthritis report substantial and long-lasting relief while supplementing MSM in their diet in daily amounts ranging from 100 to 5,000mg. Use for muscle soreness and cramps. Use of MSM has been shown to restore flexibility to the protein layer of cell walls, allowing fluids to pass through the tissue more easily. MSM strengthens hair and nails, and aids in wound healing.

COOLING EFFECTIVENESS:

Fire Pro fire extinguishers are powered by a world famous firefighting suppressant called Cold Fire. And it's just that; it makes fires cold! Cold Fire is 10 times wetter than water, which allows it to instantly impale the fuel source & attack the heat on contact, quickly cooling down the searing surface.

Cold Fire acts like a magnet to pull heat out of the source. H2O alone cannot act nearly as effectively, as it bounces back & turns to steam. Cold Fire is a magnet when reducing hydrocarbons in smoke. Cold Fire attracts and draws in the smoke; thereby encapsulating it & breaking down the hydrocarbon molecules resulting in better visibility & a safer environment.

Don't risk it... Choose Better Protection!

STOP LOSING CAPACITY

Passive Balancing is Costing You

Most batteries use passive balancing.
Rubix uses **Impactiv Balancing.**
There is a difference.

The Problem:

Passive Balancing

Burns off excess charge from only the highest cell, leaving the lowest alone.

- × Nuisance battery shutoffs
- × Inability to charge to manufacturer specs
- × Extra wear and tear on cells
- × Reduced cycle life
- × Slower charging performance
- × Higher overall cost from earlier replacement

The Rubix Solution:

Impactiv Balancing

Actively transfers current from the highest cell to the lowest, no energy wasted.

- ✓ Smooth charging and discharging
- ✓ Faster charging performance
- ✓ Less stress on battery cells
- ✓ Longer cycle life
- ✓ More usable energy capacity
- ✓ Lower overall cost from longterm usability
