Editor's Note

Greetings to all!

The garden is planted and now after a nice rain I have faith that the seeds will sprout and grow and we'll be eating some more fresh vegetables soon. We are already enjoying fresh lettuce from our hotbed. I like fresh vegetables, especially raw peas. They don't last long on our supper table.

May is here and that is a special month for me, especially in 1985. I was born on May 25th and if you have nothing better to do, send me a card. But in saying that, I think of the dad and husband that lost his whole family in a house fire. His wife and 6 children have passed on to eternity. He will be needing our prayers and support.

Thanks for your interest and participation in the Busy Beaver!

Notes from seller:

America is waking up to the amazing taste and tendernessof beef from the Wagyu breed. The experience is like none other. Farmer's markets, restaurants, and every day people are asking for WAGYU!

The Wagyu breed requires a heavy energy ration to finish steers. They will only produce average marbling on grass-only diets but not the finely-marbled steaks that are signature of the Wagyu breed. We do not recommend purebred Wagyu seedstock for grass-finishing operations.

Mow Your Grass *with a CL Gang Mower*

CL Pushdown "Antibounce" System
The main cutting reels are each mounted on a flexible spring-loaded joint with a 4-way floating motion, efficiently pushing the mower similar to a hand push mower. This unique spring design puts 30 lbs of downward pressure while still allowing the reels to flex. This results in more traction and better cutting through thick grass, without causing excessive wear on the mowers.
This is a new feature since 2022, if you have an older model, call us for info on an "antibounce" upgrade kit.

Unique Hitching Feature
The CL hitching system makes hitching and unhitching "safe and easy". The stabilizer has two notches, the back notch holds the shafts up while you lead your horse under the shafts. When ready, simply push the shafts up (which will flip the lever into the long slot), allowing the shafts to come down. After hitching your horse, pull lever to the left, then pull the pin on foot stand, and pull up till pin pops in hole, and you are ready to go. The small caster on foot stand is not used when mowing ...it is part of the convenient hitching design.

Reg. size $4240
Pony size $3980

FEATURES:
- Wheels behind mowers prevent driving over unmown grass
- 54-58" cutting width
- Convenient foot pedal steering with reel linkage prevents skips in corners and around trees
- Adjustable for large or small horses
- Featuring the CLIPPER USA reels

Available with steel wheels, air tires, or hard rubber.

OHIO VALLEY BIOCHAR
There is a Better Way

Biochar blends available for various farming needs, call for more information.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
– Dan Stoltzfus, Pennsylvania

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
– Leah Miller, Ohio

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
– Kathyrn Yoder, Missouri

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
– Sue Albrecht, Michigan

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing. I've already told many people to call you.
– S Hertzler, Maryland

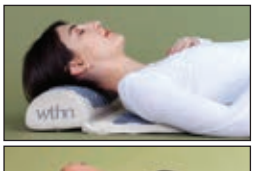
$138 for the mat.
Add **$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015



Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – ***WTHN Client***

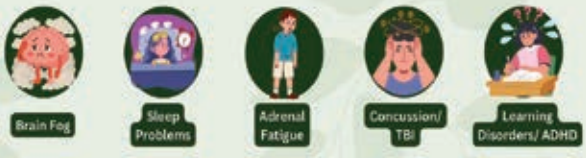
Are You Experiencing:



How It Works

Patient Success Story:

Our daughter was struggling with learning challenges, chronic fatigue, digestive issues, and speech delays, which made school and everyday activities difficult for her. We had tried cranial sacral therapy and several other treatments, but unfortunately we were not seeing the improvements we had hoped for. After visiting Apex Chiropractic & Wellness Center and completing a comprehensive neurological evaluation, a customized care plan was created to support her brain and nervous system.

Over time, we began noticing encouraging improvements. Her energy increased, her digestion improved, and her speech and communication started to progress. She is now finding schoolwork easier and is able to focus much better. We are so grateful to see her gaining confidence and making progress.

Have you been denied for Spinal Disc Replacement and Feeling Hopeless?

We may have your answer—just like Esther found hers...

Esther lived in pain every day.
She woke up hurting. Went to bed hurting. Some nights... she barely slept.

Surgery was next— but even that door closed.
She was running out of options.
Then she found a different path.
A focused, non-surgical disc repair plan.
Today... she's back to living life again.
In this free recorded message, you'll learn:

- ✓ Why disc replacement isn't right for everyone
- ✓ What makes this approach different
- ✓ What may be possible for you

If you feel out of options... start here.

"Lions Mane Talk"

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

"GREATastic! is helping me in so many different ways. It's an excellent pill for the brain. Just what I needed for years already. During all those health problems is what really affected the brain from functioning. It takes care of stress and I feel well a lot. It pretty much does what I read in the paper it is for. Yes, I feel it's a God send. This is all in one pill. I am so thankful for it. It took me off of expensive liquids and pills that you cannot imagine. Yes, and at last I feel great too. Not feeling so tired and old. Feeling total good and I feel like a 21 year old. Yes, even my friends notice that I'm a different person and I want to thank you again. Yes, God can do miracles and please send another bottle". - Pennsylvania

"Please send me 2 bottles of GREATastic! I gave my bottle to someone that really needed help quick. Thank you." - Pennsylvania

"I need 3 GREATastic! My husband can't seem to do without. He can handle stress better and is happier." - Pennsylvania

"I'd like a bottle of GREATastic! for my husband as soon as possible. He needs it badly." - New York

"My husband took one bottle GREATastic! and got excellent results. Nothing helped him like that did." - New York

"I took 4 bottles GREATastic! The first thing I took I can feel a difference." - Ohio

"Please send me one bottle of GREATastic! We're getting ready for church and I need something to keep me calm." - Ohio

"I like your GREATastic! and have given some to others. They, too, liked them." - Pennsylvania

Have Cancer Concerns?

Amygdalin (Laetrile) Vitamin B17 is a powerful organic natural substance that works to help control cancer and viruses which can be consumed through seeds or supplements. In the late 1960's, a pioneering physician, Dr. John A. Richardson, MD, dared to treat his cancer patients with a revolutionary treatment that included the use of Laetrile, along with a strict protocol of diet, exercise, and vitamins. It worked remarkably better than orthodox treatments. Apricot seeds contain the highest concentration of B17 found in nature. These seeds also contain high levels of Thiamine/B1 and Omega-3 fatty acids. From cellular health to inflammation to respiratory conditions, this super seed is also great for animals!

ROUNDHOUSE
Bushman's most comfortable harmonica. An unbeatable price/quality combination. Great for beginners due to comfort, great for pros due to price, durability, and responsiveness! The Roundhouse whips harmonicas from other brands that cost more than twice as much!!! Comes packed in a black, padded, leather-like, zipper case.

Keys: Low F, G, A, Bb, C, D, and E | **$32.99**

KNITTLINGER
Accordion-like sound of the old Auto Valve only better feeling and much easier to play. Loud and lively, quick and nimble! Features a slick, go-fast mouthpiece. Good players were able to play faster than all previous double reed harmonicas could respond, but you can't outpace a Knittlinger – it goes as fast as any player can play it!

Keys: Low A, Low Bb Low C, and Low D | **$99.95**

BLUES SHIFTER
This is a diatonic harmonica - not a chromatic - that can play the missing note on Blow 3. Try playing "Amazing Grace" or "What a Friend We Have in Jesus" on a regular harmonica in the lower register - you can't, because there's a missing note on Blow 3. Many songs require that missing note, so they can't be played on a normal harmonica. With the Blues Shifter, when you need that note, just push in the slide button and you have it!

Keys: Low F, G, A, Bb, C, and D | **$89.99**

THE DELTA FROST COLLECTION
The workhorses of the Bushman brand. The Delta Frost comes in 3 different comb choices – Original (plastic), Steelie (aluminum), or the Woody (wood). Delta Frosts are the preferred gig harmonica for many professional musicians. Traditional, old school design.

ORIGINAL
Keys: Low D, Low E, Low F, G, A, Bb, C, D, and E
$29.99

STEELIE or WOODY
Keys: Low F, G, A, Bb, C, D, and E
$49.99

HARMONICA INSTRUCTION KIT

Learn to play popular songs in minutes even if you don't know how to read music! 34 page book comes with our best-selling Roundhouse harmonica.

Choose the **Key** of Bb or C
$39.99

DINKY
Our all new Bushman Dinky has a greater note range and ability to play more songs than any true, 1-1/2" mini harmonica ever made!!! The Dinky plays much better than the typical mini, and it's more comfortable.

Keys:
G (Yellow), A (Navy), and C (Black)

Helpful Hints - Pie Carriers

PIE SAVER or PIE SAFE?
Each has it's own advantages. The Pie Saver can be used for so much more than just pies, plus you can stack as many or as few as you want. But the size is limited to 9" diameter pans, and has vent holes that can not be totally closed. The Pie Safe holds bigger pies, has a close-able vent, and is more convenient. It includes adjustable shelves for 3 or 4 pies.

SPROUTING
Growing your own sprouts is rewarding and healthy. With a Pie Saver, it only gets better. Not only can you grow bigger batches than in glass jars, they also grow better. Instead of curling up, they grow straight and crisp... mmm!

When Kareema* first received a Bible as a young lady, she memorized 500 verses. Now, in her old age her eyesight is failing, and she became unable to read her Bible. When CAM contacts gifted Kareema a large-print Bible, she was overjoyed! Now she again has access to the Word of God she loves so much.

Noor, another Christian, is not able to read the small-print Bible because of an eye surgery she had years ago. Someone gave her a large-print Bible, but after reading it every day for 20 years, it was old and tattered. She took it to the church leader to be fixed, but because of a lack of resources, he was unable to fix it.

The church leader arranged for Noor to meet several CAM contacts. She explained to them, "My Bible became like my soul. Not just a piece of me, but my whole life. If I go out or come in, I want the Bible before me. I want to open it at any time." Noor said sadly, "I have begged the [church leader] for the Bible many times. I insisted and bothered him until he couldn't take it anymore; I tell him, 'The Bible . . . the Bible, please!' "

Our contacts gave Noor a new, large-print Bible. How happy she was! "The joy I feel for this Bible, no one can feel it except me, within myself. There's no way to explain it," she said gratefully.

To show these suffering Christians that other followers of Jesus care about them, CAM is working with contacts and local churches across the Middle East and North Africa** to provide large-print Bibles for the elderly and other individuals unable to see well. These large-print Bibles are in high demand!

The average cost per large-print Bible is $9. In a land where Bibles and Christian literature are mostly unavailable, it is a precious gift for a person to receive their very own Bible.

We look forward to meeting you!

Keystone Steel Structures is a small company that specializes in erecting and finishing steel buildings. The owner started the company in October 2001. The first few years Keystone was only involved in the erection of the steel structure itself. However, due to customer demand, we have chosen to expand the company's services to include supplying a complete pre-engineered metal building package as well as providing general contracting services for an entire project. While we would be happy to erect a structure from any supplier, we are proud to supply our buildings through Whirlwind and Metallic Building Systems. Over the years, we've collected many awards and honors for the work we do with them.

We strive to build our reputation with excellent communication and unrelenting persistence at keeping our promises to supply quality construction. We are committed to delivering great value and service to our customers.
