### Editor's Note:

I really appreciated all the folks that came to help with the house. The men worked all day while I took the women shopping. The 400 mile yard sale was last week-end also.

Zach and Bob have been camping for a week. Zach is having a blast. He is learning leather working. Bob has poison ivy, he is so allergic. I feel sorry for him being all itchy and away from home. Zach will be home one day and then he and Matthew will leave for church camp and be gone for another week.

Evelyn is so mad because she can't go. She will get to go in a couple of weeks. They are having a family camp at scouts. She doesn't understand that she is not old enough to go with the boys.

## If you want better nutrition... you need to start with better soil

*Biochar blends available for various farming needs, call for more information.*

### WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

### WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

## “Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

### A mother from New York writes:

Hi, I'm ordering more Mothers Milk. I'm on my last bottle and I don't want to be without it - never could nurse our babies so good. He is gaining so well and don't have to give him a bottle at all. Thank you!

### A mother from Indiana writes:

Please send me 3 more bottles of "Mothers Milk". This is my 8th child and I was never able to have enough milk for fully breast feeding. Now my baby is a little over 3 month and still doesn't need the bottle! It seems I had tried everything but this stuff really works! Thanks for a good product!

### Another mother from Indiana writes:

I am amazed that it actually works for me since I have never had any luck with herbs/tinctures.... So am very thankful you created this wonderful product!

# Sleep better. Every season of the year.

# Bearaby

Bearaby weighted blankets are rated at **4.8 out of 5 Stars** from dozens of verified "Busy Beaver" Bearaby users.

**Did you know,** a Bearaby Weighted Blanket gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

**BREAKING NEWS:** Reports are in that people who have already been sleeping better with a Cotton Napper, are taking it up a notch more with the revolutionary Tencel Cooling Tree Napper. The eucalyptus fibers contained in this fiber blend have moisture wicking properties giving you the effect of the cool side of your pillow... all night long. Yes, even on these hot summer nights. We will keep you updated as this story develops.

**In other news, the Cotton Nappers are available in 3 new colors, as reported below.**

### Natural deep sleep

Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

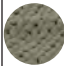

### Peace of mind

The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

### Joyful feeling

Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

WORLD HUNGER FUND

## Food encourages people in war-torn Ukraine

**A**s the violent and deadly war between Ukraine and Russia continues, many people are left displaced, without jobs, and in despair. Some have lost family members and have witnessed the horrors of war.

We are grateful for an avenue to provide food to people in Ukraine, even to some who are caught in the middle of the conflict in Russian-controlled areas. The gift of food blesses and encourages those who have felt the tensions of war for over four years.

A family who received food from CAM contacts wrote, "We . . . thank you with all our hearts for the food items you have gifted to our family. . . . [Our children] were delighted and truly surprised to discover that, in these times, there are still people who care deeply for others who recognize their needs and who are willing to make sacrifices of their own. May the Lord bless you!"
