Editor's Note

NUMBER 65 • AUGUST 21, 2026

Greetings!

Did you know that horses have ten muscles in their ears? This enables them to turn their ears 180 degrees, so they can better hear where sounds are coming from. A horse's teeth take up more space in their head than their brain, but that doesn't necessarily mean that horses are not intelligent. In fact, horses can remember people, places and other horses that they haven't seen for a long time. A horse's height is measured by hands (approximately 4 inches) rather than feet or inches. A horse has monocular vision. This means they can see two different things at the same time.

Be sure to check out the ECONOMY PAGES, starting on page 35. They are just one more option to place a display ad. Give us a call or send an email if you need more information. You can use the form on page 7 if you want to mail your order.

Here is the story of why we have confidence in Lions Horse Mineral. Years ago at Family night an In-law asked what to feed for a quarter crack. I said I would recommend Lions Horse Mineral and so he used it. He was pleased with the results. Some time later he again asked what to use for quarter cracks and I mentioned Lions Horse Mineral, and his response was "yes, this is the same horse and it helped last time, bring me some." And yes sometime later he brought up quarter cracks again, the look in his eyes said he just remembered he was out of mineral! When Lions Mineral fixed the same horse 3 times over several years I was convinced it can work! We know we cannot help every situation but if nutrition is the problem we recommend it for many hoof quality issues.

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. **The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant.** Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

Want Healthy Trees?

Our Carbon Based, Biologically Correct Nutrients Help Your Trees Hold Up Better During The Hot Summer Months

Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

Happy trees have fewer problems. This stuff works!

SPRIGS® SPOTLIGHT

*For years, **Sprigs** has been trusted for pregnancy, children, and family wellness. Nothing beats a clean, healthy diet Pair Daily Super Greens with their favorite meals or snacks for a healthy addition to your famalies wellness routine.*

Why Does Our Family Start Each Day with Daily Super Greens?

We did not always start our day with *Super Greens*. Usually, we had them in the afternoon or sometimes before bed. The problem was that having our *Super Greens* was so easy to forget. About a year and a half ago, Nancy decided to make Daily Super Greens a morning routine for the whole family.

At the time, Zion was almost one year old, and he loved his Chocolate Greens so much that the word was one of his first words. He would wake in the morning and immediately say, "Mama Greens?" In fact, he still does.

Greens in the morning are now a regular part of our routine. Nancy mixes a cup for everyone to drink during our family devotional worship time, which helps us remember to take our Greens.

Although no time for having Daily Super Greens is wrong, other reasons to take Daily Super Greens in the morning are worth considering. The digestive system slows at night as the body focuses on rest and recovery. Almost all Daily Super Greens' ingredients help stimulate digestion, especially the probiotics and enzyme fibers. These gently stimulate the digestive system so that when eating heavier food such as eggs, the digestive system is already active and ready to digest. This can make a difference in how a person feels throughout the day.

-Jonathan Laudon, Co-Owner of Sprigs Life

"Kids Super Greens are the best product ever! My kids don't get tired of them and have them every morning, first thing when they wake up. Such a good feeling to know it's a safe, healthy product that's good for them — and they enjoy it." — M. Iden

"I really like the Kids Daily Super Greens for my 2-year-old girl. It makes such a quick, easy breakfast and is a comfort for me knowing she's getting the nutrition she needs!" — D. Jess

4 Reasons To Avoid Knee Replacement

"I would recommend their knee pain program to those who have been told they need surgery or are thinking of more invasive treatments. Their program is natural, non-invasive, and helps the body to regrow cartilage in the knee. Thank you Dr. Russ and Dr. Heather for providing me with your wonderful care!"
-AL YODER

"Thank you Dr. Russ for giving me my life back! You have become family. Highly recommend anyone with knee problems to try this program."
- M. COBLENTZ

"I'm 86 years old and was having pain in my knees and couldn't be on my feet a lot. I had 18 treatments now, I don't have any pain."
- ANNA YODER

"My knees feel so much better! My back does too. And I am walking so much better."
- SARAH BEECHY

Every year, over 600,000 Americans line up to get knee replacements when the doctor says that they "need" replaced. But we have 4 secrets why someone may want to avoid getting their knees replaced.

1. A large Canadian government study found that 46% of those who had knee replacements were not satisfied with the results. That's almost HALF!
2. Due to the load that would be placed on the fake joint if you were to get into the position, you aren't supposed to kneel after replacements – it's "bad for the joints"
3. The replacement knees only last an average of 10-15 years based on how much you use them. The more you use them, the faster they wear out
4. You haven't exhausted all of your non-surgical options. You may want to avoid it until the last doctor tells you there is no hope. We see cases every week who have been told "You need a replacement."

And we find after a thorough evaluation, that they don't.

Our CTX program is a non-surgical option for those who have knee arthritis, thinned cushions, worn-out knees, and even early bone-on-bone (yes, there are stages). We utilize neurology principles, advanced technology and even use food and vitamins to help the joint chemistry. (MANY people who call ask if we use stem cells. We do NOT. We have used them before but were NOT satisfied with the results! While some people do get results with them, we found that our CTX Program has been better.)

Here are some of the HUNDREDS of cases we have helped to feel better and AVOID surgery.

CALL US TODAY for a free Report on *Avoiding Knee Surgery.* Supplies are limited.

What is Young Living NingXia Red?

As they say, we either pay for our health now or later. We get to choose...so, what do you feel is best for you? A question was asked, on where people were living the longest in the world. Ningxia, China is in a blue zone, meaning where people are living well past 100 years of age, and the common thing they have is the wolfberry in their daily food regimen.

This anti-inflammatory antioxidant drink has become a FAVORITE to many, as they find their immune systems thriving, energy increasing, and cellular health improved, which in turn gives them the key nutrients for OPTIMAL health. FREE booklet included! Average serving size: Adults: 2-4 oz./day; children 12 and under: 1-2 oz./day.

" Young Living's Ningxia Red has become my new go-to for maintaining a lean belly and boosting my immune system. The blend of organic red fruits and vegetables in this vital reds supplement is not only beneficial for my body but also tastes amazing. Plus, knowing that it is infused with whole Ningxia wolfberry puree makes me feel even better about incorporating it into my healthy lifestyle. ~ Emily

" My kids did not know who their doctor was when asked to fill out a form for school. We had not had to go in 10 years for things we used to have to go for! The difference? We started taking Ningxia Red on a daily basis as a family. It's a great feeling. ~ Angie

" I was tired all the time, had aches & pains, and did not feel my usual self. I had so much to get done, but just didn't even feel like I could do it. Everything felt like a chore, even things I once enjoyed. I was told to try Ningxia Red. I did the Ningxia Red Reset that came with 51 packets and was a 14 day protocol. I thought it was worth a try, and I'm sure glad I did. I not only feel better, but I lost 10 lbs in 6 weeks. It's been a game changer for me. ~ Lance

Healthy Home & CHEMICAL-FREE LIVING

Petrochemical Weight Loss

There are two parts to this protocol. You have to use the Citrus Fresh/Ledum mixture to break up the fat. Then you need to take Grapefruit by the capsule to digest what the Citrus Fresh /Ledum broke up.

Weight Loss Bundle - 2 Month Supply

Includes 2 Grapefruit, 2 Citrus Fresh, 1 Ledium, Cel-lite Massage Oil & Capsules. (2-month supply, see order form for other ordering options). Instructions & Recipe Booklet included.

$179

Testimony (Sarah S.) – I listened to Gary Young in Dallas in 2003 and received the recipe for Petrochemical weight loss. After doing this: My skin firmed up nice and tight. My jaw line firmed up where I put the Citrus Fresh. The Grapefruit balanced out my hormones, and I began to have a regular menstrual cycle without pain or discomfort. I kept my complexion clean with Lemon oil. I only use Young Living brand essential oils because of their unadulterated purity. He said that saturation was the key to weight loss. He described how the body stores environmental toxins in our fat cells to save them from being deposited in our organs and wreaking havoc. This continues a vicious cycle where we grow larger fat cells which can store more toxins. Essential oils work with your body in activating enzymes that help the body break down fat. ***The Citrus Fresh with Ledum breaks up the fat, and the Grapefruit by capsule digests the fat. Grapefruit essential oil is an excellent diuretic and lymphatic stimulant. Please keep in mind that cellulite is literally toxins being stored in the fat cells.***

Health/Naturals

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Do you want BIGGER bucks on your food plot?

If you want better nutrition.. You need to start with better soil.

OVB
OHIO VALLEY BIOCHAR
There is a Better Way

Harvested late season archery from this food plot

Now is the time to apply Ohio Valley BioChar to your food plots!

Actual results after application of OVB Food Plot Blend.

What is biochar?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and waterways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

What is the benefit to you?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

NEW BOOK!

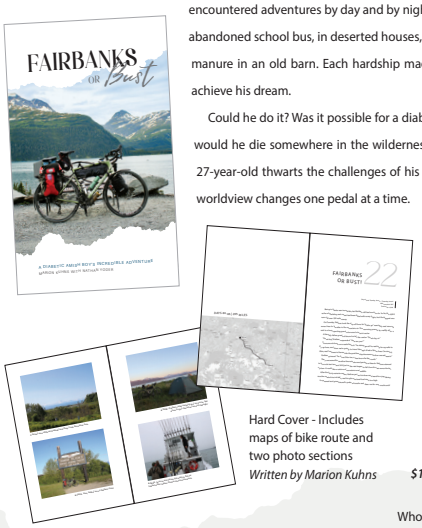
FAIRBANKS OR Bust

"ARE YOU RUNNING AWAY FROM HOME?"

Crazy questions. Hitchhiking to break up the monotony. Tragic news from back home. Headwinds. Bears. New friends and many memories.

Nathan Yoder's 9,230-mile biking excursion to Alaska and back was about more than just riding his two-wheeled companion, Stella. It was about overcoming a life-changing health diagnosis. Along the way, he encountered adventures by day and by night—sleeping under the stars, in an abandoned school bus, in deserted houses, and even on top of dried-out cow manure in an old barn. Each hardship made him even more determined to achieve his dream.

Could he do it? Was it possible for a diabetic to accomplish such a feat? Or would he die somewhere in the wilderness? Ride along as the adventurous 27-year-old thwarts the challenges of his Type 1 diabetes, and watch as his worldview changes one pedal at a time.



Hard Cover - Includes maps of bike route and two photo sections

Christian Aid MINISTRIES

Treasured encouragement and teaching for Christians in Restricted Countries

Kamran* was on a deep search for Truth. As he looked at the people around him—even those claiming religion—he saw arguments, hatred, and slander. None of them offered what he was looking for: a peaceful and loving relationship with God.

One day, during a lunch break on the farm where Kamran worked, he talked to a co-worker. The conversation turned to God. This young co-worker shared some information that was surprising to Kamran—he and his family were Christians. As they talked, Kamran shared about his struggle to read the only Bible he had. The Bible was in a language he could hardly understand, and he struggled to comprehend the little he was able to read.

A few days later, Kamran met this Christian man again. The man brought him several Christian magazines. Kamran recalled this pivotal moment: "He told me I could borrow them but should be careful not to let anyone damage them, as his family enjoyed reading them and wanted to have them back eventually."

"Those magazines fascinated me," Kamran shared. "I asked him if he could lend me more, and we began meeting more often. I visited his family, and his father gave me a copy of the New Testament in [a language I could read]. Then a few months later, his father gave me your contact information, saying that you could send me magazines."

Kamran knew the risk of receiving Christian literature. He started a post office box so his relatives and neighbors would not easily find out. He then began to regularly receive Christian family magazines. Sound teaching from conservative Anabaptist writers became a consistent source of Bible teaching.

Like Kamran, thousands and thousands of Christians in closed and restricted countries long for fellowship with other Christians, but have limited options. They long for encouragement and Bible-based teaching, but have almost no source.

CAM supporters' funds supply Christian family magazines, reminding these believers they are not forgotten. The material encourages them toward faithfulness to Christ as they face the challenges of living under oppressive regimes. The sound articles point them to a life of faithful obedience to the Word of God.

If you wish to help us supply these magazines to those who anxiously await their arrival, your support will be greatly appreciated!

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We recieve so much more here then what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunites and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
