Editor's Corner

Hello Everyone,

Autumn, the season that teaches us that change can be beautiful. Beautiful autumn days we are having! Did we have our Indian summer last week? Had to dig the fans back out again!! This week was a short week, with Labor Day Monday, and on Thursday we had Mom and Sister day at Christ Emma's house. They were blessed with a sweet baby girl on Aug. 21st. So that makes niece number 22 for me. It's hard to spoil them all, but I give my best!

😊 Make it an awesome day!

Thank you for advertising with us. We appreciate you all!

May God bless you,
Ruby Yoder

Maximum Performance Horse Supplement

Pellets for Horses that are Picky Eaters or Have Ulcers. Also Great for Driving Horses & Stallions!

Mr Millers colt that jumped up and ran around and jumped over the mare.

Hay and grains have fewer minerals today. You really need to supplement for peak performance and breeding nutrition.

**50 lb bag-granular, \$150
lasts five horses—1 month!**

**50 lb bag-pellets, \$135
lasts one horse—50 days!**

22 year old mare, caught in foal after being barren for 6 years

Mr Schwartz's mare was running off with his girls, biting them, he knew she had an ulcer, 15 days on the pellets, she is so calm, warms up nicely, goes longer, stronger and cools down faster. Wow, he was so excited, he wants to breed her, instead of giving her away.

Mr Miller says he had never had stronger colts, jump up right out of the bag, run around the stall and jump over the mare, before she got up. His best year breeding, mares strong after foaling, strong babies, plenty of milk. It was a dream foaling season. He will keep his mares on mp while in foal and after.

Mr Yoder had tried to breed his favorite mare for 12 years, after 30 days on MP she checked in foal. He is so excited.

Mr Yoder bought a mare they said was lame, could only be bred. He put her on mp and 15 days, she was bucking coming out of the barn. He hooked her to the cart and off she went straight down the road. He called and wanted to be a dealer. He said, "Anyone with a driving horse needs MP. This is the greatest stuff for driving horses!"

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in our feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, cool down faster, and improve hoof quality.

1. If you want to reduce ulcers.
2. If you want to increase stamina and reduce recovery time—may see a difference in 5 days!
3. If you want to increase oxygen for better stamina and improve oxygen to the cells for driving and work horses performance.
4. If you want to calm your mares down, reduce tying up, and anxiety.
5. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

Learn How to Maximize Breeding!

1. If you want to reduce OCDs, improve fertility.
2. If you want to have mares at peak condition ready to be checked in-foal, calm mares down as well.
3. If you want to improve development of your foals, strong when born, boost immune system, strong bones.
4. Vets explain OCDs are caused by mineral imbalance while mare is in foal.
5. First 11 months gestation—not enough calcium and minerals causes bone chips, OCD's.
6. Stallions have better sperm count, maintain muscle mass, and maintain hoof quality during breeding season and year round.

Idaho Whole-Apple Cider Vinegar

GREAT APPLE CIDER VINGAR
HAS A "ONE-TWO" PUNCH...

1) Looking for less **disease** and **fewer internal/external parasites** this year? THIS ACV has an alkaline forming response in any mammal's body, which is your shield against those issues.

2) Wanting to stretch your hay and pasture by 20%? The **ENERGY** and **ENZYMES** from the Whole-Apples contained in this vinegar are ALL still intact to help boost your live-stock's digestion of any feed. Minerals in the feed are 90% bio-available versus the 20% in most mineral mixes.

The drier your feed, the better this ACV works!!!

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

There is a Better Way

Do you want BIGGER bucks on your food plot?

Now is the time to apply Ohio Valley
BioChar to your food plots!

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

In 4 months using the Feel Great System I got off all my medications & lost 35 pounds. With the 90 day money back guarantee I had nothing to lose. I've been off all medications for 21 months & got my life back!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.

– **Dan Stoltzfus, Pennsylvania**

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.

– **Leah Miller, Ohio**

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!

– **Kathryn Yoder, Missouri**

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.

– **Sue Albrecht, Michigan**

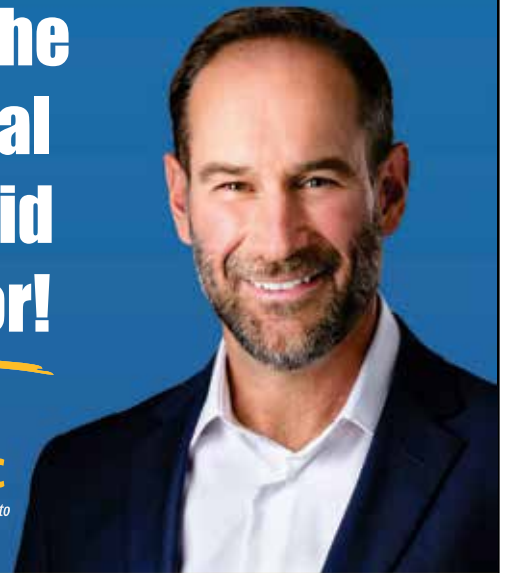

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing, I've already told many people to call you.

LIFESTYLE

We believe the root cause of all dis-ease in the body comes from toxicity and deficiency. We believe the foundation of the body are cells, and our protocols focus on providing the body building blocks it can use to restore every cell in the body.

The most foundational component of every organ system and every part of your body is the cell and the structures within it. Your body is made up of over 30 trillion cells. Focusing on restoring your cells will move your body from a place of dis-ease to rest-oration. We do not focus on detoxing because we understand when the energy and structure is restored to the cells, your body will detox on its own at a pace that your system can handle.

Each Protocol will provide information and guidance on optimizing:

DEVASTATING earthquake IN COLOMBIA

Article space donated to CAM

A channel enabling the church to minister to physical and spiritual needs around the world

On the morning of August 10, people across western Colombia went about their normal routine. Families ate breakfast, workers headed to their jobs, and people sipped their morning coffee, unaware that within moments, their lives would dramatically change. Then the earth suddenly began to tremble. Realizing something was terribly wrong, people rushed into the streets as buildings shook and debris fell around them, trapping some of them beneath the rubble.

The force of a 7.4 magnitude earthquake flattened buildings and trapped some people under tons of rubble. Hundreds are killed. Thousands more are injured and displaced. Rescue workers and civilians spent many frantic hours trying to rescue people from layers of wreckage.

Luis, a Christian father told our contact, "Before the earthquake, as I was leaving, God put it on my heart to pray. I

prayed and asked Him to protect my family, my children, my grandchildren, and me. Only five minutes after I had finished praying, the earthquake struck. When I returned to my home, I found my children safe, my wife safe, and my grandchildren safe. Everyone was well." Luis' house had collapsed, and all that was left was a heap of rubble. But Luis told our contact, "God protected my family and protected me."

Luis continued, "What we are going through is very hard. It is extremely difficult to see your home destroyed and to have to sleep outside on the street. It is very hard. But God knows what he is doing."

At least 50 hospitals across the region have suffered severe damage. For many families, even homes that remain standing cannot be considered safe. People are sleeping outside for fear of the roof collapsing over their heads.

How can we help?

In the midst of the rubble, fear, and uncertainty, is an opportunity to share the love of Jesus. CAM staff members are connecting with contacts and researching needs. We anticipate providing mattresses, blankets, Bibles, and other aid. Our prayer is that physical aid will reveal the greater gift of God's love to the people of Colombia.

WHY DOES DISC PAIN KEEP COMING BACK?

Special Health Report

*What Thousands of Patients With Disc Problems Have Taught Us
About Why Some People Improve Temporarily While Others
Continue to Struggle*

By Midwest Disc Clinic

FREE RECORDED HEALTH REPORT

Available 24 Hours a Day by Phone

- ✓ No Appointment Required
- ✓ No Internet Required
- ✓ Listen from Home
- ✓ Available Anytime
- ✓ Private and Confidential

Many People Are Told Their Only Options Are More Treatment, More Injections, or Surgery

If you are one of the millions of people suffering with back, neck, or sciatica pain, you are not alone. Disc problems are one of the leading causes of long-term pain and disability in our country. And if you have been dealing with this pain for any length of time, you may already know how frustrating and discouraging it can be.

Many men and women tell us the same story. They started with mild discomfort. Over time, it got worse. They saw a doctor, had tests, and tried physical therapy, chiropractic care, medications, or injections. Sometimes these treatments helped for a while. But the pain came back.

Eventually, they were told their only choices were more treatment, more injections, or even surgery.

This leaves many people feeling hopeless and unsure of what to do next. That is why we created this recorded health report.

After helping thousands of patients with disc problems, we have seen a common pattern. Some people improve temporarily, while others continue to struggle. The difference is not always what you might think.

The good news is that understanding why disc pain keeps coming back can help you ask better questions and make more informed decisions about your care.

IN THIS RECORDED REPORT YOU'LL DISCOVER:

- ✓ Why disc pain keeps coming back
- ✓ What may block disc repair
- ✓ Why relief often doesn't last
- ✓ What many patients are never told
- ✓ What may be behind sciatica symptoms
- ✓ Questions to ask before injections or surgery

REAL PATIENT STORIES

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." — D. Hershberger, Nashville, MI

"I was having lower back pain and right leg pain when I came to MDC. I was on crutches for two days and in bed for a week, not able to work.

After my DOSAE treatments, I am back to work and feel 85% to 90% better. Thank you to the doctors and staff at MDC. Everybody is very friendly and helpful!" — D. Troyer, Randolph, NY

Introducing

Soothe the ache.

Support the day.

Relief you can feel. Life you can enjoy.

VitalLife's Relievision is formulated with carefully selected ingredients designed to help support the body's natural response to discomfort and promote overall wellness. When used as part of a comprehensive health plan, Relievision may help individuals maintain comfort, mobility, and a better quality of life, allowing them to focus on the activities they enjoy most.

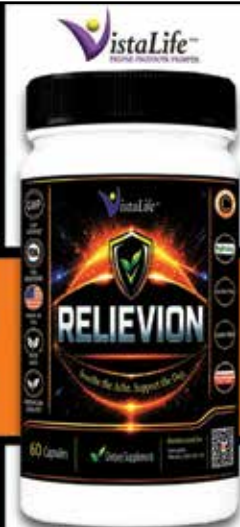

Why These Ingredients Work Together

Relievision combines five scientifically researched ingredients that address pain and inflammation from multiple angles. Curcumin C3 Complex® and Bospure® help support a healthy inflammatory response. Collavant® n2 focuses on joint structure and cartilage support. AstaReal® helps combat oxidative stress that can contribute to discomfort and tissue damage. ParActin® provides additional inflammatory and immune support. Together, these ingredients create a comprehensive wellness formula designed to support comfort, flexibility, mobility, recovery, and overall quality of life. Rather than relying on a single mechanism, Relievision provides broad-spectrum support for individuals seeking a natural approach to managing everyday pain and inflammation while maintaining an active lifestyle.

These statements have not been evaluated by the FDA or FTC, and not intended to diagnose, treat, cure or prevent any disease.

Helps with:

Pain	Resilience	Headaches	Support	Muscle	Immune
Stiff Joints	Tight Muscles	Joint	Flexibility	& Tissue	System
Joint Pain	Migraines	Structure	Mobility	Damage	Function

TESTIMONIALS:

Frequently asked Question

How do Bearaby blankets get their weight?

The **Cotton Napper** is weighted entirely through hand-knit organic cotton — not beads, not pellets, not hidden fillers. Just pure, breathable cotton loops layered to create natural, even weight. It is precisely engineered with a heavy cotton yarn, and compacted to the perfect density to give you your best nap ever.

The **Tencel Cooling Tree Napper** combines the above process with a blend of Eucalyptis fibers to give you the same effect as the cool side of your pillow, all night long.

Part of the proceeds will support rebuilding efforts in Ukraine through The Hands of Jesus Mission. Dan and Sue Hooley from Holmesville will serve as house parents for approximately eight youth, including several of their children, during the October work project.

In our own community, Owen and Christina Mast have experienced some difficult circumstances this year, and part of the proceeds will go directly to bless and support their family.

Two different needs—one far away and one close to home—and both are an opportunity to come together and help.

HAYCOOK ABSOLUTE REAL ESTATE AUCTION

2 GREAT PROPERTIES – WEST HOLMES SCHOOLS
28 ACRES BORDERS BIKE TRAIL AT BADDOW PASS
44 ACRES – WOODED & TILLABLE ACRES

THURSDAY, OCTOBER 1, 2026

3:30 PM – CHATTELS – 6:00 PM – REAL ESTATE

Will sell both properties from the 14384 CR 75, Brinkhaven OH 43006 property. From Danville, take Rt. 62 east approx. 8 miles to CR 75 then north through the left turn to property. From Glenmont, take Rt. 25 south approx. 4 miles to the 44-acre parcel. Continue on CR 25 to CR 75 then north to auction site.

REAL ESTATE: The Haycock auction is definitely a fall auction highlight that offers a rare opportunity to buy land in this area. The 28-acre property on CR 75 at Baddow Pass has so many possibilities, it's hard to list them all. Start with the location, a rural setting yet close to Rt. 62, the entire east line of the property borders the bike path. Property has tillable acres, pasture ground and wooded areas for great hunting. There's an older 2-story farmhouse on this parcel. I'm sure some will want the challenge and others won't. This farm will be offered in 4 parcels and together and will sell the method that generates the most.

The CR 25 property is right across the road from the Richland Township Maintenance Garage. There are no buildings on this property. Farm has a mixture of nice tillable acres, pasture/hay ground and a great wooded area in the northwest corner. Property will be offered in 3 parcels and in combination and will sell the way it generates the most.

TERMS: Properties sell at "Absolute Auction" so be prepared. There is No Buyer's Premium! We require a non-refundable down payment of 10% of the final bid price due the day of auction with the balance due at closing in approx. 45 days. There are no financing contingencies. Mineral rights transfer to the buyer. Property sells subject to all articles of record. Announcements on auction day take precedence over all previous advertising or statements. Buyer will pay a \$750 per parcel fee to assist with survey and auction related expenses. Fee will be \$1,000 if farms sell as one parcel. Taxes are currently under CAUV and will be prorated on that basis. Any CAUV recoupment is the responsibility of the buyer. Sellers will split the cost of an owner's title insurance policy.

NOTE: We will be starting at 3:30 with the furnishings and collectibles out of the farmhouse. Real estate sells at 6PM. Current crop tenant has the right to harvest 2026 crops. Watch www.auctionzip.com - 9855 for full details or call Bob. Walk the parcels at your leisure. Don't miss this great auction opportunity.
