## Editor's Note:

Ohio was great! I love Cincinnati. We took the kids to the zoo. Could have used a second day there. The gardens were beautiful and the animals were very visible. Matthew wanted to see the elephants, Zach the red panda and Evie the alligator. Zach got chosen to race a wild boar. He even won.

We are leaving West Virginia tomorrow. The Busy Beaver had a gathering here. The weather has been almost perfect. A little chilly for me but everyone else is loving it. We are on a bluff overlooking the Potomac River. The kids have swum all day and into the night the past 2 days.

Pennsylvania is next on our journey home. Hopefully the weather stay nice and we can get some more swimming in along with a visit with Bob's family.

## If you want better nutrition.... you need to start with better soil

***WHAT IS BIOCHAR?***

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

# Violent earthquakes IN VENEZUELA

Christian Aid MINISTRIES

A channel enabling the church to minister to physical and spiritual needs around the world

It was a typical evening in Venezuela on June 24. Motorbikes buzzed along the dusty streets of Caracas, past restaurants, noisy street vendors, and families enjoying supper in their homes. Fourteen miles underground, intense pressure was building between two tectonic plates. At 6:04 p.m., the plates slipped past each other releasing a magnitude 7.2 shockwave near Caracas, Venezuela's capital city. Only 39 seconds later, an even larger magnitude 7.5 quake struck!

Motorbikes swerved to the side of the road. Street vendors stood dumbfounded as their wares spilled from the tables. High-rise apartment buildings swayed, then thundered to the ground, belching dust into the chaotic streets. A CAM contact shared, "We didn't know what was happening—the power went out, there was no signal, and the shaking began. Everyone rushed to leave the apartment building to find a safe spot. The elevators jammed, so we had to use the stairs; people were running and falling, and many elderly individuals couldn't get out in time. Others remain trapped under the rubble."

When the shaking stopped, wailing could be heard from beneath the mountains of rubble. Recovery teams raced against time to rescue people from the twisted mess before they would die of injuries or thirst.

## Our response

We and our contacts wish to use this time to present the Good News to the suffering people of Venezuela as we assist them with much-needed aid. In recent months, we have been gearing up for a large-scale literature distribution in Venezuela. Large quantities of Bibles, Bible story books, and other literature are stockpiled near the affected area in Venezuela, ready for distribution. Along with other aid, these will be distributed to earthquake victims as well. We praise God for His hand in arranging this when we had no idea a deadly crisis was on the horizon!

Donations to this project will also be used to support a team of conservative Anabaptists assisting with disaster cleanup. Their church group has a vision to plant a church in Venezuela, so they hope to use this opportunity to plant the seeds of a future conservative Anabaptist church.

We are budgeting $1.5 million to respond to the needs in Venezuela. If you would like to help, your donation will provide food, Christian literature, portable water treatment systems, hygiene supplies, temporary shelters, and other assistance to the people of Venezuela in their time of need.

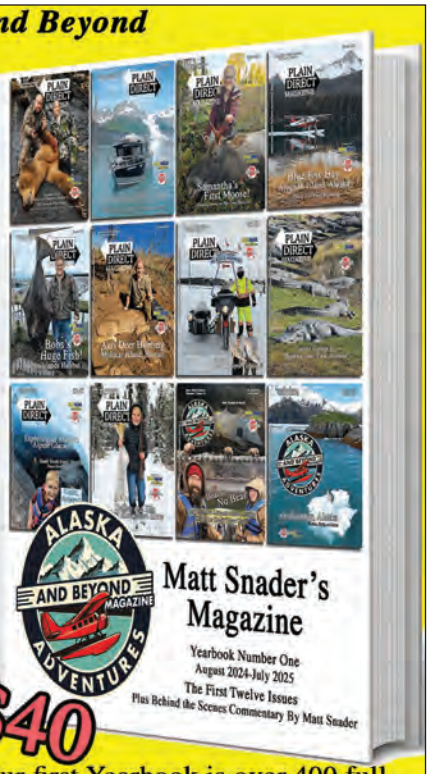
HUNTING/SPORTING/GRILLS

# Matt Snader's Magazine, *Alaska Adventures and Beyond*



Matt Snader publishes a magazine every month called *Alaska Adventures and Beyond*. It is full of articles about hunting, fishing, and the Great Outdoors. This magazine is family friendly. No need to worry about having to edit the magazine before the children read it, and yet it is still interesting enough for them to fight over (or so we hear). Dad likes it too!

While Matt has articles in each magazine, there are other writers to round it out and provide a bit of balance. Tom the Alaskan Homesteader, Gene Halteman, Jonas Miller (Montana Haven), Best-selling Amazon author Bobby Eaton, and Josh Snader all have regularly occuring articles covering hunting in PA to fixing float planes in Papau New Guinea.

**$40**

Our first Yearbook is over 400 full color pages bound in hardcover. Many hours of reading!

## Another Treasure Hunt!

Matt has hidden another treasure chest! This time it is not buried, but simply placed in the woods, less than 10 miles from readers! The magazine has clues to help you find it. The first person to find the chest, claims the prizes! More details in our magazine.

HEALTH/ HOME/CLOTHING

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

## HELP YOUR BODY HEAL THE WAY *GOD* DESIGNED IT TO.

We all know that pain is inevitable. There are days where you wake up sore, a headache visits in the afternoon, or your bad knee flares up again. But your body was designed with a purpose; to heal and flourish, not break down and limit your life.

Over time, communication from the brain to the body is often blocked by physical stress or injury. When communication is impaired, your body's natural healing ability is blocked and chronic pain and discomfort can take hold. Here at Vero Health Center, we believe in restoring that communication.

Instead of using harsh medications or surgery like most health practices in America, we target the nervous system through non-invasive neurologically-based care. By restoring the flow of messages from the brain to the body, we have seen incredible results in eliminating chronic pain *naturally*.

**NEW COLOR: Lemon Icing**

**Frequently asked Question**

**What is the best way to wash my Napper?**

Wash separately in cold water, using mild detergent. If in a washer, select a delicate or permanent press cycle. Avoid fabric softeners and bleach. If using a dryer, tumble dry on low heat. It may take several cycles.

Do not hang on a clothesline to dry, it is very heavy when wet, and prone to stretching. It works well to drape it over a Lifetime table in the sun, and should be dry in roughly the same time period as a comforter. However, for the easiest washing process, take it with you next time you go to the laundromat.

ADVANCED LIPOSOMAL SUPPORT FOR LYME DISEASE & TICK PROTECTION

**15% off until Aug 31,2026**

## CRYPTOLEPIS

~~$33.75~~ **$28.69**

### Advanced Liposomal Support for Lyme Disease*

Cryptolepis is a traditional botanical, clinically recognized for its ability to support the body in the treatment of Lyme disease and other tick-borne infections.*

It helps promote a healthy immune response, supports the body's natural detoxification processes, and encourages a balanced microbial environment.*

Ideal for both early-stage and persistent Lyme challenges, Cryptolepis works in synergy with the body to help restore vitality and long-term wellness.*

## METHYL B-COMPLEX + LEMON RASPBERRY

~~$37.50~~ **$31.89**

### Advanced Liposomal Protection That Works at the Source*

Liposomal Methyl B-Complex supports the body's natural defenses against ticks. This advanced liposomal delivery system helps B-vitamins bypass the digestive tract and is absorbed directly through the oral mucosa, entering the bloodstream rapidly for optimal bioavailability and utilization.*

This internal support helps maintain a balanced biochemical environment that is less attractive to ticks, helping you enjoy the outdoors with greater peace of mind.*

**NOTICE:**

Lyme disease continues to be a growing public health concern. Research indicates that the prevalence of Lyme disease in ticks is increasing:

- In a 2020 study in Germany, 10% of 1,000 ticks tested were carriers of Lyme disease.
- In a 2026 follow-up study, 90% were carriers.

Early detection and timely intervention are critical. The first 3 days are the most important. Begin treatment immediately to help prevent the spread of pathogens to cells and tissues.

**5 DAY TREATMENT. TRIED. TESTED. TRUSTED.**

*Every time a tick finds the wrong place to attach, be prepared.*

## it could be your thyroid!

## Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
***– Dan Stoltzfus, Pennsylvania***

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
***– Leah Miller, Ohio***

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
***– Kathyrn Yoder, Missouri***

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
***– Sue Albrecht, Michigan***

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing, I've already told many people to call you.
***– S Hertzler, Maryland***
