Editor's Note

Hello everyone!

This is some perfect weather that we are having! It has been nice and sunny for a few days already and the forecast shows another few days without rain. Tomorrow, they say the temperature is supposed to climb to the mid-eighties.

Today I was working outside for a few hours. My cousin has a tree business and one of his guys took off for vacation, meaning I had the privilege to help him out a little bit. We used a crane to handle the big trees that needed removed.

Earlier this week Mary and I attended a real estate sale. They provided a complimentary snack at the sale including soft ice cream, donuts, chips, and drinks. I thought that was cool. Some of these auctioneers have been very accommodating lately. If I don't buy any properties, I can fare quite well by attending real estate sales.

Thank you for visiting our booth at the Keystone Morgan Sale and Wagontown Driving Horse sale! Thanks for participating in the Busy Beaver!

MAXIMUM PERFORMANCE HORSE SUPPLEMENT

Give your horse the minerals that are no longer in the your feed!

50 lb Bag Granular $150, last 5 horses/ 1 month. 50 lb bag pellets $135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. **If you want to reduce ulcers, acid reflux and build muscle as well.**
2. **If you want to increase stamina and reduce recovery time, see a difference in 5 days..**
3. **If you want to calm your mares down, reduce tying up, anxiety and agression.**
4. **If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.**

Maximum Performance for Breeders

1. **If you want to reduce OCD's (soft bone chips in ankles and hocks).**
2. **If you want to have mares at peak condition checked in foal.**
3. **If you want to improve development of your foals.**
4. **Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.**
5. **Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality.** **contact 502-817-1947**

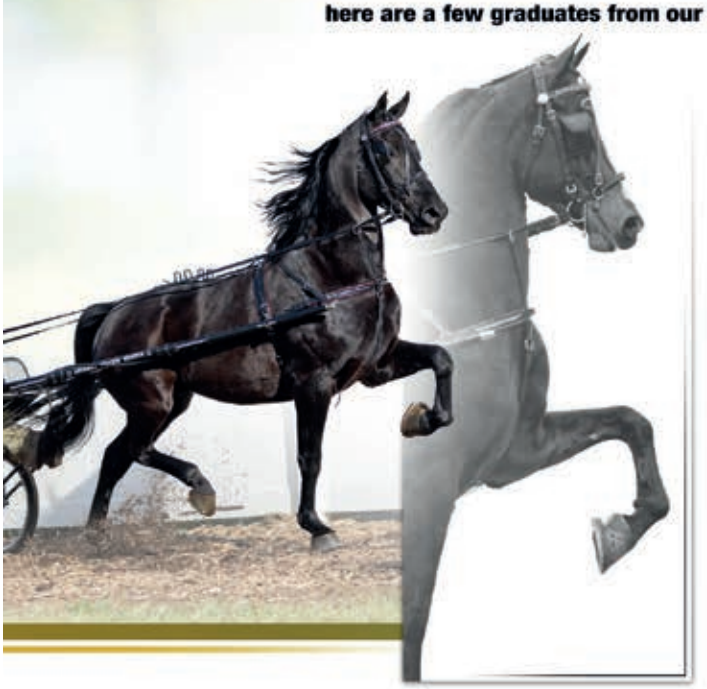
Announcing Our Transistion

to better serve the customer

As of August 1st 2026, Jonas Glick will take the training division home to his farm. He will be doing training full time. Here at Archery Equine Center we will continue with our reproduction and sale fitting. Our comitment to serving our clients will stay the same, from colt starting to sale prepping, we will stay committed to providing the same quality service as before.

here are a few graduates from our TRAINING TO SALE PREP PROGRAM



A note from John at Archery Equine Center:

We want to thank Jonas for his 3.5 years here at Archery Equine Center. Our continued growth and Jonas's desire to work at home prompted us to take this step. We look foward to providing you, the customer, with the same level of service. We expect this transistion will be beneficial to our customers, as each business will be able to more fully focus on there respective divisions. Also this will allow more room for horses here at Archery Equine Center without expanding our stalling.

We are expanding our sale-fitting services by offering yearling sale prep for the standardbred yearling sales. Call now with your needs.

We have a few openings to select stallions for the 2027 breeding season. Accepting applications for all breeds.

A note from Jonas at Hidden Hillside Stables:

I want to extend a heartfelt thank-you to John for having patience with me over the course of the last few years, and now with supporting me in taking this big step. We at Hidden Hillside Stables look foward to serving you, the customer, with full-time training. We are also excited to work closely alongside Archery Equine Center to keep the same level of customer service. Get your name in as we already have a few stalls booked!

OHIO VALLEY BIOCHAR
There is a Better Way

Biochar blends available for various farming needs, call for more information.

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

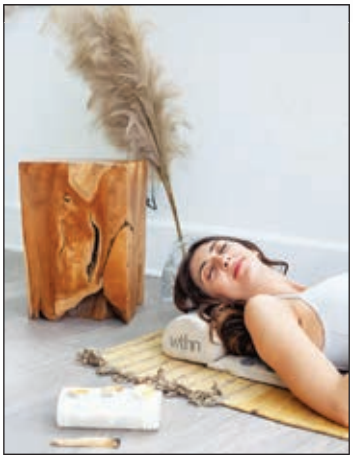
$138 for the mat.
Add **$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. Journal of Sleep Therapy 2015



Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – ***WTHN Client***

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Have Cancer Concerns?

Amygdalin (Laetrile) Vitamin B17 is a powerful organic natural substance that works to help control cancer and viruses which can be consumed through seeds or supplements. In the late 1960's, a pioneering physician, Dr. John A. Richardson, MD, dared to treat his cancer patients with a revolutionary treatment that included the use of Laetrile, along with a strict protocol of diet, exercise, and vitamins. It worked remarkably better than orthodox treatments. Apricot seeds contain the highest concentration of B17 found in nature. These seeds also contain high levels of Thiamine/B1 and Omega-3 fatty acids. From cellular health to inflammation to respiratory conditions, this super seed is also great for animals!

Find the Cause. Get the Right Help. Feel Better Again.

At Apex Chiropractic & Wellness Center

Advance Neurological & Holistic Care • Lancaster, PA

Patient Success Story:

Our 10-year-old daughter was struggling in so many ways. School had become overwhelming—she had trouble focusing, keeping up with her work, and understanding what she was learning. On top of that, she was constantly tired, with very little energy to get through the day, and she often complained of stomach pain that made everything even harder.

As parents, it was heartbreaking to watch. We knew something wasn't right, but we didn't have answers.

From the moment we came to Apex, we felt heard. They took the time to truly understand what our daughter was going through and explained things in a way that made sense. It wasn't just about symptoms—they looked deeper to find the cause.

Since starting care, the changes have been incredible. Our daughter has more energy, her focus has improved, and she's much more confident in school. Her teachers have noticed a difference, and homework is no longer a daily struggle. Even her stomach issues have improved, and she just seems happier and more like herself again.

Seeing her smile, engage, and enjoy life again has meant everything to our family.

We are beyond grateful to Apex Chiropractic & Wellness Center for the care, compassion, and results they've given our daughter. It has truly been life-changing.
-Mary

Im just finishing month 1, and feel so good, my husband wants to do the cleanse as well.

After a lot of doctoring and unanswered questions for my stomach pain I was ready to try anything so I started out with the dōTERRA Cleanse and Restore. Within the first 30 days, I was able to get up and get back to work, the pain was significantly less, my mood swings so much better, more energy. I was so impressed and have not been without since

We struggled with infertility, and after both my husband and I did the cleanse, our baby girl was on the way!

The Cleanse was the reset I needed to start weaning myself off antidepressants. Within 2 months of doing the cleanse I was free of my anxiety meds!

MIGHTY MUSHROOM COFFEE

Howdy Folks,
Pull up a chair, put your feet up and take a deep breath to take in the aroma of an exceptionally well made cup of coffee. Over the years I've learned to enjoy a premium cup of coffee and I think this one fits the bill, with the added benefit of six different medicinal mushrooms: Turkey Tail, Cordyceps, Chaga, Reishi, Lion's Mane, and Oyster Mushrooms. Enjoy!

Weather: not much snow, rainy season June-August, dust storms in spring, hail possible in late spring/early summer, 2023 and 2024 were extremely dry years with poor crops but half-decent prices, 2025 had more rain but prices were lower yet (crops could be sold but for a lot less)

Money: The dollar is worth less in Mexico right now than it has been in a long time (Around 17-18 Pesos per dollar)

Keystone Steel Structures is a small company that specializes in erecting and finishing steel buildings. The owner started the company in October 2001. The first few years Keystone was only involved in the erection of the steel structure itself. However, due to customer demand, we have chosen to expand the company's services to include supplying a complete pre-engineered metal building package as well as providing general contracting services for an entire project. While we would be happy to erect a structure from any supplier, we are proud to supply our buildings through Whirlwind and Metallic Building Systems. Over the years, we've collected many awards and honors for the work we do with them.

We strive to build our reputation with excellent communication and unrelenting persistence at keeping our promises to supply quality construction. We are committed to delivering great value and service to our customers.

WORLD HUNGER FUND

Food encourages people in war-torn Ukraine

As the violent and deadly war between Ukraine and Russia continues, many people are left displaced, without jobs, and in despair. Some have lost family members and have witnessed the horrors of war.

We are grateful for an avenue to provide food to people in Ukraine, even to some who are caught in the middle of the conflict in Russian-controlled areas. The gift of food blesses and encourages those who have felt the tensions of war for over four years.

A family who received food from CAM contacts wrote, "We . . . thank you with all our hearts for the food items you have gifted to our family. . . . [Our children] were delighted and truly surprised to discover that, in these times, there are still people who care deeply for others who recognize their needs and who are willing to make sacrifices of their own. May the Lord bless you!"
