Editor's Note

Greetings!

I told my husband that I wish I could see the birds from my office window. Our bird feeder is in the back of the house. While I was out the other day, he installed a hook on the side of the house next to my office window, and hung a bird feeder. It was such a nice surprise! I have not seen any birds there yet, it will probably take some time for them to find it. I told him now we need a sign that says, "Free Food!" 😊

Reminder: Our next Busy Beaver Booth will be at the Little Valley Farm Auction, June 18-19. Stop by our booth and say "hi!"

We've all been there: it's 2:00 PM, the "brain fog" is rolling in, and the siren song of a third espresso or a sugary snack becomes impossible to ignore. For decades, caffeine and refined sugar have been the go-to fuel for the modern worker. But while they offer a quick spark, they usually leave us with a jittery heart and an inevitable "crash" that leaves us more depleted than before. If you're looking for a sustainable way to sharpen your focus without the roller coaster, Midday Focus Greens might just be the upgrade your brain has been waiting for. True mental clarity isn't about forcing your brain to work harder through stimulants; it's about giving it the raw materials it needs to perform at its best. By trading the temporary "buzz" of sugar for the deep, nutritional support of greens, you're not just clearing the fog--you're building a more resilient mind. Midday Focus Greens \$51.87. (Includes tax and shipping.) Buy 2 or more for a 10% discount. Call or write NuLife today to place your order. NuLife Communities 1390 Co Rd 600 Baltic, OH 43804, 330-845-4004

DAVID STOLTZFUS FUND

On Sunday morning, April 19, David Stoltzfus lost his wife and six children (the whole family). David had just arrived at church a ½ mile from his home (wife Sarah stayed home because one of the boys was sick) when suddenly the beautiful Sunday morning was shattered by a loud explosion. Within seconds the whole house was engulfed in flames; the house and everything in it was lost.

If you want better nutrition....
you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

Proven The Hard Way

From the creators of P-One™ and Ocean Minerals™

Built in Wisconsin. Built for a Reason.

Before gut health became a category, before microbiology became a buzzword, before every company claimed to "support the rumen," there was a problem no one had solved.

On a Wisconsin farm, animals were struggling in ways that didn't add up. Rations were balanced. Protocols were followed. And still, performance slipped, consistency broke, and health issues kept showing up.

Most accepted it.

Richard V. Breunig didn't.

The Idea That Wasn't Accepted

When Richard began focusing on the microbial environment inside the animal, it didn't get support. It got pushback.

He was told it wouldn't work. That it would fail. That it could cost him everything. Some said it would ruin his cattle, others said he was crazy.

In an industry built on tradition, that kind of thinking wasn't just questioned, it was rejected.

But the Problem Was Still There

Ignoring it didn't fix it.

Richard wasn't chasing a theory. He was trying to solve something real. So the work continued in the barn, on real animals, under real conditions. Not in a lab, not in controlled environments, and not based on assumptions.

It was built through trial, observation, and results on his Wisconsin dairy.

A Different Way Forward

What started as resistance eventually became results.

When the microbial balance inside the animal improved, intake stabilized, consistency returned, and performance followed. It wasn't magic. It was understanding what was actually driving the system.

And it challenged the way the industry had been thinking and today is reshaping the industry.

Why We Still Build It Here

A lot of companies move production when they grow.

We didn't.

Priority IAC still manufactures in-house in Wisconsin for one reason: when you control the process, you control the outcome and accountability.

No outsourcing, no shortcuts, no guessing what's in the product or how it was made. Just consistency, built the same way every time.

This Was Never About Following the Industry

Long before it was accepted, this work was already being done. Not because it was easy or popular, but because there was a responsibility to the animals and to get it right.

Even when it meant standing alone.

The Same Philosophy Today

The industry talks about gut health now. We've been building around it for decades, and we still operate the same way: close to the animals, close to the process, and focused on what actually works.

Built Here. For a Reason.

Being built in Wisconsin isn't just where we are, it's how we operate.

It means staying connected to the work, staying accountable to the outcome, and building products the way they were meant to be built.

Because when it comes to animal health and performance, where it's made matters.

Spring arrives in whispered light,
Soft petals waking from winter's night,
The air hums sweet with budding trees,
And earth exhales in gentle breeze.

In garden rows, new life takes hold,
Green tendrils push through patient soil,
Hands in dirt, a quiet art,
Each seed a promise from the heart.

Colors bloom in bright array,
Bees drift slowly on their way,
And in change of sun and rain,
The world feels young and whole again.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Pressure Point Mat Set

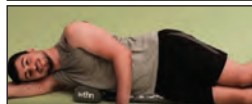

Lay back, breathe deep, and let the tension melt away.

Great Gift!
for Father's Day

\$138 for the mat.
Add **\$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. *Journal of Sleep Therapy 2015*

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – *WTHN Client*

ATTENTION NEIGHBORS LIVING WITH SEVERE BACK PAIN — DON'T WAIT UNTIL IT GETS WORSE

EDDIE Y. COULD BARELY CRAWL... NOW HE'S WALKING AGAIN WITHOUT SURGERY

FREE REPORT:

HOW MANY SEVERE BACK PAIN PATIENTS AVOID SURGERY

Eddie had been suffering with severe back pain for months.

"I had 5 bulged discs, 4 herniated discs, and 3 tears in my back."

It got so bad he **couldn't walk**.

"I had to crawl most of the time... I was off work for 3 months."

But when Eddie came to Midwest Disc Clinic, they put him on a natural care plan — no surgery, no drugs. Things started to change within weeks.

After completing his care plan, here's how Eddie feels now:

"I can walk again. The pain is finally manageable."

For Eddie, that means back to work. Back to his family. Back to life.

Eddie is now one of our patients who once felt unsure — and now wants to help others decide.

Bearaby

Bearaby weighted blankets are rated at
4.8 out of 5 Stars
from dozens of verified "Busy Beaver" Bearaby users.

Natural deep sleep

Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind

The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling

Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

Did you know, a Bearaby gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

Our handmade **Cotton Napper** is a breathable, knitted weighted blanket to help you fall asleep faster and feel calmer, naturally. Designed for individual use, your Napper should be about 10% of your body weight. Not designed to add warmth. **Made of 100% organic cotton.**

FARM ANIMALS

Hope in the form of chicks

Tsira was only 30 years old when her husband passed away unexpectedly. She lives in the country of Georgia which is located in southeastern Europe. Life was difficult for Tsira and her two young children. "We were left without means of support. I raised my children in great poverty," Tsira reminisced.

Time went on and Tsira's children got married and started their own families. Life was a little easier for Tsira, now that she had only herself to support. But recently, Tsira suffered yet another loss when her son passed away suddenly. "The loss of my son was a double blow for me. Now I live with my daughter-in-law and we are raising three fatherless children. We live in great need," Tsira told our contacts.

"Many nights I woke up thinking about what I would feed the children in the morning," she shared. "With tears I prayed to God for help because it was painful to see my hungry grandchildren. We were going through very difficult times."

Once again Tsira's life changed, this time by the gift of chicks. "God's people brought us chicks," she rejoiced. "What surprised us even more was that

Tsira and her three grandchildren are excited to receive chicks from CAM.

along with the chicks they also brought good quality feed!" How glad Tsira and her family were for these chicks!

"Words cannot describe the joy of seeing my grandchildren smile again," Tsira told our contacts. "Your help showed us there are still kind and caring people in the world. Now we look to the future with hope and believe that together many things can change."

Froman Hill BOYS RANCH

Restoring Hope through Discipleship
Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work.
Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troysers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.
