Editor's Note

Greetings to all!

Today was very pleasant, I appreciated it even more because of the rainy weekend and cloudy days that followed. I enjoy going for a walk on Sundays but if it rains, I'm somewhat limited to that excursion. But when I'm enthused about going for a walk in the rain, I have peace and quiet, I usually don't meet anybody on the trail.

Today I helped my neighbor pour some concrete, which was great. Masonry was my occupation at one time, and it seemed like the good old days again. We ordered the right amount of concrete within a shovel full. Not too bad for an office boy…

Thanks for choosing to advertise in the Busy Beaver, we appreciate your business!

-John Zook

Yes, 6-way works for us! Last spring our horses hair coat was kinda ugly & one needed weight. Now all our horses that get 6-way have nice hair coats! our 19 year old mare has a nice hair coat like the rest of the horses. You would not think shes 19 by the way she looks, her hair coat is nice as can be! they kinda nose around in there feed until they get there 6-way. Definitely good stuff, we love it & the horses doTo!

A happy customer, O. Gingerich

At **Yeshua Is The Way** Ministries, we have partnered with local Christians in Pakistan - where there is a great need for spiritual and financial support from the global church body. In a country where Christians face discrimination, poverty and persecution, there is still a hunger for God. Men, women and children are responding to the Gospel! People are being healed from pain and disease! Families are being freed from bonded debt that traps generations in manual labor.

We welcome your financial support for our current and upcoming projects. Our heart is to continue blessing and ministering to these believers and their neighbors by hosting Prayer Festivals, providing Food Kits, financing medical care, and more!

Current Fundraising Needs Include:

- Food Kits and Medical Care Support
- Capital Campaign to purchase a Church Building
- Salary for Pastoral Staff in Pakistan
- General Ministry Expenses *(travel, administration, maintain website)*

Froman Hill
BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We recieve so much more here then what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunites and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

LIFE'S SPECIAL SUNBEAMS

Life's Special Sunbeams

Volume 20, Issue 2 February 2025

Not all of us can do GREAT THINGS. But we can do small things with GREAT LOVE.

This is a magazine for parents, teachers, and caregivers of children with special needs. It features stories from parents who have traveled the path of caring for a child with extra needs, and teachers who spend time in the classroom with these children. There is a page of cute remarks made by special needs children, letters to the editor, several monthly writers, a page for showers, and one for advertisements pertaining to special needs. There are eleven magazines a year. July and August are combined.

cute remarks:

While talking about elephants, Christ (age 7) said, "You can't pick them up with a fork lift, it would tip!"

After counting and doing exercises awhile, Amos said, "My mouth is tired."

Maximum Performance Horse Supplement

Pellets for Horses that are Picky Eaters or Have Ulcers. Also Great for Driving Horses & Stallions!

Here is a young colt with two hind Ankle OCD's and really wormy Date 6-9-20

Hay and grains have fewer minerals today. You really need to supplement for peak performance and breeding nutrition.

50 lb bag-granular, $150 lasts five horses—1 month!

50 lb bag-pellets, $135 lasts one horse—50 days!

Here is the colt 57 days later with NO OCD's in either hind leg and a beautiful shiny coat at 7-27-20

Mr Schwartz's mare was running off with his girls, biting them, he knew she had an ulcer, 15 days on the pellets, she is so calm, warms up nicely, goes longer, stronger and cools down faster. Wow, he was so excited, he wants to breed her, instead of giving her away.

Mr Miller says he had never had stronger colts, jump up right out of the bag, run around the stall and jump over the mare, before she got up. His best year breeding, mares strong after foaling, strong babies, plenty of milk. It was a dream foaling season. He will keep his mares on mp while in foal and after.

Mr Yoder had tried to breed his favorite mare for 12 years, after 30 days on MP she checked in foal. He is so excited.

Mr Yoder bought a mare they said was lame, could only be bred. He put her on mp and 15 days, she was bucking coming out of the barn. He hooked her to the cart and off she went straight down the road. He called and wanted to be a dealer. He said," Anyone with a driving horse needs MP. This is the greatest stuff for driving horses!"

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in our feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, cool down faster, and improve hoof quality.

1. **If you want to reduce ulcers.**
2. **If you want to increase stamina and reduce recovery time—may see a difference in 5 days!**
3. **If you want to increase oxygen for better stamina and improve oxygen to the cells for driving and work horses performance.**
4. **If you want to calm your mares down, reduce tying up, and anxiety.**
5. **If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.**

Learn How to Maximize Breeding!

1. **If you want to reduce OCDs, improve fertility.**
2. **If you want to have mares at peak condition ready to be checked in-foal, calm mares down as well.**
3. **If you want to improve development of your foals, strong when born, boost immune system, strong bones.**
4. **Vets explain OCDs are caused by mineral imbalance while mare is in foal.**
5. **First 11 months gestation—not enough calcium and minerals causes bone chips, OCD's.**
6. **Stallions have better sperm count, maintain muscle mass, and maintain hoof quality during breeding season and year round.**

INTERNATIONAL ANIMAL CONCEPTS

Build Your Calf Barn From the Foundation Up

Smartbacteria™ is a foundation you can build on.
STARTUP GEL | CALF GOLD | GOLD SPIKE

Most calf programs focus on inputs. Milk, starter, protocols. But long before any of that matters, the foundation is already being set. A calf's microbiome develops early and when it's off, you don't just see it today, you pay for it later.
Inconsistent growth. Health challenges. Poor efficiency.
Not because the ration was wrong.
Because the foundation was.

STARTUP™ GEL

Get the gut started

A concentrated gel, providing Smart*bacteria* to start up gut function at birth

CALF GOLD™ 3E

Builds The Rumen at Birth

Proprietary Smart*bacteria* strains that work to lay the health foundation in the rumen. Helping establish a highly functioning rumen for a smooth transition at weaning.

GOLD SPIKE®

Backs The Immune System

Smart*bacteria* that help support a healthy GI tract and immune system.

Your antibiotoic alternative.

A SMART*BACTERIA*™ ALTERNATIVE FOR BARNS LOOKING TO RELY LESS ON ANTIBIOTICS

Antibiotics don't pick sides. Heavy use can cost a calf the same gut bacteria that drive digestion and immunity. Gold Spike® takes the opposite approach: it works with the calf's biology to help support a healthy GI tract and immune response, so your barn can work toward reaching for antibiotics less often.

PUT YOUR CALF BARN ON THE FOUNDATION

Idaho Whole-Apple Cider Vinegar

GREAT APPLE CIDER VINGAR HAS A "ONE-TWO" PUNCH…

1) Looking for less disease and fewer internal/external parasites this year? THIS ACV has an alkaline forming response in any mammal's body, which is your shield against those issues.

2) The ENERGY and ENZYMES from the Whole-Apples contained in this vinegar are ALL still intact to help boost your livestock's digestion of any feed. The minerals in your feed are 90% bio-available .

The drier your feed, the better this ACV works!

How would you like a summer where your calves gain more and have less pink-eye?

Looking for your milk bonus?

A farmer wrote to us saying how he lowered his cows SCC and his milk inspector is really pleased. This is what he did:

1. CMT every cow in the barn.
2. Mark all high quarters with a crayon.
3. Use Hornet Udder Tonic on those quarters once a day for 3 days.
4. Cover every quarter with Super Cow Udder Mint twice a day for 7 days.

The money he spent on his cows, he received back from the bonus!

1 bottle is enough for 4 quarters

It's time to THINK SPRING

If you want better nutrition.... you need to start with better soil

OVB
OHIO VALLEY BIOCHAR
There is a Better Way

Now is the time to apply Ohio Valley BioChar to your fields and gardens!

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Biochar blends available for various farming needs, call for more information.

Soil Test... Your Road Map To Success...

Alfalfa, Corn, Beans, Produce, Pastures, Gardens, etc.

Fall is the best time of the year to pull soil test and get a fertility plan in place for the following crop year. Our team will start out by pulling the soil test for you, then making a custom recommendation based off of your operation, and spending some time reviewing the results with you so you understand what you are applying and why you are applying it. Our goal is to build the best program we can to help you achieve the results you want while still keeping your farm budget in mind.

After the fertility plan is approved, we will then figure out what the best plan is to apply the fertilizer. Mixes can either be applied truck spread via Nolts Spreading, 717-733-8528, or we can also deliver in a small spreader cart.

Cleaners that work on everything including: Buggies, Laundry, Kennels, Equipment, and so much more!

It was early November, and the woods were just starting to come alive with rut activity. I'd been scouting a funnel between bedding and feeding areas, and the sign was fresh. With the wind in my favor, I decided to try something I'd heard other hunters talking about – Buck Whiff.

I kept it simple. A few drops on a drag rag, and I walked a slow zigzag toward my stand. Passing an existing scrape I put a few squirts of Buck Whiff in it about 20 yards out, right where I expected movement. The scent was fresh—noticeably different from some of the bottled stuff I've tried in the past.

An hour or so after settling in, I caught movement. A decent buck stepped out, nose down, locked in on the trail I'd made. He paused at the scrape, visibly aggravated, and gave me the broadside shot I'd been waiting for.

What struck me was how naturally he reacted—paused, hair bristled, stiff legged walk – you know what I mean. He was ready for a going around with this new buck that had just intruded his territory.

I've learned that when you use a lure like Buck Whiff correctly—fresh, sparingly, and always with the wind in mind—it can tip the odds in your favor. It's not magic. But in the right moment, it's the edge that matters.

"Lions Mane Talk"

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

HAVE YOUR ADJUSTMENTS STOPPED HOLDING?

If adjustments bring relief but your back or neck pain keeps returning, listen to Dr. Jeff's free recorded message before deciding what to try next.

Many People Are Told Their Only Options Are More Treatment, More Injections, or Surgery

If you are one of the millions of people suffering with back, neck, or sciatica pain, you are not alone. Disc problems are one of the leading causes of long-term pain and disability in our country. And if you have been dealing with this pain for any length of time, you may already know how frustrating and discouraging it can be.

Many men and women tell us the same story. They started with mild discomfort. Over time, it got worse. They saw a doctor, had tests, and tried physical therapy, chiropractic care, medications, or injections. Sometimes these treatments helped for a while. But the pain came back.

Eventually, they were told their only choices were more treatment, more injections, or even surgery.

This leaves many people feeling hopeless and unsure of what to do next. That is why we created this recorded health report.

After helping thousands of patients with disc problems, we have seen a common pattern. Some people improve temporarily, while others continue to struggle. The difference is not always what you might think.

The good news is that understanding why disc pain keeps coming back can help you ask better questions and make more informed decisions about your care.

IN THIS RECORDED REPORT YOU'LL DISCOVER:

- ✓ Why disc pain keeps coming back
- ✓ What may block disc repair
- ✓ Why relief often doesn't last
- ✓ What many patients are never told
- ✓ What may be behind sciatica symptoms
- ✓ Questions to ask before injections or surgery

REAL PATIENT STORIES

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." — **D. Hershberger, Nashville, MI**

"I was having lower back pain and right leg pain when I came to MDC. I was on crutches for two days and in bed for a week, not able to work.

After my DOSAE® treatments, I am back to work and feel 85% to 90% better. Thank you to the doctors and staff at MDC. Everybody is very friendly and helpful!" — **D. Troyer, Randolph, NY**

GET BACK TO WHAT YOU LOVE. WE'RE HERE TO HELP!

try the FEEL GREAT SYSTEM

Simple. Natural. Guaranteed.

Working with the body God designed – naturally.

No restrictive diets. No complicated rules.

What is it?

Studies show as many as 9 in 10 American adults are metabolically unhealthy — and insulin resistance is the hidden root behind much of today's diabetes, weight gain, and constant fatigue. Medications trim the branches. This addresses the root. The Feel Great System is simple: two natural drink mixes and time-based eating that work with the meals you already cook — no counting calories, no special foods, no guesswork. Backed by over 20 clinical studies, listed in the PDR — the reference guide physicians have trusted for decades — and a 100% money-back guarantee.

We're Jim & Diane Stelter from Hudsonville, Michigan. A few years ago we were low on energy, gaining weight, and adding medications every year. We found a simple daily system and use it every day. Jim, 75, has lost 50 pounds and is off blood pressure medicine; Diane, 68, has lost 30 pounds, lowered her cholesterol, and her joint pain is gone. Ask questions and decide for yourself — we answer every letter and call personally.

This is why doTERRA's 90 day reset is an extremely effective, option to reset the body & a good choice if you deal with low energy, hormone issues, digestive issues, or just want to give your body a fresh start by cleaning and detoxing the organs.

Month 1 **Focuses on preparing the body to cleanse**. You will pump your cells full of nutrition, while preparing your liver up to begin deep detox. You should feel renewed energy this month, as well as better digestion. $215

Month 2 **gives your body a deep 'house cleaning'**. The protocol deeply cleanses the liver, colon, kidneys, liver and gall bladder, cleaning out toxins, old infections, parasites & yeast & encouraging hormone healing. $275

Month 3 **puts the good back into the body**. You get vitamins & minerals, collagen & probiotics to give your newly cleansed body the tools to rebuild and repair. You will enjoy energy and overall healing this month $270

Im just finishing month 1, and feel so good, my husband wants to do the cleanse as well.

After a lot of doctoring and unanswered questions for my stomach pain I was ready to try anything so I started out with the dōTERRA Cleanse and Restore. Within the first 30 days, I was able to get up and get back to work, the pain was significantly less, my mood swings so much better, more energy. I was so impressed and have not been without since

We struggled with infertility, and after both my husband and I did the cleanse, our baby girl was on the way!

My weight went down & skin issues cleared well when I did the Reset

The Cleanse was the reset I needed to start weaning myself off antidepressants. Within 2 months of doing the cleanse I was free of my anxiety meds!

it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.
– Dan Stoltzfus, Pennsylvania

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.
– Leah Miller, Ohio

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!
– Kathyrn Yoder, Missouri

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.
– Sue Albrecht, Michigan

I was put on Armour for an underactive thyroid and was taking it for a year. I was still not feeling well. Come to find out I didn't need to be on any medication to begin with. My hormones are now balanced and I feel better with no medication. It's nice to see and feel the results.
– S. King, Pennsylvania

Dear Friends,

Great Gifts for all Ages

Have you ever seen 7 or 8 rainbows in one day? While traveling home from therapy with our handicapped daughter, (and crying out to the Lord for hope and healing.) We saw these rainbows - different ones! We knew the Lord gave us this gift of encouragement: HE PROMISED!

Do you have a passion for the Salvation of your Loved ones? Here is Encouragement for all ages!

Have you ever felt like you couldn't go another step? There's Hope and Healing here, in the promises of the Rock of our Salvation. Search and Find for the Wee ones, a simple story for the littles. Scripture memory verses to encourage, inspire, and memorize: Even the older among us have enjoyed the secrets to joy found hidden in His Promises in these stories!

Best nap ever.

81% sleep through the night when using a weighted blanket

60% feel less anxious after using a weighted blanket

Frequently asked Question

How do Bearaby blankets get their weight?

The **Cotton Napper** is weighted entirely through hand-knit organic cotton — not beads, not pellets, not hidden fillers. Just pure, breathable cotton loops layered to create natural, even weight. It is precisely engineered with a heavy cotton yarn, and compacted to the perfect density to give you your best nap ever.

The **Tencel Cooling Tree Napper** combines the above process with a blend of Eucalyptis fibers to give you the same effect as the cool side of your pillow, all night long.

SPREAD THE WORD!

As many of you know Sammy had a second surgery last fall to remove a non-cancerous brain tumor that had grown back after his first surgery a few years ago. They followed this surgery with a round of radiation to try to eliminate every last bit of the tumor, so that it hopefully won't grow back again. What you might not know is that this has left Sammy and Rose with a large hospital bill that they need to pay out of pocket. They are members of Christian Healthcare Ministries (CHM), but CHM only covers $125,000 in medical expenses per incident or illness. Sammy's medical expenses related to this incident exceeded this by far and they will potentially be responsible to pay around $75,000 personally.

New Book Release by Matt Snader!

The Snader Family took a trip to Europe! They visited Ireland, France, Switzerland, and Italy. Along the way they visited famous landmarks, including the Eiffel Tower, the Leaning Tower of Pisa, the Colosseum, and many more. It wasn't all just history-Matt rented a Ferrari and hit 140 mph with it on a racetrack. Some of the girls went bungee jumping, and their large family attracted extreme amounts of attention everywhere they went (it is unusual to have even three children in Europe).

Matt Snader is coming to Pennsylvania!

October **29**, **30**, and **31** (Thursday, Friday, and Saturday)
Matt will be showing his Alaska travelogue at Martindale Fire Hall, located at 542 Gristmill Rd, Ephrata Pa 17522
Doors open at 5:30 PM, program starts at 6:30 PM and goes to 8:30 PM
Tickets: Adults $15 / Ages 4-15 $8 / 3 & Under Free
Family pass $50 (only those that live in your same house)
One ticket is good for one evening.

Matt will be showing a video of harvesting a moose behind his house, some shots of the FirePro car launch, and fishing with Amos Raber in Prince William Sound. Last time Matt was here, not everyone fit in the building, so consider buying your tickets ahead of time. If there is still room there will be tickets available at the door. To order tickets contact our office or they can also be purchased online.

THE COLD AND WEARY

Christian Aid MINISTRIES

A channel enabling the church to minister to physical and spiritual needs around the world

Winter is coming. For most of us, that means pulling a warm coat from the closet, putting on a pair of fleece-lined boots, and wrapping our children in cozy blankets. Imagine facing winter with few of these things. You could live in a refugee camp where temperatures plunge at night. Biting winds sneak through the cracks of the makeshift tarp doorway. The cold leaves you shivering, but the hardest thing of all is watching your children go without warm clothing or shoes—knowing you have little money to buy them.

This is reality for many people in Syria, Yemen, and other countries. To many, winter brings a sense of dread. Months of hard work and saving allow some parents to buy clothes for their children, but for others, this is nearly impossible. In refugee camps, employment opportunities are scarce. And no work means no income. No income means no warm clothes.

Omar,* a Syrian father, once provided for his family of five. Then an explosive device detonated near him, leaving permanent scars across his face and body. He was left blind.

But Omar says the physical darkness was not the deepest pain. Even more heartbreaking was watching the darkness that gradually settled in the hearts of his children. He could hear their crying and knew the uncertainty that had become part of their lives frightened them. War had taken away their safety and replaced it with fear.

One day, the family received a box of donated second-hand clothing. The children rejoiced! "The clothes were not simply pieces of fabric. They were a touch of love that helped mend our hearts. They were also a great lesson for my children that goodness never dies," Omar shared gratefully.

He continued, "I thank you from the depths of my heart—a heart that may no longer see with its eyes, but can see your love. I pray that God will richly reward you for all you have done for me and for my family."

Ali, another Syrian father, lost his home because of war. The family of four fled for safety, leaving behind their belongings, clothes, and home. "But God is always present, even in the most difficult moments," Ali told our contact. "He sent people to stand beside us and provide what we needed when we had nowhere else to turn."

Ali continued, "We extend our heartfelt thanks to the persons who sent the clothes . . . you embraced us like a mother, offering us both practical and emotional support when we needed it most."

Thanks to funds from supporters, needy families like Ali's and Omar's can receive bags of gently-used, quality clothing. Your gift can meet a practical need while also reminding a hurting family that someone cares—and that God has not forgotten them.

While we receive about the right amount of donated clothing and kits each year, we have a significant need for funds to ship and responsibly distribute these needed items. If you wish to help with this need, your support will be greatly appreciated!

Scam Alert: Fake Farm Equipment and Vehicle Sales on Social Media

Scammers are pretending to be farm equipment businesses, selling fake equipment and vehicles. Don't be left stranded and empty-handed.

Here's How the Scam Works:

- Scammers use realistic-looking social media ads and copycat websites to sell tractors, vehicles and other farming equipment that do not exist. They'll send fake purchase agreements, demand thousands of dollars upfront, and schedule a delivery date.
- Unfortunately, the delivery never comes. It was never a legitimate business. The scammer stops answering your messages or makes excuses for why the delivery was delayed.

Stay Vigilant!

- **Before you buy based on an ad, check it out.** Do your research by searching online for the company name plus "scam" or "complaint".
- **The first search results you see might be sponsored ads.** Scammers pretending to be a real business will place paid ads to gain credibility. Scroll past those ads, and make sure to confirm the company website and contact information before engaging in a conversation.
- **Never send money to anyone who says you can only pay a certain way.** Scammers prefer payment via wire transfers, gift card, cryptocurrency, or payment app, because it's almost impossible to get it back.

Your safety is our top priority. Please share this alert with friends and family to help prevent further scams.

AUCTIONEER REMARKS - *If your ideal weekend involves a fishing rod, a tree stand, or a kayak, this one puts it all within walking distance. A few honest notes: the steep driveway with water breaks is best handled with a 4x4, and the cabin floor is uneven — it's been that way since the current owner bought it 10 years ago, and the stick-built structure could use additional supports to level it. Whether you're after a hunting camp, a weekend getaway, or a quiet place to unwind between adventures, this property puts the outdoors right at your doorstep. Convenient down payment and bridge loan options.*

Agricultural Health Hazards & Immune Stressors: Corn dust, silo gases & your immune system...

NEW! Ask Pam...

1. **Primary Hazards & Pathophysiological Mechanisms — Corn Dust & Particulates —** Inhaling organic dust containing molds, fungi, and endotoxins triggers acute and chronic pulmonary responses:
   Organic Dust Toxic Syndrome (ODTS): Non-infectious, flu-like febrile illness (fever, chills, myalgia) appearing 4 to 12 hours post-exposure due to heavy endotoxin and mold inhalation.
   Farmer's Lung Disease: Immune-mediated hypersensitivity pneumonitis caused by repeated exposure to thermophilic actinomycetes, leading to granulomatous alveolar inflammation and fibrosis.
2. **Core Prevention and Safety Standards — Silo Gases (Fermentation By-products) —** Peak within 24 to 72 hours post-filling of green forage:

Silo Gases: Avoid entering tower silos or working near active silage for at least 3 weeks post-filling.

Ventilation & PPE / Forced Air & Respirators: Run continuous blowers before entry. Use NIOSH-approved particulate respirators (N95+) for dust; toxic gases require SCBA (Self-Contained Breathing Apparatus).

Site Protocols / Access Control & Buddy System: Lock silo doors, post bilingual warning signs, and enforce a strict three-person rule (never enter a bin or silo alone).
