Editor's Note

NUMBER 61 • JUNE 26, 2026

Greetings!

Did you know that a turtle's shell is part of its skeleton? Painted turtles and snapping turtles are commonly found in farm ponds. They usually lay their eggs in the ground within a couple 100 ft of the pond where they live. When the babies hatch, they make their way to the surface and find the way to the water. Painted turtle babies are very small and make an easy meal for animals like racoons and opossums. Once they reach the water they might become a meal for a snapping-turtle. Turtles eat plants that grow in or close to the water, as well as insects. They enjoy basking in the sun.

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. **The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant.** Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

Want Healthy Trees?

Our Carbon Based, Biologically Correct Nutrients Help Your Trees Hold Up Better During The Hot Summer Months

Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

Happy trees have fewer problems. This stuff works!

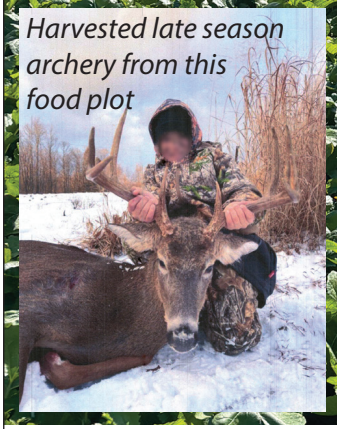
Do you want BIGGER bucks on your food plot?

If you want better nutrition.. You need to start with better soil.

OVB
OHIO VALLEY BIOCHAR
There is a Better Way



Harvested late season archery from this food plot

Now is the time to apply Ohio Valley BioChar to your food plots!

Actual results after application of OVB Food Plot Blend.

What is biochar?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and waterways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

What is the benefit to you?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

SPRIGS® SPOTLIGHT

For years, **Sprigs** *has been trusted for pregnancy, children, and family wellness. Rooted in traditional herbal wisdom, black walnut has long been called "the household dentist" for a reason. This is for everyone who wants to better their dental health*

The Household Dentist

Shortened excerpt from - From Be Your Own Doctor by Rachel Weaver

For generations, black walnut has been valued for its powerful natural properties. Rich in organic iodine and minerals like potassium, magnesium, and silica, black walnut has traditionally been used to support inflamed tissues, eliminate microbes, and strengthen tooth enamel.

Herbalist Dr. John Christopher even included black walnut in his tooth powder, noting its ability to nourish muscles, nerves, skin and yes, teeth.

Traditionally Used To:

- Relieve toothache
- Rebuild enamel
- Support healthy gums
- Reduce bacteria in the mouth

A Story of Tooth Recovery

After learning of black walnut's benefits for teeth, I began using black walnut tincture for tooth discomfort in my own family. Swishing a small amount in water often brought quick relief from pain. With consistent use, small cavities appeared to improve, especially in children.

In one case, a young boy with cracked front teeth was scheduled for dental repair. After two weeks of faithfully swishing black walnut tincture, follow-up X-rays showed something remarkable: no work was needed. Even the dentist was surprised.

Since learning about black walnuts' ability to help tooth repair, quite a few folks have taken and believe that the tincture helps. Some of these folks are in their 50's. They believe that the tincture has helped them keep their own teeth longer without having to have so much work done at the dentist. Most of these folks, though, are younger people with families who tell me this tincture has helped them avoid many fillings and dentist visits. While results vary and black walnut is not a replacement for professional dental care, many families have used it as supportive care for tooth discomfort and oral health.

BALANCE & BURN AND HEALTHY WEIGHT

Meet the system that helps support your healthy weight management with clinically studied botanicals, as well as pre- and postbiotics and essential oils. These ingredients work together to help your body use fat efficiently and maintain healthy blood sugar levels already within the normal range—so you feel good inside and confident outside. Unlike harsh alternatives, the Balance & Burn system is designed for daily balance without the side effects.

HOW IT WORKS

The Balance & Burn system is a GLP-1 support system designed to help your body maintain normal, healthy blood sugar levels and promote fat mobilization. It combines key botanical nutrients, pre- and postbiotics, and essential oils that work together to support healthy microbiome diversity to promote overall metabolic health. This system helps your body:

- Maintain healthy blood-sugar levels already in the normal range
- Use fat efficiently for energy
- Maintain a proper balance of body fat and lean muscle mass.

By supporting a healthy gut, improving how your body uses nutrients, and helping maintain balanced energy and fat metabolism, the Balance & Burn system helps you feel your best. Use it as part of a healthy diet and active lifestyle to help support healthy body composition and well-being.

We value your participation in this community project: providing exceptional, patient-centered healthcare that honors faith, autonomy, and healing. With God's help and the support of our community, we aim to continue expanding services and adding key staff. However, our current debt load is limiting our growth. Would you prayerfully consider donating to this cause? All donations are tax-deductible. EWSC is a non-profit 501(c)(3) organization. *Owned by the community, for the community.* Please make checks payable to: Eastbrook Well Spring Care and mail to: 150 Eastbrook Rd. Smoketown, PA 17576

Our recent collaboration with Beltone Audiology allows us to offer **Comprehensive Hearing Care**—including free hearing screenings, personalized fittings, and hearing aid servicing—all right here in our clinic. This partnership has already made a meaningful difference for many in our community.

Regenerative Joint Therapy, added to EWSC in August, targets painful joints by using stem-cell transplantation and/or protein rich plasma (PRP). These procedures are completed here in the clinic with minimal recovery time.

We're thrilled to announce our new **Home Care Visits** program, added to EWSC in Nov. If traveling to a medical facility is difficult for you or someone you love, we're here to help. At EWSC, we believe everyone deserves quality health care that's both accessible and affordable.

Every gift—large or small—moves us closer to our goal. Your generosity has already changed lives, and together, we can keep making a difference. Thank you for your continued support!

We've also expanded our wellness offerings in the IV therapy room. A curtain has been added for your privacy while using the Pulse (PEMF) Bed. We offer a wide variety of IV therapies including immune support *(cold and flu season is here!)*, sinus support, replenish and recovery, among others. We will meet with you and discuss which IV is best for your individual needs. In addition, we now offer **Red Light Therapy** and **ION Foot Detox Treatments**. These gentle, restorative therapies are designed to support circulation, reduce inflammation, and promote overall well-being.

RADIATION PROTECTORS

How They Help

Radiation protection can make supplements more effective by reducing the free radicals in your body. It can also work as a gentle detox from heavy metals. It helps with energy, brain fog, pain, ADHD and overall health.

What They Are

These cards consist of 14 condensed minerals placed within the waterproof casing of the card.

How They Work

These minerals, placed in certain ways within the card, create a quantum field (protected area) within a 10' ft. radius of the card. The shield works by reversing the signal coming to your device.

Did You Know

In order to receive the same nutrition value from fruits and vegetables today, you must consume nearly 20 times more than you would have 30 years ago. This is mostly due to the radiation in the air. Radiation from cell towers causes free radicals to be made in the body. These harmful atoms or molecules can cause many health issues.

What is Young Living NingXia Red?

As they say, we either pay for our health now or later. We get to choose...so, what do you feel is best for you? A question was asked, on where people were living the longest in the world. Ningxia, China is in a blue zone, meaning where people are living well past 100 years of age, and the common thing they have is the wolfberry in their daily food regimen.

This anti-inflammatory antioxidant drink has become a FAVORITE to many, as they find their immune systems thriving, energy increasing, and cellular health improved, which in turn gives them the key nutrients for OPTIMAL health. FREE booklet included! Average serving size: Adults: 2-4 oz./day; children 12 and under: 1-2 oz./day.

Health/Naturals

" Young Living's Ningxia Red has become my new go-to for maintaining a lean belly and boosting my immune system. The blend of organic red fruits and vegetables in this vital reds supplement is not only beneficial for my body but also tastes amazing. Plus, knowing that it is infused with whole Ningxia wolfberry puree makes me feel even better about incorporating it into my healthy lifestyle. ~ Emily

" My kids did not know who their doctor was when asked to fill out a form for school. We had not had to go in 10 years for things we used to have to go for! The difference? We started taking Ningxia Red on a daily basis as a family. It's a great feeling. ~ Angie

" I was tired all the time, had aches & pains, and did not feel my usual self. I had so much to get done, but just didn't even feel like I could do it. Everything felt like a chore, even things I once enjoyed. I was told to try Ningxia Red. I did the Ningxia Red Reset that came with 51 packets and was a 14 day protocol. I thought it was worth a try, and I'm sure glad I did. I not only feel better, but I lost 10 lbs in 6 weeks. It's been a game changer for me. ~ Lance

Healthy Home & CHEMICAL-FREE LIVING

Petrochemical Weight Loss

There are two parts to this protocol. You have to use the Citrus Fresh/Ledum mixture to break up the fat. Then you need to take Grapefruit by the capsule to digest what the Citrus Fresh /Ledum broke up.

Weight Loss Bundle - 2 Month Supply

Includes 2 Grapefruit, 2 Citrus Fresh, 1 Ledium, Cel-lite Massage Oil & Capsules. (2-month supply, see order form for other ordering options). Instructions & Recipe Booklet included.

$179

Testimony (Sarah S.) – I listened to Gary Young in Dallas in 2003 and received the recipe for Petrochemical weight loss. After doing this: My skin firmed up nice and tight. My jaw line firmed up where I put the Citrus Fresh. The Grapefruit balanced out my hormones, and I began to have a regular menstrual cycle without pain or discomfort. I kept my complexion clean with Lemon oil. I only use Young Living brand essential oils because of their unadulterated purity. He said that saturation was the key to weight loss. He described how the body stores environmental toxins in our fat cells to save them from being deposited in our organs and wreaking havoc. This continues a vicious cycle where we grow larger fat cells which can store more toxins. Essential oils work with your body in activating enzymes that help the body break down fat. ***The Citrus Fresh with Ledum breaks up the fat, and the Grapefruit by capsule digests the fat. Grapefruit essential oil is an excellent diuretic and lymphatic stimulant. Please keep in mind that cellulite is literally toxins being stored in the fat cells.***

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – ***WTHN Client***

Sleep better. Every season of the year.

Bearaby

Bearaby weighted blankets are rated at
4.8 out of 5 Stars
from dozens of verified "Busy Beaver" Bearaby users.

Did you know, a Bearaby Weighted Blanket gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

BREAKING NEWS: Reports are in that people who have already been sleeping better with a Cotton Napper, are taking it up a notch more with the revolutionary Tencel Cooling Tree Napper. The eucalyptus fibers contained in this fiber blend have moisture wicking properties giving you the effect of the cool side of your pillow... all night long. Yes, even on these hot summer nights. We will keep you updated as this story develops.

In other news, the Cotton Nappers are available in 3 new colors, as reported below.

Natural deep sleep
Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind
The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling
Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

WORLD HUNGER FUND

Food encourages people in war-torn Ukraine

As the violent and deadly war between Ukraine and Russia continues, many people are left displaced, without jobs, and in despair. Some have lost family members and have witnessed the horrors of war.

We are grateful for an avenue to provide food to people in Ukraine, even to some who are caught in the middle of the conflict in Russian-controlled areas. The gift of food blesses and encourages those who have felt the tensions of war for over four years.

A family who received food from CAM contacts wrote, "We . . . thank you with all our hearts for the food items you have gifted to our family. . . . [Our children] were delighted and truly surprised to discover that, in these times, there are still people who care deeply for others who recognize their needs and who are willing to make sacrifices of their own. May the Lord bless you!"
