Editor's Note:

Come on Spring! The daffodils are blooming, Yay! Mom also saw some robins playing in her yard this past weekend. I sure hope the weather holds so they don't freeze. It rained last night and it smelled like Spring. You know when you sense the warmth and fresh growing things. I sat on the porch and listened to the rain and breathed in the fresh scent.

Zach and Bob both passed the hunter safety course this past weekend. Now we are strengthening Zach's shoulder and arm muscles so he can shoot the shotgun and not knock himself over or drop the gun.

Speaking of Zach, he is going on his first camp out with his new scout troop and parents are not invited. He will have to set up his own tent and keep up with his camping gear. We are going to get him an easy up and down tent that he can setup on his own. I hope he has a great experience.

INDUSTRY

It's time to start applying OVB to your fields and gardens.

Also available in 1.2 cubic foot bag

Actual results after 2 applications of BioChar.

INDUSTRY

If you want better nutrition.... you need to start with better soil

Biochar blends available for various farming needs, call for more information.

WHAT IS BIOCHAR?

- Our Biochar is steam activated carbon that is beneficial for our soils and animals
- Biochar creates a biology in your soil that saves money on fertilizer inputs.
 - Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
 - Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
 - Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Testimonies

Traumatic brain injury has affected my memory. I notice when I drink Sisel coffee and take my brain vitality, it's a lot easier to remember things.

After seeing our son struggling in school with his lessons, and having temper tantrums at home, I decided to put him on Brain Vitality. We could see a big difference in his grades and he was much happier. M.R.M.

I noticed a huge difference in my memory and also with better concentration!

I can definitely remember things easier and I don't have as much speech dyslexia. (Words jumbled up)

With Brain Vitality I find that I'm as sharp now at 61 as I was at 18 but with way better judgment.

HEALTH/HOME/CLOTHING

BEFORE YOU LET ANYONE TREAT YOUR BACK OR NECK PAIN... READ THIS.

The wrong treatment can make a disc injury worse — and surgery is not always the first answer.

If your pain is:

- Affecting your ability to work
- Limiting your ability to care for your home
- Causing leg pain, numbness, or weakness
- Waking you at night

Then your situation may be more serious than you were told.

And you should speak with someone who understands spinal discs specifically — not general back pain.

Every month, we speak with families who were told:

- “You just need injections.”
- “You’ll have to live with it.”
- “Surgery may be your only option.”

But no one clearly explained:

Was the disc properly evaluated first?

Muscle pain and disc injuries are not the same thing.

The wrong treatment may not fix the problem.

At Midwest Disc Clinic, we focus only on spinal discs.

Not knees.

Not shoulders.

Not general aches and pains.

Spinal discs only.

We evaluate before we treat.

We will tell you honestly if your case is not a fit for our program.

Some cases qualify for our non-surgical disc repair program.

Some do not.

But everyone deserves to know exactly what they are dealing with before making a permanent decision.

“Lions Mane Talk”

Starting your day naturally with Mushroom Maiden Farm’s Lion’s Mane Coffee is a simple way to support your health without adding extra time to your routine.

At Mushroom Maiden Farm, we believe in keeping life simple, natural, and wholesome. It is how life should be lived. That’s why our Lion’s Mane Coffee is made with care, using 100% fruiting body mushrooms grown right here high in the Appalachian mountains. Each batch contains a full 10% Lion’s Mane and is carefully tested by a third-party, independent lab. It isn’t cheap, leftover mycelium, it’s the real thing, 100% fruiting body harvested at peak health.

Lion’s Mane is known for its ability to support mental clarity, focus, and alertness, without the jittery feeling that comes from too much caffeine. Like me, many people enjoy it every morning as part of their simple daily ritual. It wakes me up gently, supports my mind, and helps me feel ready for the whole day, all without adding extra time to my routine.

Our coffee blends the comfort of traditional brewing with the benefits of modern wellness. It’s natural, simple, and grounded in the goodness of the earth, no unnecessary additives, just pure mushroom and coffee. Drinking it daily can help support cognitive health, memory, and overall brain function, making it a small but meaningful step toward long-term well-being.

If you’re looking for a way to care for your mind and body while keeping your mornings easy, Mushroom Maiden Farm’s Lion’s Mane Coffee is the perfect choice. Make it part of your morning routine, and enjoy the quiet energy, focus, and natural clarity that comes from a coffee truly rooted in the earth.

Aging is the leading cause of suffering and death in our world today.

Dr. Aardsma's Anti-Aging Vitamins enable the body to fight and repair the damage of aging at the cellular level. The dropper bottle contains two newly discovered vitamins which are not the same as the traditional vitamins or any other supplement available today.

These two new vitamins were discovered through decades of research into the longevity data contained in Genesis and the true nature of Noah's Flood. Many individuals have given testimony to the benefits of supplementing these vitamins every day. Dr. Aardsma himself was healed from 11 years of a serious, incurable autoimmune disease after his initial discovery of these vitamins. Like the traditional vitamins, these vitamins are important for all ages.

DAY

\$138 for the mat.
Add **\$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. *Journal of Sleep Therapy 2015*

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! - WTHN Client

ROUNDHOUSE

Bushman's most comfortable harmonica. An unbeatable price/quality combination. Great for beginners due to comfort, great for pros due to price, durability, and responsiveness! The Roundhouse whips harmonicas from other brands that cost more than twice as much!!! Comes packed in a black, padded, leather-like, zipper case.

Keys: Low F, G, A, Bb, C, D, and E* | **\$29.99**

KNITTLINGER

Accordion-like sound of the old Auto Valve only better feeling and much easier to play. Loud and lively, quick and nimble! Features a slick, go-fast mouthpiece. Good players were able to play faster than all previous double reed harmonicas could respond, but you can't outpace a Knittlinger – it goes as fast as any player can play it!

Keys: Low A, Low Bb, Low C, and Low D* | **\$99.95**

BLUES SHIFTER

This is a diatonic harmonica - not a chromatic - that can play the missing note on Blow 3. Try playing "Amazing Grace" or "What a Friend We Have in Jesus" on a regular harmonica in the lower register - you can't, because there's a missing note on Blow 3. Many songs require that missing note, so they can't be played on a normal harmonica. With the Blues Shifter, when you need that note, just push in the slide button and you have it!

Keys: Low F, G, A, Bb, C, and D* | **\$89.99**

THE DELTA FROST COLLECTION

- The workhorses of the Bushman brand The Delta Frost comes in 3 different comb choices - Original (plastic), or you can get the Stealie (aluminum), or the Woody (wood). Delta Frosts are the preferred gig harmonica for many professional musicians. Traditional, old school design.

Original Keys: Low D, Low E, Low F, G, A, Bb, C, D, and E* | **\$29.99**
Steele and Woody Keys: Low F, G, A, Bb, C, D, and E* | **\$44.99**

Quickly learn to play popular songs even if you don't know how to read music! This popular harmonica instruction book teaches the basics like how to hold the harmonica, and how to play single notes, and then it teaches more advanced skills like how to tongue block in order to Double Two Rattle, how to bend notes, and how to harmonize with others! It ends with the very important, rarely known topic, Harmonica Care & Maintenance Guide. That one section will save you many times the cost of the book!

\$9.95

DINKY

Our all new Bushman Dinky has a greater note range and ability to play more songs than any true, 1-1/2" mini harmonica ever made!!! The Dinky plays much better than the typical mini, and it's more comfortable. Here you get all 3 Keys for one low price! G (Yellow), A (Navy), and C (Black)

3 Pack: **\$14.99**

* All Keys on this page are listed from Lowest to Highest.

CLOTHING BUNDLE PROJECT

Relief after years of difficulty

Adnan* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

**Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.
