Editor's Note:

I made some overnight refrigerator oats with some of the strawberries last week. Bob said they were yummy. I used the 8oz jelly jars and made individual servings. That way they could grab and go.

Ingredients per jar: 1/4 cup oats, 1/2 cup milk or protein shake (for extra protein), 1 tsp chia seeds, 1/2 tsp vanilla, 1 tbsp (or to taste) sugar or sugar substitute, sliced strawberries (or any fruit or topping you like). Put everything into your jar as listed and add the strawberries last. I typically fill the remaining space with berries. Place in refrigerator over night. The next morning open and enjoy. I usually heat mine up a bit.

Happy Mother's Day to all the mothers young and old. You are appreciated!

We've all been there: it's 2:00 PM, the "brain fog" is rolling in, and the siren song of a third espresso or a sugary snack becomes impossible to ignore. For decades, caffeine and refined sugar have been the go-to fuel for the modern worker. But while they offer a quick spark, they usually leave us with a jittery heart and an inevitable "crash" that leaves us more depleted than before. If you're looking for a sustainable way to sharpen your focus without the roller coaster, Midday Focus Greens might just be the upgrade your brain has been waiting for. True mental clarity isn't about forcing your brain to work harder through stimulants; it's about giving it the raw materials it needs to perform at its best. By trading the temporary "buzz" of sugar for the deep, nutritional support of greens, you're not just clearing the fog--you're building a more resilient mind. Midday Focus Greens \$51.87. (Includes tax and shipping.) Buy 2 or more for a 10% discount. Call or write NuLife today to place your order. NuLife Communities 1390 Co Rd 600 Baltic, OH 43804, 330-845-4004

DAVID STOLTZFUS FUND

On Sunday morning, April 19, David Stoltzfus lost his wife and six children (the whole family). David had just arrived at church a 1/2 mile from his home (wife Sarah stayed home because one of the boys was sick) when suddenly the beautiful Sunday morning was shattered by a loud explosion. Within seconds the whole house was engulfed in flames; the house and everything in it was lost.

MAXIMUM PERFORMANCE HORSE SUPPLEMENT

Give your horse the minerals that are no longer in the your feed!

50 lb Bag Granular \$150, last 5 horses/ 1 month. 50 lb bag pellets \$135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. If you want to reduce ulcers, acid reflux and build muscle as well.
2. If you want to increase stamina and reduce recovery time, see a difference in 5 days..
3. If you want to calm your mares down, reduce tying up, anxiety and aggression.
4. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

Maximum Performance for Breeders

1. If you want to reduce OCD's (soft bone chips in ankles and hocks).
2. If you want to have mares at peak condition checked in foal.
3. If you want to improve development of your foals.
4. Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.
5. Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality. contact 502-817-1947

Struggling? Frustrated? Not getting mares in foal?

NWM's New Broodmare Mineral was developed to address a common frustration among farmers and breeders, struggling to get their mares in foal. The success in testing speaks for itself. Ask your local dealer for more information on this exciting new product, and to see testimonials from breeders in the trial.

Tests have shown significant increases in conception rates, including on foal heat, and with difficult mares.

Featured: ACRES MARYJANESFARM. THE OLD FARMER'S ALMANAC GRIT heirloom GARDENERS MOTHER EARTH NEWS

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant. Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

Time To Feed Your Trees!

Spring is one of the best times to feed your trees (this is when they pull in nutrition for the spring and summer months)

Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Before

After

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

64oz jug

APPLICATION INSTRUCTIONS

The amount needed for best results depends on the diameter width of the tree trunk 4' up from the base of the tree.

- Use 1 cup per callper inch of tree trunk (trunk diameter)
- Mix with water and evenly apply from the base of the tree to the drip line.
- Water into the root zone.

To **SAVE** a dying or stressed tree, apply in spring and fall.

To **MAINTAIN** good tree health, use one time per year in spring or fall.

Happy trees have fewer problems. This stuff works!

Take your growing experience to the next level!

Add **Humus Compost** into your fertility program.

Humus Compost is an all-natural, organic compost that will increase your plant's access to mineral in the soil. It will loosen your soil making the environment better for plant roots and soil biology. It is also both a biological stimulant and a biological inoculant.

Humus Supreme is an easy-to-use soil amendment and fertility product that can be layered on top of planted seed to help with germination, emergence, and moisture control. **If applied in the fall with the cover crop, it will help to increase soil pore space for a healthier growing environment.**

Terra Preta Garden Blend is a wide spectrum Humus Compost and minerals blend ready to add to your soil. With Humus Compost, Bio-Char, Gypsum, Rock Phosphate, Basalt, Aragonite, Potassium Sulfate, and Sea-90, it will super-charge your soil for increased capacity to grow plants. Additionally, it will expand soil biology, improve water management, and improve fertilizer availability.

Raised-Bed Soil is a blend of composted wood products, Humus Compost, and minerals to create a soil that is not only ready to plant into, but also has potential to produce a crop for years.

Liquid Humus Extract is a great addition to other fertilizer programs. By adding Liquid Humus Extract to other liquid products, a grower will increase the effectiveness of foliar and injected fertilizers. Use as a stand-alone foliar supplement also boosts photosynthesis and adds to the plants growth.

OHIO VALLEY BIOCHAR

If you want better nutrition... you need to start with better soil

*Biochar blends available
for various farming needs,
call for more information.*

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

Spring slips softly through open air,
Petals wake from winter's hold;
Lavender drifts on sunlit breeze,
A calming scent, both new and old.
Green shoots rise with citrus light,
Lemon brightens morning skies;
Peppermint hums in waking leaves,
As birds and blossoms both arise.
In warm earth's breath and floral tone,
Each oil hums nature's song;
Spring restores with scented grace,
Where growth and balance both belong.

ANOTHER BRUISER FOR THE WALL!!
Congratulations to another happy customer on landing this nice 11 point 142" Buck after feeding OVER-160!!

Never seen anything attract deer like Over-160. This buck was first seen while in the velvet stage and he never left the farm until he was shot on the first day of archery. We always struggled to hold deer on our farm, so obviously we are pretty impressed. Another happy Over-160 customer....

NUTRA-GLO™

NUTRITIONAL FEED SUPPLEMENT FOR ALL POULTRY

~TESTIMONIAL~

“When we started feeding Nutra-Glo for Poultry Dry to our flock of 6,000 layers we were at approx 21 dozen small eggs, 10 days later we were at 6½ dozen small eggs, and very soon after that we quit sorting them out completely. Soon we noticed our feed was lasting longer, 9 ton lasted approx 9 days (ton a day). After feeding Nutra-Glo for 60 days, 9 ton of feed now lasts 11½ days. After doing some figures we figured out [after] the cost of Nutra-Glo we save approx \$6.25 a day just on feed conversion. We also noticed we didn't add any extra calcium up to this point (56 weeks). We see much better consistency in laying percentage and not as many dips. If we have dips they are not nearly as drastic. We also gain approx \$167.00 a month for every 1% daily increase. We recommend this Product!”

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

If Your Body Is Worn Down, This Is the Nutrition It's Missing

Hard work demands strong health.

When the body is under-nourished, everything suffers — energy, strength, focus, and endurance.

Comprehensive Core is a complete liquid nutrition formula designed to replace what modern food no longer provides.

One daily serving supplies essential vitamins, minerals, and plant nutrients the body needs to stay strong, clear-minded, and resilient.

This is not a pill.

This is real nutrition the body can absorb.

What Comprehensive Core Does

- Helps restore steady energy for long workdays
- Supports mental clarity and focus
- Strengthens immune system response
- Supports heart and circulation health
- Supports healthy blood sugar and metabolism
- Supports digestion and nutrient absorption

Used daily for strength, endurance, and recovery.

Why Liquid Nutrition Matters

Tablets and capsules must be broken down before the body can use them.

Many never fully absorb.

Liquid nutrition absorbs faster and more completely, delivering nutrients where they're needed — without strain on digestion.

Made the Right Way

- 100% natural ingredients
- Organically sourced nutrients
- No artificial colors or chemicals
- Easy to take once daily

This is foundational nutrition — not a stimulant.

One Supply Lasts 4 Months

This single order provides four months of daily nutrition for one person.

That comes to \$66.75 per month
Less than the cost of poor health.

TESTIMONIAL

By the time February came, I was tired of fighting my body and tired of being told something was 'wrong' with me. At this point, I got on my knees - fully surrendered - because when your body stops responding, your soul starts speaking. That's when I was introduced to a simple tincture. Not overnight. Not magically. But steadily - inflammation softened, clarity returned, energy came back online. My body finally felt safe enough to heal. I could feel myself again. This is my year, and I'm bringing those with me who are ready for real change. The sky isn't the limit - it's the starting point.

Why should we take Phix and VeraCell together?

Phix works from the top down, and VeraCell works from the bottom up.

What does Phix do?

It activates the vagus nerve, and is clinically proven to help burn visceral fat from your main organs and helps your body to heal itself. When the vagus nerve is active, you feel calm, focused, and your body starts healing and digesting better. Studies show that new stem cells are made if you take it long enough.

What does VeraCell do?

It helps your natural defenses respond appropriately to everyday stressors. Supports focus, retention, and memory. Supports cell to cell communication, optimizing vital longevity. Feeds beneficial microbes and supports healthy intestinal function. It may also help degenerative disorders of the central nervous system, abnormal growths of unhealthy cells, energy, and much more!

***Take VeraCell at least 30 minutes away from any hot food or liquids, otherwise it will kill the enzymes.**

When your cells thrive, you thrive!!!

BUSHMAN HARMONICAS

KNITTLINGER

Introducing the loud and lively, quick and nimble, ultra-responsive Knittlinger.

It sounds like an accordion, but it's a double reed, Knittlinger octave harmonica with 10 holes and 40 reeds, in the traditional Richter note arrangement. It features a forever lasting, not going to warp, plastic comb, and a thin profiled, comfortably beveled, slick, go-fast, chrome-plated mouthpiece.

Keys: LA, LBb, LC, LD

A channel enabling the church to minister to physical and spiritual needs around the world

Article space donated to CAM

A front-line opportunity FOR GOD'S WORD

When Kareema* first received a Bible as a young lady, she memorized 500 verses. Now, in her old age her eyesight is failing, and she became unable to read her Bible. When CAM contacts gifted Kareema a large-print Bible, she was overjoyed! Now she again has access to the Word of God she loves so much.

Noor, another Christian, is not able to read the small-print Bible because of an eye surgery she had years ago. Someone gave her a large-print Bible, but after reading it every day for 20 years, it was old and tattered. She took it to the church leader to be fixed, but because of a lack of resources, he was unable to fix it.

The church leader arranged for Noor to meet several CAM contacts. She explained to them, "My Bible became like my soul. Not just a piece of me, but my whole life. If I go out or come in, I want the Bible before me. I want to open it at any time." Noor said sadly, "I have begged the [church leader] for the Bible many times. I insisted and bothered him until he couldn't take it anymore; I tell him, 'The Bible . . . the Bible, please!'"

Our contacts gave Noor a new, large-print Bible. How happy she was! "The joy I feel for this Bible, no one can feel it except me, within myself. There's no way to explain it," she said gratefully.

To show these suffering Christians that other followers of Jesus care about them, CAM is working with contacts and local churches across the Middle East and North Africa** to provide large-print Bibles for the elderly and other individuals unable to see well. These large-print Bibles are in high demand!

The average cost per large-print Bible is \$9. In a land where Bibles and Christian literature are mostly unavailable, it is a precious gift for a person to receive their very own Bible.
