Editor's Corner

Hello Everyone,

We are blessed with just another beautiful spring morning. "As the sun rises, so does your opportunity to shine. Let today be the start of something amazing." Schools are closing their doors for another term. Children are excited to spend the summer at home. I have a few excited nieces and nephews that claim their school years are over. Which reminds me of: "Success is the reward for those who never give up on learning." Wishing you all a Blessed week!

Contact us for all your advertising needs. We can help you sell anything from A to Z. See page 7 & 8 for more information. ~Thank you for your business!~

Have a good day,
Ruby Yoder

A channel enabling the church to minister to physical and spiritual needs around the world

A front-line opportunity FOR GOD'S WORD

When Kareema* first received a Bible as a young lady, she memorized 500 verses. Now, in her old age her eyesight is failing, and she became unable to read her Bible. When CAM contacts gifted Kareema a large-print Bible, she was overjoyed! Now she again has access to the Word of God she loves so much.

Noor, another Christian, is not able to read the small-print Bible because of an eye surgery she had years ago. Someone gave her a large-print Bible, but after reading it every day for 20 years, it was old and tattered. She took it to the church leader to be fixed, but because of a lack of resources, he was unable to fix it.

The church leader arranged for Noor to meet several CAM contacts. She explained to them, "My Bible became like my soul. Not just a piece of me, but my whole life. If I go out or come in, I want the Bible before me. I want to open it at any time." Noor said sadly, "I have begged the [church leader] for the Bible many times. I insisted and bothered him until he couldn't take it anymore; I tell him, 'The Bible . . . the Bible, please!'"

Our contacts gave Noor a new, large-print Bible. How happy she was! "The joy I feel for this Bible, no one can feel it except me, within myself. There's no way to explain it," she said gratefully.

To show these suffering Christians that other followers of Jesus care about them, CAM is working with contacts and local churches across the Middle East and North Africa** to provide large-print Bibles for the elderly and other individuals unable to see well. These large-print Bibles are in high demand!

The average cost per large-print Bible is \$9. In a land where Bibles and Christian literature are mostly unavailable, it is a precious gift for a person to receive their very own Bible.

Idaho Whole-Apple Cider Vinegar

GREAT APPLE CIDER VINGAR HAS A "ONE-TWO" PUNCH...

1) Looking for less **disease and fewer internal/external parasites** this year? THIS ACV has an alkaline forming response in any mammal's body, which is your shield against those issues.

2) Wanting to stretch your hay and pasture by 20%? The **ENERGY** and **ENZYMES** from the Whole-Apples contained in this vinegar are ALL still intact to help boost your livestock's digestion of any feed. Minerals in the feed are 90% bio-available versus the 20% in most mineral mixes.

The drier your feed, the better this ACV works!!!

Would you like a summer when your calves gain more and have less Pinkeye?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

☀ it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.

– **Dan Stoltzfus, Pennsylvania**

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.

– **Leah Miller, Ohio**

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!

– **Kathryn Yoder, Missouri**

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone. I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.

– **Sue Albrecht, Michigan**

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing, I've already told many people to call you.

Good morning folks! How's your coffee this morning? Mine tastes amazing. And it will make me feel amazing too! I'm so glad I can count on that. ☺ Because life is busy, we have lots to get done, places to go, things to accomplish. I know how depressing it is to have a family to care for, a hundred things to do, and ZERO energy. The past 7 years since going synthetic free with Tranont have been the best years of my life. I am so thankful for whole food supplements and a company we can trust.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20-30 minutes before bed. *Journal of Sleep Therapy 2015*

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10-15 minutes a day and gradually increase to 20-40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! - *WTHN Client*

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Gott segne Dich!

Dear Friend,

100% Folklore. Zero Science.

If you have a health problem -- and can't get well, there could be a very good reason. Worms and parasites!

It sounds hard to believe. I agree. But if you're alive and breathing -- you're at risk. You may not see these tiny creatures. But believe me -- they're there! While you sleep, they eat. Your food! Your nutrients!

Pet owners often have red worms.

Many eat the best natural foods and take the best supplements -- and never get well. Why is that? One reason is the worms and parasites take the best nutrients. YOU get the scraps -- the leftovers!

Which worm or parasite do You have?

- Roundworm in Skin. -> Eczema. Ascaris Worm in Lung. -> Asthma. Fluke in Pancreas. -> Diabetes. Thread Worm. -> Migraines.

Worms are often invisible to the Human Eye.

Severe Bloat, gone!

A man had severe bloat & constipation. He was always hungry, no matter how much he ate.

His stool sample tested positive for parasites. The Speicher Worm Pills ended most of the problems.

Itchy back-end.

My back end was itchy. After only 4 days, that vanished.

Skin now Rosy.

My skin is now a healthy pink. It glows. The worms are gone.

EYES. When the worms go, the eyes start to sparkle.

Did you know that microscopic parasites can cause arthritis?

Sensitive issue stopped.

A young daughter was constantly scratching her butt. Her mother found tiny, white worms in that area. They crawled out at night. Creepy! She took the Speicher Worm Pills. The itching stopped.

Four ways you can get Worms & Parasites.

- #1. Unwashed fruits and vegetables. #2. Unwashed watercraft from streams. #3. Raw-undercooked fish. #4. Pork. Try to cook all pork products at the highest possible temperature.

The Colon & Parasites.

A lot of worms & parasites flourish in the colon. That's why, keeping the colon clean is critical. Ask for Speicher's Colon Pills.

Sleep better. Every season of the year.

Bearaby

Bearaby weighted blankets are rated at **4.8 out of 5 Stars** from dozens of verified "Busy Beaver" Bearaby users.

Did you know, a Bearaby gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

Natural deep sleep

Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind

The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling

Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

Our handmade **Cotton Napper** is a breathable, knitted weighted blanket to help you fall asleep faster and feel calmer, naturally. Designed for individual use, your Napper should be about 10% of your body weight. Not designed to add warmth. **Made of 100% organic cotton.**

Stay Local and Yet Reach Far

Jesus said, "...you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." (Acts 1:8)

How is that possible? Well, you can start here and now! Most of us live and work near home and only get into surrounding areas where people can see our light.

But to the ends of the earth? Let Global Disciples do the work.

Global Disciples trains Christians in Africa and Asia who know the local language and culture to share the Good News of Jesus with the people there who never before heard the Gospel. Last year 76,239 people came to Christ and joined one of 4,246 new churches that started.

People come to Jesus only as the Holy Spirit leads. But for every \$102 given, we see someone come to faith in Jesus and get involved in a church. Most who trust in Christ and are baptized were once unreached people. Every bit helps!

I am giving to help more people from 'the ends of the earth' come to faith in Jesus Christ!

- \$102 to help 1 person come to Christ
- \$204 to help 2 people come to Christ
- \$306 to help 3 people come to Christ
- \$408 to help 4 people come to Christ
- \$510 to help 5 people come to Christ
- \$_____ to bring people to Jesus Christ

VISION BEYOND BORDERS

Over Six Million Bibles Delivered Across the World

Join us in sharing the Gospel far and near.

For years, Vision Beyond Borders has worked to place God's Word into the hands of those who are waiting for it.

- Hundreds of thousands sent to Venezuela and Cuba.
- Actively working to get Bibles into the hands of Iranians who are seeking truth.

In many places, access to Scripture is limited, restricted, or financially out of reach. Yet the hunger for God's Word continues to grow.

We are printing and distributing Bibles to:

- Churches and believers who cannot afford one
- Prisons and drug rehabilitation centers
- Rural villages and underserved communities
- Nations where Scripture is difficult to obtain

Will you help send Bibles today?

\$4 prints one Bible

\$100 provides 25 Bibles

\$1000 provides 250 Bibles

Any amount blesses the thirsty hearts.

The View from Here *By Aaron Miller*
SPRINGTIME!

Spring is here and with it comes a plethora of opportunities to buy and sell real estate, If you are an investor or are looking for real estate in any way shape or form. Get prequalified at bank, start planning what you want to do, and put a plan in motion. Right now, we have a healthy number of auctions and listings coming up and it is a great time to get in the game and purchase (or sell) a property. We always tell people don't try to time the market perfectly, there will always be something that isn't perfect in this very imperfect world, Covid, high interest rates, wars and rumors of wars, stock markets, digital currency, these are all things that keep or inspire people to buy or sell real estate. 95% of the people I work with are glad they bought when they did and the other 5% may have possibly paid a tick too much but will be fine if they wait for a bit to let the markets rise. Something to keep in mind. "When you own property and it goes up its appreciation" and when you see property going up from the sidelines? Yea that's inflation! It's all in the eyes of the beholder. Let's keep on keeping on! Happy springtime everyone! God bless and have a great week.

That's the view from here. Until next time.
