Editor's Note:

It has been a busy week with nothing to really talk about. I did make one of our favorite meals this week. It has been awhile. It cans up really well too. It is chicken tacos. It is the simplest recipe.

Chicken Tacos

I cook this in a crock pot, but it could be cooked in the oven on low or on the stove on simmer.

For every pound of boneless, skinless chicken add 16 oz of cooked black beans, 1 can of rotel tomatoes and 1 pkg of taco seasoning. Cook until done. Shred chicken and leave in the juices. Make tacos with you favorite toppings.

I also use this meat for quesadillas or put it over rice or noodles. I hope you enjoy this as much as we do.

Treasured encouragement and teaching for

Christians in Restricted Countries

Kamran* was on a deep search for Truth. As he looked at the people around him—even those claiming religion—he saw arguments, hatred, and slander. None of them offered what he was looking for: a peaceful and loving relationship with God.

One day, during a lunch break on the farm where Kamran worked, he talked to a co-worker. The conversation turned to God. This young co-worker shared some information that was surprising to Kamran—he and his family were Christians. As they talked, Kamran shared about his struggle to read the only Bible he had. The Bible was in a language he could hardly understand, and he struggled to comprehend the little he was able to read.

A few days later, Kamran met this Christian man again. The man brought him several Christian magazines. Kamran recalled this pivotal moment: “He told me I could borrow them but should be careful not to let anyone damage them, as his family enjoyed reading them and wanted to have them back eventually.”

“Those magazines fascinated me,” Kamran shared. “I asked him if he could lend me more, and we began meeting more often. I visited his family, and his father gave me a copy

of the New Testament in [a language I could read]. Then a few months later, his father gave me your contact information, saying that you could send me magazines.”

Kamran knew the risk of receiving Christian literature. He started a post office box so his relatives and neighbors would not easily find out. He then began to regularly receive Christian family magazines. Sound teaching from conservative Anabaptist writers became a consistent source of Bible teaching.

Like Kamran, thousands and thousands of Christians in closed and restricted countries long for fellowship with other Christians, but have limited options. They long for encouragement and Bible-based teaching, but have almost no source.

CAM supporters' funds supply Christian family magazines, reminding these believers they are not forgotten. The material encourages them toward faithfulness to Christ as they face the challenges of living under oppressive regimes. The sound articles point them to a life of faithful obedience to the Word of God.

If you wish to help us supply these magazines to those who anxiously await their arrival, your support will be greatly appreciated!

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

There is a Better Way

Do you want BIGGER bucks on your food plot?

Now is the time to apply Ohio Valley
BioChar to your food plots!

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

You CAN nurse your baby!!! DON'T give up!!

Look what this mother from Wisconsin has to say:

I would like to order 4 more bottles of "Mothers Milk". It really works!! I tried so many other products to no avail. All I can say is when all else fails try "Mothers Milk"! :) Thank you for your great product. I don't want to be without it. What a joy to be able to put the "bottle" away since using this. - A happy Mom.

A mother from New York writes:

Hi, I'm ordering more Mothers Milk. I'm on my last bottle and I don't want to be without it - never could nurse our babies so good. He is gaining so well and don't have to give him a bottle at all. Thank you!

A mother from Indiana writes:

Please send me 3 more bottles of "Mothers Milk". This is my 8th child and I was never able to have enough milk for fully breast feeding. Now my baby is a little over 3 month and still doesn't need the bottle! It seems I had tried everything but this stuff really works! Thanks for a good product!

Another mother from Indiana writes:

I am amazed that it actually works for me since I have never had any luck with herbs/tinctures.... So am very thankful you created this wonderful product!

We have hundreds of testimonials like these!

"Mothers Milk" is a liquid tonic formulated for nursing mothers whose baby struggles with weight gain. It produces both more milk and more nourishing milk. Most mothers have really good results.

Frequently asked Question

How do Bearaby blankets get their weight?

The **Cotton Napper** is weighted entirely through hand-knit organic cotton — not beads, not pellets, not hidden fillers. Just pure, breathable cotton loops layered to create natural, even weight. It is precisely engineered with a heavy cotton yarn, and compacted to the perfect density to give you your best nap ever.

The **Tencel Cooling Tree Napper** combines the above process with a blend of Eucalyptis fibers to give you the same effect as the cool side of your pillow, all night long.
