Editor's Note

Greetings!

I had hand surgery last week. It slowed me down a bit but I am getting better every day. I know it will be a few months till I have full range of motion back. It was on my left hand, and lucky for me, I am right handed. I'll be especially happy when the stitches come out.

The surgery has slowed down my ability to do yard work, but my husband and son have picked up the slack and I am grateful for that.

We have had some very pleasant weather. Hope you are all able to enjoy it.

Renee Lama - Editor

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

The cost effective way to
INCREASE CROP PRODUCTION

CHIMTEK Masonry Chimney Systems

THE CHIMTEK SYSTEM:

Chimtek combines quality materials and advanced technology to create America's safest and most efficient liner for masonry chimneys. The double lining concept is an important part of Chimtek's Outstanding performance.

The **Chimtek Inner Liner** is made of a special blend of volcanic pumice aggregates and refractory cements to withstand extremely high temperatures and resist corrosive acids, which are present in solid-fuel gases. The innermost part of the liner becomes hot almost instantly when a fire is started, and remains warm during periods of slow burn. This improves the efficiency of the heating appliance and reduces creosote formation.

The **Chimtek Secondary Liner** consists of a very special grade of expanded clay aggregates called leca. The leca is mixed with a small amount of cement and poured in place between the InnerLiner and the outer structure of the chimney.

CHIMTEK BLOCK

- 116 lbs. per course for lightweight
- 20 courses of block per pallet
- For 6" Chimtek liner — 49 ft. per bag of Leca
- For 8" Chimtek liner — 7 ft. per bag of Leca
- Water Sealant included in block

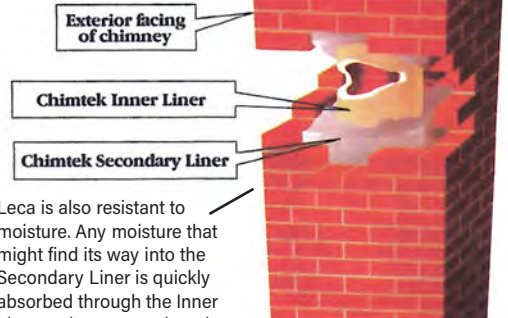

Note: These special Chimtek Blocks are not the only option. 4" solid block is also suitable if there is 2" of insulation between block and liner.

Stocking Dealer:

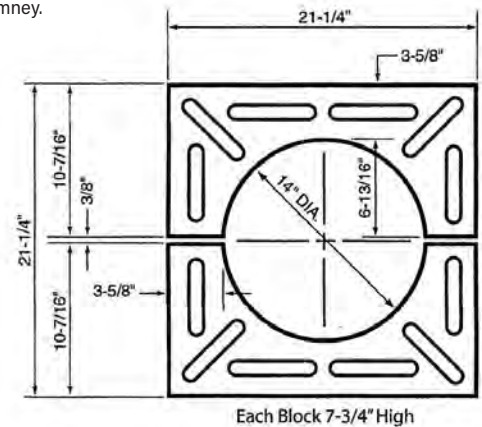

Dutchman Stoves & Chimney
95 Willett St, Fort Plain, NY 13339

**DELIVERY
AVAILABLE!**

Designed for today's modern woodstoves and fireplaces.

Leca is also resistant to moisture. Any moisture that might find its way into the Secondary Liner is quickly absorbed through the Inner Liner and evaporated up the chimney.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

MIGHTY MUSHROOM COFFEE

Howdy Folks,
Pull up a chair, put your feet up and take a deep breath to take in the aroma of an exceptionally well made cup of coffee. Over the years I've learned to enjoy a premium cup of coffee and I think this one fits the bill, with the added benefit of six different medicinal mushrooms. Enjoy!

Eddie had been suffering with severe back pain for months.

"I had 5 bulged discs, 4 herniated discs, and 3 tears in my back."

It got so bad he **couldn't walk**.

"I had to crawl most of the time... I was off work for 3 months."

But when Eddie came to Midwest Disc Clinic, they put him on a natural care plan — no surgery, no drugs.

Things started to change within weeks.

After completing his care plan, here's how Eddie feels now:

"I can walk again. The pain is finally manageable."

For Eddie, that means back to work. Back to his family. Back to life.

Eddie is now one of our patients who once felt unsure — and now wants to help others decide.

Imagine what years of inflammatory foods can do to your body over time? We'll do a simple DNA test that recognizes what 600+ different foods/non-food products are causing your body the most harm.

We'll also test you for the 80+ essential minerals, vitamins and nutrients. This portion of the test is a good balance to creating a healthy lifestyle and can boost the immune system and reduce your intolerance levels simply by adding recommended foods to your diet.

"Jonathan, my husband — we've been married for 28 years — is 50 years old. He has always had irregular breathing. He used to talk during the night, wake up several times, and snore. He never seemed to reach deep sleep. He didn't want to use a CPAP machine, so I saw this article in a farming magazine.

He had a cold the first night he took the pills, and not only did the cold go away that same night, but by the second night he wasn't snoring anymore. He was sleeping so deeply that I had to check if he was okay — it was the first time he had ever slept that deeply.

He's no longer falling asleep in a chair during the day. He feels better and is working better. I'm really surprised at how quickly these pills worked on his sleep problems — starting from the very first night. By the second night, he wasn't even snoring anymore."

Replace your restless nights with Sleep Breathing Support™

You can **stop** sleep breathing disruptions and restless legs tonight.

Sleep related breathing disruptions ruin the sleep of an estimated 25 million Americans on a regular basis. Since sleep disruptions can disturb sleep without completely awakening the subject, there are likely millions more undiagnosed sufferers. The condition prevents the sleeper from entering rapid eye movement (REM) and delta sleep—causing them to become anxious, cantankerous and tired during the day. Additionally, due to the nature of the condition, it causes blood oxygen levels to be lower than normal for very prolonged periods of time. This is damaging to the brain and heart in particular.

Treatment options can include weight loss, nasal decongestants, surgery, and oral appliances. Devices, such as a continuous positive airway pressure (CPAP) machine, are commonly used for moderate and severe sleep breathing disruptions. A CPAP device is a forced air mask, worn during sleep that ensures proper inhalation.

Hi, I'm Steve Frank.

I have sleep-breathing disruptions at night. I spent years researching the condition and understanding the true cause. After many years, and with my knowledge of herbs, I found an amazing combination that supports deep, steady breathing all night long. This patented blend works great for nighttime sleep-breathing disruptions commonly associated with aging. I haven't worn any mask or tubes in years, and I sleep great. I hope you can too.

As it turns out, I also dealt with occasional restless legs. So I created a blend of herbs traditionally used to help relax nerves, ease tension, and support circulation. It worked well for her—and I later found it could also support those experiencing restless legs.

I personally use Sleep Breathing Support before bed each night, and I keep Leg Relaxer™ on my nightstand.

Sweet Dreams.

"I am well pleased with the Sleep Breathing Support. The nice part is I no longer have to use a CPAP machine. I am refreshed, rested and ready to go when I wake up." Elva Chupp

30 Capsules ~~\$45.99~~ **\$36.79**

Experience has shown that 60 percent of patients are not able to tolerate the equipment and ultimately discontinue using it. Others develop respiratory infections from the mask.

Sleep Breathing Support™ was designed to do what the above solutions can't address the real cause of the condition.

THE CAUSE

When we enter stage two sleep in preparation for REM sleep, where dreaming occurs, muscular activity is inhibited. It is called "reduction of muscle tonus." This is a function that occurs primarily to keep the dreamer from physically acting out the movements of his or her dreams.

It is accomplished by suppressing the flow of signals from the brain along the spinal cord. Unfortunately, in those who struggle with sleep breathing disruptions, the reduction in muscle tonus allows the soft palate to sag and the signal from the brain to the diaphragm that keeps you breathing gets inadvertently reduced in strength.

When was the last time you truly slept well?

Calm overactive nerves, **restless legs**, and nighttime **leg cramps** with Leg Relaxer™.

No mess. No menthol scent. No harsh chemicals.

Enjoy more comfortable nights and deeper, more restful sleep, night after night.

Nature's Rite - 8126 Uzita Dr. Sarasota, FL. 34240

The result of this is that upon entering stage two sleep, the breathing becomes shallower, the blood oxygen level drops and the carbon dioxide level rises until the brain intervenes and causes the body to make a large and immediate inhalation. This causes a large pressure differential in the pharynx and literally sucks the sagging soft palate into the airway. This obstructs the flow and causes a loud snort, partially or fully awakening the subject.

THE SOLUTION

So you see, the problem is not the sagging soft palate. The problem is not the rapid inhalation that sucks your soft palate into the airway. The problem is the reduced ability of the signal from your brain to produce sufficient breathing amplitude from your diaphragm. The appropriate intervention is to enhance the ability of the brain to communicate with the diaphragm so that you breathe deeply and steadily throughout the night. **That is exactly what the combination of herbs in Sleep Breathing Support™ is intended to do.**

Crafted with a bouquet of natural herbs.

Lobelia, used in small doses, can increase the level of respiration. Because the lobelia causes you to breathe more deeply and steadily, it keeps the whole disruptive cycle from even beginning.

Thyme improves the ability of the lungs to exchange carbon dioxide for oxygen and makes an excellent contribution to maintaining sufficient respiratory amplitude.

Chamomile aids the subject in relaxing.

Cramp Bark helps the upper trapezius muscles to loosen.

Froman Hill
BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the home and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!
-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.
-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!
-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.
-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!
-The Troys

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

INTERNATIONAL CRISIS

“Now I have nothing”

As relentless rains pelted Afghanistan through March and April, desperation mounted. Water rose fast, washing away everything in its path. Realizing the danger, Khan* gathered his family and fled to higher ground to escape the rising flood waters.

Khan was shocked when he returned and found his house and village washed away. “Now I have nothing, and we have taken temporary shelter at my friend’s house,” Khan told our contact.

We are working with contacts to provide food, blankets, and other aid to flood victims in Afghanistan. Thank you, supporters, for caring!

If you wish to help people suffering from crises like flooding, wars, famines, and earthquakes in various countries, see **International Crisis** on the enclosed response coupon or sponsorship sheet.

Flood waters damaged homes and left homeowners in despair.
