Editor's Corner

Hi everyone!

Spring—a lovely reminder of how beautiful change can truly be. Is spring here to stay? The birds are singing their cheery songs and the robins especially make it sound like spring is here! It's only the middle of March so we shouldn't be too surprised if it gets cold again.

It's good to be back in the office and back in routine, after being in Florida for a little over 2 weeks. I really enjoyed my vacation in the sunny south though. I got to spend time with my friends from down there and also, my niece and nephew came to stay with my sister and me our last week there. They certainly added some spice to our vacation and we really enjoyed having them there!

Have a great week everyone!

Rhoda Miller

Those are the names for synthetic B1, B6, B9 and B12. The cheapest and most commonly used. Tranont uses real B vitamins from nature and cultures them on yeast, creating a powerful, bio-available product your body can easily recognize and successfully use. At Tranont we know that **BETTER CHOICES** bring **BETTER RESULTS**. This product has helped alot of struggling students with better focus and concentration!

Unfortunately, a lot of synthetic B vitamins end up in the toilet. Become educated and aware of what you are buying.

ARE YOU DREADING
Allergy season??

DON'T SUFFER FOR 19 YEARS LIKE I DID!!

For years I struggled with severe seasonal allergies (Spring & Fall) along with food sensitivities, headaches, chronic hives, chronic fatigue.... All this was part of my miserable everyday life. Thousands of dollars were spent as we searched for help to fix my "leaky gut". Every health practitioner was able to tell me my problem but not one of them was able to help me fix it. It was very depressing. Seven years ago we were introduced to WHOLE FOOD NUTRITION from Tranont and what a life changer! These 7 years have been the best years of my life. All honor and glory to God, our true healer.

Change Life **TRANONT**

IF YOU ARE SERIOUS about improving your health and getting ahead of your issues.... It's time to get SERIOUS about ingredients!! Did you know that over 95% of supplements today contain synthetic (manufactured) ingredients?? Our bodies were not created to recognize and use these foreign substances! These are NOT what our body needs to heal.

DISCOVER the benefits of REAL WHOLE FOOD NUTRITION!

A Message of Health and Gratitude

From Dr. Rich Prather
Grateful Lab Services

"When you understand what your body truly needs, you begin to feel the strength God intended."

Do you ever feel tired, foggy, or weak - even when your doctor says your blood work looks "normal"? At Grateful Lab Services, we look deeper. Many people don't realize that "normal" ranges don't always mean healthy. By studying lab work through a nutrient lens, we often find subtle deficiencies quietly draining your body's strength and healing power.

Stop Guessing - Start Living!

When your cells lack nutrients God-designed them to use, they can't make energy or repair tissue the way they should. That's why you may feel worn down, ache, or lose clarity - long before illness ever shows up.

We look for balance - to help you feel well again from the inside out.

Simple. Private. Respectful.

- No new blood draw is needed - we can use the lab results you already have.
- New blood tests can be ordered if necessary.
- Your result is interpreted through a nutrient lens, not just medical ranges.
- You receive plain, easy to understand guidance that fits your daily life.
- Everything is handled respectfully, with privacy and sincerity.

CelluShine -

Natural Support for Your Cells

After years of serving both Amish and English families, I developed a vitamin line called CelluShine to help restore what blood often shows is missing. Formulas like Fulvic Max, Cell Food and Hydrate nourish your bloods natural energy systems - helping cells use oxygen and nutrients efficiently, just the way God designed.

These are not fads or "miracle pills." They are pure, essential nutrients that work together to renew strength, focus, and vitality - the way your Creator intended.

**Call with Questions -
There's No Obligation**

You will always speak with someone - no pressure - just honest answers.

Reader stories are not scientific evidence. What works for one person, may not work for the next.

Dear Friend. 100% Folklore. Zero Science.

If you have a health problem -- and can't get well, there could be a very good reason. Worms and parasites!

It sounds hard to believe, I agree. But if you're alive and breathing -- you're at risk. You may not see these tiny creatures. But believe me -- they're there! While you sleep, they eat. Your food! Your nutrients!

Pet owners often have red worms.

Many eat the best natural foods and take the best supplements -- and never get well. Why is that? One reason is the worms and parasites take the best nutrients. YOU get the scraps -- the leftovers!

It's TIME to Clean House! Get rid of unwanted guests!

It's time to kick these suckers OUT -- once and for all. Out out. OUT! No more Free Lunch!

One Woman's Secret. She is 101.

A woman in New Mexico is 101 years old. Her mind is razor sharp. Her memory is great. She works eight hours a day. Her secret? She keeps her body free of parasites & worms.

Did you know that microscopic parasites can cause arthritis?

Sensitive issue stopped.

A young daughter was constantly scratching her butt. Her mother found tiny, white worms in that area. They crawled out at night. Creepy! She took the Speicher Worm Pills. The itching stopped.

Four ways you can get Worms & Parasites.

- #1. Unwashed fruits and vegetables.
- #2. Unwashed watercress from streams.
- #3. Raw-undercooked fish.
- #4. Pork. Try to cook all pork products at the highest possible temperature.

The Colon & Parasites.

A lot of worms & parasites flourish in the colon. That's why, keeping the colon clean is critical. Ask for Speicher's Colon Pills.

How pHix's Mature Hops Extract Can Help Stabilize Blood Sugar & Support Diabetes Management

If you or someone you love struggles with blood sugar swings or diabetes, you know how frustrating it can be to find natural solutions that actually work. What if a powerful, science-backed ingredient—derived from something as simple as hops—could help? That's where pHix comes in.

The Blood Sugar & Diabetes Connection
Unstable blood sugar isn't just about sugar cravings or energy crashes—it's a major factor in metabolic health, weight management, and even long-term complications like diabetes. Traditional approaches often rely on medications with side effects, but what if nature already had a better answer?

- How pHix's Mature Hops Extract Works**
- ✓ Improve Insulin Sensitivity – Helps your body use insulin
 - ✓ Slow Glucose Absorption – Supports balanced blood sugar stability
 - ✓ Reduce Inflammation – Chronic inflammation

Why Science Behind It
Research has shown that certain compounds in hops (like alpha and beta acids) can:

- Activate AMPK (an enzyme that helps regulate metabolism, similar to how exercise does)
- Mimic some effects of diabetes drugs—naturally
- Help reduce oxidative stress, a key driver of diabetic complications

Realities: - Help prevent progression to full diabetes.
Type 2 Diabetes - Support healthier blood sugar levels—naturally

The Bottom Line: Blood sugar issues don't have to control your life. With pHix's unique hops extract, you're not just masking symptoms.

HERE'S A BREAKDOWN OF WHY FULVIC IS SO VALUABLE:

TOXINS ARE EVERYWHERE
We're exposed daily to heavy metals, pesticides, plastics, and pollutants. Fulvic acid supports the body's own detoxification pathways, helping to eliminate noxious environmental contaminants.

CELLULAR ENERGY
Fulvic acid supports healthy mitochondrial activity, promoting efficient cellular energy production and enzyme performance.

GUT HEALTH SUPPORT
Fulvic acid is a prebiotic, nourishing beneficial gut bacteria and helps maintain normal gut lining integrity—both important for digestive comfort and immune health.

NUTRIENT DEFICIENCY IS COMMON
Modern farming can leave soils short on minerals. Fulvic acid supports nutrient transport and supplies trace minerals often missing from today's diet.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20-30 minutes before bed. Journal of Sleep Therapy 2015

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10-15 minutes a day and gradually increase to 20-40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! - WTHN Client

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

To be used topically on your entire body. Designed using only high quality, non-toxic ingredients beginning with the purest Aloe Vera. Now available in a convenient squeeze bottle.

Excellent for: Burns, cuts, poison ivy, refreshing after shave and even as a non-toxic shaving cream.

I use Pharm aloe as an all over light moisturizer and gentle healing agent. Also, I add a little olive oil to boost the moisture content. Also, found it to be helpful in lubricating nasal passages to help with dry air, etc. And is great rubbed onto bruises to help them heal quicker. Great all round product, very suitable for sensitive skin issues.

ROUNDHOUSE

Bushman's most comfortable harmonica. An unbeatable price/quality combination. Great for beginners due to comfort, great for pros due to price, durability, and responsiveness! The Roundhouse whips harmonicas from other brands that cost more than twice as much!!! Comes packed in a black, padded, leather-like, zipper case.

Keys: Low F, G, A, Bb, C, D, and E* | **\$29.99**

KNITTLINGER

Accordion-like sound of the old Auto Valve only better feeling and much easier to play. Loud and lively, quick and nimble! Features a slick, go-fast mouthpiece. Good players were able to play faster than all previous double reed harmonicas could respond, but you can't outpace a Knittlinger - it goes as fast as any player can play it!

Keys: Low A, Low Bb, Low C, and Low D* | **\$99.95**

BLUES SHIFTER

This is a diatonic harmonica - not a chromatic - that can play the missing note on Blow 3. Try playing "Amazing Grace" or "What a Friend We Have in Jesus" on a regular harmonica in the lower register - you can't, because there's a missing note on Blow 3. Many songs require that missing note, so they can't be played on a normal harmonica. With the Blues Shifter, when you need that note, just push in the slide button and you have it!

Keys: Low F, G, A, Bb, C, and D* | **\$89.99**

THE DELTA FROST COLLECTION

- The workhorses of the Bushman brand The Delta Frost comes in 3 different comb choices - Original (plastic), or you can get the Steeie (aluminum), or the Woody (wood). Delta Frosts are the preferred gig harmonica for many professional musicians. Traditional, old school design.

Original Keys: Low D, Low E, Low F, G, A, Bb, C, D, and E* | Steeie and Woody Keys: Low F, G, A, Bb, C, D, and E*

\$29.99 | **\$44.99**

Quickly learn to play popular songs even if you don't know how to read music! This popular harmonica instruction book teaches the basics like how to hold the harmonica, and how to play single notes, and then it teaches more advanced skills like how to tongue block in order to Double Two Rattle, how to bend notes, and how to harmonize with others! It ends with the very important, rarely known topic, Harmonica Care & Maintenance Guide. That one section will save you many times the cost of the book!

\$9.95

DINKY

Our all new Bushman Dinky has a greater note range and ability to play more songs than any true, 1-1/2" mini harmonica ever made!!! The Dinky plays much better than the typical mini, and it's more comfortable. Here you get all 3 Keys for one low price! G (Yellow), A (Navy), and C (Black)

3 Pack: **\$14.99**

* All Keys on this page are listed from Lowest to Highest.

Temperature Forecast... Arrows beside the temperature indicate the direction temperature and humidity are trending, increasing, stable, or decreasing.

5-Day Weather Forecast Station

#4035 | \$59.95

Crucial for planning daily activities and making informed decisions in various sectors. Builds forecast from outdoor sensor, no tower involved. Current day plus 4 more days forecast. Temp. display in C or F. Forecast only with clear icons, no rain or wind gauge.

- 2 AAA + 2 AAA for outdoor sensor
- USB power cord included for back light
- Press Snooze for back light with batteries
- 2 different alarms
- Temperature trending forecast with arrows
- Indoor/Outdoor Temperature, Humidity, Moon Phase, Air Pressure, Date & Time
- 6.5" x 5.75" x 1.5"

How reliable is the weather forecast? This is gathering data from the outdoor sensor based on the barometric pressure and temperature and will not be as accurate as an online forecast but it will still give an idea of whats coming. It can take up to 14 days for the forecast to register the weather conditions.

Having trouble connecting the outdoor sensor to the station? Press and hold the channel button on the station for 3-5 seconds on the channels beginning at 1, then 2, and 3. Allow up to 15 minutes per channel for it to connect.

Changing from C to F in temperature display... Press and hold the Max / Min button on the station for 3-5 seconds to toggle to preferred setting.

Will this work in any area? Yes, this unit is not connected to any tower for data. The clock needs to be set manually and all the information is gathered from the outdoor sensor. Sensor needs to be within 95' from station.

CLOTHING BUNDLE PROJECT

Relief after years of difficulty

Adnan* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

**Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.

Own Your Insurance Company. Keep More Money. Protect Your Legacy.

**Most businesses buy insurance.
Some businesses own it.**

With captive insurance, your company insures its own risks and keeps the profit instead of sending it to big insurance companies.

That means:

- More protection for your business
- More control
- A new profit center
- Insurance company tax treatment

And a way to help keep your business strong for generations.

CIC Services has helped hundreds of small and mid-size businesses accomplish this since 2005.

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. **The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant.** Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

Time To Feed Your Trees!

Spring is one of the best times to feed your trees (this is when they pull in nutrition for the spring and summer months)

Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Before

After

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

64oz JUG
\$34.95

APPLICATION INSTRUCTIONS

The amount needed for best results depends on the diameter width of the tree trunk 4' up from the base of the tree.

- Use 1 cup per caliper inch of tree trunk (trunk diameter)
- Mix with water and evenly apply from the base of the tree to the drip line.
- Water into the root zone.

To SAVE a dying or stressed tree, apply in spring and fall.

To MAINTAIN good tree health, use one time per year in spring or fall.

Happy trees have fewer problems. This stuff works!

Actual results after 2 applications of BioChar.

If you want better nutrition... you need to start with better soil

Biochar blends available for various farming needs, call for more information.

WHAT IS BIOCHAR?

- Our Biochar is steam activated carbon that is beneficial for our soils and animals
- Biochar creates a biology in your soil that saves money on fertilizer inputs.
 - Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
 - Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
 - Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

MAXIMUM PERFORMANCE HORSE SUPPLEMENT

Give your horse the minerals that are no longer in the your feed!

50 lb Bag Granular \$150, last 5 horses/ 1 month. 50 lb bag pellets \$135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. If you want to reduce ulcers, acid reflux and build muscle as well.
2. If you want to increase stamina and reduce recovery time, see a difference in 5 days..
3. If you want to calm your mares down, reduce tying up, anxiety and aggression.
4. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

Maximum Performance for Breeders

1. If you want to reduce OCD's (soft bone chips in ankles and hocks).
2. If you want to have mares at peak condition checked in foal.
3. If you want to improve development of your foals.
4. Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.
5. Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality. **contact 502-817-1947**

Froman Hill

BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!

If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

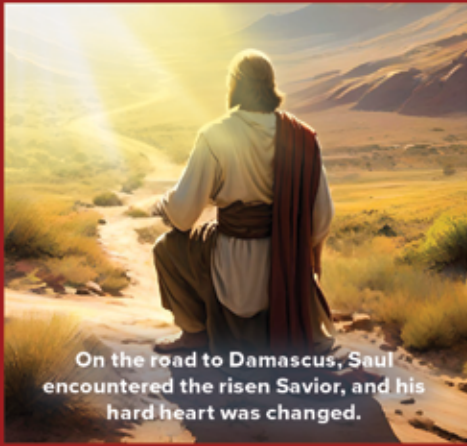

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

From Enemy to Apostle - Set Free By Love & Grace

On the road to Damascus, Saul encountered the risen Savior, and his hard heart was changed.

Saul of Tarsus...

...was once a fierce enemy of Jesus Christ, hunting down His followers and dragging them to prison. But on the road to Damascus, Saul encountered the risen Savior—and everything changed.

The one who once tried to destroy the church became one of its greatest champions. Paul spent the rest of his life proclaiming the very Gospel he once hated, even becoming a prisoner himself for the name of Jesus (Acts Chapters 8-26).

Today, that same power that transformed Paul's life is still at work as we minister behind prison walls. Through the message of the Gospel, hardened hearts are softened, and broken lives are made new.

Men and women once bound by sin are becoming prisoners of hope, set free by the love and grace of Jesus Christ.

Join us in bringing this life-changing message to those who need it most...
