## Editor's Corner

Hello March!

*"Winds of March, we welcome you, there is work for you to do, work and play, and blow all day, blow the winter wind away." March has arrived. Spring is on the way! Birds are singing their songs loud and clear; Announcing to the world, a new day is here. No matter what yesterday was like, birds always start the new day with a song. "Gods Blessings are everywhere. Open your heart and see his Love."*

Thank you for supporting the Busy Beaver!

Have a lovely day!  
Ruby Yoder

*It's good to be blessed. It's better to be a blessing.*

*Mables foal is now... a year old  
needs to get in shape before she's sold  
I really did not want to buy 2 separate feeds  
But I know more nutrition is what she needs.  
It's now so obvious our nutrition was short  
For how Betsy's still a very little squirt.  
She really has a large potbelly gut  
The wife says she's shaped like a nut!  
Oh my goodness, what a rough hair coat  
It looks worse than our neighbor's goat!  
I wanted her to grow to be Choclatier's wife  
But 1st she needs to grow and get some life  
How could we tuck up that gut  
And get Betsy out of this rut  
We'll need protein to build muscle and tissue  
Better feed calcium so bones aren't an issue.  
What's that product the wife's talked about  
Try Lions 6-way, the children shout.*

We have tested these in numerous states across the US and have found they have better service than most other home phones.

We use the Top service providers available... Verizon, T-Mobile and AT&T. Therefore we can ensure you get great service, no matter which area you are in. Also the black box design is much better than Verizon's black box or white box, resulting in less dropped calls while traveling and voice mails coming through much more consistently.

**ARE YOU DREADING Allergy season??**

**DON'T SUFFER FOR 19 YEARS LIKE I DID!!**

*For years I struggled with severe seasonal allergies (Spring & Fall) along with food sensitivities, headaches, chronic hives, chronic fatigue.... All this was part of my miserable everyday life. Thousands of dollars were spent as we searched for help to fix my "leaky gut". Every health practitioner was able to tell me my problem but not one of them was able to help me fix it. It was very depressing. Seven years ago we were introduced to WHOLE FOOD NUTRITION from Tranont and what a life changer! These 7 years have been the best years of my life. All honor and glory to God, our true healer.*

Change Life **TRANONT**

IF YOU ARE SERIOUS about improving your health and getting ahead of your issues.... It's time to get SERIOUS about ingredients!! Did you know that over 95% of supplements today contain synthetic (manufactured) ingredients?? Our bodies were not created to recognize and use these foreign substances! These are NOT what our body needs to heal.

## Is your horse not what he used to be?

My horse started showing signs of wear and tear. He wasn't a willing traveler anymore, his stride was shorter and he had some soundness issues. So I started looking for a replacement and WHOA! Have you seen the price for horses lately? So then I decided to give Maxmotion a try to support his joints and tendons. Now my horse goes like he wants to instead of have to. The trips are more enjoyable and I'll get a few more good years out of my horse.

I also have a young horse that was injured during training and at times he would limp. Added Maxmotion to his feed and in a few weeks the limp was gone and he didn't show any signs of pain.

Maybe All Your Horse Needs is a little Maxmotion to rebuild his joints and tendons so you get to enjoy him a little longer.

**Idaho Whole-Apple Cider Vinegar**

GREAT APPLE CIDER VINEGAR HAS A "ONE-TWO" PUNCH...

1) "Mother" (aceto bacter) is required to convert alcohol into ACETIC ACID. Acetic acid, NOT MOTHER, is alkaline forming in the body, which helps prevent disease and internal/external parasites.

2) Fresh raw apples have DIGESTIVE ENZYMES, a feature of this vinegar we call the "second punch". Unlike ACV from the other plants, our entire fermentation process is designed to keep intact all of the original enzymatic power.

**The Mother of all Enzyme-rich vinegars**

So my fellow livestock producers, "Ask not if this ACV has the mother - do ask if this ACV still has all of the enzymes of the Whole-Apple?"

# It's time to start applying OVB to your fields and gardens.

Actual results after 2 applications of BioChar.

## If you want better nutrition.... you need to start with better soil

Biochar blends available for various farming needs, call for more information.

### WHAT IS BIOCHAR?

- Our Biochar is steam activated carbon that is beneficial for our soils and animals
- Biochar creates a biology in your soil that saves money on fertilizer inputs.
  - Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
  - Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
  - Mix it to your feed for better animal health, and a good manure.

### WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

A whitetail's sense of smell is vastly stronger than a human's – thanks to hundreds of millions of scent receptors, their nose can detect and differentiate scents at levels humans simply can't. This makes smell a deer's most powerful defense and navigation tool in the wild.

## REAL PEOPLE REAL RESULTS TRY US CALL TODAY!

"We do realize it's often we read about positive testimonies, and we wonder- is this really the answer or as good as it sounds? But that's what it is with our story- After starting your recommendations and products (and only 3 at that!) we had total improvement in only one week! We have tried various remedies before- none which seemed to help enough, once we did a blood test we realized sometimes one of the most important things are first knowing what your body needs. Although, we do first owe thanks to God for his healing and answered prayers. We also want to take the time to thank Dr Sladic for your time and help." - **NZ, Pennsylvania**

"I had a serious thyroid issue. Suddenly, we saw Dr Sladic's ad in the budget. Is this something we want to try? Knowing we had to do something we called Tom and followed his directions. We have no regrets!! I stopped all of my other products and started Sladic's program. My health climbed upward right along. To this day I thank God for his leading and healing." - **L Vutzy, Iowa**

"Our family doctor put me on a thyroid prescription and increased my dosage three times over the next couple of years. But, it didn't seem to make me feel better. My health issues continued to get worse. After a thorough test Dr Sladic started me on his program. It was clear other issues were contributing factors. Now after six months, I am not taking as many products and feel stronger and healthier than I have in years. If you're struggling with health issues I would definitely recommend you give this a try!" - **D.S. New York**

"I had multiple miscarriages and some digestive issues. I felt wonderful on your program with the diet I was following, no digestive issues at all! It helped to know what I should take to help my body heal. Right at the end of your program I became pregnant again, which was much sooner than I possibly was able to." - **K Wengerd, Ohio**

"I felt tired most of the time. I also had thyroid nodules. After doing your program I feel more alert and have more energy and less sick. I can do most of a days work, without needing to rest. I would recommend this program to anyone that wants to do it naturally. All people involved are very understanding and helpful. I am thankful to god for this option." - **A Yoder, Ohio**

"I found that I had a sensitivity to vitamin B12 supplements. I am always fatigued, I am very sensitive to fillers which explains my cupboard full of supplements that I can't take. After a blood test I found I had anemia, high cholesterol, and thyroid issues. After your program, my fatigue is 75% better. My second blood test showed my cholesterol lower, my anemia improved and my thyroid antibodies are gone. Thanks for your time and patience, you got a wonderful thing going. I appreciate that you didn't put me on twenty plus pills. I am only on five different supplements from you. May God bless you." - **M.H. Montana**

"I was struggling with postpartum depression, poorlase and low energy. After your program, I can think more clearly and positively. The work doesn't overwhelm me like before. The postlase is slowly still improving and my energy is much better. Dr Sladic taught me how to eat better which has been a big help to our family. Thank you for your help during my journey to better health. To God be the glory." - **K. Yoder Ohio**

CLOTHING BUNDLE PROJECT

# Relief after years of difficulty

Adnan\* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

*\*Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.

Also, I add a little olive oil to boost the

helpful in lubricating nasal passages  
to help with dry air, etc. And is great

Reader stories are not scientific evidence. What works for one person, may not work for the next.

Dear Friend,

100% Folklore. Zero Science.

If you have a health problem -- and can't get well, there could be a very good reason. Worms and parasites!

It sounds hard to believe. I agree. But if you're alive and breathing -- you're at risk. You may not see these tiny creatures. But believe me -- they're there! While you sleep, they eat. *Your food! Your nutrients!*

**Pet owners often have red worms.**

Many eat the best natural foods and take the best supplements -- and never get well. Why is that? One reason is the worms and parasites take the best nutrients. YOU get the scraps -- the leftovers!

Which worm or parasite do You have?

- Roundworm in Skin. → Eczema
- Ascaris Worm in Lung. → Asthma
- Fluke in Pancreas. → Diabetes
- Thread Worm. → Migraines

**Skin now Rosy.**

**EYES.** When the worms go, the eyes start to sparkle.

**New Instructions.**

**Worm & Parasite Formula, (Adults)**  
**Dose:** 2 capsules, 3 x a day, during or after meal for 21 days. Oil for 14 days. Repeat for 21 days. Use common sense. *Will need three bottles for complete cleanse.*  
**A Great Story:** A reader noticed he got an upset stomach a few times on the formula. When he finished the program, the stomach aches stopped. He feels this was due to the worms dying & being expelled.

No guarantees but certainly worth a try.

At Mushroom Maiden Farm, we believe in keeping life simple, natural, and wholesome. It is how life should be lived. That’s why our Lion’s Mane Coffee is made with care, using 100% fruiting body mushrooms grown right here high in the Appalachian mountains. Each batch contains a full 10% Lion’s Mane and is carefully tested by a third-party, independent lab. It isn’t cheap, leftover mycelium, it’s the real thing, 100% fruiting body harvested at peak health.

Lion’s Mane is known for its ability to support mental clarity, focus, and alertness, without the jittery feeling that comes from too much caffeine. Like me, many people enjoy it every morning as part of their simple daily ritual. It wakes me up gently, supports my mind, and helps me feel ready for the whole day, all without adding extra time to my routine.

Our coffee blends the comfort of traditional brewing with the benefits of modern wellness. It’s natural, simple, and grounded in the goodness of the earth, no unnecessary additives, just pure mushroom and coffee. Drinking it daily can help support cognitive health, memory, and overall brain function, making it a small but meaningful step toward long-term well-being.

**The View from Here** By Aaron Miller  
**Winter Time Sales**

I get asked all the time, "When's the best time to sell real estate?" That's a loaded question. Are we talking hunting land, residential, commercial? Where's it located? How steep's the driveway? How good are the photos? The list goes on.

Here's the real bottom line: the best time to sell is when the timing is right for you, the seller.

At Kaufman Realty, we sell property year-round. There really isn't a "bad" time—unless extreme conditions keep buyers from getting eyes on it. And if you've talked with me about selling, you've probably heard me say, "We could have an auction December 24th at midnight, and people would still show up."

Now, that's probably not the plan—but the point stands. If the property is good and the location is right, it can sell just about any time of year.

So don't hesitate to reach out to your agent, preferably me (cough, cough). Let's get your property sold, your goals met and send you on to bigger and better things in 2026.

As Dave Kaufman likes to say, there are three things that matter most in a property sale: **Location, Location, Location.**

*That's the view from here. Until next time.*
