Sleep better. Every season of the year.

Bearaby

Bearaby weighted blankets are rated at
4.8 out of 5 Stars
from dozens of verified "Busy Beaver" Bearaby users.

Natural deep sleep

Scientific research shows that sleeping under an evenly distributed weight brings about a deeper, more natural sleep cycle

Peace of mind

The sensation of being cuddled lowers stress and anxiety by reducing cortisol, making you feel calm and relaxed

Joyful feeling

Being gently cocooned in a comforting weight increases serotonin, making you feel positively happy.

Did you know, a Bearaby gives you the weight effect of a comforter (and more), but retains almost no heat, so you can sleep better in the summer as well? Simply use it over the top of a linen, and enjoy a deep, restful night of sleep!

Our handmade **Cotton Napper** is a breathable, knitted weighted blanket to help you fall asleep faster and feel calmer, naturally. Designed for individual use, your Napper should be about 10% of your body weight. Not designed to add warmth. **Made of 100% organic cotton.**

Editor's Note

Greetings!

It's spring cleaning at my house for the next few weeks. Time to go through everything and get rid of what we no longer need or use. Honestly, it's one of my favorite times of the year. I like to clean, refresh and organize things. Unfortunately, the rest of my family does not!

My mother is doing the same, and told me that she will be having a yard sale in May. As much as I do not like to have yard sales (they are so much work) — I may join her this year. I hope the weather is nice and warm by then.

Hersch Belgians

"Since using Atlas Flax Seed Oil and The Natural Horse Dewormer, my mares are keeping their weight on during this show season and the first time we used The Natural Horse Dewormer, we saw worms pass." Duane Herschberger Hersch Belgians

"When I got this 18 year-old pony mare, she was near death. She had plenty of feed and hay but kept going backwards. I put her on The Natural Horse Dewormer morning and night, and also Prenatal-Plus as we wanted to breed her. She is vet-checked in foal after her first cycle. VERY AMAZING RESULTS! Doesn't even look like the same pony!" - Ohio

"My bull camel had lost weight and his hair coat was very dull-looking. Fed The Natural Dewormer and he improved very quickly after the two-week feeding period. Now, a month later, he has gained 200 pounds and his hair coat is completely opposite. Thank you!" - Kentucky

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

HOOVER MAPLE SUPPLIES

A TIME OUT OF TIME

There is a time between the seasons. It comes in late February, early March when winter seems tired and spring is only a hoped-for thing. We call it Sugarin' time; When the sap begins to flow in the Maple grove.

After freezing cold night you wake to a warmth in the air and a brightly shining sun. The temperature rises above freezing. We don the boots, gather the buckets, spouts, drill and bit; with excitement filling the air we head for the sugar bush.

At the first tree we drill a hole 1½" - 2" deep with the tree tapper bit and drill. Gently we tap the spout into the tree and hang the bucket. Listen to the musical drip-drip-drip!

Pressure Point Mat Set

Lay back, breathe deep, and let the tension melt away.

Great Gift!
for *Mother's*
DAY

\$138 for the mat.
Add **\$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20–30 minutes before bed. *Journal of Sleep Therapy 2015*

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10–15 minutes a day and gradually increase to 20–40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! – *WTHN Client*

**Hello to everyone in Busy Beaver land!**

Have you heard about the newest handbag company called Nina LaVon? Nina LaVon started in November of 2024 and has been a huge success! I've been enjoying being a consultant and want to share with you. Nina LaVon works in the same sense as the "Thirty One" company used to. You can host shows at your house or you can do catalog shows. As a hostess you will earn FREE products, as well as half-priced products and hostess-exclusives just for you! The bigger your show obviously the more you earn. I send out FREE catalogs when requested, if you're interested in checking it out. Maybe you're interested in just 1 or 2 products? Well, guess what?! You're in luck as you can place an individual order at anytime without hosting a party. We always have several sales going on with huge discounts!

Being a consultant has its perks as well. I'd be more than happy to assist you if that's something you would be interested in. I'm looking forward to hearing from you!

The flowers bloom in colors bright,
 And birds sing loudly with delight.
 Spring breezes dance through every tree—
 A happy sign for you and me!

Our classroom fills with sunny cheer,
 As days grow warm and summer nears.
 We open windows, laugh, and play,
 Enjoying each long, golden day.

The final bells will ring so soon,
 But till they do, we hum a tune.
 With friends we learn, we smile, we play—
 Spring makes magic every day!

PRECISION GUIDED CARE LEADS TO OPTIMAL RESULTS

Now Offering the latest imaging technology in our offices.

Most Chiropractors will “crack” your neck sometimes on the left side, sometimes on the right, and sometimes on both sides. What side needed to be done???? Sometimes you feel better for a week, sometimes you are worse, and sometimes problems develop years later!!! Thats because without imaging most chiropractors “GUESS” what needs to be done.

That is why we take precision 3D Imaging to know precisely what the problem is and how to accurately correct it the first time. We don’t guess!

BEFORE YOU LET ANYONE TREAT YOUR BACK OR NECK PAIN... READ THIS.

The wrong treatment can make a disc injury worse— and surgery is rarely the first answer.

My wife suffered with low back pain for several decades. She visited maybe 10 different doctors who helped her for a while but never got to the root of the problem. Her legs hurt, she was restless at night, unable to do garden work, lawn work, or keep up the housework. One year after beginning treatment at MDC she is able to do all those things in a normal way again. We thank God for his Healing, grace and blessing the doctors with wisdom, knowledge, and the willingness to serve.

~M. Metzger- Manchester, IN

If your pain is:

- Stopping you from working your land or trade
- Keeping you from lifting or caring for your children
- Making household work difficult or impossible
- Causing leg pain, numbness, or weakness
- Waking you through the night
- Limiting your ability to serve your family and community

Your situation may be more serious than you have been told. You deserve a real answer before making any permanent decision.

Every Month, Families tell us they were told:

- “You just need injections.”
- “You’ll have to live with it.”
- “Surgery may be your only option.”

But no one explained:

Was the disc properly evaluated before treatment began? Muscle pain and disc injuries are not the same thing. The wrong treatment does not fix the real problem.

We focus only on spinal discs.

Not knees. Not shoulders. Not general aches.

Spinal discs only.

We evaluate before we treat — with a clear 2-day Discovery Process..

Within two days, you will have straight answers to four questions:

- | | |
|--------------------------|----------------------|
| ✓ What is the problem? | ✓ Can we help you? |
| ✓ How long will it take? | ✓ What will it cost? |

Some cases qualify. Some do not.

We will tell you honestly if your case is not a fit for our program. Everyone deserves to know exactly what they are dealing with before making a permanent decision. We are not here to waste your time or money.

CALL NOW — REQUEST YOUR FREE DISC REPORT

“6 Questions to ask Before letting Anyone Treat Your Spinal Disc”

 **260-535-0993**

When you call for your free report, you may also request a brief phone consultation with our spinal disc specialist to discuss whether your case sounds serious.

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

CLOTHING BUNDLE PROJECT

Relief after years of difficulty

Adnan* and his family live in a one-room space in a shop in Yemen. Adnan hopes that one day he will be able to afford a home of his own, but his work as a day laborer does not provide a steady income. He said, "Some days there is work, and some days there is none. But my family still needs food, clothes, medicine, and other necessities."

At a recent distribution by CAM contacts, Adnan's family received clothing, shoes, and school supplies. These gifts brought relief after years of hardship. With gratitude Adnan's wife shared, "I pray that God protects and rewards everyone who showed kindness to our family."

**Name changed to protect identity.*

This young boy in Yemen is now the owner of a nice blue shirt given by a generous supporter.
