MAXIMUM PERFORMANCE HORSE SUPPLEMENT

Give your horse the minerals that are no longer in the your feed!

50 lb Bag Granular \$150, last 5 horses/ 1 month. 50 lb bag pellets \$135 last 50 days/ a horse Pellets for picky eaters, with ulcers, driving horses, Stallions and mares.

Dave Mast mare was open two years in a row, 30 days on Maximum Performance and she checked in foal with NO Regu-mate.

David Patterson bred for 30 years and always trouble foaling out, weak foals, trouble re-breeding. First season on MP, mare foaled easily, baby running in the stall, plenty of milk, mare cleaned quickly and checked in foal first time bred. Very impressed.

Indiana man had mare running off, cranky, picky eater, put her on pellets, 15 days daughter said, What did you do to the mare? She is so easy to handle, drives great, looks better. MP Pellets. oh my.

Lawrence Schrock, PA said he was one of the few with no OCD's in his yearlings at the sale, thanks Maximum Performance for sound bones, strong muscled yearlings.

Driving horses are under a lot of stress, many have ulcers, tendon issues, hoof problems. There are few minerals in your feed, and this supplement provides what they need to perform at their best, sweat less, warm up faster, reduce muscle soreness, and improve hoof quality and build muscle.

1. If you want to reduce ulcers, acid reflux and build muscle as well.
2. If you want to increase stamina and reduce recovery time, see a difference in 5 days..
3. If you want to calm your mares down, reduce tying up, anxiety and aggression.
4. If you want to enhance elasticity in tendons and ligaments and get nutrients to the hoof. May recover from injuries in half the time, soft tissue and bone.

Maximum Performance for Breeders

1. If you want to reduce OCD's (soft bone chips in ankles and hocks).
2. If you want to have mares at peak condition checked in foal.
3. If you want to improve development of your foals.
4. Vets explain OCD's are caused by mineral imbalance first 11 months in womb, not enough Calcium and minerals for the mare.
5. Stallions have better sperm count, maintain muscle mass, reduce OCD's and maintain hoof quality. **contact 502-817-1947**

Serving Our Communities One Step at a Time

ASK DR. NELSON:

"WHY DO MY LEGS SWELL MORE DURING HOT WEATHER?"

Many people notice that their legs, ankles, and feet swell more during the summer months. When the weather is hot, your blood vessels naturally widen to help your body cool itself. This can make it harder for blood to travel back up the legs to the heart, especially if the veins are already weakened.

For those who spend long hours standing in the garden, working in the barn, or attending auctions and community events, swelling may become even more noticeable by the end of the day.

Simple measures such as staying hydrated, walking regularly, elevating your legs when resting, and wearing compression stockings can often help reduce swelling.

If your swelling is persistent, worsening, or accompanied by aching, heaviness, skin discoloration, or visible varicose veins, it may be a sign of underlying vein disease and should be evaluated by a vein specialist.

FROM DR. NELSON'S KITCHEN TO YOURS

STRAWBERRY CUCUMBER SALAD

Ingredients

- 2 cups sliced strawberries
- 2 cups sliced cucumbers
- 2 Tbsp honey
- 1 Tbsp apple cider vinegar
- Fresh mint (optional)

Directions

1. Combine strawberries and cucumbers.
2. Whisk honey and vinegar together.
3. Pour over fruit and vegetables.
4. Chill 30 minutes before serving.

☀ it could be your thyroid!

Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.

– **Dan Stoltzfus, Pennsylvania**

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.

– **Leah Miller, Ohio**

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!

– **Kathryn Yoder, Missouri**

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone, I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.

– **Sue Albrecht, Michigan**

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing, I've already told many people to call you.

– **S Hertzler, Maryland**

FAMILY & HEALTH

BEFORE YOU AGREE TO BACK SURGERY, READ THIS

Many severe disc pain sufferers don't realize they may have other options first

FREE REPORT:

THE QUESTIONS MANY PEOPLE WISH THEY
ASKED BEFORE BACK SURGERY

Eddie had been suffering with severe back pain for months.

"I had 5 bulged discs, 4 herniated discs, and 3 tears in my back."

It got so bad he **couldn't walk**.

"I had to crawl most of the time... I was off work for 3 months."

But when Eddie came to Midwest Disc Clinic, they put him on a natural care plan — no surgery, no drugs.

Things started to change within weeks.

After completing his care plan, here's how Eddie feels now:

"I can walk again. The pain is finally manageable."

For Eddie, that means back to work. Back to his family. Back to life.

Do crowds and people make you feel nervous, tense, or even panicky? A dis-regulated nervous system can be the cause.

A recent testimony:

I used to get anxiety attacks a lot. For sure in big crowds like in church, auctions, and sometimes at home when something gets on my nerves. It felt like chest pains but it was an anxiety attack. I also couldn't sleep well and didn't have much energy.

I finally got an appointment at NuLife to see if it could bring a brighter outlook in life. It was all worth it as I feel a lot better to start a day after a good nights sleep.

We are so Thankful God gave us such a good place to go when needed. Thanks Wayne County Ohio

WORLD HUNGER FUND

Food encourages people in war-torn Ukraine

As the violent and deadly war between Ukraine and Russia continues, many people are left displaced, without jobs, and in despair. Some have lost family members and have witnessed the horrors of war.

We are grateful for an avenue to provide food to people in Ukraine, even to some who are caught in the middle of the conflict in Russian-controlled areas. The gift of food blesses and encourages those who have felt the tensions of war for over four years.

A family who received food from CAM contacts wrote, "We . . . thank you with all our hearts for the food items you have gifted to our family. . . . [Our children] were delighted and truly surprised to discover that, in these times, there are still people who care deeply for others who recognize their needs and who are willing to make sacrifices of their own. May the Lord bless you!"

“Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Stay Local and Yet Reach Far

Jesus said, "...you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." (Acts 1:8)

How is that possible? Well, you can start here and now! Most of us live and work near home and only get into surrounding areas where people can see our light.

But to the ends of the earth? Let Global Disciples do the work.

Global Disciples trains Christians in Africa and Asia who know the local language and culture to share the Good News of Jesus with the people there who never before heard the Gospel. Last year 76,239 people came to Christ and joined one of 4,246 new churches that started.

People come to Jesus only as the Holy Spirit leads. But for every \$102 given, we see someone come to faith in Jesus and get involved in a church. Most who trust in Christ and are baptized were once unreached people. Every bit helps!

I am giving to help more people from 'the ends of the earth' come to faith in Jesus Christ!

- \$102 to help 1 person come to Christ
- \$204 to help 2 people come to Christ
- \$306 to help 3 people come to Christ
- \$408 to help 4 people come to Christ
- \$510 to help 5 people come to Christ
- \$_____ to bring people to Jesus Christ
