## Editor's Note

Hello everyone!

I saw a flock of robins the other day, announcing a sure sign that spring is on its way. Once the snow melts completely and the mud dries up, I'll be able to dig into outside work again. Yay!! We've been promised the 4 seasons, which makes the whole picture in life so unique.

Once spring is here, it means summer is not far away with all the fun events that we usually take part in. We are already making plans to travel to a few different places in a few different states, including company picnics, meetings, etc. Best of all is hiking! Plans aren't definite yet when and where we are going. Sometime we want to go to the fine state of Maine again but we're not sure if we'll do it this year or not.

Come visit our booth at the Mid State Driving Horse Sale in Center Hall, PA on March 6th and 7th .

Thank you for advertising in the Busy Beaver!

-John Zook

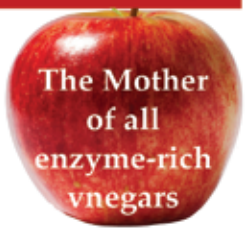
## Idaho Whole-Apple Cider Vinegar

GREAT APPLE CIDER VINEGAR HAS A "ONE-TWO" PUNCH...
1) "Mother" (acetobacter) is required to convert alcohol into ACETIC ACID.
Acetic acid, NOT MOTHER, is alkaline forming in the body, which helps prevent disease and internal/external parasites.
2) Fresh raw apples have DIGESTIVE ENZYMES, a feature of this vinegar we call the "second punch". Unlike ACV from the other plants, our entire fermentation process is designed to keep intact all of the original enzymatic power.



So my fellow livestock producers,
**"Ask not if this ACV has the mother - do ask if this ACV still has all of the enzymes of the Whole-Apple?"**

# Looking for your milk bonus?

A farmer wrote to us saying how he lowered his cows SCC and his milk inspector is really pleased. This is what he did:

1. CMT every cow in the barn.
2. Mark all high quarters with a crayon.
3. Use Hornet Udder Tonic on those quarters once a day for 3 days.
4. Cover every quarter with Super Cow Udder Mint twice a day for 7 days.

The money he spent on his cows, he received back from the bonus!

1 bottle is enough for 4 quarters

OHIO VALLEY BIOCHAR
*There is a Better Way*

*Biochar blends available for various farming needs, call for more information.*

## If you want better nutrition.... you need to start with better soil

***WHAT IS BIOCHAR?***

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

***WHAT IS THE BENEFIT TO YOU?***

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

"I needed a calf and heifer facility on my property and decided to go with a hoop building. Installation was slick, and I can erect something like this a lot easier and faster than a stick building. # Urgent Scam Alert: Protect Yourself from Fraud

***We've been alerted to a sophisticated scam, where fraudsters are impersonating bank Fraud Departments in an attempt to steal personal and financial information.***

**Here's How the Scam Works:**

- Scammers call pretending to be from your bank's Fraud Department, warning you of suspicious activity on your account.
- They send a follow-up email or text with a link, urging you to download an app or software to "secure" your account. In reality, this gives them remote access to your device.
- Next, they instruct you to visit your local branch and withdraw cash, insisting you keep the reason secret by falsely claiming, "Our employees are involved in the fraud."
- They stay on the phone with you during the transaction, collecting more personal information and directing you to mail the cash to them under the guise of protecting your funds.

**Stay Vigilant!**

- Your bank will never ask you to download software or apps, or to withdraw cash over the phone.
- If you receive a suspicious call, **hang up immediately** and contact your bank.

***Your safety is our top priority. Please share this alert with friends and family to help prevent further scams.***

Also, found it to be helpful in lubricating nasal passages to help with dry air, etc. And is great rubbed onto bruises to help them heal quicker. Great all round product, very suitable for sensitive skin issues.*

*Have you heard about this amazing breakthrough program that people with back, neck and nerve pain drive HOURS for?*

# E.R. Surgeon Secretly Drives Over An Hour To Fix His Back and Nerve Pain With A Chiropractic Neurologist!

A well-known, retired Emergency Room surgeon has been driving over an hour ONE WAY to receive "Cold Laser Decompression" by Board Certified Chiropractic Neurologist, Dr. Russ Schroder.

In fact, he was so impressed by the results that he referred one of his closest friends in for care in the first month!

Frankly, when you look at the outcomes of surgery it's understandable that almost EVERYBODY wants to avoid going under the knife.

Well, now there is an option that has helped thousands of people who want to avoid surgery from over 20 states and Canada! In fact the average patient drives 2 hours just to receive this life-changing care.

It's called Cold Laser Decompression or CLD. And it's a part of a revolutionary program called the CTX Method that works to restore patients' lives by reducing pain and getting to the cause of the problem.

**National Speaker**

Back in 2012, Dr. Russ Schroder became the first doctor to present on Cold Laser Decompression at a national conference in Florida. Since then, CLD has changed the way many patients (AND their doctors!) are thinking about treating their pain.

You see, the average back pain patient either gets better in a few short weeks or DOESN'T. Chiropractic helps many, many early problems. So does Physical Therapy. Even just lying down and icing or over the counter pain pills helps many spines.

For the rest, it can mean a lifetime of day-in, day-out nagging, looking for the nearest place to sit kind of pain. For others, the inability to work, drive, walk or take care of themselves. And pain pills, lots of pain pills... Then commonly – *surgery!*

If you've never been there, or haven't talked to a person who feels like this, it's an eye-opening experience!

But now, people are experiencing results like THIS:

***I started a 5 week program -and felt relief after the first treatment. Now that I have completed the process, my back is virtually pain-free and feels the best it has in over 15 years.***
***– Eric G.***

***There's a LOT less pain..***
***It's the best I've been in a long while!***
***- A. Yoder.***

***I was diagnosed with a prolapsed disc at L5-S1 which caused a great deal of pain. Within, probably, four weeks, I was beginning to be pain-free and at the end of six weeks I was totally pain-free, able to return to work and function in full capacity.***
***- Deb W., Nurse***

***After 3 or 4 treatments I could notice a big difference. Now the pain has pretty well went away. It's lots better. The staff here is great! I never had any wait time.***
***- J. Miller***

***A specialist told me that, yes, surgery was necessary. I saw Dr. Russ instead and I've taken all the treatments.***
***Now, my back doesn't bother me anymore. And I didn't have surgery!***
***– K Sayre.***

**What Problems Has the CTX Method Successfully Helped?**

The main problems it has great success with are:

- **Back and neck pain**
- **Spinal Stenosis, Spinal Arthitis**
- **Sciatica/Leg pain**
- **Herniated and bulging discs**
- **Degenerative discs**
- **Knee Arthritis**
- **Hip Arthritis**

**A very important note:** This program has been successful with even the most severe cases... even when NOTHING else has worked. *Even after failed surgery... Even after MULTIPLE failed surgeries!*
The CTX Method has provided what many consider nothing short of miracles for pain sufferers who had tried everything else... with little or no result. Many had lost all hope.

**Special Offer**

If you would like to see if this program will be the answer to your back, neck, knee or hip pain, you can – for FREE– for a very limited time.
Just call one of our 4 offices within the next 10 days and here's what you will receive:

- **A consultation with Dr. Russ Schroder, FACFN, DC, DACNB- Functional Neurologist, Board Certified Chiropractic Neurologist and Doctor of Chiropractic, to discuss your problem and answer ALL the questions you may have about your back, neck or nerve pain**
- **A thorough Neurological Evaluation.**
- A complete CTX qualification case history and questionnaire to help determine if you are a candidate.
- A Copy of Dr. Russ's first book *Bucket List: Avengers! Age of Neurology*
- A FREE follow-up trial visit, IF you qualify for our CTX Method program and what your options are.

*Excludes further testing or treatment.

**Here's what to do now:** Just call one of our offices and tell whoever answers the phone you want your "CTX qualification evaluation." If you call in the next 10 days, you will be eligible to receive all the above FREE. The normal cost is $245. Due to the expected demand, it is suggested to call at once. Any delay could lead to being placed on a waiting list and paying full-price.

**FREE Special Report:**

If you are still undecided and would like a special report called ***Avoiding Back (and Neck) Surgery,*** detailing everything you need to know about the CTX Method for FREE, just call one of our offices and speak to one of our special assistants to have a free report mailed out to you!

**How pHix's Mature Hops Extract Can Help Stabilize Blood Sugar & Support Diabetes Management**

If you or someone you love struggles with blood sugar swings or diabetes, you know how frustrating it can be to find natural solutions that actually work. What if a powerful, science-backed ingredient—derived from something as simple as hops—could help? That's where pHix comes in.

**The Blood Sugar & Diabetes Connection**
Unstable blood sugar isn't just about sugar cravings or energy crashes—it's a major factor in metabolic health, weight management, and even long-term complications like diabetes. Traditional approaches often rely on medications with side effects, but what if nature already had a better answer?

**How pHix's Mature Hops Extract Works**
- Improve Insulin Sensitivity – Helps your body use insulin
- Slow Glucose Absorption – Supports balanced blood sugar stability
- Reduce Inflammation – Chronic inflammation

**Why Science Behind It**
Research has shown that certain compounds in hops (like alpha and beta acids) can:
- Activate AMPK (an enzyme that helps regulate metabolism, similar to how exercise does).
- Mimic some effects of diabetes drugs – naturally
- Help reduce oxidative stress, a key driver of diabetic complications

**Prediabetics** - Help prevent progression to full diabetes.
**Type 2 Diabetics** - Support healthier blood sugar levels – naturally
**The Bottom Line:** Blood sugar issues don't have to control your life. With Phix's unique hops extract, you're not just masking symptoms.

## Have Cancer Concerns?

**Amygdalin (Laetrile) Vitamin B17** is a powerful organic natural substance that works to help control cancer and viruses which can be consumed through seeds or supplements. In the late 1960's, a pioneering physician, Dr. John A. Richardson, MD, dared to treat his cancer patients with a revolutionary treatment that included the use of Laetrile, along with a strict protocol of diet, exercise, and vitamins. It worked remarkably better than orthodox treatments. Apricot seeds contain the highest concentration of B17 found in nature. These seeds also contain high levels of Thiamine/B1 and Omega-3 fatty acids. From cellular health to inflammation to respiratory conditions, this super seed is also great for animals!

**Sponsored by Tina Miller**

TINA MILLER

Shreve, OH 44676

330-641-1557

The Nourishing Harvest is a cookbook full of from-scratch recipes using real, whole food ingredients. Many are our family favorites, and others are inspired by life on our homestead, where we raise animals and grow vegetables, fruits and herbs.

Inside, you'll find recipes for ice cream, pies, homemade electrolyte drinks, fermented root beer, kefir, kombucha, nourishing comfort foods, and homemade treats like pop tarts, marshmallows, gummies, Cheez-Its, graham crackers, potato chips, and lollipops. Learn how to make your own seasonings, garlic and onion powder, vanilla extract, and cream of mushroom soup.

Plus tips for growing and foraging your favorite herbs and flowers.

The cookbook also includes an apothecary section with natural remedies to help keep your family healthy.

This book isn't just about the recipes. It's also about slowing down, cooking from scratch, and enjoying the simple blessings of life.

We hope it inspires you to try new things in the kitchen, connect with your food, and savor every bite. Above all, it's a reminder to be intentional and grateful for the gifts God has provided through the land we care for.

## Olive Grove Christian School

**Public Information Meeting Wednesday, March 2 • 6:00–8:30 PM**
Community Care Center, 10 Community Lane, Gordonville, PA 17529

During this meeting, we will:

- Share the vision and direction of Olive Grove Christian School
- Share the vision and progress of our vocational work program for 14–17 year olds.
- Provide updates regarding organization and structure
- Q&A

Olive Grove Christian School exists to honor God by providing a Christ-centered education that nurtures children mentally, spiritually, and physically. In partnership with home and church, we seek to train young hearts in the fear of the Lord, raise them in the nurture and admonition of Christ, and prepare them to walk faithfully in all areas of life, reflecting God's truth and love in word and deed.

Our purpose is to preserve and pass on a living faith through a simple, Scripture-guided model of education. We believe there is no neutrality in teaching—every subject must be shaped by the Word of God and submitted to the lordship of Christ. Rooted in prayer and guided by the Holy Spirit, our schools emphasize discipleship, community, stewardship, and humility.

Civil war has left many Yemeni families struggling to survive. With tears, one recipient shared, "I thank [CAM contacts] for helping people in need like us."

FOOD FOR WAR-TORN YEMEN

## Parcels of love

In our country where war is a distant thought, it is difficult to imagine the suffering of people in Yemen or other countries where the horror of war is reality, pain is felt, poverty abounds, and hunger claims lives.

**Kamal*** is a Yemeni father who had to leave his home and job because of heavy shelling.

**Huda** is a mother of five whose husband died, leaving her with the full responsibility of raising her children alone.

**Rania** and her family of seven live in a house with a collapsing roof, allowing water to pour in every time it rains.

Your kindness enables CAM to show Jesus' love and care through the gift of food parcels to suffering people in Yemen. Thank you!

~ 2,000+ sq. ft. 2 story house with an eat-in kitchen, 1 bath-room & 4 additional rooms…it has been rented out & could use some updates but is still in living condition and able to be rented out.

I have owned this property for the past 15 years and it has been a sweet little hunting spot for us…most years we ended up with a buck or two off this property each season with the 2 pictured being our highlights. Property is located on both sides of Rt. 568 with the house on one side & off the other side is a nice little hunting area with a creek running thru & a built-in double tree stand that would be an excellent spot to take children for their first hunting experiences with just a short walk & high potential for successfully seeing deer and/or turkey!

We just had a 12'x16' vinyl clad pavilion delivered and installed. David, Ben, and Matt did an exceptional job. We couldn't be more pleased with the pavilion and their professional assembly.

Keystone Steel Structures is a small company that specializes in erecting and finishing steel buildings. The owner started the company in October 2001. The first few years Keystone was only involved in the erection of the steel structure itself. However, due to customer demand, we have chosen to expand the company's services to include supplying a complete pre-engineered metal building package as well as providing general contracting services for an entire project. While we would be happy to erect a structure from any supplier, we are proud to supply our buildings through Whirlwind and Metallic Building Systems. Over the years, we've collected many awards and honors for the work we do with them.

We strive to build our reputation with excellent communication and unrelenting persistence at keeping our promises to supply quality construction. We are committed to delivering great value and service to our customers.
