Editor's Note

Greetings!

Florida weather is the best, when it's not storming! The days are warm, the nights are cooler. I know my husband misses living here. We are having a nice time visiting family. When I get back home, it will be time to start cleaning out the garden and closing the pool. We had a nice successful gardening year. I'll certainly miss the free, fresh vegetables!

It did not take but the month to turn to Septemeber before we started seeing pumpkin-spice favors come out. Don't get me wrong, I like pumpkin spice flavor, just not in everything! Have a nice week! *Renee Lama - Editor*

A good experience with Lions 6-way was when we decided to put a couple of draft colts on a diet of 2-3 LB. of Lions 6-way per day with about 3½ LB. of oats per day. Never before did we have 2 yr. olds or even

3 yr. olds filled out like these were.

The hay was 2nd or 3rd cutting

alfalfa-grass mix, free choice.

It wasn't always the best quality hay.

A very satisfied customer. (Illinois)

Products built for the EPM BATTLE

ReBalance Bb targets the immune and inflammatory side. It is a 32 oz liquid built on a proprietary extract blend of Pau d'Arco, maitake, echinacea purpurea root, and goldenseal root, plus aloe vera concentrate along with prebiotics from yeast extract and dried chicory root to support a hindgut that illness, stress, and long medication courses tend to disrupt. If immune competence is what separates the horses who clear the parasite from those who don't, immune support isn't peripheral during recovery. **Rebound CNS** targets nerve, muscle, and connective tissue. Alongside its herbal blend, the

top-dress delivers vitamin E and selenium yeast, plus acetyl L-carnitine for neural and mitochondrial support, choline and inositol as building blocks of nerve cell membranes and myelin, flaxseed for omega-3s, and vitamin C for antioxidant support and collagen formation. It is labeled to pair with **ReBalance Bb** for EPM horses, may help restore nerve weakness or damage, and may improve healing time on muscle, ligament, and tendon damage. That last point matters: a horse that has been compensating asymmetrically for weeks has usually accumulated soft-tissue strain well beyond the neurological deficit itself. These two products have been in our top sellers in our line for many years.

POWERFUL, SAFE, EFFECTIVE!

If you want better nutrition.... you need to start with better soil

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

Good Animals Come From Good Stewardship

The horses in your care depend on you. From the work they do in the field to the health they carry through the seasons, their well-being is a responsibility worth taking seriously.

When horses go to pasture, many producers step back on supplements. But rich grass is some of the highest soluble fiber feed a horse's hindgut handles all year and that's when gut health needs the most help, not the least.

E-One™ is formulated with unique Smartbacteria™ microbials, working to help support healthy digestion through pasture season and beyond.

The same trusted Smartbacteria™ that has stood behind P-One™ for dairy cattle for over 25 years. When gut health works the way it should, your animals carry it in how they look, how they work, and how they thrive.

Why do cows love Mayo Mats?

Mayo Mats cradle all the bony parts of the cow perfectly and help eliminate bed sores. Mayo Mats are so effective at this that even a raw egg dropped from 7 feet will not break on a Mayo Mat. Yet they are tough enough to last 10 years (guaranteed), gentle enough to cause no abrasion, firm enough to promote calm and confidence while standing, and are absolutely non slip.

Mayo Mats are also guaranteed to be non-absorbent and to not belly out under a cow or cause places for liquids to pool.

and to share the Gospel
with people worldwide.

At **Yeshua Is The Way** Ministries, we have partnered with local Christians in Pakistan - where there is a great need for spiritual and financial support from the global church body. In a country where Christians face discrimination, poverty and persecution, there is still a hunger for God. Men, women and children are responding to the Gospel! People are being healed from pain and disease! Families are being freed from bonded debt that traps generations in manual labor.

We welcome your financial support for our current and upcoming projects. Our heart is to continue blessing and ministering to these believers and their neighbors by hosting Prayer Festivals, providing Food Kits, financing medical care, and more!

Current Fundraising Needs Include:

- Food Kits and Medical Care Support
- Capital Campaign to purchase a Church Building
- Salary for Pastoral Staff in Pakistan
- General Ministry Expenses (*travel, administration, maintain website*)

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion's Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

WHY DOES DISC PAIN KEEP COMING BACK?

Special Health Report

*What Thousands of Patients With Disc Problems Have Taught Us
About Why Some People Improve Temporarily While Others
Continue to Struggle*

Many People Are Told Their Only Options Are More Treatment, More Injections, or Surgery

If you are one of the millions of people suffering with back, neck, or sciatica pain, you are not alone. Disc problems are one of the leading causes of long-term pain and disability in our country. And if you have been dealing with this pain for any length of time, you may already know how frustrating and discouraging it can be.

Many men and women tell us the same story. They started with mild discomfort. Over time, it got worse. They saw a doctor, had tests, and tried physical therapy, chiropractic care, medications, or injections. Sometimes these treatments helped for a while. But the pain came back.

Eventually, they were told their only choices were more treatment, more injections, or even surgery.

This leaves many people feeling hopeless and unsure of what to do next. That is why we created this recorded health report.

After helping thousands of patients with disc problems, we have seen a common pattern. Some people improve temporarily, while others continue to struggle. The difference is not always what you might think.

The good news is that understanding why disc pain keeps coming back can help you ask better questions and make more informed decisions about your care.

IN THIS RECORDED REPORT YOU'LL DISCOVER:

- ✓ Why disc pain keeps coming back
- ✓ What may block disc repair
- ✓ Why relief often doesn't last
- ✓ What many patients are never told
- ✓ What may be behind sciatica symptoms
- ✓ Questions to ask before injections or surgery

REAL PATIENT STORIES

"I came to MDC with lower back pain and numbness in my legs. I was barely able to walk, and I wasn't able to function or work. It was Midwest Disc Clinic or surgery.

Now after my care plan, I'm pain free and raring to go. I can put in a full day's work.

My experience was very much appreciated." — **D. Hershberger, Nashville, MI**

"I was having lower back pain and right leg pain when I came to MDC. I was on crutches for two days and in bed for a week, not able to work.

After my DOSAE treatments, I am back to work and feel 85% to 90% better. Thank you to the doctors and staff at MDC. Everybody is very friendly and helpful!" — **D. Troyer, Randolph, NY**

Helping thousands of people to grow their business. **Are you ready to grow yours?**

Hard work demands strong health.
When the body is under-nourished, everything suffers — energy, strength, focus, and endurance.

Comprehensive Core is a complete liquid nutrition formula designed to replace what modern food no longer provides.

One daily serving supplies essential vitamins, minerals, and plant nutrients the body needs to stay strong, clear-minded, and resilient.

This is not a pill.

This is real nutrition the body can absorb.

What Comprehensive Core Does

- Helps restore steady energy for long workdays
 - Supports mental clarity and focus
 - Strengthens immune system response
 - Supports heart and circulation health
- Supports healthy blood sugar and metabolism
 - Supports digestion and nutrient absorption

Used daily for strength, endurance, and recovery.

Why Liquid Nutrition Matters

Tablets and capsules must be broken down before the body can use them.
Many never fully absorb.

Liquid nutrition absorbs faster and more completely, delivering nutrients where they're needed — without strain on digestion.

Made the Right Way

- 100% natural ingredients
- Organically sourced nutrients
- No artificial colors or chemicals
- Easy to take once daily

This is foundational nutrition — not a stimulant.

One Supply Lasts 4 Months

This single order provides four months of daily nutrition for one person.

That comes to \$66.75 per month
Less than the cost of poor health.

Frequently asked Question

How do Bearaby blankets get their weight?

The **Cotton Napper** is weighted entirely through hand-knit organic cotton — not beads, not pellets, not hidden fillers. Just pure, breathable cotton loops layered to create natural, even weight. It is precisely engineered with a heavy cotton yarn, and compacted to the perfect density to give you your best nap ever.

The **Tencel Cooling Tree Napper** combines the above process with a blend of Eucalyptis fibers to give you the same effect as the cool side of your pillow, all night long.

Treasured encouragement and teaching for

Christians in Restricted Countries

Kamran* was on a deep search for Truth. As he looked at the people around him—even those claiming religion—he saw arguments, hatred, and slander. None of them offered what he was looking for: a peaceful and loving relationship with God.

One day, during a lunch break on the farm where Kamran worked, he talked to a co-worker. The conversation turned to God. This young co-worker shared some information that was surprising to Kamran—he and his family were Christians. As they talked, Kamran shared about his struggle to read the only Bible he had. The Bible was in a language he could hardly understand, and he struggled to comprehend the little he was able to read.

A few days later, Kamran met this Christian man again. The man brought him several Christian magazines. Kamran recalled this pivotal moment: “He told me I could borrow them but should be careful not to let anyone damage them, as his family enjoyed reading them and wanted to have them back eventually.”

“Those magazines fascinated me,” Kamran shared. “I asked him if he could lend me more, and we began meeting more often. I visited his family, and his father gave me a copy

of the New Testament in [a language I could read]. Then a few months later, his father gave me your contact information, saying that you could send me magazines.”

Kamran knew the risk of receiving Christian literature. He started a post office box so his relatives and neighbors would not easily find out. He then began to regularly receive Christian family magazines. Sound teaching from conservative Anabaptist writers became a consistent source of Bible teaching.

Like Kamran, thousands and thousands of Christians in closed and restricted countries long for fellowship with other Christians, but have limited options. They long for encouragement and Bible-based teaching, but have almost no source.

CAM supporters' funds supply Christian family magazines, reminding these believers they are not forgotten. The material encourages them toward faithfulness to Christ as they face the challenges of living under oppressive regimes. The sound articles point them to a life of faithful obedience to the Word of God.

If you wish to help us supply these magazines to those who anxiously await their arrival, your support will be greatly appreciated!

BANK OF Bird-in-Hand

Urgent Scam Alert: Protect Yourself from Fraud

We've been alerted to a sophisticated scam, where fraudsters are impersonating bank Fraud Departments in an attempt to steal personal and financial information.

Here's How the Scam Works:

- Scammers call pretending to be from your bank's Fraud Department, warning you of suspicious activity on your account.
- They send a follow-up email or text with a link, urging you to download an app or software to "secure" your account. In reality, this gives them remote access to your device.
- Next, they instruct you to visit your local branch and withdraw cash, insisting you keep the reason secret by falsely claiming, "Our employees are involved in the fraud."
- They stay on the phone with you during the transaction, collecting more personal information and directing you to mail the cash to them under the guise of protecting your funds.

Stay Vigilant!

- Your bank will never ask you to download software or apps, or to withdraw cash over the phone.
- If you receive a suspicious call, **hang up immediately** and contact your bank.

Your safety is our top priority. Please share this alert with friends and family to help prevent further scams.

Froman Hill

BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind.

It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troyers

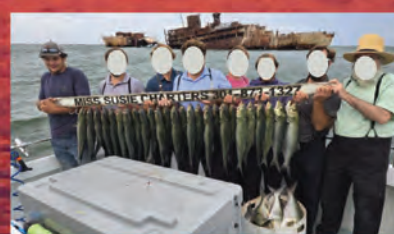

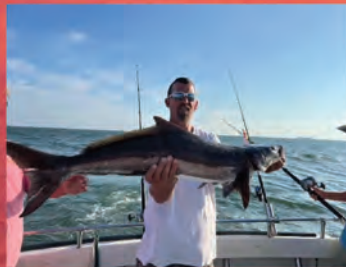

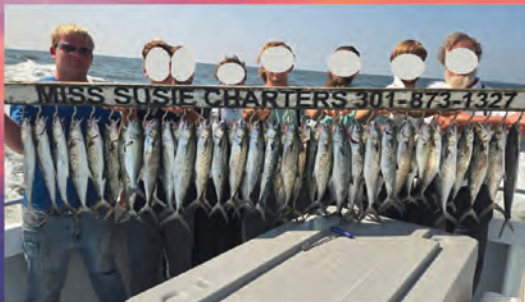

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.
