**Editor's Note:**

This week has been kinda boring. Not much going on. But this weekend should be much better.

The boys will get to race the cars they built for the Boy Scouts in the Pinewood Derby. Right after that they are going to have a rank ceremony. This is where the older boys get to move from Cub Scouts (little kids) into regular Boy Scouts (big kids). Zach will get his rank and not be considered a little kid anymore. They had a lot to learn this year to achieve rank. They went camping and had to setup the camp on their own, they have also had to learn knot tying and basic first aid.

Zach is supposed to go to the hunter safety course this weekend as well. I say supposed to, because everything is happening on the same day. He is wanting to do clay sports at the school next year.

Mother's Day will soon be here. Don't forget to grab her something special from the Busy Beaver!

Enjoying milder weather, Mary Brenner

Article space donated to CAM

A channel enabling the church to minister to physical and spiritual needs around the world

Civil war has left many Yemeni families struggling to survive. With tears, one recipient shared, "I thank [CAM contacts] for helping people in need like us."

FOOD FOR WAR-TORN YEMEN

# Parcels of love

In our country where war is a distant thought, it is difficult to imagine the suffering of people in Yemen or other countries where the horror of war is reality, pain is felt, poverty abounds, and hunger claims lives.

**Kamal\*** is a Yemeni father who had to leave his home and job because of heavy shelling.

**Huda** is a mother of five whose husband died, leaving her with the full responsibility of raising her children alone.

**Rania** and her family of seven live in a house with a collapsing roof, allowing water to pour in every time it rains.

Your kindness enables CAM to show Jesus' love and care through the gift of food parcels to suffering people in Yemen. Thank you!

At Dr. JimZ®, our main goal is to help people eat more nutritious food and be more successful in the garden. Our nutrients are designed to stimulate life in the soil and provide a plethora of nutrients at a biological level. **The microbes in the soil must consume the nutrients before they are 100% bioavailable to the plant.** Our products feed the microbes so your plants can then decide what nutrients they need and when they need them ... this will maximize the genetic potential of the plant and result in higher-quality fruits and veggies.

# Time To Feed Your Trees!

Spring is one of the best times to feed your trees (this is when they pull in nutrition for the spring and summer months)

## Tree Secret®

- All non fruit-bearing trees, evergreens and bushes.

## Chicken Soup for the Soil®

- All fruit trees, flowering perennials, and flowering bushes.

Before

After

Tree Secret® liquid tree fertilizer (formerly known as Save-A-Tree®) is a biologically correct (non-synthetic) tree fertilizer that has been created specifically for enhanced tree success. Our small-batch, extra-potent blend of readily available nutrients is exactly what your trees, plants, and bushes need to revitalize and look great for years to come. The competition does not come close!

- Nitrogen found in most chemical lawn fertilizer is largely responsible for the unnatural rapid growth that weakens trees by thinning their protective cell walls, opening the door for disease, wind damage and bug infestations.
- Plants and bushes need the same nutrition as slow-growing trees. Give your yard a serving of this ultra-potent undiluted, carbon-based fertilizer and watch in amazement as your trees thrive and your landscape transforms into a lush paradise.
- Excellent results on all trees and bushes, including evergreens!

64oz jug  
**\$34.95**

### APPLICATION INSTRUCTIONS

The amount needed for best results depends on the diameter width of the tree trunk 4' up from the base of the tree.

- Use 1 cup per calliper inch of tree trunk (trunk diameter)
- Mix with water and evenly apply from the base of the tree to the drip line.
- Water into the root zone.

To **SAVE** a dying or stressed tree, apply in spring **and** fall.

To **MAINTAIN** good tree health, use one time per year in spring **or** fall.

Happy trees have fewer problems. This stuff works!

*Actual results after 2 applications of BioChar.*

INDUSTRY

**If you want better nutrition.... you need to start with better soil**

*Biochar blends available for various farming needs, call for more information.*

**WHAT IS BIOCHAR?**

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

**WHAT IS THE BENEFIT TO YOU?**

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

The Nourishing Harvest is a cookbook full of from-scratch recipes using real, whole food ingredients. Many are our family favorites, and others are inspired by life on our homestead, where we raise animals and grow vegetables, fruits and herbs.

Inside, you'll find recipes for ice cream, pies, homemade electrolyte drinks, fermented root beer, kefir, kombucha, nourishing comfort foods, and homemade treats like pop tarts, marshmallows, gummies, Cheez-Its, graham crackers, potato chips, and lollipops. Learn how to make your own seasonings, garlic and onion powder, vanilla extract, and cream of mushroom soup.

Plus tips for growing and foraging your favorite herbs and flowers.

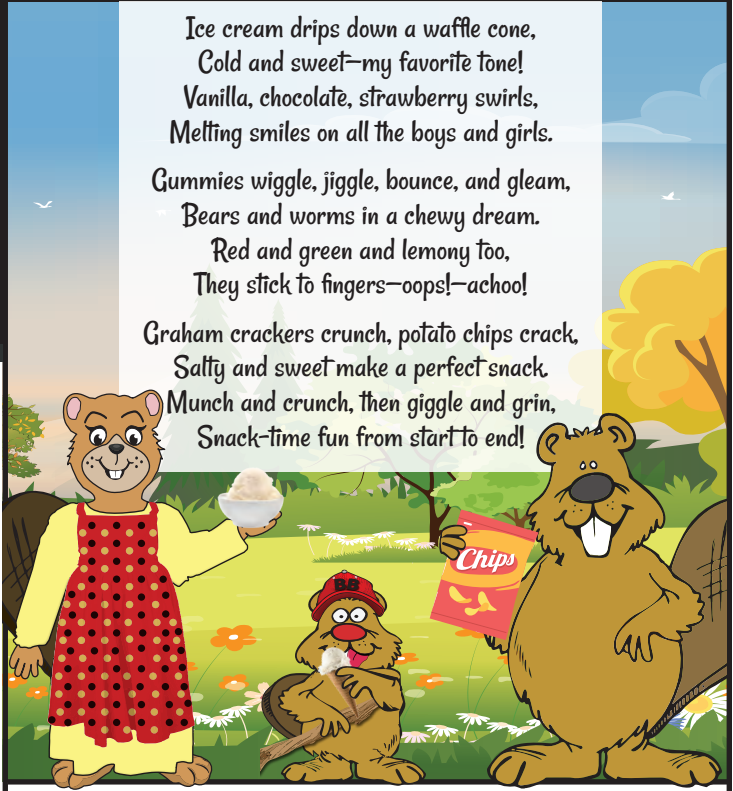

The cookbook also includes an apothecary section with natural remedies to help keep your family healthy.

This book isn't just about the recipes. It's also about slowing down, cooking from scratch, and enjoying the simple blessings of life.

We hope it inspires you to try new things in the kitchen, connect with your food, and savor every bite.

Above all, it's a reminder to be intentional and grateful for the gifts God has provided through the land we care for.

## “Lions Mane Talk”

Starting your day naturally with Mushroom Maiden Farm’s Lion’s Mane Coffee is a simple way to support your health without adding extra time to your routine.

At Mushroom Maiden Farm, we believe in keeping life simple, natural, and wholesome. It is how life should be lived. That’s why our Lion’s Mane Coffee is made with care, using 100% fruiting body mushrooms grown right here high in the Appalachian mountains. Each batch contains a full 10% Lion’s Mane and is carefully tested by a third-party, independent lab. It isn’t cheap, leftover mycelium, it’s the real thing, 100% fruiting body harvested at peak health.

Lion’s Mane is known for its ability to support mental clarity, focus, and alertness, without the jittery feeling that comes from too much caffeine. Like me, many people enjoy it every morning as part of their simple daily ritual. It wakes me up gently, supports my mind, and helps me feel ready for the whole day, all without adding extra time to my routine.

Our coffee blends the comfort of traditional brewing with the benefits of modern wellness. It’s natural, simple, and grounded in the goodness of the earth, no unnecessary additives, just pure mushroom and coffee. Drinking it daily can help support cognitive health, memory, and overall brain function, making it a small but meaningful step toward long-term well-being.

If you’re looking for a way to care for your mind and body while keeping your mornings easy, Mushroom Maiden Farm’s Lion’s Mane Coffee is the perfect choice. Make it part of your morning routine, and enjoy the quiet energy, focus, and natural clarity that comes from a coffee truly rooted in the earth.

Order today and experience the simple, wholesome difference of Lion’s Mane coffee!

**\$138** for the mat.  
Add **\$12** for shipping.

Studies have shown up to 40% improvement for, stress, muscle soreness, and sleep quality after regular use of the mat for 20-30 minutes before bed. Journal of Sleep Therapy 2015

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10-15 minutes a day and gradually increase to 20-40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! - *WTHN Client*

*One Step More*  
A hill is not too hard to climb,  
One step is not too far to find,  
One step is not too much to take,  
One step, one try, one song, one smile  
Will shortly stretch into one mile.  
And everything worthwhile is done,  
By small steps taken one by one.  
To reach the goal you've started for,  
Just take one step, and then one

**WEEK 15**  
Be not deceived, God is not mocked

the seed of the Spirit shall also reap  
life everlasting. Galatians 6:7-9

**WEEK 16**  
And there were in the same  
abiding in the fields by night,  
over their flock by night,

and the angel said unto them, Fear not: for,  
behold I bring you good tidings of great joy.

Two Seeds  
I hid a selfish thought,  
To think and think about  
I did not know it would  
Or ever be found out.

**WEEK 27**  
For the Lord himself shall descend from  
heaven with a shout, with the voice of the arch  
angel, and with the trumpet of God; and the dead  
in Christ shall rise first:  
Then we which are alive and remain shall be  
caught up together with them in the clouds to  
meet the Lord in the air; and so shall we ever be  
with the Lord.  
Wherefore comfort ye one another with these  
words.  
[1 Thessalonians 4:16-17:18]

**WEEK 28**  
And God shall wipe away all the tears from their  
eyes; and there shall be no more death, neither  
sorrow, nor crying, neither shall there be any  
more pain: for the former things are passed away.  
And he that sat upon the throne said, Behold, I  
make all things new. And he said, write: for  
these things are true and faithful.

## BOYS RANCH

*Restoring Hope through Discipleship*

*Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.*

### LOOKING TO SERVE?

**We are in need of Big Brothers and Houseparents!**  
**If interested call 330-343-8055.**

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

**We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.**

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troyers
