Editor's Corner

Hello everyone,

Every morning is a beautiful morning. Make positive thoughts and enjoy every moment of the day! Oh the beautiful sunny warmer days we are having! "Spring will come and so will happiness. Hold on. Life will get warmer." A few snow piles here and there yet. Will we get more snow? I would be ready for green grass, tulips, and all the cheery stuff that spring brings with! "But, God is in Control!"

Froman Hill

BOYS RANCH

Restoring Hope through Discipleship

Froman Hill Boys Ranch is a residence for minor boys from the horse and buggy churches. To act as a refuge while dealing with emotional, moral and spiritual needs.

LOOKING TO SERVE?

We are in need of Big Brothers and Houseparents!
If interested call 330-343-8055.

We enjoy being house parents at Froman Hill Boys Ranch. It is very rewarding to see the young resident boys improving as they do their term here. Also, a blessing to see how the big brothers put in time and effort to help the young boys progress. We receive so much more here than what we give. God's Blessings!

-Eli & Mary

Serving as big brother gave me lots of interesting opportunities and challenges, and trying to be a good example as Jesus left behind. It was very fulfilling and rewarding to follow rules and keep up with schedules when working with these struggling, talented young boys. To me it was a blessing, thanks to God.

-Former Big Brother, Jake

We are in need of work. Looking for simple manual piece work. If you feel led to share, call 330-343-8055 and ask for James.

My time as a Big Brother at Froman Hill Boys Ranch was worthwhile, meaningful, and inspiring. I'm glad I stepped out of my comfort zone to be a part of something special. The friendships and memories made were worth the time invested. I can honestly say I feel I received more than I gave. To God be the glory and honor!

-Big Brother, Michael

I would like to thank God for the opportunity to serve at Froman Hill Boys Ranch. If you have a desire to do something like this, do it! It truly is an enjoyable and fulfilling experience.

-Former Big Brother, Jared Hershberger

About our weeks we have spent with the Froman Hill Boys as houseparents and cooking for them- we have found it very rewarding and interesting. Would encourage anyone to give it a try. You will be richly blessed!

-The Troyers

Froman Hill Boys Ranch operates as Integrated Auxiliary of the Ohio Amish Church.

you need to start with better soil**

*Biochar blends available
for various farming needs,
call for more information.*

WHAT IS BIOCHAR?

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

WHAT IS THE BENEFIT TO YOU?

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

TAGOUT INSIGHT

A whitetail's sense of smell is vastly stronger than a human's - thanks to hundreds of millions of scent receptors, their nose can detect and differentiate scents at levels humans simply can't. This makes smell a deer's most powerful defense and navigation tool in the wild.

“How I Healed The Herniated Disc In My Back, Re-Gained ALL My Strength... and More!”

Find Out What A Natural Doctor Did To Fix His OWN Disc Problem

From the Desk of Dr. Russ Schroder, DC, DACNB, FACFN, Board Certified Chiropractic Neurologist.

Three years ago I injured my lower back when I herniated a disc lifting heavy weights.

It was a terrifying experience that I had never been through before.

In an instant, my back gave out with almost 200 lbs. on my shoulders, and I heard a very loud SNAP.

The shock was immediate- like being stabbed by a knife!

I was able to get an MRI the next day and found out I had injured the lowest disc (cushion) in my back.

The CTX Method

Fortunately, the MRI showed the exact type of problems we have helped with our CTX Methotechnologies since 2006. The torn disc had herniated/ protruded out of its normal shape, bulging out into the nerve space.

I could barely stand upright the first week, but I pushed through our Avoid Back Surgery Program for a month. I got out of pain and then continued healing by taking it easy during exercise for just a few extra weeks.

So, after getting the disc healed and taking those weeks to *slowly* start working out again, I gradually built up my strength again and have gone on to lift MORE than I used to 20 years ago!

Many Still Suffer Unnecessarily

Many of you reading this are living with that severe pain in your lower back (and maybe in the nerves down your legs). Others have disc problems in the neck that can affect the nerves in your arms.

For some, it is so bad you aren't sure what the next step is.

It can be very scary... especially when it's a pain that isn't going away.

Maybe you tried chiropractic or massage. Maybe you've popped some pain pills or herbs.

For many, this low back pain (especially *disc pain*) can mean a lifetime of bouncing from chiropractor to doctor to physical therapist to surgeon after surgeon. It can mean a lifetime of shots, pain pills and more suffering.

Maybe you've tried an inversion table, traction or “decompression” (the kind where you *sit* on the table and then *lay down* to get stretched).

But the thousands who have come to us for our CTX Method (from all-across America and Canada) have *already tried* some of these and failed to get relief.

We've even helped other *doctors* with our CTX therapies including chiropractors, medical surgeons, osteopaths, psychologists and podiatrists who have avoided surgery and referred in numerous others.

This Month's Offer

It's winter, and our Avoid Back (and Neck) Surgery Program starts to fill up fast at our 4 offices. But if you call this month, we are offering a FREE exam (A \$250 Value) *and* a FREE Trial of our CTX Method for those who have disc injuries like bulged, herniated or protruding discs OR spinal degeneration/ spinal arthritis.

So please call one of our offices to see if you qualify for a consultation before spaces run out and you get put on a waiting list and pay full price.

Or to receive our AVOID Back & Neck Surgery Report, call an office and our staff will mail you out a free copy. (A \$29 value) Supplies are limited.

"We do realize it's often we read about positive testimonies and we wonder- is this really the answer or as good as it sounds? But that's what it is with our story- After starting your recommendations and products (and only 3 at that!) we had total improvement in only one week! We have tried various remedies before- none which seemed to help enough, once we did a blood test we realized sometimes one of the most important things are first knowing what your body needs. Although, we do first owe thanks to God for his healing and answered prayers. We also want to take the time to thank Dr Sladic for your time and help." - **NZ, Pennsylvania**

"I had a serious thyroid issue. Suddenly, we saw Dr Sladic's ad in the budget. Is this something we want to try? Knowing we had to do something We called Tom and followed his directions. We have no regrets!! I stopped all of my other products and started Sladic's program My health climbed upward right along. To this day I thank God for his leading and healing." - **L Vutzy, Iowa.**

"Our family doctor put me on a thyroid prescription and increased my dosage three times over the next couple of years. But, it didn't seem to make me feel better. My health issues continued to get worse. After a thorough test Dr Sladic Started me on his program. It was clear other issues were contributing factors. Now after six months, I am not taking as many products and feel stronger and healthier than I have in years. If you're struggling with health issues I would definitely recommend you give this a try." - **D.S. New York**

"I had multiple miscarriages and some digestive issues. I felt wonderful on your program with the diet I was following, no digestive issues at all! It helped to know what I should take to help my body heal. Right at the end of your program I became pregnant again, which was much sooner than I usually was able to." - **K Wengert, Ohio**

"I felt tired most of the time. I also had thyroid nodules. After doing your program I feel more alert and have more energy and less sick. I can do most of a days work, without needing to rest. I would recommend this program to anyone that wants to do it naturally. All people involved are very understanding and helpful. I am thankful to god for this option." - **A Yoder, Ohio**

"I found that I had a sensitivity to vitamin B12 supplements. I am always fatigued, I am very sensitive to fillers which explains my cupboard full of supplements that I can't take. After a blood test I found I had anemia, high cholesterol, and thyroid issues. After your program, my fatigue is 75% better. My second blood test showed my cholesterol lower, my anemia improved and my thyroid antibodies are gone. Thanks for your time and patience, you got a wonderful thing going. I appreciate that you didn't put me on twenty plus pills. I am only on five different supplements from you. May God bless you." - **M.H. Montana**

"I was struggling with postpartum depression, psoriasis and low energy. After your program, I can think more clearly and positively. The work doesn't overwhelm me like before. The psoriasis is slowly still improving and my energy is much better. Dr Sladic taught me how to eat better which has been a big help to our family. Thank you for your help during my journey to better health. To God be the glory." - **K. Yoder Ohio**

My 2-Month Journey — God is So Good 🙏
I can hardly believe it's only been two months since I started this journey... and wow, what a transformation! When I began, I told my wife and so many others — this isn't about how I look, it's about my health. But what's blown me away is how this lifestyle change has impacted both.

For 24 years, I lived with lower back pain from a car accident. That pain is now gone. A few years ago, I had carpal tunnel surgery and lost strength in my hands — constant pain and weakness were my "normals!" Now? Pain-free, and my strength is returning.

The mental clarity, the focus, the steady energy — it's not a quick caffeine rush, it's real, sustained life flowing through me. I feel better, I'm looking better, and I'm walking in renewed purpose.

I'm beyond grateful I said yes to Make Wellness. No more anti-inflammatories, no more muscle relaxers, no more pain meds. God truly led me to something that's helping me heal from the inside out. 🙏

I Love my Make Wellness products! They have changed my life and my health! I have lost 52 lbs and 29 inches. I am off my diabetic and blood pressure medications. My blood work is normal after 16 years of being abnormal! I was sleeping 3 hours and now I am sleeping 8 and getting more deep and REM sleep! This is all in 7 months! These Pep.Lides are different than any other supplement you have sent! The best part is I feel fantastic, 20 years younger and I am aging backwards! 🙏❤️

“Lions Mane Talk”

Starting your day naturally with Mushroom Maiden Farm’s Lion’s Mane Coffee is a simple way to support your health without adding extra time to your routine.

At Mushroom Maiden Farm, we believe in keeping life simple, natural, and wholesome. It is how life should be lived. That’s why our Lion’s Mane Coffee is made with care, using 100% fruiting body mushrooms grown right here high in the Appalachian mountains. Each batch contains a full 10% Lion’s Mane and is carefully tested by a third-party, independent lab. It isn’t cheap, leftover mycelium, it’s the real thing, 100% fruiting body harvested at peak health.

Lion’s Mane is known for its ability to support mental clarity, focus, and alertness, without the jittery feeling that comes from too much caffeine. Like me, many people enjoy it every morning as part of their simple daily ritual. It wakes me up gently, supports my mind, and helps me feel ready for the whole day, all without adding extra time to my routine.

Our coffee blends the comfort of traditional brewing with the benefits of modern wellness. It’s natural, simple, and grounded in the goodness of the earth, no unnecessary additives, just pure mushroom and coffee. Drinking it daily can help support cognitive health, memory, and overall brain function, making it a small but meaningful step toward long-term well-being.

If you’re looking for a way to care for your mind and body while keeping your mornings easy, Mushroom Maiden Farm’s Lion’s Mane Coffee is the perfect choice. Make it part of your morning routine, and enjoy the quiet energy, focus, and natural clarity that comes from a coffee truly rooted in the earth.

Order today and experience the simple, wholesome difference of Lion’s Mane coffee!

Article space donated to CAM

A channel enabling the church to minister to physical and spiritual needs around the world

Civil war has left many Yemeni families struggling to survive. With tears, one recipient shared, "I thank [CAM contacts] for helping people in need like us."

FOOD FOR WAR-TORN YEMEN

Parcels of love

In our country where war is a distant thought, it is difficult to imagine the suffering of people in Yemen or other countries where the horror of war is reality, pain is felt, poverty abounds, and hunger claims lives.

Kamal* is a Yemeni father who had to leave his home and job because of heavy shelling.

Huda is a mother of five whose husband died, leaving her with the full responsibility of raising her children alone.

Rania and her family of seven live in a house with a collapsing roof, allowing water to pour in every time it rains.

Your kindness enables CAM to show Jesus' love and care through the gift of food parcels to suffering people in Yemen. Thank you!

WINNER GETS A FREE NOURISHING HARVEST COOKBOOK!

Sponsored by Tina Miller

TINA MILLER
8372 CR 318
Shreve, OH 44676
330-641-1557

The Nourishing Harvest is a cookbook full of from-scratch recipes using real, whole food ingredients. Many are our family favorites, and others are inspired by life on our homestead, where we raise animals and grow vegetables, fruits and herbs.

Inside, you'll find recipes for ice cream, pies, homemade electrolyte drinks, fermented root beer, kefir, kombucha, nourishing comfort foods, and homemade treats like pop tarts, marshmallows, gummies, Cheez-Its, graham crackers, potato chips, and lollipops. Learn how to make your own seasonings, garlic and onion powder, vanilla extract, and cream of mushroom soup.

Plus tips for growing and foraging your favorite herbs and flowers.

The cookbook also includes an apothecary section with natural remedies to help keep your family healthy.

This book isn't just about the recipes. It's also about slowing down, cooking from scratch, and enjoying the simple blessings of life.

We hope it inspires you to try new things in the kitchen, connect with your food, and savor every bite.

Above all, it's a reminder to be intentional and grateful for the gifts God has provided through the land we care for.

Ice cream drips down a waffle cone,
Cold and sweet—my favorite tone!
Vanilla, chocolate, strawberry swirls,
Melting smiles on all the boys and girls.

Gummies wiggle, jiggle, bounce, and gleam,
Bears and worms in a chewy dream.
Red and green and lemony too,
They stick to fingers—oops!—achoo!

Graham crackers crunch, potato chips crack,
Salty and sweet make a perfect snack.
Munch and crunch, then giggle and grin,
Snack-time fun from start to end!

The View from Here By Aaron Miller
Winter Time Sales

I get asked all the time, "When's the best time to sell real estate?" That's a loaded question. Are we talking hunting land, residential, commercial? Where's it located? How steep's the driveway? How good are the photos? The list goes on.

Here's the real bottom line: the best time to sell is when the timing is right for **you**, the seller.

At Kaufman Realty, we sell property year-round. There really isn't a "bad" time—unless extreme conditions keep buyers from getting eyes on it. And if you've talked with me about selling, you've probably heard me say, "We could have an auction December 24th at midnight, and people would still show up."

Now, that's probably not the plan—but the point stands. If the property is good and the location is right, it can sell just about any time of year.

So don't hesitate to reach out to your agent, preferably me (cough, cough). Let's get your property sold, your goals met and send you on to bigger and better things in 2026.

As Dave Kaufman likes to say, there are three things that matter most in a property sale: **Location, Location, Location.**

That's the view from here. Until next time.
