## Editor's Corner

Hi Everybody,

Let the fresh morning air fill your heart with joy. Listening to the chirping of bird's in the morning is a type of music that relaxes the mind. It automatically brings joy and peace to your heart. Beautiful, warm, and lovely weather we are having. "Some seasons are for planting. Some are for growing. And some are just for surviving. All of them matter." We sure are in the growing season right now. Lawns are being mowed every week, Tree's are turning green, Lilac tree's & flowers are starting to bloom, Mush-rooms are being found, a true reminder to: Bloom where you are planted.

Thank you for participating in the busy beaver! We appreciate your business!

Have a blessed week,  
Ruby Yoder

**It's time to start applying OVB to your fields and gardens.**

*Actual results after 2 applications of OVB Garden Blend*

Also available in 1.2 cubic foot bag

**If you want better nutrition.... you need to start with better soil**

*Biochar blends available for various farming needs, call for more information.*

**WHAT IS BIOCHAR?**

Our Biochar is steam activated carbon that is beneficial for our soils and animals

- Biochar creates a biology in your soil that saves money on fertilizer inputs.
- Biochar has the unique ability for attracting and holding moisture, nutrients, and agrochemicals, even retaining difficult to hold nutrients like nitrogen and phosphorus. Nitrogen and phosphorus tend to run off regular soils, upsetting the ecosystem balance in streams and water ways.
- Biochar creates better bedding for chicken houses, dairy cows, sheep, and horses.
- Mix it to your feed for better animal health, and a good manure.

**WHAT IS THE BENEFIT TO YOU?**

- Saves costs over high fertilizer year after year.
- Creates a healthier environment for you and your family.
- No dangerous side effects to humans, animals, or ecosystems.
- Puts more dollars in your pocket.

**☀ it could be your thyroid!**

## Real Patients. Real Results.

I was having thyroid problems for several years. I tried other supplements and products with little improvement. I saw the ad in the budget and decided to try it. Now after six months I have more energy, sleep better and have overall better health. I was always able to reach out to them. Great people, great program.

– **Dan Stoltzfus, Pennsylvania**

I can honestly say this program has helped more than about any other products with my tiredness and low energy. I can now do a full days work and even something else in the evening without feeling wiped out. By doing the blood tests they found exactly what was wrong, and what I needed. Thanks to god for the healing.

– **Leah Miller, Ohio**

I can get up in the morning and feel refreshed. I am completely off medication for high blood pressure. My menstrual cycles have come back to normal. lots of other things have improved that I didn't know were connected to my thyroid. Thanks so much!

– **Kathryn Yoder, Missouri**

I had autoimmune thyroid disease, blood sugar problems and low vitamin d and iron. After being on their program I feel so much better! I actually feel like doing something instead of having to force myself. My depression is gone. I don't worry like I used to and I have lost 41 pounds. It's great to finally have energy again and enjoy being around people. I encourage anyone struggling to try them.

– **Sue Albrecht, Michigan**

I've been dealing with Hashimoto's for years, I've been on strict diets, changed my medications many times, tried every supplement I was told to take, never felt completely well. Your products and approach has helped me the most. This is the best I've felt for years. Amazing, I've already told many people to call you.

FAMILY & HEALTH

Unroll your pressure point mat and pillow on a flat surface and ease onto it slowly, allowing your body to adjust. The gentle pressure of over 4,000 pressure points works to stimulate circulation, release muscle tension, and support relaxation. Start with 10-15 minutes a day and gradually increase to 20-40 minutes as your body gets used to the sensation. Use daily or as needed to support deep rest, stress relief, and full-body rejuvenation.

I absolutely love this pressure point mat! It's become a part of my daily routine and helps me relax and unwind like nothing else. I've even gifted it to friends, and they're obsessed with it too. Highly recommend for anyone looking to relieve tension and feel amazing! - *WTHN Client*

# Have you been denied for Spinal Disc Replacement and Feeling Hopeless?

## We may have your answer—just like Esther found hers...

### Esther lived in pain every day.

She woke up hurting. Went to bed hurting. Some nights... she barely slept.

Simple things became hard...

Even holding a coffee cup wasn't safe.

She tried everything.

Nothing lasted.

Even therapy made things worse.

Surgery was next— but even that door closed.

She was running out of options.

Then she found a different path.

A focused, non-surgical disc repair plan.

Today... she's back to living life again.

In this free recorded message, you'll learn:

Why disc replacement isn't right for everyone

What makes this approach different

What may be possible for you

If you feel out of options... start here.

## “Lions Mane Talk”

At Mushroom Maiden Farm, we believe in the same enduring principles that guide our communities: faith, family, stewardship of the land, and honest work done well. In a world that often rushes toward shortcuts, we choose a simpler, more transparent path, growing and crafting our products with care, patience, and integrity.

Our mushrooms are cultivated high in the Appalachian Mountains, where clean air, pure water, and rich forest traditions shape their strength. Every batch is tested by an independent lab to ensure purity and quality. We use 100% fruiting bodies, the part of the mushroom where the most valuable nutrients are found, so you receive only the best of what nature provides.

Our Lion’s Mane mushroom capsules are carefully prepared to support clarity and well-being, made without fillers or unnecessary additives. Alongside them, we offer two wholesome varieties of coffee, a smooth and robust dark Arabica bean, roasted for rich flavor and steady comfort and a dark Arabica bean Cinnamon Breakfast Roll coffee. To season your table, choose from four distinct mushroom enhanced salts. We offer a Wild Hickory Cold-Smoked Salt, Himalayan Pink, Sriracha, and Thai Ginger, each crafted to complement honest, home-cooked meals.

As a 100% woman-owned farm, we value humility, hard work, and transparency in every step, from growing to packaging. We are committed to straightforward practices and products you can trust for your home and family.

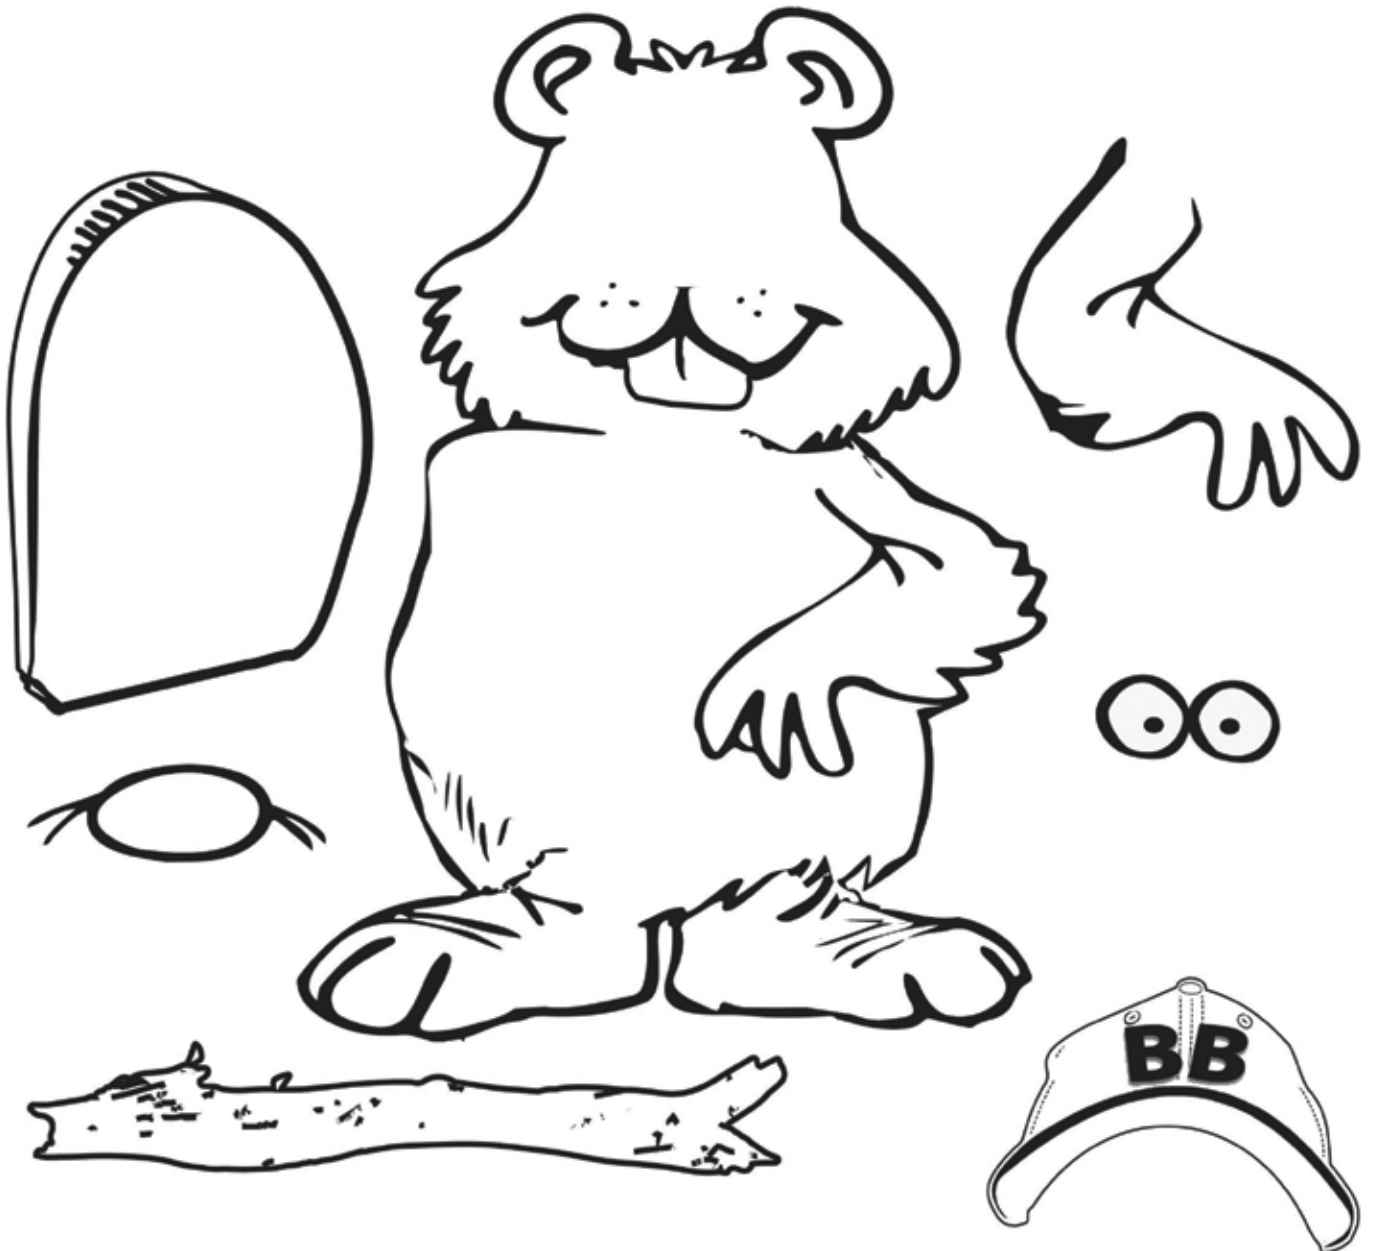

Simple ingredients. Careful hands. Honest quality. That is the Mushroom Maiden promise.

Maria holds several copies of the Antorcha.

CHRISTIAN FAMILY MAGAZINES

### “A vacuum in my heart for the things of God”

**M**aria\* is an 85-year-old lady from Cuba. When an evangelical pastor and his wife moved in beside her, Maria noticed how different they were from the rest of the community. One day the pastor gave her an Antorcha (a Spanish Christian family magazine). She read it and was amazed at what she read.

Maria always enthusiastically waited for the next issue. Every time this pastor came by, she asked for another Antorcha. She testified, “It created a vacuum in my heart for the things of God.” One day she decided to renounce all that was displeasing to God, as well as her religion of the past. “Three years ago, my life has changed because of reading the Antorcha, and I am now baptized as a believer.”

The *Antorcha de la Verdad* (Torch of Truth) Christian family magazine has grown from a first run of 1,800 copies in 1987 to approximately 650,000 copies, which are printed in various locations and languages today.

\*Not her real name.

## Stay Local and Yet Reach Far

Jesus said, "...you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." (Acts 1:8)

**How is that possible? Well, you can start here and now!** Most of us live and work near home and only get into surrounding areas where people can see our light.

**But to the ends of the earth? Let Global Disciples do the work.**

Global Disciples trains Christians in Africa and Asia who know the local language and culture to share the Good News of Jesus with the people there who never before heard the Gospel. Last year 76,239 people came to Christ and joined one of 4,246 new churches that started.

People come to Jesus only as the Holy Spirit leads. But for every \$102 given, we see someone come to faith in Jesus and get involved in a church. Most who trust in Christ and are baptized were once unreached people. Every bit helps!

I am giving to help more people from 'the ends of the earth' come to faith in Jesus Christ!

- \$102 to help 1 person come to Christ
- \$204 to help 2 people come to Christ
- \$306 to help 3 people come to Christ
- \$408 to help 4 people come to Christ
- \$510 to help 5 people come to Christ
- \$\_\_\_\_\_ to bring people to Jesus Christ

VISION BEYOND BORDERS

# Over Six Million Bibles Delivered Across the World

Join us in sharing the Gospel far and near.

For years, Vision Beyond Borders has worked to place God's Word into the hands of those who are waiting for it.

- Hundreds of thousands sent to Venezuela and Cuba.
- Actively working to get Bibles into the hands of Iranians who are seeking truth.

In many places, access to Scripture is limited, restricted, or financially out of reach. Yet the hunger for God's Word continues to grow.

**We are printing and distributing Bibles to:**

- Churches and believers who cannot afford one
- Prisons and drug rehabilitation centers
- Rural villages and underserved communities
- Nations where Scripture is difficult to obtain

**Will you help send Bibles today?**

- \$4 prints one Bible
- \$100 provides 25 Bibles
- \$1000 provides 250 Bibles

Any amount blesses the thirsty hearts.

**Address:**

PO Box 2635  
Casper, WY 82602  
307-333-6545

A receipt will be provided upon request for any donors who request it.  
*Thank you—may the Lord richly bless you as you partner in bringing His living Word to souls in need.*

**The View from Here** *By Aaron Miller.*  
**SPRINGTIME!**

Spring is here and with it comes a plethora of opportunities to buy and sell real estate, If you are an investor or are looking for real estate in any way shape or form. Get prequalified at bank, start planning what you want to do, and put a plan in motion. Right now, we have a healthy number of auctions and listings coming up and it is a great time to get in the game and purchase (or sell) a property. We always tell people don't try to time the market perfectly, there will always be something that isn't perfect in this very imperfect world, Covid, high interest rates, wars and rumors of wars, stock markets, digital currency, these are all things that keep or inspire people to buy or sell real estate. 95% of the people I work with are glad they bought when they did and the other 5% may have possibly paid a tick too much but will be fine if they wait for a bit to let the markets rise. Something to keep in mind. "When you own property and it goes up its appreciation" and when you see property going up from the sidelines? Yea that's inflation! It's all in the eyes of the beholder. Let's keep on keeping on! Happy springtime everyone! God bless and have a great week.

*That's the view from here. Until next time.*

## CARR ROAD REAL ESTATE AUCTION

**4 BDRM RANCH HOME – 2 GREAT SHOP BUILDINGS**  
**3.36 ACRES – WAYNE DALE LOCAL SCHOOLS**  
**THURSDAY, APRIL 23, 2026 – 6 PM**  
*Auction conducted onsite at 2180 S. Carr Road, Orrville OH 44667.*

**REAL ESTATE:** An absolute great spring auction opportunity in a great rural location. This property for the past 38 years has commonly been known as the Kasserman Homestead, so when I refer to “Kasserman Care”, you will see for yourself. The property has so many possibilities with the 2 shop buildings and its location. The residence is a 4-bedroom ranch home w/ approx. 1,872 sq. ft. of living space on the main floor and is in excellent condition. The home features a very open floor plan with the beautiful kitchen and dining area. Kitchen has a center island and lots of built-ins. Dining area has the access to the large outdoor deck and flows right into the large family room. A full bathroom and laundry area finish the first floor. Home has a full basement, currently unfinished but easily could be finished. Home had all new windows & front door in 2018 & new metal roof last year.

Now the 2 shop buildings – the 40’X60’ building is the newest – built in 2017 and has 3 overhead doors. It has a 20’X30’ enclosed area that has heat, air conditioning and water. The original shop building is “L” shaped with a 26’X48’ area and a 24’X26’ enclosed area with heat and water. Both sections have overhead doors. All of this on 3.36 acres and the property has lots of improved gravel driveways between the house and buildings. There is a 12’X20’ portable building that will sell separate. If you are looking for a well-cared for property with loads of potential, don’t miss this one!

**TERMS:** We require a non-refundable down payment of 10% of the final bid price due the day of auction with the balance due at closing in approx. 45 days. There is No Buyer’s Premium for this auction. Taxes will be prorated to the day of closing and are currently \$2,486.77 per ½ year. Sellers will split the cost of an owner’s title insurance policy. Announcements sale day take precedence over printed material. Possession immediate upon closing. Home & buildings sell in their current “As Is” condition.
